## **SECTION II: SUMMARY OF THE REQUEST FOR PROPOSALS**

### **A. Purpose of the RFP**

The New York City Human Resources Administration (HRA) Adult Protective Services (APS) program is seeking three (3) appropriately qualified vendors to serve as Community Guardian for adults who are determined incapacitated by a court of competent jurisdiction, pursuant to Article 81 of the New York State Mental Hygiene Law. The Community Guardian shall act on behalf of each person for whom it is appointed by the court to obtain such medical, social, mental health, legal and other services, entitlements and public benefits to which the person qualifies for and which are required for the person's safety and well-being, pursuant to Social Services Law Section 473d and 18 NYCRR Section 457.12(d)(4).

At present, approximately 59% of Community Guardian clients are aged 60 and over, 34% aged 40 to 59, while 7% are between the ages of 18 and 39. Caseloads will be comprised of active cases and cases in the process of discharge. Active Community Guardian cases are those cases involving persons adjudicated incapacitated by a court of competent jurisdiction who reside outside a hospital or residential facility (or reside in a hospital or residential facility with a plan of care to return to the community), and who require comprehensive case management services as described above.

It is anticipated that each selected provider will serve a minimum of 400 Community Guardian cases, at any given time, depending on the provider's capacity and the demand for services. Actual service levels will be determined by HRA at the time of contract award and will be based on HRA needs at this time.

In addition to providing services to the active Community Guardian clients, contractors will also be responsible for filing petitions for discharge from guardianship or modification pursuant to Mental Hygiene Law Section 81.36.

Contractors shall provide Community Guardian services pursuant to Article 81 of the New York State Mental Hygiene Law which details the appointment of a guardian whose powers are tailored specifically to the needs of a person with respect to personal care and property management, and Social Services Law, Section 473(d), which defines the responsibilities of Community Guardianship. These documents are available for review at any law library, the main center of the New York City Public Library and on-line through Lexis-Nexis, at [www.lexis.com](http://www.lexis.com). Proposers may propose sub-contracting arrangements, subject to the approval of HRA, to enhance their core competencies, to ensure adequate geographic coverage or to satisfy their organization's incorporation by-laws or limitations.

**B. Caseload Options/Competitions**

HRA currently provides Community Guardian services to approximately 1,379 clients citywide and anticipates an increase in demand for services in the future. Contractors should have the capability to serve all five boroughs. Currently, there are three contractors serving clients in the five boroughs.

Current Community Guardian Cases

Manhattan	496
Brooklyn	278
Queens	379
The Bronx	189
Staten Island	37

There are three caseload options to be awarded on a citywide basis: Option I 443, Option II: 465 and Option III: 471 cases and all are considered citywide in scope. Proposers may propose on more than one caseload option, and each option will be evaluated separately as a different competition pool. A separate and complete proposal shall be submitted for each caseload option being proposed. The actual size of the contracts may vary from a minimum of 400 cases to more than 500 cases. In addition to serving at least 400 active cases, contractors may be expected to serve an additional 15% of cases at any one time, which are in the process of discharge at no additional cost. Proposers who are deemed eligible for an increased caseload are subject to HRA determination, based, in part, on the proposer's demonstrated organizational capability and the best interests of the City, respectively, the number of cases the vendor will be awarded per contract and the number of contracts.

**C. Anticipated Contract Term**

It is anticipated that the term of the contracts awarded from this RFP will be for three (3) years, from January 1, 2014 to December 31, 2016. The contract may include one (1) three-year option to renew, contingent on additional funding. The Agency reserves the right, prior to contract award, to determine the length of the initial contract term and each option to renew, if any.

**D. Anticipated Annual Funding**

It is anticipated that a maximum of \$9,698,800 annually will be available for the operation of the 1,379 cases.

**E. Anticipated Payment Structure**

The payment structure of the contract(s) is based on the maximum of \$7,033 per client per year awarded from this RFP will be based on a combination of monthly line-item budget reimbursement and performance related financial disincentives. However, HRA will consider proposals to structure payments in a different manner and reserves the right to select any payment structure that is in the City's best interest. Greater consideration will be provided to proposers who propose the most competitive pricing.

**F. Minimum Qualification Requirements**

The following are the Minimum Qualifications Requirements of this RFP. Proposers that fail to meet these requirements will be deemed nonresponsive and will not be considered for an award.

- The proposer shall be a not-for-profit corporation. The proposer must be classified as a tax-exempt organization under section 501(c) (3) of the Internal Revenue Code by the time of the proposal due date prescribed in this RFP. That current contractor will be held responsible to the court for all required client services until such time as the transfer appointment to the new contractor is completed by the court.

#### **C. Agency Determination Regarding Performance-Based Financial Disincentives**

HRA has determined that a payment structure that includes a combination of monthly line-item budget reimbursement and performance related financial disincentives will most likely assure that the selected proposer(s) perform the work under the contract(s) awarded from this RFP in a manner that is cost-effective for HRA and in a manner most likely to achieve HRA's goals and objectives set forth above.

- The contractor will provide the services as specified in the scope of services in accordance with policies, plans, standards and procedures which HRA/APS may establish. Such services shall be delivered in a satisfactory and proper manner as determined solely by HRA/APS.
- The contractor will provide services at a rate consistent with the mutually agreed upon levels of services which are set forth in this RFP. The levels of services shall be subject to quarterly review or at such times which HRA/APS may deem necessary. Where and when appropriate, and adjustment may be made in the levels of services, from time to time, by the mutual agreement in writing of the parties. If the contractor is delivering the services at a rate which, the judgment of HRA/APS reached after consultation with the contractor, has resulted, is resulting, or will result in a level of service below 80% of that herein agreed upon, HRA/APS, shall after notifying the contractor, formally demand that the rate of service be increased in general or by a specified amount up to the level agreed within a specified period of time. If the level of service is not increased in accordance with the demand, HRA/APS shall, upon 30 days notice to the contractor, reduce the funding to the contractor in proportion to the reduced level of service. This provision in no event shall be interpreted as a waiver of any rights HRA/APS may have by law or under contract to terminate the contract for contractor's failure to perform satisfactorily.

**Discharge Completion** –The Community Guardian will handle all cases in the process of discharge. After the community guardian has gone through the process of obtaining HRA approval and petitioning the court to be discharged, the community guardian will maintain each such case an active for purpose of budgeting and shall be reimbursed at the full rate of service up to the earlier of either the date the case is discharge or:

- For a maximum of 180 days from:
  - i. the client regaining capacity;
  - ii. death of a client; or
  - iii. someone else is willing and able to serve as guardian; or
  - iv. the community guardian intends to substitute its own judgment for the stated or known wishes of the client; or
  - v. For some other reason, the appointment of a guardian is no longer necessary for the client; or.
- For a maximum of 365 days from when the client is admitted to an institutional care facility.

**Acceptance and Determination** – The Community Guardian will make a determination to accept and qualify, or reject, within 60 days, all guardian appointments as ordered by a court of competent jurisdiction, including full, temporary, interim, and special guardianships, resulting from petitions brought before a court of competent jurisdiction by HRA's Office of Legal Affairs on behalf of incapacitated clients of HRA's Adult Protective Services (APS) program. Community Guardian providers will also file an initial report with the Court of its decision within 90 days of the referral/appointment, as mandated by the Courts. Only cases that are accepted by the appointed Community Guardian may be applied toward the Contractors' budgets; cases will not be eligible for reimbursement until the date HRA/APS is notified of acceptance by the appointed Community Guardian.

HRA's assumptions regarding performance-based payments represent what HRA believes will most likely achieve its goals and objectives. However, proposers are encouraged to propose measures, incentives and disincentives that they believe will most likely achieve HRA's goals and objectives in a cost-effective manner.

#### Rejection of Guardian Appointment

- In the event of a rejection of a guardian appointment, contractor will immediately notify HRA/ APS in writing for its review and approval of the rejection. Contractor shall at that time submit sufficient evidence of the reason (s) for rejection as soon as that determination is made by contractor. Contractor shall also submit a proposed plan to meet the client's continuing service needs, if any. The reasons for rejection of an appointment shall be limited to the following circumstances under which contractor may petition the court to relinquish its duties as guardian:
  - a) The client has regained capacity and can thus provide for its own safety and well being;
  - b) There is someone else who is capable of and willing to serve as a guardian;
  - c) the client has died;
  - d) the client is about to enter a hospital or residential facility with the expectation of a long-term stay which will exceed six (6) months and there is no anticipation of a return to the community;
  - e) the community guardian intends to substitute its own judgment of a guardian for the stated or known wishes of the client;
  - f) For some other reason, the appointment of a guardian is no longer necessary for the client.

In the event HRA/APS approves the rejection of the appointment and of the proposed plan to meet any continuing needs of the client, HRA/APS shall assist the contractor in immediately petitioning the court for relief from the appointment and/or for the appointment of a successor guardian, if the need for one still exists.

**D. Compliance with Local Law 34 of 2007**

Pursuant to Local Law 34 of 2007, amending the City's Campaign Finance Law, the City established a computerized database containing the names of any "person" that has "business dealings with the city" as such terms are defined in the Local Law. For the purposes of the database, proposers are required to complete the attached Doing Business Data Form and return it with this proposal, and should do so in a separate envelope. (If the proposer is a proposed joint venture, the entities that comprise the proposed joint venture must each complete a Data Form.) If the City determines that a proposer has failed to submit a Data Form or has submitted a Data Form that is not complete, the proposer will be notified by the Agency and will be given four (4) calendar days from receipt of notification to cure the specified deficiencies and return a complete Data Form to the Agency. Failure to do so will result in a determination that the proposal is non-responsive. Receipt of notification is defined as the day notice is e-mailed or faxed (if the proposer has provided an e-mail address or fax number), or no later than five (5) days from the date of mailing or upon delivery, if delivered.

**E. Whistleblower Protection Expansion Act Rider**

Local Law Nos. 30 and 33 of 2012, codified at sections 6-132 and 12-113 of the New York City Administrative Code, the Whistleblower Protection Expansion Act, protect employees of certain City contractors from adverse personnel action based on whistleblower activity relating to a City contract and require contractors to post a notice informing employees of their rights. ### **A. Evaluation Procedures**

All proposals accepted by the Agency will be reviewed to determine whether they are responsive or non-responsive to the requisites of this RFP. Proposals that are determined by the Agency to be non-responsive will be rejected. The Agency's Evaluation Committee will evaluate and rate all remaining proposals based on the Evaluation Criteria prescribed below. The Agency reserves the right to conduct site visits and/or interviews and/or to request that proposers make presentations and/or demonstrations, as the Agency deems applicable and appropriate. ### **B. Evaluation Criteria**

- Demonstrated level of organizational capability. 20%
- Quality of proposed approach. 40%

### **C. Basis for Contract Award**

A contract award will be made under each option to the responsible proposer whose proposals are determined to be the most advantageous to the City, taking into consideration the price and such other factors or criteria which are set forth in the RFP. Award selection will be based on the highest technically rated proposals whose price does not exceed the maximum cost per case set forth in the RFP. Any proposer(s) proposing a higher amount may not be considered for award and may be considered non-responsive. Contract award shall be subject to the timely completion of contract negotiations between HRA and the selected proposers, and a determination of both vendor responsibility and administrative capability.

The caseload options are as follows, Option I: 443, Option II: 465 and Option III: 471 cases respectively. Proposers may propose on more than one option, which shall be considered as separate competition pools. A separate proposal must be submitted for each service option being proposed. In the case that a proposer is eligible for more than one contract award, HRA reserves the right to determine, based on the proposer's capacity, demonstrated level of organizational capability and the best interest of the City, how many and for which service option(s), the proposer shall be awarded.

Notwithstanding the preceding sentence, the Contractor may retain consultants to draft proposals, negotiate contracts, and perform other similar services. The Contractor further represents and warrants that no payment, gift, or thing of value has been made, given, or promised to obtain this or any other agreement between the parties. The Contractor makes such representations and warranties to induce the City to enter into this Agreement and the City relies upon such representations and warranties in the execution of this Agreement.

**Section 2.05 Political Activity**

The Contractor's provision of services under this Agreement shall not include any partisan political activity or any activity to further the election or defeat of any candidate for

The Contractor shall not assign, transfer, convey or otherwise dispose of this Agreement, or the right to execute it, or the right, title or interest in or to it or any part of it, or assign, by power of attorney or otherwise, any of the monies due or to become due under this Agreement, without the prior written consent of the Commissioner. The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Department giving the name and address of the proposed assignee. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed assignee has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency

shall make a final determination in writing approving or disapproving the assignee after receiving all requested information.

C. Failure to obtain the prior written consent to such an assignment, transfer, conveyance, or other disposition may result in the revocation and annulment of this Agreement, at the option of the Commissioner. The City shall thereupon be relieved and discharged from any further liability and obligation to the Contractor, its assignees, or transferees, who shall forfeit all monies earned under this Agreement, except so much as may be necessary to pay the Contractor's employees.

D. The provisions of this Section shall not hinder, prevent, or affect an assignment by the Contractor for the benefit of its creditors made pursuant to the Laws of the State.

E. This Agreement may be assigned, in whole or in part, by the City to any corporation, agency, or instrumentality having authority to accept such assignment. The City shall provide the Contractor with written notice of any such assignment.

### **Section 3.02 Subcontracting**

A. The Contractor shall not enter into any subcontract for an amount greater than Five Thousand Dollars (\$5,000) for the performance of its obligations, in whole or in part, under this Agreement without the prior approval by the Department of the subcontractor. The Department hereby grants approval for all subcontracts for an amount that does not exceed Five Thousand Dollars (\$5,000). The Contractor must submit monthly reports to the Department indicating all such subcontractors. All subcontracts must be in writing.

