RESOLVED, that the Franchise and Concession Review Committee authorizes the New York City Department of Parks and Recreation (“Parks”) to utilize a different procedure, pursuant to Section 1-16 of the Concession Rules of the City of New York, to enter into a Sole Source License Agreement (“Agreement”) with the 34th Street Partnership, Inc. (“the Partnership”) for the operation and maintenance of Herald and Greeley Squares in Manhattan (“Licensed Premises”), including the operation of food concessions, temporary markets, and special events, and the placement of advertising. The Partnership shall operate and maintain the Licensed Premises for the use and enjoyment of the general public in accordance with the terms of the Agreement and to the reasonable satisfaction of the Commissioner. All gross receipts received by the Partnership will be used exclusively to pay all costs incurred by the Partnership in operating, repairing, maintaining, and managing the Licensed Premises, and in performing the Partnership’s obligations and providing services required or permitted by the Agreement. If the gross receipts received by the Partnership exceed such costs, the Partnership may also apply such excess up to $100,000 each Fiscal Year to BID Horticulture, i.e. Parks-approved street tree planting and maintenance of trees on property under Parks’ jurisdiction within the 34th Street Business Improvement District, and flower planting and maintenance on such property. The term of this Agreement shall be ten (10) years with up to two (2) five (5) year renewal options, by mutual agreement, and shall commence on Parks’ giving written notice to proceed to the Partnership.

SUMMARY OF PROPOSED CONCESSION USE (Attach Proposed Agreement)

The New York City Department of Parks and Recreation ("Parks") intends to seek Franchise and Concession Review Committee ("FCRC") approval to utilize a different procedure, pursuant to Section 1-16 of the Concession Rules of the City of New York, to enter into a sole source license agreement ("Agreement") with the 34th Street Partnership, Inc. ("the Partnership") for the operation and maintenance of Herald and Greeley Squares in Manhattan ("Licensed Premises"), including the operation of food concessions, temporary markets, and special events, and the placement of advertising.

Instructions: Provide all information requested below; check all applicable boxes.

A. SELECTION PROCEDURE

☒ Sole Source
☐ Other  Describe:

B. NEGOTIATIONS

Instructions: Describe the nature of negotiations conducted, including negotiations with respect to the amount of revenue offered.

The term of this Agreement shall be ten (10) years with up to two (2) five (5) year renewal options, by mutual agreement, and shall commence on Parks’ giving written notice to proceed to the Partnership.

The Partnership shall operate and maintain the Licensed Premises for the use and enjoyment of the general public in accordance with the terms of the Agreement and to the reasonable satisfaction of the Commissioner. All gross receipts received by the Partnership will be used exclusively to pay all costs incurred by the Partnership in operating, repairing, maintaining, and managing the Licensed Premises, and in performing the Partnership’s obligations and providing services required or permitted by the Agreement. If the gross receipts received by the Partnership exceed such costs, the Partnership may also apply such excess up to $100,000 each Fiscal Year to BID Horticulture, i.e. Parks-approved street tree planting and maintenance of trees on property under Parks’ jurisdiction within the 34th Street Business Improvement District, and flower planting and maintenance on such property.

C. BASIS FOR AWARD  (If sole source award, attach the offer; if other than a sole source award, attach the three highest rated offers, if applicable.)

The agency determined that award of the concession is in the best interest of the City because:

The Partnership is a not-for-profit, private management company incorporated in 1992 as a Business Improvement District ("BID") solely to service the 34th Street District, pursuant to a contract with the NYC Department of Small Business Services ("SBS"). The BID is comprised of 31 dense blocks with heavy foot traffic in the heart of Manhattan. The Partnership is funded by assessments on properties within its boundaries, as well as fees it receives from concessions and special event revenue at Herald and Greeley Squares ("Licensed Premises").

The Partnership includes talented professionals in the fields of urban management, sanitation, security, industrial design, graphic design, horticulture, retail services, event planning and management, visitors' services, and information systems. The Partnership assumes the responsibility for providing sanitation and
security services in the BID, as well as maintains over 2,000 pieces of street furniture, mostly of their own
design, and keeps the BID green by maintaining trees and planters. Due to the public nature of its endeavors,
the Partnership cooperates closely with City agencies including NYPD, Parks, Transportation, Sanitation, and
SBS to promote the safety and vibrancy of the neighborhood.

The Partnership entered into an agreement with Parks in 1997 (the “Agreement”) for the maintenance and
operation of the Licensed Premises, properties under Parks’ jurisdiction, located between Broadway and Sixth
Avenue, and between 34th and 35th Streets, and between 32nd and 33rd Streets, respectively. The
Agreement allowed the Partnership to improve and maintain the Licensed Premises and the exclusive right to
operate concessions and to sublicense others to do so. Under the Agreement, the Partnership in 1999 made
$2,987,000 in capital improvements to the Licensed Premises, funded by bonds issued by the BID in the
amount of $24,180,000. The Agreement also granted the Partnership the right to hold special events and the
right to sell and display advertising, subject to prohibitions contained in the Agreement. Any revenue received
by the Partnership generated by such operations at the Licensed Premises was to be used solely to provide
labor and materials employed by the Partnership to operate and maintain the Licensed Premises or for such
other purposes specifically approved by the Commissioner.

Presently, Parks seeks to enter into a Sole Source License Agreement with the Partnership for the continued
operation and maintenance of the Licensed Premises. The new Sole Source License Agreement will allow the
Partnership to engage in revenue generating activities including the operation of food concessions, temporary
markets, and special events, and the placing of advertising, subject to Parks’ approval.

The Partnership has extensive experience providing valuable public amenities, including restrooms, at the site
and has been an excellent steward of the Licensed Premises. Given the Partnership’s demonstrated and firm
commitment to maintaining and improving the Licensed Premises, as well as the entire 34th Street District,
Parks believes that it is in the best interest of the City to enter into a Sole Source License Agreement with the
Partnership.

(ii) All aspects of Licensee’s Special Events shall comply with the Parks Department Rules and Regulations, including, but not limited to obtaining Parks permits where applicable. Licensee must make every effort to ensure that any and all sounds and/or music from its operation of the Licensed Premises is in such a manner so as to avoid or minimize disturbance or discomfort to the surrounding community. Amplified sound and music must not exceed the decibel level allowed by City noise regulations. A cabaret license will be strictly prohibited at the Licensed Premises.

(h) All Advertising, menus and merchandise (items and prices), Sponsorships, and hours of operation of Licensee and any Sublicensee are subject to Parks’ prior written approval.

Any person selling food to the public without all necessary permits may be subject to fines and/or confiscation of goods.

