Executive Deputy
Commissioner

Dear: Michele Warner

Enclosed please find the New York State Department of Health (DOH), Office of Health Insurance Programs (OHIP), Medicaid Confidential Data (MCD) Data Use Agreement (DUA).

The purpose of the DUA is to provide a means for the Requesting Organization (Requestor) to provide information to allow DOH to support a request for the release of MCD to the Requestor.

In addition, the DUA establishes a legally binding agreement between the Requestor and DOH by defining the terms and conditions of the MCD release, should DOH accept the Requestor's Agreement. *The sensitivity of MCD cannot be over-emphasized. MCD includes all personal information about Medicaid recipients, including Protected Health Information (PHI).*

Furthermore, if the Requestor plans to hire subcontractors to work with MCD, the Requestor must complete and submit a DUA Addendum along with the Business Associate Agreement (BAA) to DOH. DOH must acknowledge the acceptance of the DUA Addendum and BAA to the Requestor before the subcontractor may access MCD.

The Requestor is responsible for complying with all federal and state laws and regulations regarding the privacy, protection, and security of MCD.

Please fill out this DUA in its entirety and be sure to attach all required supporting documentation. Send completed scanned applications to:

- III. DOH agrees to provide the Requestor with MCD from the DOH Medicaid Data Warehouse (MDW) or other recognized DOH data source. In exchange, the Requestor agrees to use the MCD only for purposes that support the Requestor's project, research or study referenced in this Agreement, which DOH has determined assists in the administration, monitoring, management and improvement of the State Medicaid program or the services provided to beneficiaries. The Requestor agrees to establish appropriate administrative, technical, and physical safeguards to protect the confidentiality, integrity and availability of the MCD by complying with the terms of this Agreement, State and Federal law, including the Health Insurance Portability and Accountability Act (HIPAA), NIST 800-53 Rev. 4, and NYS Information Security Policy P03-002.
- IV. This Agreement contains the terms and conditions under which DOH will disclose, and the Requestor will obtain, use, reuse, disclose and destroy the DOH MCD data file(s) specified in Section 3: Data Description. This provision also applies to all derivative or commingled file(s) that contain direct individual identifiers or elements that can be used to identify specific individuals when used in concert with other information. This Agreement supersedes all agreements by and between the parties with respect to the use of MCD from the files specified in Section 3 and preempts and overrides any

previous instructions, directions, agreements, or other prior communication from the DOH or any of its components with respect to the data specified herein.

Section 2: Purpose

- I. In consideration for accepting the data file(s), the Requestor represents that such data file(s) will be used solely for the purpose(s) listed below. Requestor agrees not to disclose, use or reuse MCD for any purpose, other than as described herein, without an executed and accepted DUA Addendum by and between Requestor and DOH. The Requestor affirms that the data requested by the Requestor is the minimum necessary to achieve the purposes stated in this section. The Requestor agrees that, within the Requestor's Organization and the organizations of its business associates, access to the data covered by this Agreement shall be limited to the minimum amount of data and minimum number of individuals necessary to achieve the purpose stated in this section.
- II. In this section, Requestor should describe the purpose of the project, as well as how MCD will be used to assist DOH in the administration, monitoring, management and improvement of the New York State Medicaid program or the services provided to beneficiaries. The description of the project should clearly state the purpose of the initiative.

A. Duplicate CINS

Every six months, the Office of Revenue, Management and Development (ORMD) a division of Finance, reviews Medicaid data to identify cases in which Medicaid Managed Care (MMC) providers are paid twice for the same clients, on the same service date, due to the use of duplicate Client Identification Numbers (CINS). ORMD provides the resulting data to the Agency Medical Insurance and Community Services Administration, who bills MMC providers for monies owed to the State. The project is conducted in collaboration with the State Department of Health (SDOH) and the Office of the Medicaid Inspector General and ORMD. Every six months, ORMD reviews EDW Duplicate CIN match (SSN, Full Name, Partial Name, and Transposed Name) files produced and confirms the match, and identifies which CIN to close and disenroll.

B. Duplicate CINS - OMIG Sweep

Annually, ORMD receives from the Office of Medicaid Inspector General (OMIG) files of newly identified duplicate CINS for previously reviewed periods. ORMD reviews the OMIG Multiple CIN file to confirm the match, and identify which CIN to close and disenroll from Managed Care. ORMD annotates the file using the guidelines provided by the OMIG and also reviews the files to determine if its current match can be enhanced or if the additional duplications identified by the OMIG are due to changes in client demographic information or an indication of additional duplications due to later payments for the previously covered service period.