B. Prior to entering into any subcontract for an amount greater than Five Thousand Dollars (\$5,000), the Contractor shall submit a written request for the approval of the proposed subcontractor to the Department giving the name and address of the proposed subcontractor and the portion of the services that it is to perform and furnish. At the request of the Department, a copy of the proposed subcontract shall be submitted to the Department. The proposed subcontractor's VENDEX Questionnaire must be submitted, if required, within thirty (30) Days after the ACCO has granted preliminary approval of the proposed subcontractor. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Agency shall make a final determination in writing approving or disapproving the subcontractor after receiving all requested information. For proposed subcontracts that do not exceed Twenty-five Thousand Dollars (\$25,000), the Department's approval shall be deemed granted if the Department does not issue a written approval or disapproval within forty-five (45) Days of the Department's receipt of the written request for approval or, if applicable, within forty-five (45) Days of the Department's acknowledged receipt of fully completed VENDEX Questionnaires for the subcontractor.

2. Nothing contained in the agreement between the Contractor and the subcontractor shall impair the rights of the City;

3. Nothing contained in the agreement between the Contractor and the subcontractor, or under the agreement between the City and the Contractor, shall create any contractual relation between the subcontractor and the City; and

4. The subcontractor specifically agrees to be bound by Section 4.07 and Article 5 of this Appendix A and specifically agrees that the City may enforce such provisions directly against the subcontractor as if the City were a party to the subcontract.

D. The Contractor agrees that it is as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.

E. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

F. The Department may revoke the approval of a subcontractor granted or deemed granted pursuant to Paragraphs (A) and (B) of this section if revocation is deemed to be in the interest of the City in writing on no less than ten (10) Days notice unless a shorter period is warranted by considerations of health, safety, integrity issues or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The City shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The City shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

G. The Department's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under this Agreement. At the request of the Department, the Contractor shall provide the Department a copy of any subcontract.

H. Individual employer-employee contracts are not subcontracts subject to the requirements of this Section.

Any breach of this Section shall be deemed a material breach of this Agreement.

**Section 4.05 Non-Discrimination: New York State Labor Law § 220-e**

A. If this Agreement is for the construction, alteration or repair of any public building or public work or for the manufacture, sale, or distribution of materials, equipment, or supplies, the Contractor agrees, as required by New York State Labor Law § 220-e, that:

1. In the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, neither the Contractor, subcontractor, nor any person acting on behalf of such Contractor or subcontractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;

2. Neither the Contractor, subcontractor, nor any person on his or her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Agreement on account of race, creed, color, disability, sex or national origin;

3. There may be deducted from the amount payable to the Contractor by the City under this Agreement a penalty of Fifty Dollars (\$50) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement; and

4. This Agreement may be terminated by the City, and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this Section.

B. The provisions of this Section shall be limited to operations performed within the territorial limits of the State of New York.

**Section 4.06 Non-Discrimination: Admin. Code § 6-108**

If this Agreement is for the construction, alteration or repair of buildings or the construction or repair of streets or highways, or for the manufacture, sale, or distribution of materials, equipment or supplies, the Contractor agrees, as required by New York City Administrative Code § 6-108, that:

A. It shall be unlawful for any person engaged in the construction, alteration or repair of buildings or engaged in the construction or repair of streets or highways pursuant to a contract with the City or engaged in the manufacture, sale or distribution of materials, equipment or supplies pursuant to a contract with the City to refuse to employ or to refuse to continue in any employment any person on account of the race, color or creed of such person.

B. It shall be unlawful for any person or any servant, agent or employee of any person, described in Paragraph A above, to ask, indicate or transmit, orally or in writing, directly

or indirectly, the race, color, creed or religious affiliation of any person employed or seeking employment from such person, firm or corporation.

C. Breach of the foregoing provisions shall be deemed a breach of a material provision of this Agreement.

D. Any person, or the employee, manager or owner of or officer of such firm or corporation who shall violate any of the provisions of this Section shall, upon conviction thereof, be punished by a fine of not more than One Hundred Dollars (\$100) or by imprisonment for not more than thirty (30) Days, or both.

**Section 4.07 Non-Discrimination: E.O. 50 -- Equal Employment Opportunity**

A. This Agreement is subject to the requirements of City Executive Order No. 50 (1980) ("E.O. 50"), as revised, and the rules set forth at 66 RCNY § 10-01 et seq. No agreement will be awarded unless and until these requirements have been complied with in their entirety. The Contractor agrees that it:

1. Will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;
2. Will not discriminate unlawfully in the selection of subcontractors on the basis of the owners', partners' or shareholders' race, color, creed, national origin, sex, age, disability, marital status, sexual orientation, or citizenship status;
3. Will state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that all qualified applicants will receive consideration for employment without unlawful discrimination based on race, color, creed, national origin, sex, age, disability, marital status, sexual orientation or citizenship status, and that it is an equal employment opportunity employer;
4. Will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 and the rules and regulations promulgated thereunder;
5. Will furnish before this Agreement is awarded all information and reports including an Employment Report which are required by E.O. 50, the rules and regulations promulgated thereunder, and orders of the City Department of Small Business Services, Division of Labor Services ("DLS"); and

6. Will permit DLS to have access to all relevant books, records, and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

B. The Contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, such noncompliance shall constitute a material breach of this Agreement and noncompliance with E.O. 50 and the rules and regulations promulgated thereunder. After a hearing held pursuant to the rules of DLS, the Director of DLS may direct the Commissioner to impose any or all of the following sanctions:

1. Disapproval of the Contractor; and/or
2. Suspension or termination of the Agreement; and/or
3. Declaring the Contractor in default; and/or
4. In lieu of any of the foregoing sanctions, imposition of an employment program.

C. Failure to comply with E.O. 50 and the rules and regulations promulgated thereunder in one or more instances may result in the Department declaring the Contractor to be non-responsible.

D. The Contractor agrees to include the provisions of the foregoing Paragraphs in every subcontract or purchase order in excess of One Hundred Thousand Dollars (\$100,000) to which it becomes a party unless exempted by E.O. 50 and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of DLS as a means of enforcing such provisions including sanctions for noncompliance. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor or vendor for purposes of this Paragraph.

The Contractor further agrees that it will refrain from entering into any subcontract or modification thereof subject to E.O. 50 and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 and the rules and regulations promulgated thereunder. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor for purposes of this Paragraph.

F. Nothing contained in this Section shall be construed to bar any religious or denominational institution or organization, or any organization operated for charitable or educational purposes, that is operated, supervised or controlled by or in connection with a religious organization, from lawfully limiting employment or lawfully giving preference to persons of the same religion or denomination or from lawfully making such selection as is calculated by such organization to promote the religious principles for which it is established or maintained.

C. The Contractor shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the Department and by the Comptroller in the exercise of his/her powers under Law.

D. The Contractor shall not be entitled to final payment until the Contractor has complied with the requirements of this Section.

**Section 5.05 No Removal of Records from Premises**

Where performance of this Agreement involves use by the Contractor of any City books, records, documents, or data (in hard copy, or electronic or other format now known or developed in the future) at City facilities or offices, the Contractor shall not remove any such data (in the format in which it originally existed, or in any other converted or derived format) from such facility or office without the prior written approval of the Department's designated official. Upon the request by the Department at any time during the Agreement or after the Agreement has expired or terminated, the Contractor shall return to the Department any City books, records, documents, or data that has been removed from City premises.

The Contractor agrees that such reports, information, or data shall not be made available to any person or entity without the prior written approval of the Department. The Contractor agrees to maintain the confidentiality of such reports, information, or data by using a reasonable degree of care, and using at least the same degree of care that the Contractor uses to preserve the confidentiality of its own confidential information. The Contractor shall confer with the Department, in good faith, regarding any issues that arise from the Contractor retaining such confidential information. If the Department does not request such information, or the Law does not require otherwise, such information shall be maintained in accordance with the requirements set forth in Section 5.02.

Any reports, documents, data, photographs, deliverables, and/or other materials provided pursuant to this Agreement (“Copyrightable Materials”) shall be considered “work-made-for-hire” within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the City shall be the copyright owner thereof and of all aspects, elements and components thereof in which copyright protection might exist. To the extent that the Copyrightable Materials do not qualify as “work-made-for-hire,” the Contractor hereby irrevocably transfers, assigns and conveys exclusive copyright ownership in and to the Copyrightable Materials to the City, free and clear of any liens, claims, or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials. The Copyrightable Materials shall be used by the Contractor for no purpose other than in the performance of this Agreement without the prior written permission of the City. The Department may grant the Contractor a license to use the Copyrightable Materials on such terms as determined by the Department and set forth in the license.

C. The Contractor acknowledges that the City may, in its sole discretion, register copyright in the Copyrightable Materials with the United States Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall fully cooperate in this effort, and agrees to provide any and all documentation necessary to accomplish this.

D. The Contractor represents and warrants that the Copyrightable Materials: (i) are wholly original material not published elsewhere (except for material that is in the public domain); (ii) do not violate any copyright Law; (iii) do not constitute defamation or invasion of the right of privacy or publicity; and (iv) are not an infringement, of any kind, of the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the City upon execution of this Agreement.

E. If the services under this Agreement are supported by a federal grant of funds, the federal and State government reserves a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for federal or State government purposes, the copyright in any Copyrightable Materials developed under this Agreement.

F. If the Contractor publishes a work dealing with any aspect of performance under this Agreement, or with the results of such performance, the City shall have a royalty-free, non-

exclusive irrevocable license to reproduce, publish, or otherwise use such work for City governmental purposes.

### **Section 6.02 Patents and Inventions**

The Contractor shall promptly and fully report to the Department any discovery or invention arising out of or developed in the course of performance of this Agreement. If the services under this Agreement are supported by a federal grant of funds, the Contractor shall promptly and fully report to the federal government for the federal government to make a determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

### **Section 6.03 Pre-existing Rights**

In no case shall Sections 6.01 and 6.02 apply to, or prevent the Contractor from asserting or protecting its rights in any discovery, invention, report, document, data, photograph, deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

### **Section 6.04 Antitrust**

The Contractor hereby assigns, sells, and transfers to the City all right, title and interest in and to any claims and causes of action arising under the antitrust laws of the State or of the United States relating to the particular goods or services procured by the City under this Agreement.

## **ARTICLE 7 - INSURANCE**

### **Section 7.01 Agreement to Insure**

The Contractor shall not commence performing services under this Agreement unless and until all insurance required by this Article is in effect, and shall ensure continuous insurance coverage in the manner, form, and limits required by this Article throughout the term of the Agreement.

### **Section 7.02 Commercial General Liability Insurance**

A. The Contractor shall maintain Commercial General Liability Insurance covering the Contractor as Named Insured and the City as an Additional Insured in the amount of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall protect the City and the Contractor from claims for property damage and/or bodily injury, including death that may arise

from any of the operations under this Agreement. Coverage under this insurance shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 0001, and shall be "occurrence" based rather than “claims-made.”

B. Such Commercial General Liability Insurance shall name the City, together with its officials and employees, as an Additional Insured with coverage at least as broad as the most recently issued ISO Form CG 20 10.

### **Section 7.03 Professional Liability Insurance**

A. At the Department’s direction, if professional services are provided pursuant to this Agreement, the Contractor shall maintain and submit evidence of Professional Liability Insurance appropriate to the type(s) of such services to be provided under this Agreement in the amount of at least One Million Dollars (\$1,000,000) per claim. The policy or policies shall include an endorsement to cover the liability assumed by the Contractor under this Agreement arising out of the negligent performance of professional services or caused by an error, omission or negligent act of the Contractor or anyone employed by the Contractor.

B. All subcontractors of the Contractor providing professional services under this Agreement for which Professional Liability Insurance is reasonably commercially available shall also maintain such insurance in the amount of at least One Million Dollars (\$1,000,000) per claim, and the Contractor shall provide to the Department, at the time of the request for subcontractor approval, evidence of such Professional Liability Insurance on forms acceptable to the Department.

C. Claims-made policies will be accepted for Professional Liability Insurance. All such policies shall have an extended reporting period option or automatic coverage of not less than two (2) years. If available as an option, the Contractor shall purchase extended reporting period coverage effective on cancellation or termination of such insurance unless a new policy is secured with a retroactive date, including at least the last policy year.

### **Section 7.04 Workers’ Compensation, Disability Benefits, and Employer’s Liability Insurance**

The Contractor shall maintain, and ensure that each subcontractor maintains, Workers’ Compensation Insurance, Disability Benefits Insurance, and Employer’s Liability Insurance in accordance with the Laws of the State on behalf of, or with regard to, all employees providing services under this Agreement.

### **Section 7.05 Unemployment Insurance**

To the extent required by Law, the Contractor shall provide Unemployment Insurance for its employees.

**Section 7.06 Business Automobile Liability Insurance**

A. If vehicles are used in the provision of services under this Agreement, then the Contractor shall maintain Business Automobile Liability insurance in the amount of at least One Million Dollars (\$1,000,000) each accident combined single limit for liability arising out of ownership, maintenance or use of any owned, non-owned, or hired vehicles to be used in connection with this Agreement. Coverage shall be at least as broad as the most recently issued ISO Form CA0001.

B. If vehicles are used for transporting hazardous materials, the Business Automobile Liability Insurance shall be endorsed to provide pollution liability broadened coverage for covered vehicles (endorsement CA 99 48) as well as proof of MCS-90.

**Section 7.07 General Requirements for Insurance Coverage and Policies**

A. All required insurance policies shall be maintained with companies that may lawfully issue the required policy and have an A.M. Best rating of at least A- / "VII" or a Standard and Poor's rating of at least A, unless prior written approval is obtained from the City Law Department.

B. All insurance policies shall be primary (and non-contributing) to any insurance or self-insurance maintained by the City.