1.3 The operation of a mobile food unit in the Squares shall require a DOHMH Vendor License for each person designated as an operator of a mobile food unit and a DOHMH Mobile Food Vending Unit Permit for each mobile food unit. All persons designated as mobile food unit operators must have a valid DOHMH Vendor License in order to operate. All mobile food units must pass a DOHMH inspection in order to receive a DOHMH Mobile Food Vending Unit Permit. All mobile food units operating under this Agreement or a Sublicense must first pass a DOHMH inspection. Licensee or any Food Sublicensee, as applicable, must submit to
Parks a valid DOHMH Vendor License and a DOHMH Mobile Food Vending Unit Permit before the operation of a mobile food unit can commence. Licensee or any Sublicensee, as applicable, must provide Parks with documentation that it has been issued a valid DOHMH Vendor License and DOHMH Mobile Food Vending Unit Permit for each mobile food unit. If Licensee or any Sublicensee operates a mobile food unit without a valid DOHMH Vendor License and a DOHMH Mobile Food Vending Unit Permit, Parks will instruct the operator thereof to cease operations and such operator will be subject to fines. When warranted, Officers of the Parks Enforcement Police, New York City Police Department, FDNY and DOHMH may confiscate the mobile food units, including goods.

1.4 The design, dimensions, and placement of any mobile food unit operating in the Squares is subject to Parks’ prior written approval.

1.5 It is expressly understood that no land, building, space, or equipment is leased or otherwise conveyed to Licensee or to any Sublicensee, but that, during the Term of this License, Licensee and any Sublicensee shall have the use of the Licensed Premises for the purposes herein provided.

1.6 Licensee shall, and shall cause any Sublicensee to, provide at all times full and free access to the Licensed Premises to the Commissioner or his representatives and to other City, State and Federal officials having jurisdiction for inspection purposes and to ensure Parks’ satisfaction with Licensee’s and any Sublicensee’s compliance with the terms of this License or any sublicense.

1.7 (a) Licensee may enter into Sponsorships with a Sponsor, and may install Sponsorship Recognition for such Sponsor, all subject to the prior written approval of Parks, including, but not limited to, approval over the size, quantity and location of Sponsorship Recognition and other forms of recognition and subject to applicable laws, rules and regulations Licensee may submit to Parks for its approval proposed plans or mock-ups for Sponsorship Recognition, and if Parks approves any such proposed plans or mock-ups, then Licensee shall be entitled to use Sponsorship Recognition without any further approval of Parks so long as such Sponsorship Recognition is not materially different from the proposed plans or mock-ups theretofore approved by Parks. In recognition of the commercial exigencies of product promotions, Licensee shall submit to Parks for its approval Sponsorship Recognition or related plans or mock-ups promptly after any of the foregoing is available, and Parks shall endeavor in good faith to review any submissions and respond with its approval or comments as expeditiously as practical, notwithstanding anything to the contrary contained in Section 12.3 or elsewhere in this Agreement.

(b) (i) Except as set forth in subparagraph (ii) below, all intellectual property rights in the Herald Square and Greeley Square names, signage, structures, historical location, monuments, or other items or material that depict, are sited in, or refer to Herald Square and Greeley Square and any other names, trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property (i) developed or designed by the City or its employees, contractors, or others on behalf of the City, or (ii) in the case of trademarks, used by the City in commerce, unless Licensee is a prior user of any trademark in commerce, are the property of the City (“City IP”). To the extent that
Licensee uses any City IP in the course of performing its non-profit activities ("Partnership Activities"), Licensee shall obtain the prior written permission and approval from Parks for such use. If Parks permits Licensee to use the City IP for non-commercial purposes, such use will be non-exclusive, royalty-free, world-wide, non-transferrable and non-sublicensable and any revenue generated by Licensee therefrom will be for not-for-profit purposes and will be used by Licensee only in support of Herald Square, Greeley Square or other Parks property notwithstanding the exception set forth in Section 1.1.(f). To the extent that Licensee seeks to make commercial use of City IP (i.e. through merchandise sales, licensing or other use intended to or which does generate revenue), such use shall require the prior, written agreement of Parks, on terms to be agreed by the parties, and any revenue derived by Licensee shall be used exclusively to benefit Herald Square, Greeley Square, or other Parks property notwithstanding the exception set forth in Section 1.1.(f). Upon Parks’ request, Licensee shall provide Parks with an accounting reasonably satisfactory to Parks of revenue derived from and expenditures made from any use of City IP. To the extent that prior permission and approval of Parks has already been obtained to use City IP (whether for non-commercial or commercial purposes, as the case may be), it is hereby continued as previously agreed upon, subject to the use and monetary restrictions contained in this subparagraph (i). Nothing in this subparagraph (i) prohibits Licensee, any Sublicensee or any other person claiming by or through Licensee or any Sublicensee from using the words “Herald Square” or “Greeley Square” as part of the business address thereof or in the ordinary course of business thereof, and nothing in this subparagraph (i) requires Licensee, any Sublicensee or any other person claiming by or through Licensee or any Sublicensee from obtaining permission from Parks to use the words “Herald Square” or “Greeley Square” as provided in this sentence; provided, however, that Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee specifically acknowledge that the Herald Square or Greeley Square names or words as described in this subparagraph (i) are included within the definition of City IP and no permitted use by Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall result in any ownership interest, title or other right on the part of Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee in such words or name, and further provided that any permitted use of such City IP by Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall immediately terminate when such person ceases to operate in the Squares.

(ii) Any and all trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property rights that Licensee has or acquires that meet the following requirements (“Licensee Specific IP”) are the property of Licensee: such intellectual property (1) was created by or on behalf of Licensee, any Sublicensee, their respective employees, contractors, or others, other than at the specific direction of the City or Parks, and (2) includes no City IP (as defined in subparagraph (i) above) unless Parks grants prior written permission and approval for the use of City IP for use within Licensee Specific IP. The Licensee Specific IP shall be used exclusively in connection with Licensee’s activities, as shall Licensee’s ability to use any City IP that is incorporated into Licensee Specific IP with the City’s permission. Any revenue that Licensee derives from the use, licensing, or other exploitation of Licensee Specific IP shall be used during the Term of this License Agreement exclusively in connection with Licensee’s activities, but such restriction shall terminate on the expiration or termination of this License Agreement.
Licensee hereby grants a non-exclusive, royalty-free, worldwide, non-transferable and non-sublicensable license to the City and Parks to make use of, display and maintain Licensee Specific IP. Parks shall make no commercial use of Licensee Specific IP (e.g., merchandise sales, licensing or other use intended to or which does generate revenue) without the prior written approval of Licensee.

(iii) All goodwill associated with the City IP or the Licensee Specific IP shall be the exclusive property of its respective owner and neither party shall take any actions inconsistent with such rights. Each party recognizes and acknowledges that the City IP and Licensee IP are the exclusive property of the other and they communicate in the public, worldwide, a reputation for high standards of quality and services, which reputation and goodwill have been and continue to be unique to the owner. Each party further recognizes and acknowledges that all trademarks, service marks, trade names, and service names included in the City IP and Licensee Specific IP have acquired secondary meaning in the mind of the public. Neither the City IP, nor the Licensee Specific IP shall be used in connection with any illegal, illicit, or immoral purpose or activity, or in any manner which could be inconsistent with or damaging to the owner’s name and reputation. Either party shall have the right to terminate this Agreement, upon written notice, in the event that any part of the City IP or Licensee Specific IP is used by the other party in connection with any illegal, illicit, or immoral purpose or activity. In the event that any of the City IP or Licensee Specific IP is used by the other party in any way which, in the reasonable judgment of the owner, is inconsistent with or damaging to the owner’s name or reputation, the owner shall notify the other party in writing and, prior to exercising the right of termination provided for in this paragraph, shall provide three (3) business days following receipt of such notice to the other party to immediately cease and halt all such uses.