C. Department of Education Medicaid Claiming

The New York City Department Of Education (NYC DOE) is authorized to submit claims for Medicaid reimbursement for the provision of school supportive health services to New York City (NYC) students with Individualized

Education Programs. The DOE must include the student's Client Identification Number (CIN) when submitting claims to EMedNY. HRA Finance assists the DOE in maximizing its claiming of Medicaid reimbursement for school supportive health services by providing the DOE with access to the most complete set of CINs for NYC students. Finance will provide the DOE with a monthly file of NYC residents enrolled in Medicaid between ages three and twenty-one for the DOE to match students via biographical data. DOE will only match students who have an Individualized Education Program for special education services with the purpose of linking a CIN with a DOE student identification number. Biographical data for matching will include, the student's first name, last name, date of birth, street address and zip code and such other fields as the DOE and Finance may deem necessary. DOE does not share individual CIN data internally or externally, and access to CIN numbers will only be available to staff directly involved with Medicaid claiming.

D. Ad Research and Analysis

As part of ORMD research responsibility for identifying revenue maximization projects and the financial impact of legislation, ORMD is required to frequently identify Medicaid costs, procedures, or rate code distributions identified with various subsets of the HRA client population. These analyses are frequently time sensitive and may require less than a day to turn around. Analyses includes participants in the HRA Wellness program, Medicaid Single Audit Data research, HHC and DOE ad hoc analysis, CAS claiming analysis and identifying Medicaid providers billing more than \$100 million per year.

Section 7: End Date and Destruction of Data

- I. The parties mutually agree that the aforesaid files(s) (and/or any derivative file(s)), including those files that directly identify individuals, may only be retained by the Requestor until December 31, 2021, hereinafter known as the "End Date." The DUA may only be extended past the End Date if a written DUA Addendum is accepted by DOH prior to the DUA expiration date. Extensions of the DUA will be tied to: A) end dates of contracts with DOH; B) end dates for Centers for Medicare and Medicaid Services (CMS) grants; or C) per OHIP sponsor determination.
- II. If the purpose described in Section 2: Purpose is completed prior to the End Date, the Requestor agrees to notify DOH within 30 days of completion. Upon such notice or the End Date, whichever occurs sooner, the Requestor agrees to destroy all data provided under this DUA, unless DOH grants an exception. If DOH grants the exception, the MCD must be protected until it has been destroyed. The Requestor agrees to destroy all MCD and submit a Data Destruction Affidavit to DOH within 30 days of the project completion. The Requestor agrees not to retain any DOH MCD files or any parts thereof, unless authorized in writing by DOH. DOH does not have to notify Requestor of the End Date for this provision to apply. Either party may terminate this DUA at any time, for any reason, upon 30 days written notice to the other party. Upon notice of termination by Requestor, DOH will stop releasing data file(s) to the Requestor and the Requestor must destroy all data file(s) Requestor has already received. If a Data Consuming Entity (DCE) goes out of business it shall destroy all MCD it has received from DOH and submit a Data Destruction Affidavit to DOH within 30 days.

Section 8: Offshore Prohibition

The Requestor further agrees that any MCD provided under this Agreement shall not be accessed by employees, agents, representatives, or contractors who are located outside of the United States and its territories (offshore). Further, the Requestor agrees that MCD shall not be received, stored, processed, or disposed via information technology systems which are located offshore.

Section 9: Unauthorized Use or Disclosure, Breach and Incident Response

- I. The Requestor agrees that if DOH determines or believes that the Requestor has used, reused or disclosed MCD in a way other than as explicitly authorized by this Agreement, DOH may, at its sole discretion, require the Requestor to:
 - A. Promptly investigate and report to DOH the Requestor's determinations regarding any alleged or actual unauthorized use, reuse or disclosure;
 - B. Promptly resolve any problems identified by the investigation;

