

Emergency Food Assistance Program Quarterly Report					
	Oct-Dec 2016	July - Sept 2016	Quarterly Change	Jan-March 2015	Yearly Change
Food Pantries	2,913,548	2,814,997	4%	2,972,794	-2%
Community Kitchens - Meals Served	763,365	775,088	-2%	793,835	-4%

NOTE: Food pantry and community kitchen statistics are from provider reports which are not verified by HRA. The accuracy of total number served fluctuates each quarter due to inconsistent methods for counting and incomplete reporting from food pantries and community kitchens. Therefore, these numbers should be used as estimates only and interpreted with caution. In this quarter, 85% of food pantries and 84% of community kitchens reported data.
