**HOW TO REQUEST ADDITIONAL ASSISTANCE**

You can add someone to your budget or request a special needs allowance in four ways – in person at the Center, by telephone, by mail or by fax. You may need to contact another designated office to receive certain benefits.

If you go to your Job Center to see your Worker, you will be seen the same day. A designated Worker will help you with the request form. If you cannot wait to see a designated Worker you can get a request form from the receptionist; complete the form and leave it with the receptionist, who will give you a dated copy. Or you can take the form home and mail the completed form to the Worker. If you make a request in person, the Worker may also give you a form listing documents you will have to bring to prove need.

If you make your request by telephone or mail, the Worker will send you a filled-out copy of the request form and a list of documents you will have to provide to prove the need for your request.

If you need help in obtaining documents, tell the Worker and he or she will help you. If you need more time to get documents, explain that to the Worker before the deadline for submitting your documentation.

If you want to have a person 18 years of age or older added to your budget, that person will have to go to the Job Center to apply in person.

The Worker will determine if you can have a person added to your budget or are eligible for a special allowance. The Worker will send you a notice informing you of the decision. If your request is denied, the notice will inform you of the reason for the denial. The Worker must make a decision within 30 days from the date of your request, or sooner, to address an emergency situation.

If you think our decision was wrong, you can ask for a review of our decision. We will correct our mistakes. You can do both 1 and 2: 1. Ask for a meeting (conference); 2. Ask for a State Fair Hearing with a State hearing officer.

1. **Conference (informal meeting with us):** If you think our decision was wrong, or if you do not understand our decision, please call us to set up a meeting. To do this, call your Center and tell the receptionist that you want an agency conference. If you do not know the main telephone number for your Center, you can call the HRA information line to find out the correct number to call. The HRA information line telephone number is (877) 472-8411. Sometimes a conference is the fastest way to solve any problem you may have. We encourage you to do this even when you have asked for a Fair Hearing.

2. **Fair Hearing:** You may request a State Fair Hearing in writing, by telephone, by fax, in person or online.