- C. If requested by DOH, submit a formal response to an allegation of unauthorized use, reuse or disclosure;
 - D. If requested by DOH, submit a corrective action plan with steps designed to prevent any future unauthorized uses, reuses or disclosures; and
 - E. If requested by DOH, destroy all data files received from DOH and submit a Data Destruction Affidavit. The Requestor understands that upon DOH's determination or reasonable belief that unauthorized uses, reuses or disclosures have taken place, DOH may suspend further release of MCD to the Requestor, indefinitely. The Requestor agrees to report any breach of personally identifiable information (PII) or Protected Health Information (PHI) from the DOH data file(s), loss of MCD or disclosure to any unauthorized persons to the DOH by e-mail notification at doh.sm.Medicaid.Data.Exchange@health.ny.gov within one hour of discovery, and to cooperate fully in the security incident investigation and review process. While DOH retains all ownership rights to the data file(s), as outlined above, the Requestor shall bear the cost and liability for any breaches of PII or PHI from the data file(s) while they are entrusted to the Requestor. Furthermore, if DOH determines that the risk of harm requires notification of affected individual persons of the security breach and/or other remedies, the Requestor agrees to carry out these notifications without any cost to DOH.
- II. If Requestor determines that an Incident has occurred in one of Requestor's systems, Requestor must notify DOH. An incident is defined as violation or imminent threat of violation of computer security policies, acceptable use policies, or standard security practices. DOH may require Requestor to complete a risk analysis, risk assessment and an organizational attestation affirming that Requestor has identified and remediated the root cause of the malicious software outbreak, cyberattack, or other information security incident and that Requestor's systems and networks have been remediated and have returned to normal operation. Requestor understands that access to DOH systems will not be granted until the organizational attestation is completed and accepted by DOH. Requestor acknowledges that Requestor's organization is liable if ransomware or malware spreads to DOH systems from Requestor's systems.
- III. Prior to the start of forensic activities related to significant information security incidents, the organization should determine how it will collect and preserve evidence in a way that supports its use in future legal or internal disciplinary proceedings. The organization should make all such forensic decisions in accordance with its policies and advice from legal counsel. In such situations, the organization should follow a clearly defined chain of custody to avoid allegations of mishandling or tampering with evidence. The organization should keep a log of every person who had physical custody of the evidence, and document the date and time of the actions that they performed. The organization should make a forensic copy of the evidence and verify the integrity of both the original and the copied evidence. The organization should assure that the original evidence is stored securely and perform all forensic examination and analysis using only the copied evidence. If it is unclear whether or not evidence preservation is required, the evidence should be preserved. All forensic examination, such as that described above, must account for the disposition and impact on all DOH data as well as all systems that store, process, analyze, or transmit DOH data in the report provided to DOH.

II. OBLIGATIONS AND ACTIVITIES OF BUSINESS ASSOCIATE

(a) **Application.** This Agreement shall supersede all agreements pursuant to HIPAA entered into by and between any of the Parties prior to the Effective Date. This Agreement applies to the Health Care Components of the Parties and shall not apply to the non-covered functions of those programs.

(b) **Permitted or Required Uses.** Each Business Associate agrees to not use or disclose PHI other than as permitted or required by this Agreement or as required by law. Business Associates shall not use or disclose PHI in any manner that would constitute a violation of HIPAA or HITECH.

Each Business Associate acknowledges that this Agreement does not in any manner grant any Business Associate any greater rights than the Covered Entity enjoys, nor shall it be deemed to permit or authorize any Business Associate to use or further disclose PHI in a manner that would otherwise violate the requirements of HITECH and/or HIPAA if conducted by the Covered Entity.

Each Business Associate agrees that it is not permitted to use or disclose PHI without an authorization or consent, unless: (1) such a use and/or disclosure absent consent is in accordance with 45 C.F.R. §164.506, §164.510, §164.512, §164.514(e), §164.514(f), §164.514(g) and such use and/or disclosure is authorized in writing by the DSS Chief Privacy Officer and/or General Counsel; or (2) such a use and/or disclosure is otherwise permitted or required by agreement or Required by Law; except that each Business Associate may use PHI received in its capacity as a business associate to the Covered Entity, if necessary for the proper management and administration of the Business Associate’s legitimate work-related activities.

If any Business Associate chooses to use or disclose any PHI for any purpose that is not directly connected with the administration of the Medicaid Program, in accordance with New York State Social Services Law §§136 and 369(4), 42 USC §1320(d), 42 C.F.R. §431.300 or for any other purpose not authorized by this Agreement, absent a court order, the Business Associate must make a written request to the Executive Deputy Commissioner of MICA, the Deputy Commissioner of HCSP, and the DSS Chief Privacy Officer in the Office of Legal Affairs, describing the purpose for the disclosure, the type of PHI to be disclosed, the entity to whom the data will be disclosed and the source of the data.

The Parties agree that any Party hereto may only disclose, transmit, or otherwise grant access to PHI pursuant to this Agreement if the Covered Entity or Business Associate has such PHI in its possession. This Agreement shall not be construed to permit any Party to disclose, transmit, or

otherwise grant access to any PHI to which the Party itself merely has access (i.e. a State-owned database containing PHI that a Party regularly accesses in performance of its functions, but that the Party does not own, possess or maintain).