C. The Contractor shall be solely responsible for the payment of all premiums for all required insurance policies and all deductibles or self-insured retentions to which such policies are subject, whether or not the City is an insured under the policy.

D. There shall be no self-insurance program with regard to any insurance required under this Article unless approved in writing by the Commissioner. Any such self-insurance program shall provide the City with all rights that would be provided by traditional insurance required under this Article, including but not limited to the defense obligations that insurers are required to undertake in liability policies.

E. The City's limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to the Contractor as Named Insured under all primary, excess, and umbrella policies of that type of coverage.

**Section 7.08 Proof of Insurance**

A. For Workers' Compensation Insurance, Disability Benefits Insurance, and Employer's Liability Insurance, the Contractor shall file one of the following within ten (10) Days of award of this Agreement. ACORD forms are not acceptable proof of workers' compensation coverage.

1. C-105.2 Certificate of Workers' Compensation Insurance;

## Appendix A August 2011 Final

---

2. U-26.3 -- State Insurance Fund Certificate of Workers' Compensation Insurance;
3. Request for WC/DB Exemption (Form CE-200);
4. Equivalent or successor forms used by the New York State Workers' Compensation Board; or
5. Other proof of insurance in a form acceptable to the City.

B. For each policy required under this Agreement, except for Workers' Compensation Insurance, Disability Benefits Insurance, Employer's Liability Insurance, and Unemployment Insurance, the Contractor shall file a Certificate of Insurance with the Department within ten (10) Days of award of this Agreement. All Certificates of Insurance shall be (a) in a form acceptable to the City and certify the issuance and effectiveness of such policies of insurance, each with the specified minimum limits; and (b) accompanied by the endorsement in the Contractor's general liability policy by which the City has been made an additional insured pursuant to Section 7.02(B). All Certificate(s) of Insurance shall be accompanied by either a duly executed "Certification by Broker" in the form attached to this Appendix A or copies of all policies referenced in the Certificate of Insurance. If complete policies have not yet been issued, binders are acceptable, until such time as the complete policies have been issued, at which time such policies shall be submitted.

C. Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of policies required under this Article. Such Certificates of Insurance shall comply with the requirements of Section 7.08 (A) and Section 7.08(B), as applicable.

D. The Contractor shall provide the City with a copy of any policy required under this Article upon the demand for such policy by the Commissioner or the New York City Law Department.

E. Acceptance by the Commissioner of a certificate or a policy does not excuse the Contractor from maintaining policies consistent with all provisions of this Article (and ensuring that subcontractors maintain such policies) or from any liability arising from its failure to do so.

F. In the event the Contractor receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated for any reason, the Contractor shall immediately forward a copy of such notice to both the Commissioner [insert Agency name and appropriate address], and the New York City Comptroller, Attn: Office of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007.

### **Section 7.09 Miscellaneous**

A. Whenever notice of loss, damage, occurrence, accident, claim or suit is required under a general liability policy maintained in accordance with this Article, the Contractor shall

provide the insurer with timely notice thereof on behalf of the City. Such notice shall be given even where the Contractor may not have coverage under such policy (for example, where one of Contractor's employees was injured). Such notice shall expressly specify that "this notice is being given on behalf of the City of New York as Additional Insured" and contain the following information: the number of the insurance policy; the name of the named insured; the date and location of the damage, occurrence, or accident; the identity of the persons or things injured, damaged, or lost; and the title of the claim or suit, if applicable. The Contractor shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007. If the Contractor fails to comply with the requirements of this paragraph, the Contractor shall indemnify the City for all losses, judgments, settlements and expenses, including reasonable attorneys' fees, arising from an insurer's disclaimer of coverage citing late notice by or on behalf of the City.

B. The Contractor's failure to maintain any of the insurance required by this Article shall constitute a material breach of this Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

C. Insurance coverage in the minimum amounts required in this Article shall not relieve the Contractor or its subcontractors of any liability under this Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this Agreement or Law.

D. The Contractor waives all rights against the City, including its officials and employees for any damages or losses that are covered under any insurance required under this Article (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Contractor and/or its subcontractors in the performance of this Agreement.

E. In the event the Contractor requires any subcontractor to procure insurance with regard to any operations under this Agreement and requires such subcontractor to name the Contractor as an additional insured under such insurance, the Contractor shall ensure that such entity also name the City, including its officials and employees, as an additional insured with coverage at least as broad as the most recently issued ISO form CG 20 26.

**ARTICLE 8 - PROTECTION OF PERSONS AND PROPERTY  
AND INDEMNIFICATION**

**Section 8.01 Reasonable Precautions**

The Contractor shall take all reasonable precautions to protect all persons and the property of the City and of others from damage, loss or injury resulting from the Contractor's and/or its subcontractors' operations under this Agreement.

**Section 8.02 Protection of City Property**

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to City property, including property and equipment leased by the City, used in the performance of this Agreement, where such loss or damage is caused by any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents or subcontractors.

**Section 8.03 Indemnification**

The Contractor shall defend, indemnify and hold the City, its officers and employees harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages on account of any injuries or death to any person or damage to any property and from costs and expenses to which the City, its officers and employees may be subjected or which it may suffer or incur allegedly arising out of or in connection with any operations of the Contractor and/or its subcontractors to the extent resulting from any negligent act of commission or omission, any intentional tortious act, or failure to comply with the provisions of this Agreement or of the Laws. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

**Section 8.04 Infringement Indemnification**

The Contractor shall defend, indemnify and hold the City harmless from any and all claims (even if the allegations of the lawsuit are without merit) or judgments for damages and from costs and expenses to which the City may be subject to or which it may suffer or incur allegedly arising out of or in connection with any infringement by the Contractor of any copyright, trade secrets, trademark or patent rights or any other property or personal right of any third party by the Contractor and/or its subcontractors in the performance of this Agreement. The Contractor shall defend, indemnify, and hold the City harmless regardless of whether or not the alleged infringement arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or Law relating to any claim would preclude the City from being completely indemnified by the Contractor, the City shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

**Section 8.05 Indemnification Obligations Not Limited By Insurance Obligation**

The indemnification provisions set forth in this Article shall not be limited in any way by the Contractor's obligations to obtain and maintain insurance as provided in this Agreement.

**Section 8.06 Actions By or Against Third Parties**

A. In the event any claim is made or any action brought in any way relating to Agreement, other than an action between the City and the Contractor, the Contractor shall

diligently render to the City without additional compensation all assistance which the City may reasonably require of the Contractor.

B. The Contractor shall report to the Department in writing within five (5) business Days of the initiation by or against the Contractor of any legal action or proceeding in connection with or relating to this Agreement.

### **Section 8.07 Withholding of Payments**

A. In the event that any claim is made or any action is brought against the City for which the Contractor may be required to indemnify the City pursuant to this Agreement, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the said claim or action.

B. In the event that any City property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover such loss or damage.

C. The City shall not, however, impose a setoff in the event that an insurance company that provided liability insurance pursuant to Article 7 above has accepted the City's tender of the claim or action without a reservation of rights.

D. The Department may, at its option, withhold for purposes of set-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the City provided for in this Section shall not be exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

### **Section 8.08 No Third Party Rights**

The provisions of this Agreement shall not be deemed to create any right of action in favor of third parties against the Contractor or the City or their respective officers and employees.

## **ARTICLE 9 - CONTRACT CHANGES**

### **Section 9.01 Contract Changes**

Changes to this Agreement may be made only as duly authorized by the ACCO or his or her designee and in accordance with the PPB Rules. Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both parties. Contractors deviating from the requirements of this Agreement without a duly

approved and executed change order document, or written contract modification or amendment, do so at their own risk.

**Section 9.02 Changes Through Fault of Contractor**

In the event that any change is required in the data, documents, deliverables, or other services to be provided under this Agreement because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor is obligated to make such change without additional compensation.

**ARTICLE 10 - TERMINATION, DEFAULT, AND REDUCTIONS IN FUNDING**

**Section 10.01 Termination by the City Without Cause**

A. The City shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the provisions of Section 10.05.

B. If the City terminates this Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the City pursuant to Section 10.05. The City shall pay for services provided in accordance with this Agreement prior to the termination date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

**Section 10.02 Reductions in Federal, State and/or City Funding**

A. This Agreement is funded in whole or in part by funds secured from the federal, State and/or City governments. Should there be a reduction or discontinuance of such funds by action of the federal, State and/or City governments, the City shall have, in its sole discretion, the right to terminate this Agreement in whole or in part, or to reduce the funding and/or level of services of this Agreement caused by such action by the federal, State and/or City governments, including, in the case of the reduction option, but not limited to, the reduction or elimination of programs, services or service components; the reduction or elimination of contract-reimbursable staff or staff-hours, and corresponding reductions in the budget of this Agreement and in the total amount payable under this Agreement. Any reduction in funds pursuant to this Section shall be accompanied by an appropriate reduction in the services performed under this Agreement.

B. In the case of the reduction option referred to in Paragraph A, above, any such reduction shall be effective as of the date set forth in a written notice thereof to the Contractor, which shall be not less than thirty (30) Days from the date of such notice. Prior to sending such notice of reduction, the Department shall advise the Contractor that such option is being exercised and afford the Contractor an opportunity to make within seven (7) Days any

suggestion(s) it may have as to which program(s), service(s), service component(s), staff or staff-hours might be reduced or eliminated, provided, however, that the Department shall not be bound to utilize any of the Contractor's suggestions and that the Department shall have sole discretion as to how to effectuate the reductions.

C. If the City reduces funding pursuant to this Section, the following provisions apply. The City shall pay for services provided in accordance with this Agreement prior to the reduction date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of reduction and falling due after the reduction date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

D. To the extent that the reduction in public funds is a result of the State determining that the Contractor may receive medical assistance funds pursuant to title eleven of article five of the Social Services Law to fund the services contained within the scope of a program under this Agreement, then the notice and effective date provisions of this section shall not apply, and the Department may reduce such public funds authorized under this Agreement by informing the Contractor of the amount of the reduction and revising attachments to this agreement as appropriate.

### **Section 10.03 Contractor Default**

A. The City shall have the right to declare the Contractor in default:

1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;

2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or composition of the Contractor for the benefit of creditors;

3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Commissioner;

4. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:

a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;

b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;

c. a criminal violation of any state or federal antitrust law;

d. violation of the Racketeer Influence and Corrupt Organization Act, 18 U.S.C. § 1961 et seq., or the Mail Fraud Act, 18 U.S.C. § 1341 et seq., for acts in connection with the submission of bids or proposals for a public or private contract;

e. conspiracy to commit any act or omission that would constitute grounds for conviction or liability under any statute described in subparagraph (d) above; or

f. an offense indicating a lack of business integrity that seriously and directly affects responsibility as a City vendor.

5. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities are subject to a judgment of civil liability under any state or federal antitrust law for acts or omissions in connection with the submission of bids or proposals for a public or private contract; or

6. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals, or other employee or person substantially involved in its activities makes or causes to be made any false, deceptive, or fraudulent material statement, or fail to make a required material statement in any bid, proposal, or application for City or other government work.

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, signed by the Commissioner, setting forth the ground or grounds upon which such default is declared (“Notice to Cure”). The Contractor shall have ten (10) Days from receipt of the Notice to Cure or any longer period that is set forth in the Notice to Cure to cure the default. The Commissioner may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Commissioner may declare the Contractor in default pursuant to this Section. Before the Commissioner may exercise his or her right to declare the Contractor in default, the Commissioner shall give the Contractor an opportunity to be heard upon not less than five (5) business days notice. The Commissioner may, in his or her discretion, provide for such opportunity to be in writing or in person. Such opportunity to be heard shall not occur prior to the end of the cure period but notice of such opportunity to be heard may be given prior to the end of the cure period and may be given contemporaneously with the Notice to Cure.

D. After the opportunity to be heard, the Commissioner may terminate the Agreement, in whole or in part, upon finding the Contractor in default pursuant to this Section, in accordance with the provisions of Section 10.05.

E. The Commissioner, after declaring the Contractor in default, may have the services under the Agreement completed by such means and in such manner, by contract with or without public letting, or otherwise, as he or she may deem advisable in accordance with applicable PPB Rules. After such completion, the Commissioner shall certify the expense incurred in such completion, which shall include the cost of re-letting. Should the expense of such completion, as certified by the Commissioner, exceed the total sum which would have been payable under the Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the City. The excess expense of such completion, including any and all related and incidental costs, as so certified by the Commissioner, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.

#### **Section 10.04 Force Majeure**

A. For purposes of this Agreement, a force majeure event is an act or event beyond the control and without any fault or negligence of the Contractor (“Force Majeure Event”). Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services) because of a Force Majeure Event, then the Contractor may ask the Commissioner to excuse the nonperformance and/or terminate the Agreement. If the Commissioner, in his or her reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Commissioner shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

C. If the City terminates the Agreement pursuant to this Section, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date. The City shall pay for services provided in accordance with this Agreement prior to the termination date. Any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

#### **Section 10.05 Procedures for Termination**

A. The Department and/or the City shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section. For termination without cause, the effective date of the termination shall not be less than ten (10) Days from the date the notice is personally delivered, or fifteen (15) Days from the date the notice is either sent by certified mail, return receipt requested, or sent by fax and deposited in a

post office box regularly maintained by the United States Postal Service in a postage pre-paid envelope. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Commissioner may determine. If the City terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the City close-out procedures, including but not limited to:

1. Accounting for and refunding to the Department, within forty-five (45) Days, any unexpended funds which have been advanced to the Contractor pursuant to this Agreement;
2. Furnishing within forty-five (45) Days an inventory to the Department of all equipment, appurtenances and property purchased through or provided under this Agreement and carrying out any Department or City directive concerning the disposition of such equipment, appurtenances and property;
3. Turning over to the Department or its designees all books, records, documents and material specifically relating to this Agreement that the Department has requested be turned over;
4. Submitting to the Department, within ninety (90) Days, a final statement and report relating to the Agreement. The report shall be made by a certified public accountant or a licensed public accountant; and
5. Providing reasonable assistance to the Department in the transition, if any, to a new contractor.