(A) During the Term of this License Agreement, each party may make only the uses described in subparagraphs (i) and (ii) above. Each party acknowledges and agrees that all use of and goodwill in the City IP or Licensee Specific IP shall inure to the benefit of its owner. Neither the City, nor Licensee shall acquire any rights in the Licensee Specific IP or City IP, respectively, by virtue of any use it makes of it or any portion of it.

(B) The parties will not use the name or logos of the other party, its subsidiaries or affiliates in any sales or marketing publication or advertisement without prior full disclosure of such use and the written consent of the other party, such consent not to be unreasonably withheld, conditioned, or delayed.

(C) All provisions of this section will survive any expiration or termination of this License Agreement, except as otherwise set forth in this section.

1.8 In addition to the requirements of Sections 1.1(d) and (g) above concerning Licensee’s Special Events, Licensee and any Sublicensee, as applicable, must obtain a Parks permit for any Special Event attended by over twenty (20) people or any Special Event pursuant to which Licensee derives or retains revenues through fees or other charges. The Licensee shall use reasonable effort to provide Parks with no less than thirty (30) days (or lesser period as shall be acceptable to Parks) prior written notice of any proposed Special Event.

For purposes of this subsection (iii):

(A) With respect to non-catered food and beverage service, a “Gratuity” shall mean a charge that: (i) is separately stated on the bill or invoice given to Licensee’s or any Food Sublicensee’s customer or otherwise proffered by the customer, (ii) is specifically designated as a gratuity, or purports to be a gratuity, and (iii) Licensee or any Food Sublicensee receives and pays over in total to its employees (other than management) who are primarily engaged in the serving of food or beverages to guests, patrons or customers, including but not limited to, wait staff, bartenders, captains, bussing personnel and similar staff who are paid a cash wage as a “food service worker” pursuant to NY Labor Law §652(4). primarily engaged in the serving of food or beverages to guests, patrons or customers, including, but not limited to, wait staff, bartenders, captains, bussing personnel, and similar staff. Licensee or any Food Sublicensee (as applicable) shall provide documentation reasonably satisfactory to Parks to prove that Gratuities were paid to employees in addition to their regular salaries, and were otherwise in accordance with the foregoing provisions. Such documentation shall be signed and verified by an officer of Licensee or any Food Sublicensee (as applicable). "Regular Salary" for purposes of this subsection shall mean the set hourly wage for the applicable employee.

(m) “Licensed Premises” or “Premises” shall have the meaning as ascribed to them in the preamble to this Agreement and shall include the structures, as well as any improvements constructed thereon, including public restrooms, all walkways, curbs, trees, and landscaping.

3. **TERM OF LICENSE**

   3.1 This License shall become effective upon Parks giving written notice to proceed to Licensee (“Commencement Date”) and, unless terminated sooner in accordance with this License Agreement, shall terminate ten years from the Commencement Date or on the last day of any subsequent renewal periods that are exercised pursuant to this License (“Termination Date” or “Expiration Date”). The period between the Commencement Date and the Expiration Date, including any exercised renewal periods, shall be referred to as the “Term.” The parties hereto, by mutual agreement, shall have the option to renew this License for up to two (2) additional five-year periods. Each such option must be exercised by either party at least 12 months before what would otherwise be the Termination Date. If either party timely exercises a renewal option, the other party shall use best efforts to respond to such exercise by written notice given within thirty (30) days of such exercise, which notice shall state whether the other party accepts or rejects such exercise or requests additional time to make a decision.
3.2 Notwithstanding any language contained herein, this License is terminable at will by the Commissioner at any time; however, such termination shall not be arbitrary and capricious. Such termination shall be effective after twenty-five (25) days written notice is sent to Licensee. The Commissioner, the City, its employees and agents shall not be liable for damages to Licensee or any Sublicensee in the event that this License is terminated by the Commissioner as provided for in this Section 3.2.

3.3 Parks may terminate this License for cause as follows:

(a) Should Licensee or any Sublicensee breach or fail to comply with any of the provisions of this License or any Federal, State or local law, rule, regulation or order affecting this License, such Sublicensee or the Licensed Premises, the Commissioner shall in writing order Licensee to remedy such breach or failure. If Licensee fails to remedy such breach or failure within thirty (30) days following the mailing or other transmission of such written order, then the Commissioner shall have the right to terminate this Agreement. Notwithstanding the foregoing, if such breach or failure cannot be remedied within such thirty (30) day period given the nature and scope of such breach or failure or due to reasons beyond Licensee’s control, as reasonably determined by Commissioner, the cure period shall be extended for such period as may be reasonably necessary in the Commissioner’s reasonable judgment to cure such breach. If such breach or failure arises from the acts or omissions of a Sublicensee, as reasonably determined by Commissioner, the cure period shall be reasonably extended by Commissioner beyond such thirty (30) days (not to exceed an additional 30 days) to give Licensee time to induce such Sublicensee to comply with such breach or failure or, if such Sublicensee fails to remedy such breach or failure in a timely manner, for Licensee to terminate the applicable Sublicense and regain possession of the Sublicensed Premises. If a breach or failure to comply is corrected, and a repeated violation of the same provision, law, rule, regulation or order follows thereafter, Commissioner, by notice in writing, may revoke and terminate this License, such revocation and termination to be immediately effective on the mailing or other transmission thereof.

(b) The following shall constitute events of default for which this License may be terminated on one day’s notice: the appointment of any receiver of Licensee's assets; the making of a general assignment for the benefit of creditors by Licensee; the occurrence of any act which operates to deprive Licensee permanently of the rights, powers and privileges necessary for the proper conduct and operation of this License; and the levy of any attachment or execution which substantially interferes with Licensee's operations under this License and which attachment or execution is not vacated, dismissed, stayed or set aside within a period of sixty days.

3.4 Upon the expiration or sooner termination of this License by the Commissioner, all rights of Licensee and any Sublicensee shall be forfeited without claim for loss, damages, refund of investment or any other payment whatsoever against the Commissioner, Parks or the City.

3.5 Licensee agrees that upon the expiration or sooner termination of this License, it shall immediately cease operations and cause any Sublicensee to cease all operations pursuant to this License and shall vacate and cause any Sublicensee to vacate the Licensed Premises without
any further notice by the City and without resort to any judicial proceeding by the City. Upon
the expiration or sooner termination of this License, the City reserves the right to take immediate
possession of the Licensed Premises.

