ADA Entrance Improvements

Bryant Park

Designed by the in-house Design Department of Bryant Park Corporation
2017:
• Average number of users/day: 3,300
• Estimated total number of users: 1.2 million

Restroom timings:
Sunday-Monday: 7am – 11pm (winter 7am – 10pm)

- Bathroom patrons waiting in line create congestion at the entrance.
- This further reduces the entrance passageway from 6’ wide to about 3’.
- This makes access in the park difficult especially for people on wheelchairs and with strollers.
• Bathroom patrons waiting in line create congestion at the entrance.
• This further reduces the entrance passageway from 6’ wide to about 3’.
• This makes access in the park difficult especially for people on wheelchairs and with strollers.
- Proposed entrance: 12’ wide.
- With the line outside the bathroom, the clear width is about 9.’
- Also proposed is a seating area along the entrance.
Proposed

A Milford Pink Granite
B Kitledge Granite
C Bluestone
D Aluminum Bollards, inspired by existing torchieres and lightpoles.

(see next slides for photo references)