**Section 10.06 Miscellaneous Provisions**

A. The Commissioner, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever in his or her judgment such suspension is required in the best interest of the City. If the Commissioner suspends this Agreement pursuant to this Section, the City shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The City shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the City in accordance with the terms of this Agreement.

B. Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of the Contractor's breach of the Agreement, and the City may withhold payments to the Contractor for the purpose of set-off in the amount of damages due to the City from the Contractor.

C. The rights and remedies of the City provided in this Article shall not be exclusive and are in addition to all other rights and remedies provided by Law or under this Agreement.

## **ARTICLE 11 - PROMPT PAYMENT AND ELECTRONIC FUNDS TRANSFER**

### **Section 11.01 Prompt Payment**

A. The prompt payment provisions of PPB Rule § 4-06 are applicable to payments made under this Agreement. The provisions generally require the payment to the Contractor of interest on payments made after the required payment date, as set forth in the PPB Rules.

B. The Contractor shall submit a proper invoice to receive payment, except where the Agreement provides that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment.

C. Determination of interest due will be made in accordance with the PPB Rules and the applicable rate of interest shall be the rate in effect at the time of payment.

### **Section 11.02 Electronic Funds Transfer**

A. In accordance with Admin. Code § 6-107.1, the Contractor agrees to accept payments under this Agreement from the City by electronic funds transfer. An electronic funds transfer is any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit an account. Prior to the first payment made under this Agreement, the Contractor shall designate one financial institution or other authorized payment agent and shall complete the "EFT Vendor Payment Enrollment Form" available from the Agency or at <http://www.nyc.gov/dof> in order to provide the commissioner of the Department of Finance with information necessary for the Contractor to receive electronic funds transfer payments through the designated financial institution or authorized payment agent. The crediting of the amount of a payment to the appropriate account on the books of a financial institution or other authorized payment agent designated by the Contractor shall constitute full satisfaction by the City for the amount of the payment under this Agreement. The account information supplied by the Contractor to facilitate the electronic funds transfer shall remain confidential to the fullest extent provided by Law.

B. The Agency Head may waive the application of the requirements of this Section to payments on contracts entered into pursuant to Charter § 315. In addition, the commissioner of the Department of Finance and the Comptroller may jointly issue standards pursuant to which the Agency may waive the requirements of this Section for payments in the following circumstances: (i) for individuals or classes of individuals for whom compliance imposes a hardship; (ii) for classifications or types of checks; or (iii) in other circumstances as may be necessary in the best interest of the City.

C. This Section is applicable to contracts valued at Twenty-Five Thousand Dollars (\$25,000) and above.

## **ARTICLE 12 - CLAIMS**

### **Section 12.01 Choice of Law**

This Agreement shall be deemed to be executed in the City and State of New York, regardless of the domicile of the Contractor, and shall be governed by and construed in accordance with the Laws of the State of New York (notwithstanding New York choice of law or conflict of law principles) and the Laws of the United States, where applicable.

### **Section 12.02 Jurisdiction and Venue**

The parties agree that any and all claims asserted by or against the City arising under or related to this Agreement shall solely be heard and determined either in the courts of the United States located in the City or in the courts of the State located in the City and County of New York. The parties shall consent to the dismissal and/or transfer of any claims asserted in any other venue or forum to the proper venue or forum. If the Contractor initiates any action in breach of this Section, the Contractor shall be responsible for and shall promptly reimburse the City for any attorneys' fees incurred by the City in removing the action to a proper court consistent with this Section.

### **Section 12.03 Resolution of Disputes**

A. Except as provided in Subparagraphs (A)(1) and (A)(2) below, all disputes between the City and the Contractor that arise under, or by virtue of, this Agreement shall be finally resolved in accordance with the provisions of this Section and PPB Rule § 4-09. This procedure shall be the exclusive means of resolving any such disputes.

1. This Section shall not apply to disputes concerning matters dealt with in other sections of the PPB Rules or to disputes involving patents, copyrights, trademarks, or trade secrets (as interpreted by the courts of New York State) relating to proprietary rights in computer software, or to termination other than for cause.

2. For construction and construction-related services this Section shall apply only to disputes about the scope of work delineated by the Agreement, the interpretation of Agreement documents, the amount to be paid for extra work or disputed work performed in connection with the Agreement, the conformity of the Contractor's work to the Agreement, and the acceptability and quality of the Contractor's work; such disputes arise when the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head makes a determination with which the Contractor disagrees. For construction, this Section shall not apply to termination of the Agreement for cause or other than for cause.

B. All determinations required by this Section shall be clearly stated, with a reasoned explanation for the determination based on the information and evidence presented to the party making the determination. Failure to make such determination within the time required by this Section shall be deemed a non-determination without prejudice that will allow application to the next level.

C. During such time as any dispute is being presented, heard, and considered pursuant to this Section, the Agreement terms shall remain in full force and effect and, unless otherwise directed by the ACCO or Engineer, the Contractor shall continue to perform work in accordance with the Agreement and as directed by the ACCO or City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. Failure of the Contractor to continue the work as directed shall constitute a waiver by the Contractor of any and all claims being presented pursuant to this Section and a material breach of contract.

D. Presentation of Dispute to Agency Head.

1. Notice of Dispute and Agency Response. The Contractor shall present its dispute in writing (“Notice of Dispute”) to the Agency Head within the time specified herein, or, if no time is specified, within thirty (30) Days of receiving written notice of the determination or action that is the subject of the dispute. This notice requirement shall not be read to replace any other notice requirements contained in the Agreement. The Notice of Dispute shall include all the facts, evidence, documents, or other basis upon which the Contractor relies in support of its position, as well as a detailed computation demonstrating how any amount of money claimed by the Contractor in the dispute was arrived at. Within thirty (30) Days after receipt of the complete Notice of Dispute, the ACCO or, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, shall submit to the Agency Head all materials he or she deems pertinent to the dispute. Following initial submissions to the Agency Head, either party may demand of the other the production of any document or other material the demanding party believes may be relevant to the dispute. The requested party shall produce all relevant materials that are not otherwise protected by a legal privilege recognized by the courts of New York State. Any question of relevancy shall be determined by the Agency Head whose decision shall be final. Willful failure of the Contractor to produce any requested material whose relevancy the Contractor has not disputed, or whose relevancy has been affirmatively determined, shall constitute a waiver by the Contractor of its claim.

2. Agency Head Inquiry. The Agency Head shall examine the material and may, in his or her discretion, convene an informal conference with the Contractor and the ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, to resolve the issue by mutual consent prior to reaching a determination. The Agency Head may seek such technical or other expertise as he or she shall deem appropriate, including the use of neutral mediators, and require any such additional material from either or both parties as he or she deems fit. The Agency Head’s ability to render, and the effect of, a decision hereunder shall not be impaired by any

negotiations in connection with the dispute presented, whether or not the Agency Head participated therein. The Agency Head may or, at the request of any party to the dispute, shall compel the participation of any other contractor with a contract related to the work of this Agreement and that contractor shall be bound by the decision of the Agency Head. Any contractor thus brought into the dispute resolution proceeding shall have the same rights and obligations under this Section as the Contractor initiating the dispute.

3. **Agency Head Determination.** Within thirty (30) Days after the receipt of all materials and information, or such longer time as may be agreed to by the parties, the Agency Head shall make his or her determination and shall deliver or send a copy of such determination to the Contractor and ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, together with a statement concerning how the decision may be appealed.

4. **Finality of Agency Head Decision.** The Agency Head's decision shall be final and binding on all parties, unless presented to the Contract Dispute Resolution Board ("CDRB") pursuant to this Section. The City may not take a petition to the CDRB. However, should the Contractor take such a petition, the City may seek, and the CDRB may render, a determination less favorable to the Contractor and more favorable to the City than the decision of the Agency Head.

E. **Presentation of Dispute to the Comptroller.** Before any dispute may be brought by the Contractor to the CDRB, the Contractor must first present its claim to the Comptroller for his or her review, investigation, and possible adjustment.

1. **Time, Form, and Content of Notice.** Within thirty (30) Days of receipt of a decision by the Agency Head, the Contractor shall submit to the Comptroller and to the Agency Head a Notice of Claim regarding its dispute with the Agency. The Notice of Claim shall consist of (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed and the reason(s) the Contractor contends the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; and (iii) a copy of all materials submitted by the Contractor to the Agency, including the Notice of Dispute. The Contractor may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

2. **Agency Response.** Within thirty (30) Days of receipt of the Notice of Claim, the Agency shall make available to the Comptroller a copy of all material submitted by the Agency to the Agency Head in connection with the dispute. The Agency may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

3. **Comptroller Investigation.** The Comptroller may investigate the claim in dispute and, in the course of such investigation, may exercise all powers provided in Admin. Code §§ 7-201 and 7-203. In addition, the Comptroller may demand of either party, and such party shall provide, whatever additional material the Comptroller deems pertinent to the claim, including original business records of the Contractor. Willful

failure of the Contractor to produce within fifteen (15) Days any material requested by the Comptroller shall constitute a waiver by the Contractor of its claim. The Comptroller may also schedule an informal conference to be attended by the Contractor, Agency representatives, and any other personnel desired by the Comptroller.

4. Opportunity of Comptroller to Compromise or Adjust Claim. The Comptroller shall have forty-five (45) Days from his or her receipt of all materials referred to in Paragraph (E)(3) above to investigate the disputed claim. The period for investigation and compromise may be further extended by agreement between the Contractor and the Comptroller, to a maximum of ninety (90) Days from the Comptroller's receipt of all the materials. The Contractor may not present its petition to the CDRB until the period for investigation and compromise delineated in this Paragraph has expired. In compromising or adjusting any claim hereunder, the Comptroller may not revise or disregard the terms of the Agreement.

F. Contract Dispute Resolution Board. There shall be a Contract Dispute Resolution Board composed of:

1. the chief administrative law judge of the Office of Administrative Trials and Hearings ("OATH") or his or her designated OATH administrative law judge, who shall act as chairperson, and may adopt operational procedures and issue such orders consistent with this Section as may be necessary in the execution of the CDRB's functions, including, but not limited to, granting extensions of time to present or respond to submissions;

2. the City Chief Procurement Officer ("CCPO") or his or her designee; any designee shall have the requisite background to consider and resolve the merits of the dispute and shall not have participated personally and substantially in the particular matter that is the subject of the dispute or report to anyone who so participated; and

3. a person with appropriate expertise who is not an employee of the City. This person shall be selected by the presiding administrative law judge from a prequalified panel of individuals, established, and administered by OATH, with appropriate background to act as decision-makers in a dispute. Such individuals may not have a contract or dispute with the City or be an officer or employee of any company or organization that does, or regularly represent persons, companies, or organizations having disputes with the City.

G. Petition to CDRB. In the event the claim has not been settled or adjusted by the Comptroller within the period provided in this Section, the Contractor, within thirty (30) Days thereafter, may petition the CDRB to review the Agency Head determination.

1. Form and Content of Petition by the Contractor. The Contractor shall present its dispute to the CDRB in the form of a petition, which shall include (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed, and the reason(s) the Contractor contends that the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; (iii) copies of all materials

submitted by the Contractor to the Agency; (iv) a copy of the decision of the Comptroller, if any, and (v) copies of all correspondence with, and material submitted by the Contractor to, the Comptroller's Office. The Contractor shall concurrently submit four complete sets of the petition: one to the Corporation Counsel (Attn: Commercial and Real Estate Litigation Division), and three to the CDRB at OATH's offices, with proof of service on the Corporation Counsel. In addition, the Contractor shall submit a copy of the statement of the substance of the dispute, cited in (i) above, to both the Agency Head and the Comptroller.

2. **Agency Response.** Within thirty (30) Days of receipt of the petition by the Corporation Counsel, the Agency shall respond to the statement of the Contractor and make available to the CDRB all material it submitted to the Agency Head and Comptroller. Three complete copies of the Agency response shall be submitted to the CDRB at OATH's offices and one to the Contractor. Extensions of time for submittal of the Agency response shall be given as necessary upon a showing of good cause or, upon the consent of the parties, for an initial period of up to thirty (30) Days.

3. **Further Proceedings.** The CDRB shall permit the Contractor to present its case by submission of memoranda, briefs, and oral argument. The CDRB shall also permit the Agency to present its case in response to the Contractor by submission of memoranda, briefs, and oral argument. If requested by the Corporation Counsel, the Comptroller shall provide reasonable assistance in the preparation of the Agency's case. Neither the Contractor nor the Agency may support its case with any documentation or other material that was not considered by the Comptroller, unless requested by the CDRB. The CDRB, in its discretion, may seek such technical or other expert advice as it shall deem appropriate and may seek, on its own or upon application of a party, any such additional material from any party as it deems fit. The CDRB, in its discretion, may combine more than one dispute between the parties for concurrent resolution.

4. **CDRB Determination.** Within forty-five (45) Days of the conclusion of all submissions and oral arguments, the CDRB shall render a decision resolving the dispute. In an unusually complex case, the CDRB may render its decision in a longer period of time, not to exceed ninety (90) Days, and shall so advise the parties at the commencement of this period. The CDRB's decision must be consistent with the terms of this Agreement. Decisions of the CDRB shall only resolve matters before the CDRB and shall not have precedential effect with respect to matters not before the CDRB.

5. **Notification of CDRB Decision.** The CDRB shall send a copy of its decision to the Contractor, the ACCO, the Corporation Counsel, the Comptroller, the CCPO, and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. A decision in favor of the Contractor shall be subject to the prompt payment provisions of the PPB Rules. The required payment date shall be thirty (30) Days after the date the parties are formally notified of the CDRB's decision.