(c) **Appropriate Safeguards.** Each Business Associate agrees to use appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Agreement, and with respect to Electronic PHI to comply with Subpart C of 45 CFR Part 164 (45 CFR §164.302 et seq.). The safeguards shall include administrative, procedural, physical, electronic and technical measures that reasonably and appropriately protect the confidentiality, security, integrity and availability of the PHI that the Business Associate receives, creates, maintains or transmits on behalf of the Covered Entity as required by 45 CFR § Part 164. Each Business Associate shall also implement such safeguards to prevent the misuse of PHI other than as provided by this Agreement. The parties recognize that Section 13401 of the HITECH Act makes certain provisions of HIPAA relating to the security of PHI directly applicable to Business Associates. Business Associates shall use appropriate safeguards to ensure the security and confidentiality of the PHI in its transmission. Business Associates shall establish and maintain comprehensive written policies (or, collectively, a single policy that applies to each Business Associate) regarding such safeguards. It is the responsibility of the Business Associate to inform and train staff that has direct access to PHI of such policies.

(d) **Mitigation.** Each Business Associate agrees to promptly correct and mitigate, to the extent practicable, any harmful effects of which that Business Associate becomes aware that have resulted from any unauthorized acquisition, access, use or disclosure of PHI by the Business Associate, its contractors, subcontractors or agents.

(e) **Reporting Unauthorized Use or Disclosure.** The parties recognize that Section 13402 of the HITECH Act requires business associates to notify the Covered Entity in the event of i) any unauthorized disclosure of PHI; ii) breach of security relating to unsecured PHI; and/or iii) any suspected or actual data security breach relating to unsecured PHI of which the Business Associate becomes aware. Each Business Associate agrees to report to the HRA General Counsel and the DSS Chief Privacy Officer, upon discovery of any use or disclosure of PHI not provided for or authorized by this Agreement. For any suspected or actual data security Breach, the Business Associate shall notify the Covered Entity in writing within five (5) business days of having been made aware of such unauthorized acquisition, access, use or disclosure of PHI by any party, including the Business Associate.

Such notification shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired, used, or disclosed during the breach. The Business Associate shall provide the Covered Entity and the DSS Chief Privacy Officer with other information as it becomes available, including (1) a brief description of what happened and when, (2) the names of the parties involved, (3) a description of the types of PHI compromised, (4) steps taken to mitigate the harm, (5) recommendations to the affected individuals regarding steps that should be taken to protect themselves from potential harm resulting from the breach; and (6) a brief description of what the Business Associate is doing to investigate the breach, mitigate harm to individuals and protect against any future breaches.

Each Business Associate agrees to fully cooperate with any investigation conducted by the Covered Entity or its designated agents of any such unauthorized acquisition, access, use or disclosure.

(f) Breach Notification Under HIPAA Rules.

(1) Each Business Associate agrees to comply with the requirements of Subpart D of 45 CFR Part 164 (45 CFR §164.400 et seq.), including but not limited to the requirement that, following the discovery of any Breach of Unsecured PHI, the Business Associate shall, without unreasonable delay, and in no event later than (5) days after discovery of any Breach of Unsecured PHI, provide notification as specified in section II (e) above.

In the event of a Breach or suspected Breach of Unsecured PHI, each Business Associate shall provide the Covered Entity and the DSS Chief Privacy Officer and HRA General Counsel with an explanation in writing of the basis for its determination that an unauthorized disclosure of unsecured PHI has occurred. The OLA Office of Data Privacy will conduct a risk assessment in accordance with 45 CFR §164.402 (see paragraph (2) in definition of "Breach"), to determine whether a Breach of Unsecured PHI has occurred. The Business Associate shall provide the DSS Chief Privacy Officer with any documentation requested by OLA to perform its investigation and assessment.

(2) If the DSS Chief Privacy Officer determines that an unauthorized acquisition, access, use or disclosure of PHI has occurred and has been reported to the Covered Entity as required by Section II(d) or Section IV(c), but has been determined not to constitute a Breach of Unsecured PHI, the DSS Chief Privacy Officer shall provide the Covered Entity with an explanation in writing of the basis for such determination and any risk assessment conducted under 45 CFR §164.402 (see paragraph (2) in definition of "Breach"), and all documentation in support of such determination. Such explanation in writing shall be provided without unreasonable delay, and in no event later than sixty (60) days after the discovery of the unauthorized acquisition, access, use or disclosure of PHI.

