

## 60 Norfolk St (Beth Hamedrash Hagadol Synagogue)

Landmarks Preservation Commission

## **Project Update (Previous Public Hearing October 2018)**

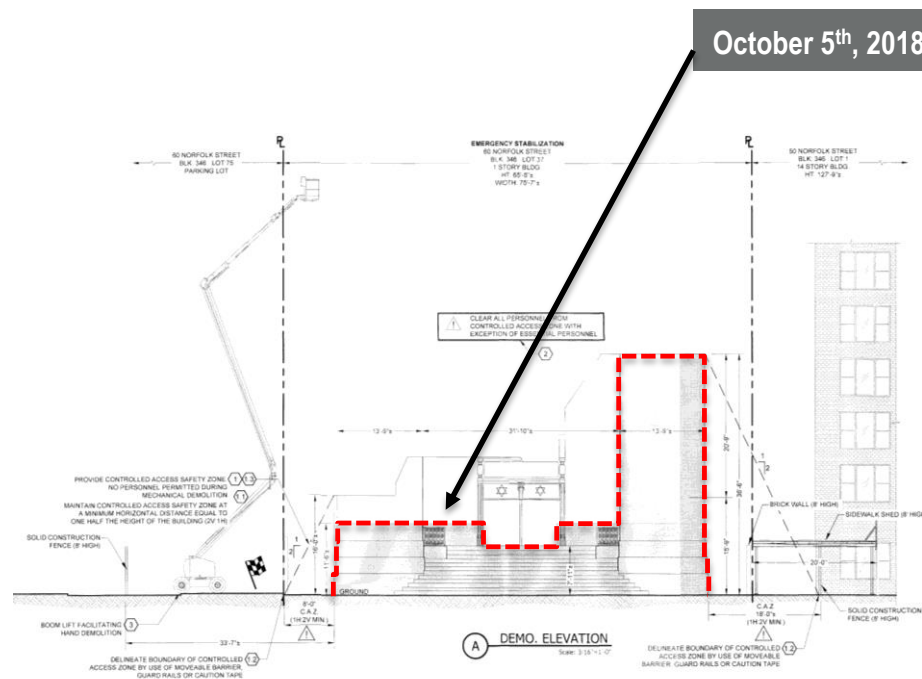

### **Previous Landmark Preservation Committee Public Hearing held in October 2018 with following results:**

- Owner request for approval to remove additional remnants as required for stabilization was partially approved by LPC.
- LPC requested further engineering assessment for existing South Tower.
- LPC issued Status Update Letter on October 5, 2018 outlining these findings.

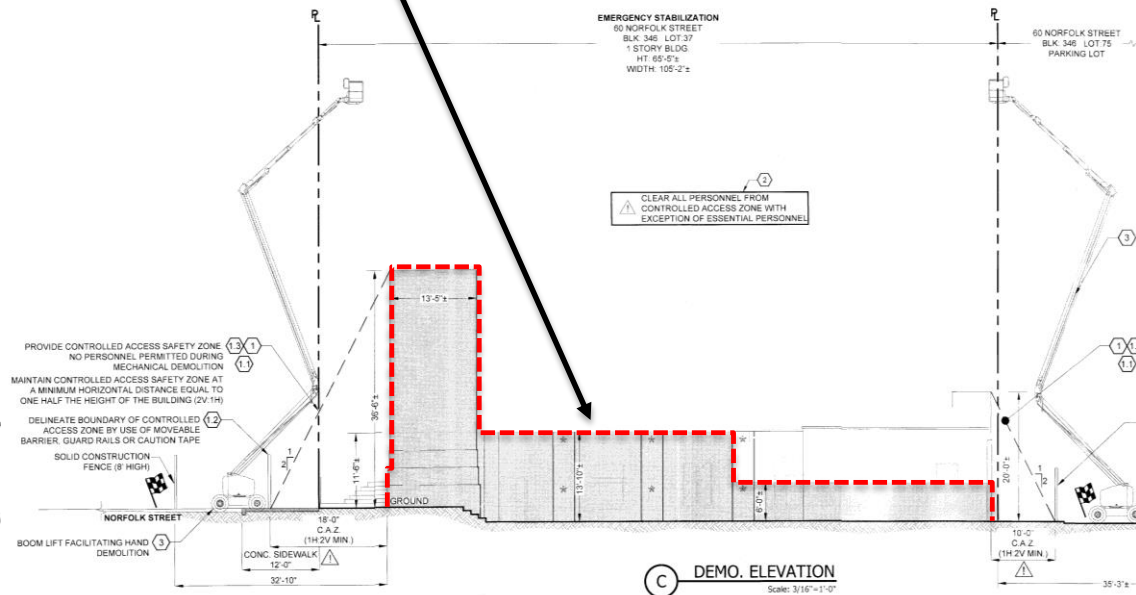

### **Since the October 2018 meeting:**

- Ancora Engineering prepared report assessing existing condition and recommendations for existing South Tower with distribution to LPC staff November 21, 2018.
- Superstructures Engineers & Architects (LPC's engineer) reviewed Ancora Engineering report and agrees with its findings in letter dated April 30<sup>th</sup>, 2019.

**DOB & LPC Approved Stabilization Drawings (dated April 12, 2019)**