6. **Finality of CDRB Decision.** The CDRB's decision shall be final and binding on all parties. Any party may seek review of the CDRB's decision solely in the

form of a challenge, filed within four months of the date of the CDRB's decision, in a court of competent jurisdiction of the State of New York, County of New York pursuant to Article 78 of the Civil Practice Law and Rules. Such review by the court shall be limited to the question of whether or not the CDRB's decision was made in violation of lawful procedure, was affected by an error of Law, or was arbitrary and capricious or an abuse of discretion. No evidence or information shall be introduced or relied upon in such proceeding that was not presented to the CDRB in accordance with PPB Rules § 4-09.

H. Any termination, cancellation, or alleged breach of the Agreement prior to or during the pendency of any proceedings pursuant to this Section shall not affect or impair the ability of the Agency Head or CDRB to make a binding and final decision pursuant to this Section.

#### **Section 12.04 Claims and Actions**

A. Any claim against the City or Department based on this Agreement or arising out of this Agreement that is not subject to dispute resolution under the PPB Rules or this Agreement shall not be made or asserted in any legal proceeding, unless the Contractor shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims as provided in this Agreement.

B. No action shall be instituted or maintained on any such claims unless such action shall be commenced within six (6) months after the date of filing with the Comptroller of the certificate for the final payment under this Agreement, or within six (6) months of the termination or expiration of this Agreement, or within six (6) months after the accrual of the cause of action, whichever first occurs.

#### **Section 12.05 No Claim Against Officers, Agents or Employees**

No claim shall be made by the Contractor against any officer, agent, or employee of the City in their personal capacity for, or on account of, anything done or omitted in connection with this Agreement.

#### **Section 12.06 General Release**

The acceptance by the Contractor or its assignees of the final payment under this Agreement, whether by check, wire transfer, or other means, and whether pursuant to invoice, voucher, judgment of any court of competent jurisdiction or any other administrative means, shall constitute and operate as a release of the City from any and all claims of and liability to the Contractor, of which the Contractor was aware or should reasonably have been aware, arising out of the performance of this Agreement based on actions of the City prior to such acceptance of final payment, excepting any disputes that are the subject of pending dispute resolution procedures.

**Section 12.07 No Waiver**

Waiver by either the Department or the Contractor of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless and until the same shall be agreed to in writing by the parties as set forth in Section 9.01.

**ARTICLE 13 - APPLICABLE LAWS**

**Section 13.01 PPB Rules**

This Agreement is subject to the PPB Rules. In the event of a conflict between the PPB Rules and a provision of this Agreement, the PPB Rules shall take precedence.

**Section 13.02 All Legal Provisions Deemed Included**

Each and every provision required by Law to be inserted in this Agreement is hereby deemed to be a part of this Agreement, whether actually inserted or not.

**Section 13.03 Severability / Unlawful Provisions Deemed Stricken**

If this Agreement contains any unlawful provision not an essential part of the Agreement and which shall not appear to have been a controlling or material inducement to the making of this Agreement, the unlawful provision shall be deemed of no effect and shall, upon notice by either party, be deemed stricken from the Agreement without affecting the binding force of the remainder.

**Section 13.04 Compliance With Laws**

The Contractor shall perform all services under this Agreement in accordance with all applicable Laws as are in effect at the time such services are performed.

**Section 13.05 Americans with Disabilities Act (ADA)**

A. This Agreement is subject to the provisions of Subtitle A of Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12131 et seq. (“ADA”) and regulations promulgated pursuant thereto, see 28 CFR Part 35. The Contractor shall not discriminate against an individual with a disability, as defined in the ADA, in providing services, programs, or activities pursuant to this Agreement. If directed to do so by the Department to ensure the Contractor’s compliance with the ADA during the term of this Agreement, the Contractor shall prepare a plan (“Compliance Plan”) which lists its program site(s) and describes in detail, how it intends to make the services, programs and activities set forth in the scope of services herein readily accessible and usable by individuals with disabilities at such site(s). In the event that the

program site is not readily accessible and usable by individuals with disabilities, contractor shall also include in the Compliance Plan, a description of reasonable alternative means and methods that result in making the services, programs or activities provided under this Agreement, readily accessible to and usable by individuals with disabilities, including but not limited to people with visual, auditory or mobility disabilities. The Contractor shall submit the Compliance Plan to the ACCO for review within ten (10) Days after being directed to do so and shall abide by the Compliance Plan and implement any action detailed in the Compliance Plan to make the services, programs, or activities accessible and usable by the disabled.

B. The Contractor's failure to either submit a Compliance Plan as required herein or implement an approved Compliance Plan may be deemed a material breach of this Agreement and result in the City terminating this Agreement.

4. The Contractor and the Contractor's employees shall not:

a. seek to influence an applicant's political preference or party designation;

b. display any political preference or party allegiance;

c. make any statement to an applicant or take any action the purpose or effect of which is to discourage the applicant from registering to vote; or

d. make any statement to an applicant or take any action the purpose or effect of which is to lead the applicant to believe that a decision to register or not to register has any bearing on the availability of services or benefits.

E. The Contractor, as defined above and in this Agreement, agrees that the covenants and representations in this Section are material conditions of this Agreement.

F. The provisions of this Section do not apply where the services under this Agreement are supported by a federal or State grant of funds and the source of funds prohibits the use of federal or State funds for the purposes of this Section.

### **Section 13.07 Participation in an International Boycott**

Appendix. §§ 2401 et seq., or the regulations of the United States Department of Commerce promulgated thereunder.

**Section 13.09 Access to Public Health Insurance Coverage Information**

A. Participating Agencies. Pursuant to Charter § 1069, if this Agreement is with a participating City agency and the Contractor is one to whom this Section applies as provided in Paragraph B of this Section, the Contractor hereby agrees to fulfill the obligations in Paragraph C of this Section. 4. The Contractor will ensure that its employees do not make any statement to an applicant for services or client or take any action the purpose or effect of which is to lead the applicant or client to believe that a decision to request public health insurance or a pamphlet has any bearing on their eligibility to receive or the availability of services or benefits.

5. The Contractor will comply with: (i) any procedures established by the participating City agency to implement Charter §1069; (ii) any determination of the commissioner or head of the participating City agency (which is concurred in by the commissioner of the Department of Health and Mental Hygiene) to exclude a program, in whole or in part, from the requirements of Charter § 1069; and (iii) any determination of the commissioner or head of the participating City agency (which is concurred in by the commissioner of the Department of Health and Mental Hygiene) as to which Workforce Investment Act of 1998 offices providing workforce development services shall be required to fulfill the obligations under Charter § 1069.

## ARTICLE III — SCOPE OF WORK AND BUDGET

### **Section 3.01 Scope of work.**

A. **Services and Activities.** Contractor shall provide the services and activities in program areas or programs listed and described in the Scope of Work attached hereto as Appendix B.

B. **Healthy food environment.** The City aims to reduce the prevalence of chronic disease, such as obesity, diabetes and cardiovascular disease, by improving dietary intake of its citizens. C. **New York City Food Standards.** This paragraph applies only if this Agreement includes a requirement that the Contractor supply food to program participants as a material part of the client services funded by the Department. The City aims to reduce the prevalence of chronic disease, such as obesity, diabetes and cardiovascular disease, by improving dietary intake of its citizens. Accordingly, the Contractor shall provide a healthy food environment in connection with the client services provided under this Agreement by complying with the attached New York City Agency Food Standards with regard to the provision of food to program participants under this Agreement, including compliance with the New York City Food Standards for beverage vending and food vending machines (<http://www.nyc.gov/html/doh/html/cardio/cardio-vend-nutrition-standard.shtml>) for any vending machines to which program participants are granted access.

### **Section 3.04 Cost allocating and duplication.**

A. **Duplication.** Contractor represents and warrants that the work to be performed under this Agreement shall in no way duplicate any work performed under other agreements between the City and Contractor, nor under any agreement with any other governmental funding source, except upon the express written permission of the Department. Noncompliance with this Section shall constitute a material breach of this Agreement.

B. **Cost allocation plan.** Contractor shall accurately and equitably allocate costs which are attributable to the operation of two or more programs among such programs, or which are costs attributable to two or more governmental funding sources, by a method which represents the benefit of such costs to each program or funding source. The Contractor shall upon commencement of services or as soon thereafter as practicable develop and deliver to the Department a cost allocation plan for the Department 's approval.

3. Fairly and accurately reflects the actual allocable share of such cost with respect to this Agreement;
4. Is developed in accordance with generally accepted accounting principles; and
5. Is accompanied by such supporting documentation as the Department deems necessary to evaluate the plan.

D. A cost allocation plan approved by the Department may be modified with the written approval of the Department.

E. Notwithstanding any provision in this Section to the contrary, the Department further reserves the right to withhold any payments to the Contractor for allocated costs in the event that the Department determines that the cost allocation plan is unsatisfactory in whole or in part, or determines that such allocated costs have been incorrectly determined, are not allowable, or are not properly allocable pursuant to this Agreement and or approved cost allocation plan.

**Section 3.05 Cost Of living increases.** Where the Contractor's industry has experienced an increase in costs (*e.g.*, salary, wage or fringe benefit cost of living increases, a change in the prevailing or living wage, a renegotiated collective bargaining agreement, an industry-wide increase in the Producer Price Index (PPI) for fuel or energy) that exceeds the Budget, and the Office of Management and Budget (OMB) or another independent agency has determined in writing that additional funds will be made available to a City agency for the class of contracts pursuant to which the Contractor provides the same or substantially similar services, then the Department shall reimburse the Contractor for such increases in costs to the extent that such increases have been authorized by the City for contracts within such class of contracts and to the extent that funds are appropriated for such purposes. Any cost of living increase will not be effective unless and until an amendment to the contract is registered pursuant to New York City Charter §328.

**Section 4.03 Advance.** The amount of any advance to be paid to Contractor under this Agreement shall be determined solely by the Department in accordance with its Fiscal Manual and any applicable Comptroller directives. The funds shall be used exclusively for the payment of expenditures and obligations authorized by and properly incurred pursuant to the Budget.

**Section 4.04 Financial records, reporting and invoicing.** Contractor shall submit financial reports and invoices to the Department in accordance with the terms of the Fiscal Manual. Any supporting documents required to be maintained by this Agreement or the Fiscal Manual shall be made available for inspection and reproduction by the Department, the City Comptroller, and such other persons as authorized by the Department, including the Inspector General for the Department and the Department of Investigation. Contractor must solicit and document at least three (3) written estimates for any payment made or obligation undertaken in connection with this Agreement for any purchase of goods, supplies, or services (including but not limited to consulting services) for amounts in excess of \$25,000. The monetary threshold applies to payments made or obligations undertaken in the course of a one (1) year period with respect to any one (1) person or entity. Payments made or obligations undertaken will not be artificially divided in order to avoid the requirements of this paragraph.
2. For any payment made or obligation undertaken in connection with this Agreement for any purchase of goods, supplies, or services (including but not limited to consulting services) for amounts between \$5,000 and \$25,000, Contractor shall conduct sufficient market research and/or competition to support its determination that the price of such purchased goods, supplies, services or equipment is reasonable. The monetary thresholds apply to payments made or obligations undertaken in the course of a one (1) year period with respect to any one (1) person or entity. Payments made or obligations undertaken will not be artificially divided in order to avoid the requirements of this paragraph.
3. The City may retain the services of a Group Purchasing Organization (GPO) to facilitate the purchase of supplies or other items. If the City retains such a GPO, the Department may direct Contractor to utilize the services of such GPO. Contractor shall dispose of such equipment in the manner provided in the Fiscal Manual or as otherwise directed by the Department, and shall maintain detailed records concerning such dispositions. Contractor is also encouraged to utilize businesses and individual proprietors owned/operated by people with disabilities as sources for its purchases of goods, supplies, services and equipment using funds obtained through this Agreement.

**E. Disputes with suppliers.** Contractor, without recourse to the City or the Department, shall be responsible for the settlement and satisfaction of all contractual obligations and administrative issues arising out of any procurement or leasing contracts paid with funds obtained through this Agreement.

#### **Section 4.06 Limitation on use of funds.**

**A. Proper purposes.** No funds obtained through this Agreement shall be spent for any expense not incurred in accordance with the terms of the Agreement. All such funds shall be administered in accordance with the Fiscal Manual.

**B. Real property.** No funds obtained through this Agreement shall be spent for the purchase of any interest in or improvement of real property, unless included in the Budget or otherwise authorized in writing by the Department.

**C. Disallowed costs.** Any cost found by the Department, the City or any auditing authority that examines the financial records of the Contractor to be improperly incurred shall be subject to reimbursement to the City. Failure to make said reimbursement shall be grounds for termination of this Agreement.

**Section 4.07 Recoupment of disallowances, improperly incurred costs and overpayments.** The Department may, at its option, either require the Contractor to reimburse the Department or withhold for the purposes of set-off any monies due to Contractor under this Agreement up to the amount of any disallowance or improperly incurred costs resulting from any audits of Contractor, and/or the amount of any overpayment to Contractor with regard to this Agreement or to any other agreement between the parties hereto, including any agreement(s) that commenced prior to the commencement date of this Agreement. Prior to the imposition of withholding for the purposes of set-off, the Department will provide the Contractor with an opportunity to be heard upon at least ten (10) days prior written notice.

**Section 4.08 Failure to spend funds.** In the event that Contractor fails to spend funds for any part of the Budget within the time indicated therein (i.e., the fiscal year unless otherwise indicated) or at the level of expenditures indicated therein, the Department reserves the right, in its discretion, to recoup any funds advanced and not spent. If Contractor fails to spend funds in the budget, the Department reserves the discretion to reduce the budget going forward to account for the expected future level of expenditures.