(g) Contractors, Subcontractors and Agents. In accordance with 45 CFR §§164.502(e)(1)(ii) and 164.308(b)(2), as applicable, each Business Associate agrees to ensure that all of its contractors, subcontractors and agents that create, receive, maintain, transmit, or access PHI on behalf of the Business Associate, agree in writing to the same restrictions, conditions, and requirements that apply to the Business Associate with respect to such information. A Business Associate is not in compliance with this Agreement if the Business Associate knew of a pattern of activity or practice of a contractor, subcontractor or agent that constituted a material breach or violation of the contractor's, subcontractor's or agent's obligations under its subcontract, unless each Business Associate took reasonable steps to cure the breach or end the violation, as applicable, and if such steps were unsuccessful, terminated the contract or subcontract, if feasible.

(h) Access by Individual. Each Business Associate shall maintain a designated record set, as defined by HIPAA, for each individual client for which it has PHI. In accordance with an individual's right to access to their own PHI under HIPAA, each Business Associate agrees to provide access to PHI in a designated record set, at the request of Covered Entity, to an

individual or individual's representative to satisfy Covered Entity's obligations under 45 CFR §164.524. Each Business Associate shall make all PHI in that designated record set available to the individual to whom that information pertains, or such individual's representative.

(i) **Amendment to PHI.** Each Business Associate agrees to make any amendment(s) to PHI in a Designated Record Set that the Covered Entity directs or agrees to pursuant to 45 CFR §164.526 at the request of the Covered Entity or an individual, and in the reasonable time and manner designated by the Covered Entity, and to take other measures as necessary to satisfy Covered Entity's obligations under 45 CFR §164.526, provided that the Business Associate has PHI in a Designated Record Set.

(j) **Request for an Accounting.** Each Business Associate agrees to document disclosures of individually identifiable PHI, and information related to such disclosures, as would be required for the Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR §164.528. Each Business Associate agrees to make available to Covered Entity or an individual, in the reasonable time and manner designated by the Covered Entity, information collected pursuant to this Section II(j) in order to provide an accounting of disclosures as necessary to satisfy the Covered Entity's obligations under 45 CFR §164.528.

(k) **Additional Restrictions on PHI.** If the Covered Entity notifies a Business Associate that it agreed to be bound by additional restrictions on the uses or disclosures of certain PHI pursuant to the HIPAA Rules, each Business Associate agrees to be bound by such additional restrictions and shall not disclose such PHI in violation of such additional restrictions.

(l) **Carrying Out Covered Entity Obligation(s).** To the extent that a Business Associate is to carry out one or more of the Covered Entity's obligation(s) under Subpart E of 45 CFR Part 164 (45 CFR §164.500 et seq.), the Business Associate shall comply with the requirements of such Subpart E that apply to the Covered Entity in the performance of such obligation(s).

(m) **Access by Secretary to Determine Compliance.** Each Business Associate agrees to make its internal practices, books, and records, including policies and procedures, relating to the use and disclosure of PHI created, received, maintained, transmitted, or accessed by the Business Associate on behalf of the Covered Entity, available to the Covered Entity and to the United States Department of Health and Human Services ("DHHS") Secretary at the direction of the Office of Legal Affairs, in the reasonable time and manner designated by the Covered Entity, or in the time and manner designated by the Secretary, as applicable, for purposes of determining compliance with the HIPAA Rules. A Business Associate shall immediately notify the Covered Entity upon receipt of any request by the Secretary for access and of all materials to be disclosed pursuant to such request.

(n) **Records; Covered Entity Access.** Each Business Associate shall maintain such records of PHI received from, or created or received on behalf of, the Covered Entity and shall document subsequent uses and disclosures of such information by the Business Associate as may be deemed necessary and appropriate in the sole discretion of the Covered Entity from the date of execution of the Agreement until the Agreement is terminated in writing. Each Business Associate shall provide the Covered Entity with reasonable access to examine and copy such records and documents of the Business Associate during regular business hours. Each Business

Associate agrees to fully cooperate in good faith with and to assist the Covered Entity in complying with the requirements of HIPAA and any investigation of the Covered Entity regarding compliance with HIPAA conducted by the DHHS Office of Civil Rights, or any other administrative or judicial body with jurisdiction.

III. PERMITTED USES AND DISCLOSURES BY BUSINESS ASSOCIATE

(a) **Use and Disclosure for Performance.** Except as otherwise provided in this Agreement, each Business Associate may only use or disclose PHI as necessary to perform services, functions, activities, and/or duties for, or on behalf of, the Covered Entity as specified in this Agreement, or as necessary to perform its duties under this Agreement, or as Required by Law, provided that such use or disclosure would not violate the HIPAA Rules if done by the Covered Entity. Disclosure of PHI to third parties shall only be permissible after consulting with the DSS Chief Privacy Officer and after obtaining approval for the re-disclosure from HRA's Office of Legal Affairs. The third parties shall provide written assurances of their confidential handling of such PHI, which shall include adherence to the same restrictions and conditions on use and disclosure as apply to Business Associates herein.