3.6 Licensee shall, on or prior to the date that is fifteen (15) days following the
expiration or sooner termination of this License (the fifteen (15) day period beginning on the
expiration or sooner termination of this License being the “Removal Period”, and the last day of
the Removal Period being the “Removal Deadline”), remove from the Licensed Premises and
shall cause any Sublicensee to remove, all Personal Equipment, all Capital Improvements and
Alterations that are not Additional Fixed Equipment, and Additional Fixed Equipment to which
the City has not taken title pursuant to Section 7.2(a) and Section 8.3 (such equipment being
“Removal Equipment”). Licensee acknowledges that any Removal Equipment remaining on the
Licensed Premises after the Removal Deadline shall be deemed to be abandoned. Licensee shall
remain liable to the City for the cost of removal or disposal of Removal Equipment, should
Licensee fail to remove all Removal Equipment from the Licensed Premises by the Removal
Deadline. During the Removal Period, Licensee shall have the right to enter the Licensed
Premises to remove any Removal Equipment, provided that Licensee shall maintain the
insurance required by Article 20 hereof during the Removal Period and shall indemnify, defend
and hold the City and its officials harmless against and all claims and demands of third parties
for injury, including death, or property damage, arising out of any such entry and removal, and
all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of
whatever kind or nature (including, without limitation, reasonable attorneys’ fees and
disbursements), arising from any such claims and demands. In addition, if the removal of
Removal Equipment results in damage to the Squares and Licensee or such Sublicensee fails to
repair such damage to the Commissioner’s reasonable satisfaction and upon such deadline as
reasonably determined by the Commissioner, then Licensee shall be responsible for the cost of
such repair which shall be promptly paid to Parks upon Parks’ written demand to Licensee (the
cost of such removal and the cost of such repair being collectively, “Removal Costs”).

3.7 In addition to Removal Costs, Licensee shall be liable to Parks for the following
damages if Parks terminates this Agreement pursuant to Section 3.3: (i) if Parks terminates this
Agreement pursuant to Section 3.3 on account of the failure of Licensee to comply with
Licensee’s maintenance obligations under this Agreement, the reasonable costs borne by Parks to
perform the specific maintenance obligations that Licensee failed to perform in accordance with
this Agreement, and (ii) if at the time of any such termination, Licensee commenced an
Alteration and failed to complete such Alteration, Licensee shall be liable for the cost to
complete such Alteration which shall be promptly paid to Parks upon Parks’ written demand to
Licensee; provided, however, that unless the performance by Licensee of such Alteration was the
basis for Parks terminating this Agreement pursuant to Section 3.3, at the parties’ mutual election
Licensee shall have the right to complete such Alteration at Licensee’s expense and the
termination of this Agreement on account thereof shall be suspended until such Alteration is
completed to the extent necessary for the purposes of completing such Alteration. During such
time, the Insurance and Indemnification requirements of this Agreement shall remain in force.
Except for Removal Costs and such other damages and other sums as are set forth in Sections 3.6
and 3.7, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement
pursuant to Section 3.3. Except for Removal Costs, Licensee shall not be liable to Parks for any
damages if Parks terminates this Agreement pursuant to Section 3.2. Notwithstanding the
foregoing, the expiration or sooner termination of this License shall not affect the performance by Licensee of its obligations under the SBS Contract, and the limitation of liability set forth in Sections 3.6 and 3.7 shall not apply to any liability imposed on Licensee for failure to perform its obligations under the SBS Contract, or any of Licensee’s obligations under Article 19. 3.8 If this License is terminated as provided in Section 3.2 or 3.3 hereof, and/or upon the expiration of the License, Parks may, without notice, re-enter and repossess the Licensed Premises without being liable to indictment, prosecution or damages therefor and may dispossess Licensee and any Sublicensee by summary proceedings or other legal means.

3.8 Except as otherwise provided in Section 3.7, if this License is terminated as provided in Section 3.3 hereof, Parks may complete all repair, maintenance and construction work required to be performed by Licensee or any Sublicensee hereunder and may repair and alter any portion(s) of the Licensed Premises in such manner as Parks may deem necessary or advisable, which will not be at Licensee’s expense, and Parks may relicense the Licensed Premises or any portion thereof for the whole or any part of the remainder of the Term or for a longer period. Parks shall in no way be responsible or liable for any failure to relicense any portion(s) of the Licensed Premises or for any failure to collect any fees due on any such relicensing, and no such failure to relicense or to collect fees shall operate to relieve Licensee of any liability under this Agreement or to otherwise affect any such liability.

3.9 No receipt of moneys by Parks from Licensee or any Sublicensee after the termination of this License Agreement, or after the giving of any notice of the termination of this License Agreement, shall reinstate, continue or extend the Term or affect any notice theretofore given to Licensee or any Sublicensee, or operate as a waiver of the right of Parks to recover possession of the Licensed Premises by proper remedy.

3.10 In the event this License Agreement is terminated, Parks will not reimburse Licensee’s or any Sublicensee’s unamortized capital improvement cost.

4. FINANCIAL RECORDS AND REPORTS

4.1 (a) On or before the one hundred twentieth (120) day following the end of each Fiscal Year, Licensee shall submit to Parks, in a form satisfactory to Parks, a statement of Licensee’s Gross Receipts, signed and verified by an officer of Licensee, reporting any Licensee’s Gross Receipts generated from operations under this License Agreement during the preceding Fiscal Year. The obligation to submit a final report of Licensee’s Gross Receipts shall survive the termination of this License. Licensee shall indicate on its statement of Licensee’s Gross Receipts whether or not these amounts are inclusive of sales tax collected.

11.1 (a) Licensee, at its sole cost and expense, will maintain and operate the Licensed Premises in a good and safe condition consistent with the Licensee obligations set forth in this Article. To ensure Parks’ satisfaction with Licensee’s compliance with the standards set
forth in this Article 11 Licensee shall provide Parks with full and free access to the Licensed Premises. All such maintenance and repair shall be performed in a good and worker-like manner and in accordance with the following standards:

(i) Dirt, waste, garbage, refuse, rubbish, litter and obstructions shall be removed as needed, and trash and leaves collected and removed as needed, so as to maintain the Licensed Premises in a clean, neat and good condition.

(ii) All walkways, sidewalks and all other improvements and facilities in the Licensed Premises shall be routinely cleaned so as to keep such improvements and facilities in a clean, neat and good condition.

(iii) Graffiti shall be regularly painted over or removed, as appropriate to the nature of the surface.

(iv) Drains, sewers and catch basins shall be cleaned regularly to prevent clogging.

(v) Power washing, as needed.

(vi) Snow and ice shall be removed within a reasonable period of time after each snowfall or accumulation of ice to the extent necessary to provide a walkway for safe passage. Sand and/or salt shall be spread as needed for such walkway.

(vii) Maintenance of all turf, trees, plants, flower beds and landscaped areas shall include, but not be limited to, watering, seeding, pruning, sodding and fertilizing.