#### **Section 4.09 Provisions Applicable When Fiscal Agent Disburses Funds To Contractors**

**A. Payment by Fiscal Agent.** Where the Department has retained a Fiscal Agent to make payments to third parties on behalf of Contractor, then the Contractor is obligated to use the Fiscal Agent to make payment to third parties at the Department's direction, including for the purchase of such goods, supplies, services and/or equipment made by Contractor under this Agreement. Where the Department directs that Contractor utilize a Fiscal Agent, Contractor shall not pay any obligations on its own behalf except to the extent specifically allowed by this Agreement and the Department's Fiscal Manual.

**B. Payroll processing by Fiscal Agent.** In the event that a Fiscal Agent is processing the Contractor's payroll, Contractor shall deliver to the Fiscal Agent signed and dated time and attendance records for each staff member and consultant to be paid under this Agreement, in the form required and delivered at the time required by the Fiscal Agent and the Department's Fiscal Manual. **Section 5.04 Federal audit requirements.** If applicable, the Contractor shall fulfill the audit requirements of the Federal Office of Management and Budget Circular A-133, "Audits of Institutions of Higher Education and Other Non-Profit Organizations," and shall provide such audit to the Department within thirty (30) days after its receipt of the final audit by the Contractor from the preparing accountant.

**Section 5.05 State charities registration and audit requirements.** If the Contractor is required by New York State law to register with and make annual filings to the Charities Bureau of the New York State Department of Law, timely compliance with such requirements shall be deemed a material term of this Agreement. Contractor shall make available to the Department all such filings, including any audit

and/or financial report required to be submitted with such filings, within thirty (30) days of receiving such final audit or financial report from its preparer, and in no event later than ten (10) days following the filing of such audit or financial report with the Charities Bureau.

**Section 5.06 Additional audit and financial reporting requirements.**

A. If any Contractor is exempt from making annual filings to the Charities Bureau of the New York State Department of Law, the Contractor will, at direction of City, provide the City with annual disclosure reports equivalent to those filings that Contractor would have filed with the State had they been required to file. As of the effective date of this Agreement, the requirements are as follows:

1. Contractors with gross revenues between \$100,000 and \$250,000 in any fiscal year shall file an annual financial statement with the Department, which includes an independent certified public accountant's review report in accordance with the "statement on standards for accounting and review services" issued by the American Institute of Certified Public Accountants. The financial statement shall be prepared in conformance with generally accepted accounting principles (GAAP), including compliance with all pronouncements of the Financial Accounting Standards Board and the American Institute of Certified Public Accountants that establish accounting principles relevant to not-for-profit organizations.

2. Contractors with gross revenues in excess of \$250,000 shall file with the Department an annual audit report by an independent certified public accountant. Said audit report shall contain an opinion, signed by such certified public accountant that the financial statements are presented fairly in all material respects and in conformity with GAAP, including compliance with all pronouncements of the Financial Accounting Standards Board and the American Institute of Certified Public Accountants that establish accounting principles relevant to not-for-profit organizations, and that the financial sheet and balance sheet present fairly the financial operations and position of the organization. The financial report must be signed by the president or other authorized officer and the chief fiscal officer under penalties of perjury that the statements are true and correct to the best of their knowledge.

B. Contractors receiving funds pursuant to this Agreement in excess of \$1,000,000 will, at direction of City, provide to the Department an audit report from an independent certified public accountant containing an opinion that the Contractor has appropriately allocated costs in accordance with the terms of the Agreement, including that the costs have not been improperly double-charged between multiple City and/or State contracts or between multiple governmental funding sources. The Contractor may satisfy this requirement by including the appropriate analysis in any audits required pursuant to Section 5.04 or 5.05.

C. The Contractor must submit all required audit and financial reports under this Section to the Department within thirty (30) days after receipt of the final audit from its accountant, but in any event no later than twelve (12) months after close of the audit period, or such longer period as determined by the Department. The audit and financial reports shall comply with the applicable provisions in the Fiscal Manual throughout the term of this Agreement, including terms mandating the audit period and frequency of such audits and reports.

D. The Department may in its sole discretion conduct its own programmatic or financial audits of the Contractor.

## **ARTICLE VI — PERSONNEL PRACTICES AND RECORDS**

**Section 6.01 Definition of employee.** The term "employee" as used in this Article shall be limited to salaried personnel and shall include neither consultants under contract to the Contractor to provide specified services nor participants in the program who are being paid as trainees.

### **Section 6.02 Compensation of key employees and Board of Directors.**

**B. **C. Board compensation.** Contractor shall submit to the Department within thirty (30) days of the execution of this Agreement and at the beginning of each new fiscal year a listing of all members of its Board of Directors and identify any of its members who receive compensation in any form, including but not limited to salary, stipend, per diem payments and/or payments for services rendered, from the Contractor or its affiliates, together with the amount of any such compensation, regardless of the source of its payment, and a description of its purpose.

**Section 6.03 Collective bargaining.** Contractor acknowledges that neither the City nor the Department is responsible or shall be liable for any obligations contained in any agreement into which Contractor or a representatives of Contractor has entered concerning the collective bargaining rights or benefits of its employees paid in full or in part by funds provided through this Agreement. Furthermore, Contractor agrees to abide by all applicable Laws governing the use of funds in connection with union activities.

### **Section 6.04 Recruitment and hiring of staff.**

**A. Maintenance of skilled staff.** Contractor shall maintain sufficient personnel and resources, including computer technology, to deliver the services described in the Scope of Work and perform necessary administrative functions throughout the term of this Agreement, including but not limited to: program evaluation; program monitoring; program research and development, including the preparation of reports required by this Agreement; fiscal reporting, review, audit, and close-out of the Program; and implementation of any corrective actions required by the Department.

1. The Contractor shall be responsible for the recruitment and screening of employees and volunteers performing work under the Agreement, including the verification of credentials, references, and suitability for working with clients and participants. Where consistent with State and federal law, if directed by the Department, the Contractor will undertake the fingerprinting of employees and volunteers, including applicants, in accordance with instructions from the Department.

2. The Contractor shall comply with Article 23-A of the New York State Correction Law and Section 296(15) and (16) of the New York State Executive Law when considering an applicant's prior criminal convictions in determining their suitability for employment. In accordance with Article 23-A, nothing in this Agreement shall be construed to limit a Contractor's authority to withdraw conditional offers of employment for any lawful reason, including the determination that the candidate has a conviction that bears a direct relationship to the duties and responsibilities of the position sought, or their hiring would pose an unreasonable risk to property or to the safety of individuals or the general public.

3. With respect to any employment governed by Article 23-A of the Correction Law or Section 296 of the New York State Executive Law, except where the Contractor obtains prior written approval from the Department, the Contractor shall not ask questions regarding an applicant's prior criminal convictions, juvenile delinquency adjudications, or youthful offender adjudications on any preliminary employment application documents or ask questions about an applicant's prior criminal convictions, juvenile delinquency adjudications, or youthful offender adjudications before or during the first interview with the applicant.

4. Consistent with the requirements of Executive Law §296(15) and (16), following the first interview, the Contractor may ask applicants to disclose their prior criminal convictions and any arrests or criminal accusations that are pending and have not been terminated in favor of the applicant. Agencies shall limit their review and consideration of an applicant's criminal convictions to (i) an individual's felony convictions in the state of New York or in any other jurisdiction; (ii) an individual's unsealed misdemeanor convictions in the state of New York or in any other jurisdiction; and (iii) any pending charges against the applicant. Consistent with State law, past arrests not leading to a criminal conviction shall not be considered. (Please note that, pursuant to Section 380.1 of the Family Court Act, juvenile delinquency adjudications are not criminal convictions. Also, pursuant to Section 720.35(1) of the Criminal Procedure Law, a youthful offender adjudication is not a criminal conviction.) In addition, the Contractor may request a waiver from the Department of any provision of this Section and be permitted to ask relevant questions pertaining to the qualifications to hold a specific position, upon demonstrating the need for such waiver.

5. Notwithstanding any other provision of this Section, if the Contractor is hiring for positions requiring licensure, including positions such as interns and apprentices for such licensed positions (e.g. prospective attorneys), the Contractor may ask applicants the same questions asked by the licensing body, in accordance with New York State law. In addition, if the Contractor is hiring for positions where certain convictions or violations are a bar to employment in that position under Law, the Contractor may ask questions about those convictions or violations.

6. Where practicable, the Contractor shall provide for the review by a supervisor of a decision not to hire based on prior criminal convictions.

### **C. Drug-free workplace.**

1. Contractor shall conspicuously post at any facility at which activities funded in whole or in part through this Agreement occur, a statement notifying all staff that the manufacture, distribution, dispensing, unauthorized possession, and unauthorized use of controlled substances are prohibited and specifying the actions that will be taken against employees for violation of such prohibition (the “Drug-Free Workplace Policy”). Contractor shall provide a copy of the Drug-Free Workplace Policy to each staff member as part of his or her initial employment orientation with Contractor, and shall inform such staff member that compliance with the terms of the Drug-Free Workplace Policy is a mandatory condition of employment or retention of employment. Contractor shall provide the Department with a written certification that its Facility complies with the Drug-Free Workplace Policy prior to commencement of services funded through this Agreement.

2. Contractor shall provide an on-going drug-free awareness program to inform all staff about the dangers of drug abuse in the workplace; the Contractor’s enforcement of its Drug-Free Workplace Policy; the availability of drug counseling, rehabilitation and employee assistance programs; and the penalties that may be imposed upon staff and clients or participants for violating the Drug-Free Workplace Policy.

3. Contractor shall require staff members to notify Contractor in writing of his/her arrest or conviction for violation of a criminal drug statute occurring in the workplace no later than five (5) calendar days after such arrest or conviction. Contractor shall thereafter notify the Department within ten (10) calendar days of Contractor’s receipt of the above-described notice of conviction from a staff member or of the date Contractor otherwise received actual notice of such conviction.

4. Contractor shall take one of the following actions within thirty (30) calendar days of receiving notice of such a conviction with respect to any staff member so convicted: (a) appropriate personnel action, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or (b) requiring such convicted staff member both to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, State, or local health, law enforcement, or other appropriate agency, and to make a good faith effort to continue to abide by the Drug-Free Workplace Policy.

## **ARTICLE VII — PROGRAM FACILITY**

**Section 7.01 Suitability.** Contractor shall maintain all facilities used for the provision of services funded in whole or in part through this Agreement, whether owned, leased, or used pursuant to an in-kind agreement or arrangement, whether permanent or temporary, in a condition suitable to provide services pursuant to this Agreement.

**Section 7.02 Signage.** Upon request by the Department, and consistent with applicable Laws and applicable lease and license requirements, Contractor will prominently display signs inside and outside the facility(ies) used for the program indicating such information as the program name, its sponsorship by the Department, the program activity and the days and hours of operation. In addition, Contractor shall prominently display inside the facility(ies) all signs, provided by the Department, if any, advising of any of the Contractor’s obligations with regard to Equal Employment Opportunity laws.

### **Section 7.03 Security and emergency plan.**

A. Prior to the commencement of services under this Agreement, Contractor shall adopt, implement, and instruct staff regarding a written plan to provide for the safety and security of clients, participants, staff, and the Contractor's facility, including procedures to follow during emergencies. Contractor shall maintain a current file of emergency contacts for each client and participant, which shall include the names, addresses, telephone numbers, and locations where such contacts can be reached. A security plan applying to all of Contractor's operations rather than specifically to the City-funded operations shall be sufficient to comply with the terms of this requirement. The Contractor shall cooperate with the City during any emergency affecting the Contractor's services and/or facilities.

B. In the event that a State of Emergency (SOE) is declared by the Mayor of the City, the City may suspend Contractor's normal operations until further notice. No damages shall be assessed for suspension of normal services during this time. All other terms and conditions of this Agreement shall remain in effect, except as modified by a contract amendment registered pursuant to Charter §328 or other appropriate contract action. The Contractor may, at the request of and in a manner determined by the Department, assist the Department in carrying out emergency procedures during a State of Emergency. Emergency procedures shall remain in effect until the Mayor has determined that the SOE has expired. In consideration thereof, the City agrees to indemnify the Contractor against all claims by third parties arising out of the actions of its employees during the SOE that are directed by the City and not otherwise required to be performed under this Agreement, except for those arising out of the employees' gross negligence or intentional misconduct.

## **ARTICLE VIII — CENTRAL INSURANCE PROGRAM**

**Section 8.01 Availability.** If offered to Contractor by the Department, participation in the City-sponsored Central Insurance Program (CIP) plan shall satisfy Contractor's responsibility to obtain any of the types of insurance provided under such CIP plan. The Department may facilitate the provision of this insurance plan as a convenience for Contractor and for the protection of the City. Provision of these plans through the Department is in no way an admission by the Department or the City of liability for acts, omissions or negligence of Contractor or its employees.

**Section 8.02 Cancellation.** The Department reserves the right to cancel or modify any CIP plan offered to Contractor as it deems advisable, and at such time as it deems advisable, in its sole discretion. In such event, or in the event of cancellation by the insurers, the Department will promptly notify Contractor. Contractor must maintain all required insurance at all times during the term of this Agreement either through participation in the CIP plan or through insurance obtained separately by the Contractor.

**Section 8.03 Notification concerning occurrence of incidents.** If Contractor is enrolled in the CIP plan, upon the occurrence of any injury to any client/participant, employee, volunteer, officer, visitor, or any other person, in conjunction with the services funded in whole or in part through this Agreement, and/or of any damage to the facility or any damage to or theft of equipment purchased with funds paid under this Agreement, Contractor shall provide telephone notice to the Department within twenty-four (24) hours of the incident, followed by a written report on the approved Incident Report Form to be delivered to the Department within three (3) business days.

