Pay It Off 2022 Frequently Asked Questions (FAQ) Sheet

Note: To be eligible for Pay It Off, noncustodial parents must have debt that is permanently owed to the NYC Department of Social Services (NYC DSS). See FAQ #3 for more information.

1. Why did I get this flyer?
You received this flyer because at the time of the mailing you had at least $1,000 in child support debt and at least $500 of that debt is owed to the NYC government/Department of Social Services (DSS). NYC is making a time-limited offer to help you reduce the amount of child support debt that you owe.

2. How does this program work?
From October 17, 2022 through October 31, 2022 make a minimum payment of $500 towards debt that is permanently owed to the NYC DSS and sign and submit the Pay It Off agreement. OCSS will then match your payment by reducing your debt by the same amount (up to the amount you owe).

Here is an example:

<table>
<thead>
<tr>
<th>EXAMPLE</th>
<th>Pay It Off payment made between October 17 and October 31, 2022</th>
<th>$600</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Plus (+) Matched amount</td>
<td>$600</td>
</tr>
<tr>
<td><strong>Total (=)</strong></td>
<td>Total applied to reduce child support debt</td>
<td><strong>$1,200</strong></td>
</tr>
</tbody>
</table>

If your court order is actively charging, you must first pay the total amount of your most recent current support court ordered obligation that is due in the month of October, if that has not yet been satisfied. The amount taken to pay current support will not be matched. If the remainder no longer exceeds $500, it will not be matched based on the Pay It Off criteria.

Here is an example:

<table>
<thead>
<tr>
<th>EXAMPLE</th>
<th>Pay It Off payment made between October 17 and October 31, 2022</th>
<th>$600</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Minus (-) Total current court ordered support obligation in October</td>
<td><strong>$100</strong></td>
</tr>
<tr>
<td></td>
<td>Equals (=) Remaining amount</td>
<td><strong>$500</strong></td>
</tr>
<tr>
<td></td>
<td>Plus (+) Matched amount</td>
<td><strong>$500</strong></td>
</tr>
<tr>
<td><strong>Total (=)</strong></td>
<td>Total applied to reduce child support debt</td>
<td><strong>$1,000</strong></td>
</tr>
</tbody>
</table>

3. What do you mean by debt permanently owed to the NYC Department of Social Services (DSS)?
It is Child Support debt owed to DSS when a child is on Cash Assistance or if a child is in Foster Care and the noncustodial parent falls behind on making the payments toward the court order.
4. How can I pay?

Whichever way you decide to pay, we cannot match a payment without having received a signed Pay It Off Agreement. A separate Agreement is required per case to receive a credit.

There are three ways to pay:

1) **In person** with a check or money order -
   
   151 W. Broadway, 4th floor
   
   New York, NY 10013
   
   Monday – Friday, between 9 am and 7 pm (except holidays and weekends)

2) **Mail** a check or money order

   OCSS - Pay It Off
   
   PO Box 830
   
   Canal Street Station
   
   New York, NY 10013

3) **Call** 929-252-5201 to make a credit card payment over the phone

   • Payments must be received no later than October 31, 2022 to receive the credit and the total amount of your most recent court ordered current support obligation that is due in the month of October must be paid first and will not be matched. Learn more about how to make a payment at on.nyc.gov/paymentmethods.
   
   • Payments should accompany the agreement. When submitting the agreement separately, indicate when and how the payment will be submitted.
   
   • For multiple cases, submit a separate payment per case.
   
   • Make payments payable to the “NYS Child Support Processing Center”.
   
   • Include case I.D. and indicate “Pay It Off” on your payment.

NOTE: Payments collected through a garnishment (such as Unemployment Insurance and paycheck garnishment), seizure, or tax intercept will not be matched. Also, current child support (the amount the court order says must be paid monthly) gets paid first with the payment you make.

5. Why don’t I qualify for the program if I only owe debt to the custodial parent and not to DSS?

We only have the authority to reduce debt that is owed to the government/DSS.