(b) **Minimum Necessary Use and Disclosure.** In accordance with the HIPAA Rules, when using or disclosing PHI, or when requesting PHI from the Covered Entity or another covered entity or business associate, each Business Associate agrees to make reasonable efforts to limit the PHI to the minimum necessary to accomplish the intended purpose of the use, disclosure or request.

(c) **Disclosure for Management, Administration and Legal Responsibilities.** Each Business Associate may disclose PHI if necessary for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate, provided that the disclosure is required by law and the recipient of PHI has agreed to notify the Business Associate of any instances of which it is aware or becomes aware that the confidentiality of the information has been disclosed without authorization. To the extent permitted by applicable law, prior to disclosing PHI as Required by Law to a law enforcement, regulatory, administrative, or oversight agency, or in response to a subpoena, court order, civil investigative demand, or other compulsory document or lawful process, each Business Associate shall notify the Covered Entity and HRA's Office of Legal Affairs of such pending disclosure and provide reasonable time for the Covered Entity to oppose such disclosure, should the Covered Entity deem such opposition necessary; provided, however, that if the Covered Entity does not respond to the Business Associate regarding such opposition prior to the date on which such disclosure must be timely made, the Business Associate may, in its own discretion, disclose PHI as Required by Law or such lawful process.

(d) **De-identified PHI.** Each Business Associate agrees that it will obtain the prior approval of the Covered Entity and the DSS Chief Privacy Officer before de-identifying PHI in accordance with 45 CFR §164.514(a)-(c) and utilizing such de-identified PHI.

(e) **Use of PHI or De-identified PHI for Research Purposes.** Each Business Associate agrees that it will obtain the prior approval of the Covered Entity and HRA's Office of Legal Affairs for the use or disclosure of PHI or de-identified PHI for research purposes.

(f) **Use of PHI for Research Purposes.** Absent individual consent, research studies conducted by Business Associates that use PHI must meet the criteria of being directly connected with the administration of medical assistance. 42 U.S.C. §1396a (a)(7); NY SSL §369(4). The federal regulations that govern the use and disclosure of Medicaid data define Medicaid program administration to include (A) establishing eligibility; (B) determining the amount of Medical Assistance; (C) providing services for beneficiaries; and (D) conducting or assisting an investigation, prosecution, or civil or criminal proceeding related to the administration of the plan. 42 CFR §431.302.

Absent individual consent, HIPAA allows the use and disclosure of Medicaid data for reviews preparatory to research. When conducting research using PHI absent individual consent, the Business Associate shall provide the Covered Entity with representations, either in writing or orally, that the use or disclosure of the PHI is sought solely to prepare a research protocol or for similar purposes preparatory to research, that the researcher will not remove any PHI from the Covered Entity, and representation that PHI for which access is sought is necessary for the research purpose. 45 CFR 164.512(i)(1)(ii).

IV. SECURITY REQUIREMENTS

(a) **Safeguards to Protect Electronic PHI.** All Business Associates agree to comply with the applicable requirements of Subpart C of 45 CFR Part 164 (45 CFR §164.302 et seq.), which include but are not limited to, implementing administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the Electronic PHI that the Business Associate creates, receives, maintains, transmits, or accesses on behalf of the Covered Entity. The Business Associates shall not use or disclose PHI for any purpose other than for the purposes for which access to such PHI was authorized by the Covered Entity and HRA's Office of Legal Affairs.

(b) **Contractors, Subcontractors and Agents.** In accordance with 45 CFR §§164.502(e)(1)(ii) and 164.308(b)(2), as applicable, each Business Associate agrees to ensure that all of its contractors, subcontractors and agents that create, receive, maintain, transmit, or access Electronic PHI on behalf of the Business Associate agree in writing to comply with the applicable requirements of Subpart C of 45 CFR Part 164 (45 CFR §164.302 et seq.), which include but are not limited to, implementing reasonable and appropriate safeguards to protect such information.