(viii) Licensee shall maintain and repair all Park furniture and equipment, including work that is required as a result of vandalism, provided, however, that with respect to any statuary located in Herald or Greeley Square, Licensee’s routine maintenance responsibilities shall include non-chemical cleaning only, unless otherwise approved in writing by Parks. Licensee shall make reasonable accommodation for any Parks’ program for the restoration of such statuary.

(ix) The restrooms shall be cleaned, maintained and stocked on a daily basis.

(x) With respect to Greeley Square, the sculpture and pedestal shall be cleaned periodically of soiling, environmental particulates, and bird guano. The sculpture's protective coating shall be renewed annually following cleaning, in keeping with professional standards. The pedestal's masonry shall be pointed as necessary. In performing this maintenance, subject to the mutual agreement of the parties, Licensee may either (i) make arrangements to utilize the Parks’ Arts and Antiquities Monuments Unit and provide reimbursement to Parks for the costs and expenses relating to such maintenance including staff time and equipment or (ii) retain the services of an outside qualified firm selected by Licensee but subject to Parks Arts & Antiquities’ approval. In the latter instance, Licensee shall advise
Parks prior to the occurrence of remedial care and shall submit visual and written documentation of the maintenance in keeping with Parks’ standards.

(xi) With respect to the James Gordon Bennett Monument (Clock Tower) in Herald Square, the lower portion of the monument (from the apex of the statuary group to the ground) shall be cleaned periodically of soiling, environmental particulates and bird guano. Bird prevention may be installed, in consultation with Parks Art & Antiquities. Protective finishes on all bronze sculptural or decorative elements, including the door on the rear shall be renewed annually. Methods and procedures shall be conducted in consultation with and pre-approved by Parks Art & Antiquities. Licensee shall ensure the consistent operation of the clock, have the clock reset for daylight savings in the spring and eastern standard time in the fall, arrange for periodic maintenance and lubrication of the clock mechanism and proper physical operation of the clock and statuary group (bell ringers). The lights in the bronze owls will be functional at all times, and keyed to the clock timer. Trees and foliage will be pruned back on a regular basis to permit views of the monument, and cafe tables shall not be placed in manner that obscures the monument or blocks the engraved inscription.

(b) Licensee shall comply with the rating standards for all applicable enumerated categories set forth in the Parks Inspection Program (“PIP”) to the extent such standards and categories apply to the Licensed Premises. Notwithstanding this provision, Licensee shall maintain the Licensed Premises in accordance with Parks’ standards, including, but not limited to, the applicable categories as set forth in the PIP Manual and/or any other standards that Parks may require in the future. Licensee acknowledges receipt of the PIP Manual.

11.2 Trees. Licensee shall water all trees, shrubs, plantings and grass-covered areas as necessary to maintain such vegetation in a healthy condition. Licensee shall provide additional seasonal plantings to supplement Parks’ plantings at the Licensed Premises. Certain major landscaping work constituting Alterations shall require the approval of Parks as set forth in Article 7. Licensee shall also comply with the following with respect to trees in the Licensed Premises:

(a) Branches or trees damaged or felled by excessive winds, ice, vandalism, or by any other reasons whatsoever shall be promptly removed.

(b) Licensee may not cut down, replant or remove any tree from Herald or Greeley Squares without prior written approval from the Commissioner, except that Licensee may replace potted trees as needed without prior approval. Any plans developed by Licensee for gardens or other horticultural installations in Herald or Greeley Square shall be submitted for the Commissioner’s approval in advance of any planting.

(c) Within the first year of the Term, Licensee shall engage the services of a certified arborist to conduct an initial aerial inspection of the trees in the Squares, i.e. by climbing or use of a bucket/lift, (also known as a Level 3 Inspection as defined by the International Society of Arboriculture) and to generate a report of the findings. A copy of the inspection report shall be provided to Parks.
(d) On an annual basis, Licensee shall engage the services of a certified arborist to conduct a diagnostic inspection (also known as a Level 2 Inspection as defined by the International Society of Arboriculture) of the trees in the Squares for potential defects and to generate a report of the findings. A copy of the report shall be provided to Parks. In the event there are any conditions warranting further inspection, Licensee shall conduct a Level 3 Inspection.

(e) Licensee shall conduct visual inspections of the trees in the Squares on a monthly basis to identify any potential defects (also known as a Level 1 Inspection as defined by the International Society of Arboriculture). Any such potential defects shall be promptly reported to the Director of Manhattan Forestry.

11.3 This paragraph describes Licensee’s current security services for the Squares. These security services are intended to supplement any services provided by the City, including services provided by the New York City Police Department and Emergency Medical Services provided by the New York City Fire Department, it being agreed, however, that nothing in this Agreement obligates the City to provide any such services. A uniformed security officer of Licensee patrols by foot Greeley Square each day, 7 days a week, from 7 a.m., when an officer unlocks the gate at Greeley Square, to 9 p.m., when an officer locks the gate at Greeley Square. Herald Square is part of a foot patrol route assigned to another uniformed security officer of Licensee. The patrol route that includes Herald Square also includes the area bounded by 34th Street on the south, 36th Street on the north, Broadway (primarily on the west) and Avenue of the Americas (primarily on the east). This patrol also occurs each day, 7 days a week, from 7 a.m., when an officer unlocks the gate at Herald Square, to 9 p.m., when an officer locks the gate at Herald Square. Each security officer of Licensee possesses a New York State security license and has received annual training certified by New York State. In addition, each officer receives daily “roll call” instructions, during which the officers are given instructions for the day, particularly if the area will be the location of a special event (such as a parade or protest). Security officers are unarmed and have no authority to arrest persons. Security officers are equipped with two-way radios, which allows them to notify Licensee’s security operations center of unusual events, for which a response from New York Police Department or Emergency Medical Service is recommended. Security officers are expected to enforce rules of the Squares (e.g., patrons are forbidden to remove alcohol from the Squares or to sit on the monuments), interact with people and intervene to prevent or de-escalate disputes, patrol the toilet facilities to reduce illegal behavior inside the toilet facilities, and observe the conduct of people who may be emotionally disturbed or whose conduct may be influenced by the consumption of alcohol or illegal drugs to intervene in the event their conduct interferes with the enjoyment of the Squares by others. Licensee shall continue to provide security services generally consistent with the foregoing during the Term.

11.4 At the expiration or sooner termination of this License, consistent with the maintenance responsibility required of Licensee by this License, Licensee shall turn over the Licensed Premises to Parks in a well maintained state, in good repair, ordinary wear and tear excepted.

11.5 Licensee will be responsible for regular pest control inspections and extermination as needed. To the extent that Licensee applies pesticides to the Licensed Premises
11.6 For any vehicle fuel dispensing tanks or underground heating oil storage tanks over 1,100 gallon capacity, Licensee shall maintain up-to-date Petroleum Bulk Storage (“PBS”) registrations with New York State Department of Environmental Conservation and register such tanks with the DEP. Licensee will assume all registration and update costs. Licensee must keep a copy of the PBS Certificate on site and provide copies to Parks’ 5-Boro Office on Randall’s Island, New York. Licensee shall perform or have performed a tightness test conducted at least once every five years, to comply with Parks monitoring leak detection checklists for the tank(s) and all other legal requirements. Any changes, removals or additions of tanks must be pre-approved by Parks.