To participate in Pay It Off, you must have a minimum of $500 in child support debt permanently assigned to the NYC DSS. You will receive the full match, if you owe at least $1,000 because if you only owe $500 and pay the full $500 there is no match. If you only have unassigned debt or debts owed to the custodial parent, you cannot participate.
Participation in a mediation program may spur conversation with the custodial parent to consider reducing debt owed to them. Refer to the Mediation Services flyer on our website: bit.ly/MediationBrochure.

6. What if I can’t pay a minimum of $500?

This particular program requires that you pay a minimum of $500 toward arrears to take advantage of the time limited offer.

However, making any payment toward your child support debt would benefit you in other ways. You may be able to avoid other enforcement actions where applicable. You can also sign up for our Arrears Credit Program, which requires only that you pay your court ordered monthly child support obligation. You can find out more about this program by reading FAQ #7 below.

7. What is the Arrears Credit Program?

The Arrears Credit Program allows you to qualify for up to $5,000 credit toward permanently-assigned DSS arrears after consistently paying your court ordered obligation amount in full for one full year beginning on the day that you sign the Arrears Credit Program agreement. You may qualify for up to 3 years and earn a credit of up to $15,000 in total.

If you enroll in the Arrears Credit Program at the same time you sign up for Pay It Off and are found eligible, you qualify for an additional reduction of up to $1,000 in debt owed to the NYC government/DSS.

Here is an example:

<table>
<thead>
<tr>
<th>EXAMPLE</th>
<th>Payment(s) made between October 17 and October 31, 2022</th>
<th>$600</th>
</tr>
</thead>
<tbody>
<tr>

<td>$100</td>
</tr>
<tr>
<td></td>
<td>Equals (=) Remaining amount</td>
<td>$500</td>
</tr>
<tr>
<td></td>
<td>Plus (+) Matched amount</td>
<td>$500</td>
</tr>
<tr>
<td></td>
<td>Plus (+) Signed Arrears Cap Agreement</td>
<td>$1,000</td>
</tr>
<tr>
<td><strong>Total (=)</strong></td>
<td><strong>Total applied to reduce child support debt</strong></td>
<td>$2,000</td>
</tr>
<tr>
<td></td>
<td>Plus (+) In Oct 2023 if all child support payments were made</td>
<td>$5,000</td>
</tr>
<tr>

<td>Plus (+) In Oct 2024 if all child support payments were made</td>
<td>$5,000</td>
</tr>
<tr>

<td>Plus (+) In Oct 2025 if all child support payments were made</td>
<td>$5,000</td>
</tr>
<tr>
<td><strong>Total (=)</strong></td>
<td><strong>Total applied to reduce DSS debt</strong></td>
<td><strong>$17,000</strong></td>
</tr>
</tbody>
</table>

For noncustodial parents with multiple accounts, additional credits may be applied to each individual account as appropriate.

8. Does this mean that I get an additional $5,000 reduced in arrears if I sign up for the Arrears Credit program when I sign up for Pay It Off?

No. It takes a year’s worth of consistent and full current child support payments to receive the $5,000 credit that you can qualify for through the Arrears Credit Program. That year begins on the day that you
sign the Arrears Credit Program agreement. You may qualify for up to 3 years and earn a credit of up to $15,000 in total. See example in FAQ #7 above.

You will get an additional bonus debt reduction of up to $1,000 for signing up at the same time as Pay It Off.

9. Can I make more than one payment between October 17 and October 31, 2022? For example, if I pay $1,000 in the 1st week of the program and in the second week of the program I can come up with another $1,000, could I make two payments?

Yes, you can make more than one payment between October 17 and October 31, 2022 as long as the payments post to your account by the program end date which is October 31, 2022, they are more than $500 each, and you sign and send an agreement per payment by the program end date.

10. How do I submit the Pay It Off Agreement and/or the Arrears Credit Program application?
