The third item on the agenda was a meeting between Marks Paneth and the Committee in executive session. Prior to the commencement of the executive session, Mr. Page stated the following:

Executive sessions are very strongly recommended by the Government Finance Officers Association and the American Institute of Certified Public Accountants.

Executive session will allow the auditors to meet privately with Committee members to express any concerns about the Corporation's management and allow Committee members to ask questions about and/or express any concerns we may have. If any material areas of concern that are appropriate for public meetings are raised in executive session, the Committee will bring them to the attention of the full Board in order that they may be addressed appropriately in accordance with laws and procedures governing the Corporation.

An oral motion was made for the meeting to go into executive session. The motion was seconded and, there being no objections, approved.

The public meeting of the Committee resumed and Mr. Page informed the meeting that no material issues had arisen during the executive session.