11.7 Licensee shall have no responsibility for maintaining the LinksNYC kiosk on the Licensed Premises.

12. APPROVALS

12.1 Licensee is solely responsible for obtaining all approvals, permits and licenses required by Federal, State and City laws, regulations, rules and orders for the lawful operation, management and maintenance of the concession granted by this License.

12.2 Whenever any act, consent, approval or permission is required of the City, Parks or the Commissioner under this License (a “Parks Approval”), the same shall be valid only if it is, in each instance, in writing and signed by the Commissioner or his or her duly authorized representative. No variance, alteration, amendment, or modification of this instrument shall be valid or binding upon the City, Parks, the Commissioner or their agents, unless the same is, in each instance, in writing and duly signed by the Commissioner or his duly authorized representative.

12.3 Parks shall use reasonable efforts to respond to Licensee’s request for a Parks Approval within 30 days following Parks’ receipt of such request. For those matters as to which Parks has agreed in this Agreement not to unreasonably withhold its approval, if Parks rejects Licensee’s request for a Parks Approval, Parks shall use reasonable efforts to provide specific reasons for such rejection, and if following a rejection by Parks, Licensee revises its submission to address the specific reasons for such rejection and resubmits such request to Parks, Parks shall use reasonable efforts to respond to Licensee’s resubmitted request for a Parks Approval within ten (10) days following receipt of such resubmission. Issuance by Parks of a permit for an event, including Special Events permit for a Licensee’s Special Event shall constitute approval by Parks of such Special Event. Licensee’s submission of an application for a Special Events permit for a Licensee’s Special Event, with all relevant back-up information, shall constitute notice by Licensee to Parks of Licensee’s Special Event for purposes of this Agreement. Notwithstanding the review period prescribed above or elsewhere in this Agreement, the parties acknowledge there will be occasions in which Licensee requires a significantly shorter response period than the period prescribed herein (e.g., a proposal for a promotional Special Event is made to Licensee three (3) days prior to the proposed date of the promotional Special Event). Parks shall
use reasonable efforts to accommodate Licensee’s shorter approval requests. Further, notwithstanding the foregoing, the Commissioner in his sole discretion may entertain an appeal of a denial submitted by Licensee within five (5) days of such denial.

12.4 Kate Spellman (kate.spellman@parks.nyc.gov) or her designee is the Parks representative who has, as of the date hereof, authority to issue an approval by Parks for the various types of approvals that are contemplated by this License Agreement. Reasonably promptly after any personnel change results in a change in the Parks representatives, Parks shall update the name and email address of the new Parks representative.

13. PARKS’ SPECIAL EVENTS

13.1 For the purposes of this Section 13 the term “Parks’ Special Event(s)” shall mean any Special Event at the Licensed Premises sponsored by Parks. The Commissioner represents to Licensee that the Commissioner has not, as of the date hereof, granted to any other person or entity any license, permit, or right of possession or use of the Licensed Premises or any portion thereof. For each Parks Special Event, Parks shall comply with the following conditions: (a) Parks shall give Licensee not less than thirty (30) days (or such lesser period as agreed by the parties) advance notice of any Parks’ Special Event, and any annual event will be on a date mutually agreed to by Parks and Licensee, (b) Parks shall not sponsor or permit a Parks’ Special Event on a date that will conflict with a Licensee’s Special Event for which Licensee has submitted an application for a Special Event Permit and such Special Event Permit has been approved by Parks, (c) Parks shall be responsible for maintenance and clean-up associated with any such Parks’ Special Event and may delegate such maintenance and clean-up obligation to a third-party, but such delegation shall not relieve Parks of primary responsibility to Licensee for such maintenance and clean-up, and (d) each Sublicensee, in its own discretion, may elect to operate or not to operate during any Parks’ Special Event. Subject to the foregoing conditions, Licensee shall, and shall require that each Sublicensee, cooperate with Parks in connection with Parks’ Special Events. Such events shall not, without the prior written consent of Licensee, prohibit the Licensee or any Sublicensee from reasonable access to the Licensed Premises. Furthermore, Parks reserves the right to grant permits for “Demonstrations” as defined in Section 1-02 of Parks’ Rules and Regulations at the Licensed Premises where appropriate under Parks’ Rules and Regulations and where such Demonstrations do not unreasonably interfere with previously scheduled and Parks-approved Licensee’s Special Events as reasonably determined by Parks.

14. PROHIBITION AGAINST TRANSFER; ASSIGNMENTS AND SUBLICENSEES

14.1 Except for Sublicenses approved by Parks, Licensee shall not sell, transfer, assign, sublicense or encumber in any way this License, ten percent or more of the shares of or interest in Licensee (unless it is agreed to, in writing, by Parks and signed by the Commissioner or Commissioner’s designee), or any equipment furnished as provided herein, or any interest therein, or consent, allow or permit any other person or party to use any part of the Licensed Premises, buildings, space or facilities covered by this License, nor shall this License be transferred by operation of law, it being the purpose of this License Agreement to grant this License solely to Licensee herein named.
Should Licensee choose to assign or sublicense the management and operation of any element of the Licensed Premises to another party, Licensee shall seek the approval of the Commissioner (which shall not be unreasonably withheld) by submitting a written request including proposed assignment documents as provided herein. The Commissioner may request any additional information Commissioner deems necessary and Licensee shall promptly comply with such requests.

The term “assignment” shall be deemed to include any direct or indirect assignment, sublet, sale, pledge, mortgage, transfer of or change in more than ten percent in stock or voting control of or interest in Licensee, including any transfer by operation of law. No sale or transfer of the stock of or interest in Licensee may be made under any circumstance if such sale will result in a change of control of Licensee violative of the intent of this Section 14, without the prior written consent of Commissioner.

14.2 No assignment or other transfer of any interest in this License Agreement shall be permitted which, alone or in combination with other prior or simultaneous transfers or assignments, would have the effect of changing the ownership or control, whether direct or indirect, of ten percent (10%) or more of the stock or voting control of Licensee in the Licensed Premises without the prior written consent of Commissioner. Licensee shall present to Commissioner the assignment or sublicense agreement for approval, together with any and all information as may be required by the City for such approval, including a statement prepared by a certified public accountant indicating that the proposed assignee or sublicensee has a financial net worth acceptable to the Commissioner together with a certification that it shall provide management control acceptable to the Commissioner for the management and operation of the Licensed Premises. The constraints contained herein are intended to assure the City that the Licensed Premises are operated by persons, firms and corporations which are experienced and reputable operators and are not intended to diminish Licensee's interest in the Licensed Premises.

14.3 No consent to or approval of any assignment or sublicensee granted pursuant to this Article 14 shall constitute consent to or approval of any subsequent assignment or sublicense. Failure to comply with this provision shall cause the immediate termination of this License.

