

# Control of Pests and Other Asthma Allergen Triggers - Sample Investigation Form

§27-2017.2 Owners' responsibility to notify occupants and to investigate. a. The owner of a multiple dwelling shall cause an investigation to be made for indoor allergen hazards in all occupied dwelling units and in common areas as set forth on subdivision b of this section. b. Investigations shall be undertaken at least once a year and more often if necessary, such as when, in the exercise of reasonable care, an owner knows or should have known of a condition that is reasonably foreseeable to cause an indoor allergen hazard, or an occupant makes a complaint concerning a condition that is likely to cause an indoor allergen hazard or requests an inspection, or the department issues a notice of violation or orders the correction of a violation that is likely to cause an indoor allergen hazard.