V. COMPLIANCE WITH CERTAIN FEDERAL AND NEW YORK STATE LAWS

(a) **Confidentiality Under New York Law.** Each Business Associate agrees to comply with all applicable New York State laws and any federal laws and regulations promulgated thereunder governing the confidentiality of PHI created, received, maintained, transmitted, or accessed by the Business Associate, its subcontractors or agents on behalf of the Covered Entity, including but not limited to the following provisions, as applicable: HIPAA, Public Law 104-191; HITECH, Public Law 111-5, 42 U.S.C. §300jj et seq. and 42 U.S.C. §17932; Federal Social Security Act, 42 U.S.C. §1396a(a)(7) and its implementing federal regulation 42 C.F.R. §431.300, New York State Social Services Law §§136, 367-b, and 369(4) 372, 422, and 473-e, its implementing state regulations, 18 N.Y.C.R.R. Parts 357, 360-8, 403.9, 457.16; New York

Public Health Law, §18 (Access to Patient Information) and Article 27-F (HIV and AIDS Related Information); New York Mental Hygiene Law §§22.05 and 33.13; New York Civil Rights Law §79-l; New York General Business Law §399-ddd (Confidentiality of Social Security Account Numbers), §399-h and §899-aa; NYS Public Officers Law §96a and chapter 5 of Title 10 of the Official Compilation of Codes, Rules, and Regulations of the State of New York.

(b) **Breach Notification Under New York Law.** Pursuant to Title 10 of the Administrative Code of the City of New York ("NYC Administrative Code"), §10-501 and all other applicable federal, state, and local laws, and in conformity with Section II(d) and Section IV(c) of this Agreement, each Business Associate shall, within five (5) business days of discovery thereof, notify the Covered Entity of any "breach of the security," as defined in NYC Administrative Code §10-501(b), that involves PHI containing individuals' "personal identifying information," as defined in NYC Administrative Code §10-501(a), that was, or was reasonably believed to be, acquired from the Business Associate, its subcontractors or agents by a person without valid authorization.

(c) **Requirements of Section 11 of New York State Department of Health ("NYSDOH") Office of Health Insurance Programs ("OHIP") Data Use Agreement.**

(1) Medicaid Confidential Data/Protected Health Information ("MCD/PHI") provided to or accessed by the Covered Entity or Business Associates from the NYSDOH Medicaid Data Warehouse ("MDW") or other recognized NYSDOH data source includes all information about a recipient or applicant, including enrollment information, eligibility data and protected health information.

(2) Business Associates must comply with the following state and federal laws and regulations:

- (i) Section 367-b(4) of the NY Social Services Law
- (ii) New York State Social Services Law Section 369(4)
- (iii) Article 27-F of the New York Public Health Law and 18 NYCRR 360-8.1
- (iv) Social Security Act, 42 USC 1396a(a)(7)
- (v) Federal regulations at 42 CFR 431.302 and 42 CFR Part 2
- (vi) HIPAA and HITECH, at 45 CFR Parts 160 and 164
- (vii) NYS Mental Hygiene Law Section 33.13

(3) Please note that MCD/PHI released to a Business Associate may contain AIDS/HIV related confidential information as defined in Section 2780(7) of the New York Public Health Law. As required by New York Public Health Law Section 2782(5)(a), the following notice is provided to the Business Associates: "This information has been disclosed to you from confidential records which are protected by state law. State law prohibits you from making any

further disclosure of this information without the specific written consent of the person to whom it pertains, or as otherwise permitted by law. Any unauthorized further disclosure in violation of state law may result in a fine or jail sentence or both. A general authorization for the release of medical or other information is NOT sufficient authorization for the release for further disclosure.”

(4) **Alcohol and Substance Abuse Related Confidentiality Restrictions:** Alcohol and substance abuse information is confidential pursuant to 42 CFR Part 2. General authorizations are ineffective to obtain the release of such data. The federal regulations provide for a specific release for such data.

(5) Business Associates agree that each Business Associate and any agent, including a subcontractor, to whom Business Associate provides MCD/PHI, agrees to the same restrictions and conditions that apply throughout this Agreement. Further, Business Associates agree to state in any such agreement, contract or document that the party to whom Business Associate is providing the MCD/PHI may not further disclose it without the prior written approval of the New York State Department of Health. Business Associates agree to include the notices preceding, as well as references to statutory and regulatory citations set forth above, in any agreement, contract or document that a Business Associate enters into that involves MCD/PHI.

VI. OBLIGATIONS OF COVERED ENTITY

(a) **Notify of Limitation(s) in Privacy Notice.** The Covered Entity shall notify each Business Associate of any limitation(s) in the notice of privacy practices utilized by the Covered Entity under 45 CFR §164.520, to the extent that such limitation may affect the Business Associate's use or disclosure of PHI.