14.4 In addition to the foregoing requirements, Licensee shall immediately report to Parks any proposed change of five percent or more of the shares of or interest in Licensee when such change takes place.

15. PARKS CONSTRUCTION

15.1 Parks reserves the right to make repairs, alterations, decorations, additions or improvements to Licensed Premises (“Parks Construction”) at Parks’ expense as Parks deems necessary in its discretion at any time during the Term, subject to the following conditions: (a) except for Parks Construction in response to an emergency, as determined by Parks, Parks shall give Licensee not less than sixty (60) days’ notice of any Parks Construction, which notice shall set forth the scope and schedule of the Parks Construction, (b) Parks shall consult with Licensee about the proposed schedule for any Parks Construction if such Parks Construction will interfere with any Parks-approved Licensee’s Special Events, (c) Parks shall use reasonable efforts to
minimize interference with the operations of any Sublicensee and with the operations of Licensee, (d) if any Parks Construction results in the temporary removal of any improvements in the Licensed Premises, Parks shall restore such improvements to their condition prior to such temporary removal promptly following completion of such Parks Construction, (e) Parks Construction shall be performed in a good and worker-like manner, (f) Parks shall contain all equipment and supplies for any Parks Construction in a reasonably confined area, and Parks shall not store overnight in the Licensed Premises any debris (except in response to an emergency), and (g) Parks shall take reasonable steps to minimize construction dust and residue, and Parks shall be responsible for cleaning such dust and residue on a daily basis. Licensee shall, and shall cause any Sublicensee to, reasonably cooperate with Parks to accommodate any Parks Construction and provide public and construction access through the Licensed Premises as deemed necessary by the Commissioner. Parks may temporarily close a part or all of the Licensed Premises for a Parks Construction as determined by the Commissioner. In the event that Parks does temporarily close a part of or all of the Licensed Premises for a Parks Construction, then Licensee may propose and submit for the Commissioner's approval a plan to equitably address the impact of the closure. Licensee shall, and cause any Sublicensee to, be responsible for the security of all Licensee's property or Sublicensee’s property, as applicable on the Licensed Premises at all times, but Parks shall be responsible for any damage to any such property to the extent arising from the performance of any Parks Construction, and Parks shall be solely responsible for claims, damages, or injury resulting from Parks Construction, except to the extent such claims, damages and injury are caused by the negligence or willful misconduct of Licensee or any Sublicensee.

16. **COMPLIANCE WITH LAWS**

16.1 Licensee shall faithfully perform and carry out the provisions of this License and cause its agents, employees, and Sublicensees to conform to all rules, regulations, and orders prescribed as of the date hereof or which may hereafter be reasonably prescribed by the Commissioner, provided the Commissioner shall use reasonable efforts to give Licensee notice of any rules, regulations, or orders hereafter prescribed by Parks, and shall comply with all laws, regulations, rules, and orders of any kind whatsoever and of any agency or entity of government whatsoever applicable to the Licensed Premises and the Licensee’s use and occupation thereof. This provision includes, but is not limited to, the Parks’ Rules and Regulations as set forth in 56 RCNY §1-01 et seq., New York City Administrative Code §18-137, the New York State Not-for-Profit Corporation Law, applicable tax and labor laws relating to non-discrimination in employment, and laws protecting youths from child abuse and maltreatment.

16.2 Licensee shall use the Licensed Premises in compliance with, and shall not cause or permit the Licensed Premises to be used in violation of, any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of the courts, permits or permit conditions, currently existing or as amended or adapted in the future which are or become applicable to Licensee or the Licensed Premises (collectively “Environmental Laws”). Licensee shall not cause or permit, or allow any of Licensee’s personnel to cause or permit, any Hazardous Materials to be brought upon, stored, used generated, treated or disposed of on the Licensed Premises. As used herein, “Hazardous Materials” means any chemical, substance or material which is now or becomes in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, its properties or effects.
16.3 Licensee shall not use or allow the Licensed Premises, or any portion thereof, to be used or occupied for any unlawful purpose or in any manner that violates a certificate pertaining to occupancy or use during the Term.

17. **NON-DISCRIMINATION**

17.1 No Licensee or Sublicensee shall unlawfully discriminate against any employee, applicant for employment or patron because of race, creed, color, national origin, age, sex, handicap, marital status, or sexual orientation.

17.2 All advertising for employment for Licensee or any Sublicensee shall indicate that Licensee or such Sublicensee, as applicable, is an Equal Opportunity Employer.

18. **NO WAIVER OF RIGHTS**

18.1 No acceptance by the Commissioner of any compensation, fees, penalty, sums, charges or other payments in whole or in part for any periods after a default of any terms and conditions herein shall be deemed a waiver of any right on the part of the Commissioner to terminate this License. No waiver by the Commissioner of any default on the part of Licensee in performance of any of the terms and conditions herein shall be construed to be a waiver of any other or subsequent default in the performance of any of the said terms and conditions.

19. **RESPONSIBILITY FOR SAFETY, INJURIES OR DAMAGE, AND INDEMNIFICATION**

19.1 (a) Licensee shall take all reasonable precautions to protect the safety of its employees, agents, servants, invitees, Sublicensees, contractors, and subcontractors while they are on the Licensed Premises involved in the operations under this License.

(b) Licensee shall take all reasonable precautions to protect the persons and property of the City or others from damage, loss or injury resulting from any and all operations under this License.

19.2 (a) To the fullest extent permitted by law, subject to Section 19.2(c), Licensee shall indemnify, defend and hold the City and its officials and employees (an “Indemnified Party”) harmless against any and all claims and demands of third parties for injury, including death, or property damage arising out of operations under this License Agreement (“Claims”), and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys’ fees and disbursements) arising from any Claims (together with Claims, “Liabilities”), arising out of the (i) the condition of the Squares, (ii) the acts or omissions (where there is a duty to act) of Licensee or any Sublicensee or any of their respective employees, servants, contractors, subcontractors or agents, in any operations under this License, or (iii) Licensee’s or any Sublicensee’s or any of their respective employees’, servants’, contractors’, subcontractors’ or agents’ failure to comply with applicable law or any of the requirements of this License, regardless of whether any of the foregoing have been negligent. Insofar as the facts or law relating to any of the foregoing would preclude the Indemnified Party from being completely
indemnified, the Indemnified Party shall be partially indemnified by Licensee to the fullest extent permitted by law.

