## **STATEMENT OF CROWD AND NOISE MANAGEMENT**

I, Michael Yuasa, am the Principal of the business and will be on premises managing operations along with Peter Humphry. With respect to crowd management, we are completely removing the bar in our establishment to replace them with tables and chairs for dining. This will make our restaurant dining only **WITH NO BAR**. We believe this will alleviate any issues with drinking crowds. Additionally, it will be the duty of both Peter and myself or an assigned staff member on duty to ensure no groups congregate or loiter on the sidewalks in front of the premises during all hours of operation.

With respect to noise management, ensure no noise issues, our ceiling is completely sound-proofed, we will close all windows and doors by 10pm daily, will have only background music from an ipod and small speakers, and again Peter and I or an assigned employee will advise all customers to keep their voices and noise activity to a reasonable minimum.