## **ARTICLE IX — REPRESENTATIONS AND COVENANTS OF CONTRACTOR**

**Section 9.01 Eligibility.** Contractor represents and warrants that it has complied and continues to comply with the eligibility requirements set out in the solicitation document (e.g., the request for proposals) under which it proposed for and was awarded this Agreement. Any material change in the eligibility compliance information supplied in Contractor's contract proposal must be reported to the Department within a reasonable time thereof. Failure to do so will be deemed a material breach of this Agreement and could result in termination of this Agreement.

### **Section 9.02 Program services.**

A. Except where expressly set forth in the Scope of Work and approved by the Department, Contractor represents and warrants that eligibility for admission to the services funded through this Agreement shall not be restricted on the basis of race, color, creed, national origin, alienage or citizenship status, gender, gender identity, sexual orientation, disability, marital status, arrest or conviction record, status as a victim of domestic violence, lawful occupation, and family status.

B. Contractor further represents and warrants that no clients or participants shall be charged a fee or required to make any other payment or purchase or participate in any activity designed to raise funds as a condition of eligibility for or participation in the services funded through this Agreement, except as required by law or unless a waiver of this provision is approved in writing by the Department. Waivers may be considered under the following conditions: (i) Contractor's total costs for the Services set forth in the Scope of Work exceed the total value of the Agreement; (ii) Contractor's fees for Services and/or the arrangements made to include those participants unable to pay such fees are deemed reasonable and appropriate by the Department; and (iii) the fees are set at a level that does not discourage or impede participation by members of the community to be served by the services.

**Section 9.03 Allegations of abuse or maltreatment.** Contractor will notify the Department within twenty-four (24) hours of promptly determining that reasonable cause exists to suspect that any of Contractor's administrators or staff, including both paid and volunteer, has abused, maltreated, neglected, assaulted or endangered the welfare of any program participant. In addition, if such reasonable cause is found, the Contractor shall take appropriate action to remove the person from the proximity of program participants while the matter is being investigated by the Contractor. The term abuse shall mean the infliction of physical injury by other than accidental means which causes or creates a substantial risk of death, or serious or protracted disfigurement, or protracted impairment of physical or emotional health or protracted loss or impairment of the function of any bodily organ. The term maltreatment shall mean (i) treatment that results in serious physical injury other than by accidental means, or (ii) neglect or failure to exercise a minimum degree of care that impairs, or places in imminent danger of being impaired, the physical, mental or emotional condition of a program participant. Contractor shall provide telephone notice to the Department within 24 hours of determining that reasonable cause exists, followed by a written report, to be delivered to the Department within three (3) business days. Compliance with this reporting requirement does not satisfy any other legally mandated reporting of abuse, such as to the New York State Central Registry (SCR).

## ARTICLE X — MISCELLANEOUS

**Section 10.01 Headings.** The article and paragraph headings throughout this Agreement are for convenience and reference only and the words contained therein shall in no way be deemed to define, limit, describe, explain, modify or add to the interpretation or meaning of any provision of this Agreement or the scope or intent thereof, nor in any way affect this Agreement.

**Section 10.02 Order of priority.** During the term of the Agreement, conflicts between the various documents shall be resolved in the following order of precedence, such documents constituting the entire Agreement between the parties:

- Standard Human Services Agreement (this document);
- Appendix A (General Provisions Governing Contracts for Consultants, Professional, Technical and Human Client Services);
- Appendix B (Scope of Work);
- Appendix C (Budget); and
- Fiscal Manual.

## ARTICLE XI— SUPPORTIVE SERVICES AND TECHNICAL ASSISTANCE

**Section 11.01 Availability of supportive services and technical assistance.** At its sole discretion, the City may provide, either directly or through its designee, technical assistance to Contractor in such areas as: (1) program planning, development, coordination and dissemination of information; (2) preparation of reports and materials required by the City and/or other governmental entities with jurisdiction over Contractor's activities relating to the operation of services funded through this Agreement; (3) compliance with applicable Laws, guidelines and administrative memoranda; and/or (4) issues or matters affecting Contractor's performance under this Agreement.

**Section 11.02 Training.** At its sole discretion, the City may provide, either directly or through its designee, training/technical assistance to Contractor's employees and Board members, relating to the management and operation of the program funded through this Agreement. If training and/or technical assistance is made available, Contractor must commit appropriate employees and board members to attend/participate at training sessions, as instructed by the City or its designee. Failure to do so may negatively affect Contractor's performance rating, which could in turn lead to termination of this Agreement.

**Section 11.03 Capacity Building and Oversight (CBO) Review for not-for-profit Contractors.** If requested by the Department, the Contractor must complete the Mayor's Office of Contract Services (MOCS) Capacity Building and Oversight (CBO) Review process. As part of that process, the Contractor must submit specified documents to the CBO unit of MOCS, which then conducts an evaluation of the Contractor and its operations for compliance with the terms of its contracts, its own by-laws, internal fiscal controls, applicable laws and regulations, and best practices in not-for-profit organization administration. The specified documents may include, but are not limited to, the Contractor's Internal Revenue Service ("IRS") determination of tax exemption, the most recent IRS Form 990 filing; the most recent audited financial statement (including the auditor's letter to the management), the functional budget for the current fiscal year in the format approved by the Board of

Directors, an organizational chart identifying key staff by title, a copy of the most recently-approved Board Minutes, the by-laws of the corporation, a roster of the membership of the Board of Directors and a list of Board committees, the Contractor's current policies and procedures as adopted, and any other organizational documents, whether or not they are specifically required to be maintained pursuant to this contract or applicable laws and regulations. In the course of the CBO review process, MOCS may make recommendations to the Contractor, request the Contractor to take certain remedial actions and/or to implement certain policy changes. Any such recommendations, and the Contractor's responses thereto, will be provided to the Department for its consideration and any appropriate actions under this contract.

**Section 11.04 Disclaimer.** The technical assistance and training that the Department, in its sole discretion, may provide to Contractor shall not be construed to be a condition precedent to Contractor's obligation to provide the services funded through this Agreement in accordance with the Scope of Work.

**ARTICLE XII – APPENDIX A**

**Section 12.01 Appendix A.** The attached Appendix A, “General Provisions Governing Contracts for Consultants, Professional, Technical, Human and Client Services” is incorporated and made a part of this Agreement.

## **Public Assistance Hiring Commitment Rider for HRA, DHS, and ACS**

A. Except as otherwise provided by subsection G below, Contractor agrees as a condition of this Agreement, to hire at least one Public Assistance Recipient ("PA Recipient") for each \$250,000 in value of this Agreement, or to the extent that the Contractor enters into other contracts with the Department of the City, for each \$250,000 of the cumulative value of contracts of the Contractor during the term of this Agreement.

B. Such hiring shall be for full-time employment of at least a minimum of thirty-five (35) hours per week. The rate of pay shall be at least 20% above the federal minimum wage, and the duration of the employment shall be for at least one (1) year. In the event that a replacement of a PA Recipient is made by the Contractor during the one (1) year, such replacement shall not count as an additional employee toward Contractor's hiring requirement set forth herein.

C. Within thirty (30) days of the commencement date of this Agreement ("commencement date") or fifteen (15) days following notice from the Department that a request for an exemption from the provisions of this Rider has been denied, Contractor shall submit, on forms specified by the Department, information and specifications for the position(s) available.

D. The Contractor may at its option request the assistance of the Department in identifying potential employees. In such case, the Department will refer PA Recipients to the Contractor for employment interviews.

E. Contractor shall hire the number of employees agreed upon pursuant to this Section within ninety (90) days of the commencement date or such longer period as may be specified, in writing, by the Department.

F. In the event Contractor fails to hire the required number of PA Recipients within the required time period, or fails to pay and retain such employees pursuant to the above requirements, Contractor shall pay to the Department or the Department may at its option, deduct from monies due or become due to Contractor, the amount of nineteen dollars and eighteen cents (\$19.18) per employee for each calendar day for which such PA Recipient(s) is/are not employed by Contractor as required by this Article. Such amount is hereby fixed and agreed as liquidated damages.

G. Contractor may apply to the Department for exemption from all or part of the requirements of this Article. Any application for an exemption must be made before the expiration of thirty (30) days after the commencement date of this contract, or any subsequent contract as discussed in subsection 1 herein, and shall be in the form specified by the Department. Exemption may be granted upon a showing that the operation of this Section will constitute an extreme hardship, within the sole discretion of the Department; or to any Contractor not employing twenty (20) or more employees at a place of business within the City of New York.

## **LANGUAGE ASSISTANCE RIDER FOR HRA**

Language Assistance Services. The Contractor shall provide free language assistance services to limited English proficient individuals.

A. Service Delivery. When a limited English proficient individual seeks or receives benefits or services from a Department Contractor, the Contractor shall provide promptly language assistance services in all interactions with that individual, whether the interaction is by telephone or in person. The Contractor shall meet its obligation to provide prompt language assistance services by ensuring that limited English proficient individuals do not have to wait unreasonably longer to receive assistance than individuals who do not require language assistance services.

B. Translation. Where an application or form requires completion in English by a limited English proficient individual for submission to a state or federal authority, the Contractor shall provide oral translation of such application or form as well as certification by the limited English proficient individual that the form was translated and completed by an interpreter. The Contractor shall make all reasonable efforts to provide language assistance services in person by bilingual personnel. The Contractor shall screen bilingual personnel and interpreter personnel for their ability to provide language assistance services. The Contractor shall translate all documents into every covered language, as indicated in subsection 2, below. The Contractor shall provide annual training for bilingual personnel and interpreter personnel and ensure that they are providing appropriate language assistance services.

1. Notices. Upon initial contact, whether by telephone or in person, with an individual seeking benefits and/or services offered by the Contractor, the Contractor shall determine the primary language of such individual. If it is determined that such individual's primary language is not English, the Contractor shall inform the individual in his/her primary language of the right to free language assistance services. The Contractor shall post conspicuous signs in every covered language at all of its offices informing limited English proficient individuals of the availability of free language assistance services. The Contractor shall provide in all application and recertification packages a notice advising participants that free language assistance services are available at its offices and where to go if they would like an interpreter. This notice shall appear in all covered languages.

2. Covered Languages. "Covered Languages" shall mean Arabic, Chinese, Haitian Creole, Korean, Russian or Spanish. Nothing in this section shall preclude a Contractor from providing language assistance services beyond those required in this section.

**CONTINUITY OF OPERATIONS PLAN RIDER: TO BE USED FOR THOSE PROGRAMS  
WHERE CONTINUATION OF SERVICES IN THE IMMEDIATE AFTERMATH OF AN  
EMERGENCY IS ESSENTIAL FOR PUBLIC HEALTH OR SAFETY**

The vendor should seek guidance from the Department on how to develop a COOP plan. A COOP plan includes, but is not limited to: the identification of an alternate site of business; appointment of alternate personnel for identified essential staff; development of protocols for the safekeeping of vital business records; and, a transportation contingency plan for its employees.

DOING BUSINESS ACCOUNTABILITY PROJECT  
**QUESTIONS AND ANSWERS ABOUT THE DOING BUSINESS DATA FORM**

**What is the purpose of this *Data Form*?**

To collect accurate, up-to-date identification information about organizations that have business dealings with the City of New York in order to comply with Local Law 34 of 2007 (LL 34), a campaign finance reform law. LL 34 limits municipal campaign contributions from principal officers, owners and senior managers of entities doing business with the City and mandates the creation of a *Doing Business Database* to allow the City to enforce the law. The information requested in this *Data Form* must be provided, regardless of whether the organization or the people associated with it make or intend to make campaign contributions. No sensitive personal information collected will be disclosed to the public.

**Why have I received this *Data Form*?**

The contract, franchise, concession, grant or economic development agreement you are proposing on, applying for or have already been awarded is considered a business dealing with the City under LL 34. No proposal or application will be considered and no award will be made unless this *Data Form* is completed. Most transactions valued at more than \$5,000 are considered business dealings and require completion of the *Data Form*. Exceptions include transactions awarded on an emergency basis or by “conventional” competitive sealed bid (i.e. bids that do not use a prequalified list or “Best Value” selection criteria.) Other types of transactions that are considered business dealings include real property and land use actions with the City.

**What individuals will be included in the *Doing Business Database*?**

The principal officers, owners and certain senior managers of organizations listed in the *Doing Business Database* are themselves considered to be doing business with the City and will also be included in the *Database*.

- **Principal Officers** are the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Chief Operating Officer (COO), or their functional equivalents. See the *Data Form* for examples of titles that apply.
- **Principal Owners** are individuals who own or control 10% or more of the organization. This includes stockholders, partners and anyone else with an ownership or controlling interest in the entity.
- **Senior Managers** include anyone who, either by job title or actual duties, has substantial discretion and high-level oversight regarding the solicitation, letting or administration of any contract, concession, franchise, grant or economic development agreement with the City. At least one Senior Manager must be listed or the *Data Form* will be considered incomplete.

**I have already completed a *Doing Business Data Form*; do I have to submit another one?**

Yes. An organization is required to submit a *Doing Business Data Form* each time it enters into a transaction considered a business dealing with the City, including contract, concession and franchise proposals. However, the *Data Form* has both a Change option, which requires only information that has changed since the last *Data Form* was filed, and a No Change option. No organization should have to fill out the entire *Data Form* more than once.

If you have already submitted a *Data Form* for one transaction type (such as a contract), and this is the first time you are completing a *Data Form* for a different transaction type (such as a grant), please select the Change option and complete Section 4 (Senior Managers) for the new transaction type.

**Will the personal information on this *Data Form* be available to the public?**

No. The names and titles of the officers, owners and senior managers reported on the *Data Form* will be made available to the public, as will information about the organization itself. However, personal identifying information, such as home address, home phone and date of birth, will not be disclosed to the public, and home address and phone number information will not be used for communication purposes.