(b) **Notify of Changes in Individual's Permission.** The Covered Entity shall notify each Business Associate of any changes in, or revocation of, permission by an individual to use or disclose PHI, to the extent that such changes may affect the Business Associate's use or disclosure of PHI.

(c) **Notify of Restriction on Use or Disclosure.** The Covered Entity shall notify each Business Associate of any restriction on the use or disclosure of PHI that the Covered Entity has agreed to or is required to abide by under 45 CFR §164.522, to the extent that such restriction may affect the Business Associate's use or disclosure of PHI.

(d) **Impermissible Request by Covered Entity.** The Covered Entity shall not request any Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules or the HITECH ACT if performed by the Covered Entity.

VII. TERM AND TERMINATION

(a) **Term.** This Agreement shall be effective from the date of execution of the Agreement through December 31, 2021, unless terminated in writing by the parties or as otherwise provided herein.

(b) **Termination for Violation of Material Term.** Each Business Associate acknowledges and agrees that the Covered Entity shall have the right to immediately terminate this Agreement with respect to any individual Business Associate in the event the Business Associate fails to comply with HIPAA requirements concerning PHI, or any material term of this Agreement, as determined by the Covered Entity in its sole discretion. In the event that the Covered Entity reasonably believes that a Business Associate may have violated a material term of this Agreement, the Covered Entity and HRA's Office of Legal Affairs shall have the right to investigate such violation, and the Business Associate shall fully cooperate with any such investigation. Alternatively, the Covered Entity may provide written notice to a Business Associate of the existence of a violation of a material term of this Agreement, and afford the Business Associate an opportunity to cure such violation to the satisfaction of the Covered Entity within thirty (30) days of receiving notice of the violation or such other period of time as the parties may agree to. Termination pursuant to this Section VII(b) shall be effectuated by a written notice to a Business Associate that specifies the violation upon which the termination is based and the effective date of the termination. In the event of such termination, this Agreement shall remain in effect with respect to the non-breaching Business Associates.

(c) **Effect of Termination.**

(1) Except as provided in paragraph (2) of this Section VII(c), upon termination or expiration of the Agreement, the Business Associate, shall return to the Covered Entity or, if agreed to by the Covered Entity, destroy any PHI received from the Covered Entity, that the Business Associate created or maintained in any form, on behalf of the Covered Entity, and ensure that its contractors, subcontractors and agents return or destroy, in a manner consistent with HRA's policies and procedures for record disposal, all PHI received from the Covered Entity, or created, maintained, received, or accessed by or on behalf of the Business Associate or the Covered Entity, that the Business Associate, its contractors, subcontractors or agents still maintain in any form. Each Business Associate shall not retain, and shall ensure that its contractors, subcontractors and agents not retain, copies of the PHI.

(2) Each Business Associate shall retain only that PHI which is necessary for the Business Associate to continue its proper management and administration or to carry out its legal responsibilities.

(3) Each Business Associate shall continue to use appropriate safeguards and comply with Subpart C of 45 CFR Part 164 with respect to Electronic PHI to prevent use or disclosure of the PHI, other than as provided for in this Section, for as long as the Business Associate retains the PHI.

(d) **Non-exclusive Provisions.** The termination provisions of this Section VII are in addition to, and not in lieu of, the termination provisions provided elsewhere in the Agreement and any other rights and remedies of the Covered Entity that are provided by law or by such Agreement.

VIII. MISCELLANEOUS

(a) **Agency.** For purposes of this Agreement, it is the understanding and intention of the parties that each Business Associate is acting as an agent of the Covered Entity.

- (b) **References to Law and Rules.** A reference in this Agreement to any section of law or rules (including but not limited to the HIPAA Rules), means the section of law or rules as in effect or as amended.
- (c) **Amendment.** Each Business Associate agrees that this Agreement may be amended from time to time upon written notice from the Covered Entity to the Business Associate as to the revisions required to make this Agreement consistent with applicable law and rules. This Agreement may also be amended to add or remove Business Associates.
- (d) **Survival.** The respective rights and obligations of each Business Associate and the Covered Entity under the provisions of this Agreement shall survive the expiration or termination Agreement.
- (e) **Interpretation.** Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits the Covered Entity and a Business Associate to comply with the HIPAA Rules and the applicable State laws cited in Section V of this Agreement.
- (f) **Successors and Assigns.** A successor agency or assign of any Party to this Agreement shall be subject to all of the terms and conditions of this Agreement applicable to such Party.
- (g) **No Third Party Beneficiaries.** Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the parties and the respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever.
- (h) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed will be deemed to be an original and all of which when taken together will constitute one Agreement.
- (i) **Entire Agreement.** This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter of this Agreement.