**I provided some of this information on the VENDEX Questionnaire; do I have to provide it again?**

Yes. Although the *Doing Business Data Form* and the VENDEX Questionnaire request some of the same information, they serve entirely different purposes. In addition, the *Data Form* requests information concerning senior managers, which is not part of the VENDEX Questionnaire.

**What organizations will be included in the *Doing Business Database*?**

Organizations that hold \$100,000 or more in grants, contracts for goods or services, franchises or concessions (\$500,000 for construction contracts), or that hold any economic development agreement or pension fund investment contract, are considered to be doing business with the City for the purposes of LL 34. Because all of the business that an organization does or proposes to do with the City will be added together, the *Data Form* must be completed for all transactions valued at more than \$5,000 even if the organization doesn't currently do enough business with the City to be listed in the *Database*.

**No one in my organization plans to contribute to a candidate; do I have to fill out this *Data Form*?**

Yes. All organizations are required to return this *Data Form* with complete and accurate information, regardless of the history or intention of the entity or its officers, owners or senior managers to make campaign contributions. The *Doing Business Database* must be complete so that the Campaign Finance Board can verify whether future contributions are in compliance with the law.

**My organization is proposing on a contract with another firm as a Joint Venture that does not exist yet; how should the *Data Form* be completed?**

A joint venture that does not yet exist must submit a *Data Form* for each of its component firms. If the joint venture receives the award, it must then complete a form in the name of the joint venture.

**How long will an organization and its officers, owners and senior managers remain listed on the *Doing Business Database*?**

- **Contract, Concession and Economic Development Agreement holders:** generally for the term of the transaction, plus one year.
  - **Franchise and Grant holders:** from the commencement or renewal of the transaction, plus one year.
  - **Pension investment contracts:** from the time of presentation on an investment opportunity or the submission of a proposal, whichever is earlier, until the end of the contract, plus one year.
  - **Line item and discretionary appropriations:** from the date of budget adoption until the end of the contract, plus one year.
  - **Contract proposers:** for one year from the proposal date or date of public advertisement of the solicitation, whichever is later.
  - **Franchise and Concession proposers:** for one year from the proposal submission date.
- For information on other transaction types, contact the Doing Business Accountability Project.

**How does a person remove him/herself from the *Doing Business Database*?**

When an organization stops doing business with the City, the people associated with it are removed from the *Database* automatically. However, any person who believes that s/he should not be listed may apply for removal. Reasons that a person would be removed include his/her no longer being the principal officer, owner or senior manager of the organization. Organizations may also update their database information by submitting an update form. Removal Request and Update forms are available online at [www.nyc.gov/mocs](http://www.nyc.gov/mocs) (once there, click MOCS Programs) or by calling 212-788-8104.

**What are the new campaign contribution limits for people doing business with the City?**

Contributions to City Council candidates are limited to \$250 per election cycle; \$320 to Borough President candidates; and \$400 to candidates for citywide office. Please contact the NYC Campaign Finance Board for more information at [www.nycffb.info](http://www.nycffb.info), or 212-306-7100.

**The *Data Form* is to be returned to the City office that issued it.**

If you have any questions about the *Data Form* please contact the Doing Business Accountability Project at 212-788-8104 or [DoingBusiness@cityhall.nyc.gov](mailto:DoingBusiness@cityhall.nyc.gov).

## **NOTICE TO BIDDERS, PROPOSERS, CONTRACTORS, AND RENEWAL CONTRACTORS**

This contract includes a provision concerning the protection of employees for whistleblowing activity, pursuant to New York City Local Law Nos. 30-2012 and 33-2012, effective October 18, 2012 and September 18, 2012, respectively. The provisions apply to contracts with a value in excess of \$100,000.

Local Law No. 33-2012, the Whistleblower Protection Expansion Act (“WPEA”), prohibits a contractor or its subcontractor from taking an adverse personnel action against an employee or officer for whistleblower activity in connection with a City contract; requires that certain City contracts include a provision to that effect; and provides that a contractor or subcontractor may be subject to penalties and injunctive relief if a court finds that it retaliated in violation of the WPEA. The WPEA is codified at Section 12-113 of the New York City Administrative Code.

Local Law No. 30-2012 requires a contractor to prominently post information explaining how its employees can report allegations of fraud, false claims, criminality, or corruption in connection with a City contract to City officials and the rights and remedies afforded to employees for whistleblowing activity. Local Law No. 30-2012 is codified at Section 6-132 of the New York City Administrative Code.

Local Law 30-2012

If a contracting agency determines that there has been a violation of this section, it shall take such action it deems appropriate consistent with the remedies available under the contract or subcontract.

d. Nothing in this section shall be construed to limit an agency's authority to cancel or terminate a contract, issue a non-responsibility finding, issue a non-responsiveness finding, deny a person or entity pre-qualification, or otherwise deny a contractor city business.

§2. This local law shall take effect 120 days after its enactment into law and shall apply to contracts and subcontracts for which bids or proposals are first solicited after such effective date; provided, however, that the commissioner of investigation and the city's chief procurement officer shall take such measures as are necessary for its implementation, including the promulgation of rules, prior to such effective date.

Local Law 33-2012

10. "Officers or employees of an agency of the city" shall be deemed to include officers or employees of local development corporations or other not-for-profit corporations that are parties to contracts with contracting agencies and the governing boards of which include city officials acting in their official capacity or appointees of city officials. Such officers and employees shall not be deemed to be officers or employees of a covered contractor or covered subcontractor.

b. 1. No officer or employee of an agency of the city shall take an adverse personnel action with respect to another officer or employee in retaliation for his or her making a report of information concerning conduct which he or she knows or reasonably believes to involve corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority by another city officer or employee, which concerns his or her office or employment, or by persons dealing with the city, which concerns their dealings with the city, (i) to the commissioner, or (ii) to a council member, the public advocate or the comptroller, who shall refer such report to the commissioner. For purposes of this subdivision, an agency of the city shall be deemed to include, but not be limited to, an agency the head or members of which are appointed by one or more city officers, and the offices of elected city officers.

2. No officer or employee of a covered contractor or covered subcontractor shall take an adverse personnel action with respect to another officer or employee of such contractor or subcontractor in retaliation for such officer or employee making a report of information concerning conduct which such officer or employee knows or reasonably believes to involve

corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority by any officer or employee of such contractor or subcontractor, which concerns a contract with a contracting agency, (i) to the commissioner, (ii) to a council member, the public advocate or the comptroller, who shall refer such report to the commissioner, or (iii) to the city chief procurement officer, agency chief contracting officer, or agency head or commissioner of the contracting agency, who shall refer such report to the commissioner.

3. Every contract or subcontract in excess of one hundred thousand dollars shall contain a provision detailing the provisions of paragraph two of this subdivision and of paragraph two of subdivision e of this section.

[2.] 4. Upon request, the commissioner, council member, public advocate or comptroller receiving the report of alleged adverse personnel action shall make reasonable efforts to protect the anonymity and confidentiality of the officer or employee making such report.

[3.] 5. No officer or employee of an agency of the city shall take an adverse personnel action with respect to another officer or employee in retaliation for his or her making a report of information concerning conduct which he or she knows or reasonably believes to present a substantial and specific risk of harm to the health, safety or educational welfare of a child by another city officer or employee, which concerns his or her office or employment, or by persons dealing with the city, which concerns their dealings with the city, (i) to the commissioner, (ii) to a council member, the public advocate, the comptroller or the mayor, or (iii) to any superior officer.

c. An officer or employee (i) of an agency of the city, or (ii) of a public agency or public entity subject to the jurisdiction of the commissioner pursuant to chapter thirty-four of the charter who believes that another officer or employee has taken an adverse personnel action in violation of subdivision b of this section may report such action to the commissioner.

d. 1. Upon receipt of a report made pursuant to subdivision c of this section, the commissioner shall conduct an inquiry to determine whether retaliatory adverse personnel action has been taken.

2. Within fifteen days after receipt of an allegation pursuant to subdivision c of this section of a prohibited adverse personnel action, the commissioner shall provide written notice to the officer or employee making the allegation that the allegation has been received by the commissioner. Such notice shall include the name of the person in the department of investigation who shall serve as a contact with the officer or employee making the allegation.

3. Upon the completion of an investigation initiated under subdivision c of this section, the commissioner shall provide a written statement of the final determination to the officer or employee who complained of the retaliatory adverse personnel action. The statement shall include the commissioner's recommendations, if any, for remedial action, or shall state the commissioner has determined to dismiss the complaint and terminate the investigation.

e. 1. Upon a determination that a retaliatory adverse personnel action has been taken with respect to an officer or employee of an agency of the city in violation of paragraph one or five of subdivision b of this section, the commissioner shall without undue delay report his or her findings and, if appropriate, recommendations to the head of the appropriate agency or entity, who (i) shall determine whether to take remedial action and (ii) shall report such determination to the commissioner in writing. Upon a determination that the agency or entity head has failed to take appropriate remedial action, the commissioner shall consult with the agency or entity head and afford the agency or entity head reasonable opportunity to take such action. If such action is not taken, the commissioner shall report his or her findings and the response of the agency or entity head (i) if the complainant was employed by an agency the head or members of which are appointed by the mayor, to the mayor, (ii) if the complainant was employed by a non-mayoral

agency of the city, to the city officer or officers who appointed the agency head, or (iii) if the complainant was employed by a public agency or other public entity not covered by the preceding categories but subject to the jurisdiction of the commissioner pursuant to chapter thirty-four of the charter, to the officer or officers who appointed the head of the public agency or public entity, who shall take such action as is deemed appropriate.

2. Any officer or employee of a covered contractor or covered subcontractor who believes that he or she has been the subject of an adverse personnel action in violation of paragraph two of subdivision b shall be entitled to bring a cause of action against such covered contractor or covered subcontractor to recover all relief necessary to make him or her whole. Such relief may include but shall not be limited to: (i) an injunction to restrain continued retaliation, (ii) reinstatement to the position such employee would have had but for the retaliation or to an equivalent position, (iii) reinstatement of full fringe benefits and seniority rights, (iv) payment of two times back pay, plus interest, and (v) compensation for any special damages sustained as a result of the retaliation, including litigation costs and reasonable attorneys' fees. An officer or employee described in this paragraph may bring an action in any court of competent jurisdiction for such relief. An officer or employee who brings a cause of action pursuant to this paragraph shall notify the agency chief contracting officer or agency head or commissioner of the contracting agency of such action; provided, however, that failure to provide such notice shall not be a jurisdictional defect, and shall not be a defense to an action brought pursuant to this paragraph. This paragraph shall not be deemed to create a right of action against the city, any public agency or other public entity, or local development corporations or not-for-profit corporations the governing boards of which include city officials acting in their official capacity or appointees of city officials, nor shall any such public agency, entity or corporation be made a party to an action brought pursuant to this subdivision.

f. Nothing in this section shall be construed to limit the rights of any officer or employee with regard to any administrative procedure or judicial review, nor shall anything in this section be construed to diminish or impair the rights of a public employee or employer under any law, rule, regulation or collective bargaining agreement or to prohibit any personnel action which otherwise would have been taken regardless of any report of information made pursuant to this section.

g. Violation of this section may constitute cause for administrative penalties.

h. The commissioner shall conduct ongoing public education efforts as necessary to inform employees and officers of covered agencies and contractors of their rights and responsibilities under this section.

i. Not later than October thirty-first of each year, the commissioner shall prepare and forward to the mayor and the council a report on the complaints governed by this section during the preceding fiscal year. The report shall include, but not be limited to, the number of complaints received pursuant to this section, and the disposition of such complaints.

§ 3. This local law shall take effect ninety days after its enactment into law; provided, however, that the provisions of this local law shall apply only to contracts or subcontracts solicited or renewed on or after such effective date.

**New York City Administrative Code section 7-805  
Remedies of employees.**

a. (1) Any officer or employee of the city of New York who believes that he or she has been the subject of an adverse personnel action, as such term is defined in paragraph one of subdivision a of section 12-113 of the administrative code of the city of New York; or

**SUB-CONTRACTING COMPLIANCE NOTICE**

## **Notice for Proposers:**

In 2013 the City will be implementing a new web based subcontractor reporting system. Once this subcontractor reporting system is implemented, and the Selected Contractor receives notice of its implementation, the Selected Contractor will be required to list in the system all of the subcontractors that it knows it will use or is already using in the performance of the contract to be awarded. For each subcontractor listed, the Selected Contractor will be required to provide the following information: maximum contract value, description of subcontractor work, start and end date of the subcontract and identification of the subcontractor's industry. Identification of subcontractors in the system along with the required information will be required in order to obtain subcontractor approval under PPB Rule § 4-13 for all subcontractors that have not been approved as of the implementation date. Thereafter, the Selected Contractor will be required to report in the system the payments made to each subcontractor within 30 days of making the payment. If any of the required information changes throughout the term of the contract, the Selected Contractor will be required to revise the information in the system.

When the subcontractor reporting system is implemented, the Selected Contractor will receive a written notice from the City which will contain the information the Selected Contractor will need to list its subcontractors and report payments. The Selected Contractor will not be required to comply with the requirements set forth herein until such notice is issued. The Selected Contractor will have 30 days from the date of the notice to list its current subcontractors for which it has already received Agency approval, if any. Thereafter, for those subcontractors that have not yet been approved by the Agency, subcontractors will have to be listed in the system in order to obtain the required Agency approval.

Failure of the Selected Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Agency declaring the Selected Contractor in default of the Contract and may subject the Selected Contractor to liquidated damages in the amount of \$100 per day for each day that the Selected Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City. The Selected Contractor hereby agrees to these provisions and acknowledges that they will become effective on the date set forth in the notice.