(b) Licensee shall include the following indemnification (or a substantially comparable provision) in each Sublicense entered into during the Term of this Agreement:

To the fullest extent permitted by law, Sublicensee shall indemnify, defend and hold the City and its officials and employees (an “Indemnified Party”) harmless against any and all claims and demands of third parties for injury (including death) or property damage arising out of operations under this Sublicense (“Claims”), and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys' fees and disbursements) arising from any Claims (together with Claims, “Liabilities”), arising out of (i) the condition of the Sublicensed Premises, (ii) the acts or omissions (where there is a duty to act) of Sublicensee or any of its employees, servants, contractors, subcontractors or agents, in any operations under this Sublicense, or (iii) Sublicensee’s or any of its employees’, servants’, contractors’, subcontractors’ or agents’ failure to comply with applicable law or any of the requirements of its Sublicense, regardless of whether any of the foregoing have been negligent. To the extent Liabilities arise from the following, they shall be excluded from Sublicensee’s indemnification and defense obligations under this paragraph: (i) any construction performed by Parks or Parks’ contractors, (ii) any Parks’ Special Event, or (iii) the negligence or willful misconduct of the City or any of its officials, employees, contractors or agents (except for any negligence imputed to the City or any of its officials, employees, contractors, or agents arising from the negligence by Licensee or any Sublicensee in the performance of its maintenance obligations under this Agreement). Insofar as the facts or law relating to any of the foregoing would preclude the Indemnified Party from being completely indemnified, the Indemnified Party shall be partially indemnified by Sublicensee to the fullest extent permitted by law.

(c) To the extent Liabilities arise from the following, they shall be excluded from Licensee’s indemnification and defense obligations under Section 19.2(a): (i) any construction performed by Parks or Parks’ contractors, (ii) any Parks’ Special Event, or (iii) the negligence or willful misconduct of the City or any of its officials, employees, contractors or agents (except for any negligence imputed to the City or any of its officials, employees, contractors, or agents arising from the negligence by Licensee or any Sublicensee in the performance of its maintenance obligations under this Agreement).

(d) To the fullest extent permitted by law, the Licensee shall defend, indemnify, and hold harmless the Indemnified Parties against any and all Claims and Liabilities that the Indemnified Parties may be subject to or which they may suffer or incur allegedly arising out of any infringement, violation, or unauthorized use of any copyright, trade secret, trademark or patent or any other property or personal right of any third party by the Licensee, any Sublicensee or any of their respective employees, agents, servants, contractors or subcontractors in the operations under this License including any such infringement, violation, or unauthorized
use arising while Licensee is in compliance with the License. Insofar as the facts or law relating to any of the foregoing would preclude an Indemnified Party from being completely indemnified by the Licensee, the Indemnified Party shall be partially indemnified by the Contractor to the fullest extent permitted by law.

(e) Upon receipt by any Indemnified Party of actual notice of a Claim to which such Indemnified Party is entitled to indemnification in accordance with Sections 19.2 (a) or (d), Parks shall give prompt notice of such Claim to Licensee. Licensee shall assume and prosecute the defense of such Claim at the sole cost and expense of Licensee. Licensee may settle any such Claim in its discretion so long as such settlement includes an unconditional release of the Indemnified Party.

19.3 Licensee’s obligation to defend, indemnify and hold the Indemnified Parties harmless shall not be (i) limited in any way by Licensee’s obligations to obtain and maintain insurance under this Licensee, nor (ii) adversely affected by any failure on the part of an Indemnified Party to avail themselves of the benefits of such insurance.

20. INSURANCE

20.1 (a) Throughout the Term, Licensee shall ensure that the types of insurance indicated in this Article are obtained and remain in force, and that such insurance adheres to all requirements herein. The City may require other types of insurance and/or higher liability limits and other terms if, in the opinion of the Commissioner, any change in Licensee’s operations after the date hereof warrant the foregoing.

(b) Licensee is authorized to undertake or maintain operations under this License only during the effective period of all required coverage.

20.2 (a) Licensee shall maintain Commercial General Liability insurance in the amount of at least Two Million Dollars ($2,000,000) per occurrence for bodily injury (including death) and property damage and Two Million Dollars ($2,000,000) for personal and advertising injury and not less than Five Million Dollars ($5,000,000) in the aggregate on a per location basis (it being agreed that Herald Square and Greeley Square shall be deemed to be a single location for purposes of the per location requirement), and Five Million Dollars products completed operations coverage, which amounts may be obtained by a combination of primary and excess/umbrella coverage carried by Licensee. This insurance shall protect the insureds from claims for property damage and/or bodily injury, including death, and personal and advertising injury that may arise from any of the operations under this License. Coverage shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 0001, shall contain no exclusions other than as required by law or as approved by the Commissioner, and shall be “occurrence” based rather than “claims-made.”

(b) Licensee shall require that each Sublicensee and each of its construction contractors maintain Commercial General Liability insurance in the amount of at least One Million Dollars ($1,000,000) per occurrence for bodily injury (including death), One Million Dollars ($1,000,000) for personal and advertising injury, One Million Dollars ($1,000,000) in the aggregate, and One Million Dollars ($1,000,000) products completed operations coverage.
This insurance shall protect the insureds from claims for property damage and/or bodily injury, including death, and personal and advertising injury that may arise from any of the operations under this License. Coverage shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 00 01, shall contain no exclusions other than as required by law or as approved by the Commissioner, and shall be “occurrence” based rather than “claims-made.”

(c) Such Commercial General Liability insurance maintained by Licensee and each Sublicensee and construction contractor shall list the City, together with its officials and employees, as an Additional Insured for claims arising out of any of the operations under this License. Coverage shall be at least as broad as the most recent edition of ISO Form CG 20 26 and CG 20 37. “Blanket” or other forms are also acceptable if they provide the City, together with its officials and employees, with coverage at least as broad as ISO Forms CG 20 26 and CG 20 37.

(d) If Licensee or a Sublicensee of Licensee or a contractor of either serves alcoholic beverages anywhere on the Licensed Premises, Licensee and its Sublicensee and contractor shall carry or cause to be carried liquor law liability coverage in an amount not less than Two Million Dollars ($2,000,000) per occurrence and list the City, together with its officials and employees, as an additional insured. Such insurance shall be effective prior to the commencement of any operations in which alcoholic beverages are sold and continue for the duration of such operations. The Commissioner may increase or decrease the limit(s) if the Commissioner reasonably believes that the nature of such operations merits an increase or decrease.

20.3 Licensee shall maintain Workers’ Compensation insurance, Employers Liability insurance, and Disability Benefits insurance on behalf of, or with regard to, all employees involved in the Licensee’s operations under this License, and such insurance shall comply with the laws of the State of New York.

20.4 (a) With regard to all operations under this License, Licensee shall maintain or cause to be maintained Commercial Automobile Liability insurance in the amount of at least One Million Dollars ($1,000,000) each accident (combined single limit) for liability arising out of the ownership, maintenance or use of any owned, non-owned or hired vehicles. Coverage shall be at least as broad as the latest edition of ISO Form CA0001.

(b) If vehicles are used for transporting hazardous materials, such Commercial Automobile Liability insurance shall be endorsed to provide pollution liability broadened coverage for covered vehicles (endorsement CA 99 48) as well as proof of MCS-90.

20.5 (a) Licensee shall maintain commercial property insurance on a special causes of loss form covering all buildings, structures, equipment and fixtures on the Licensed Premises (“Concession Structures”), whether existing at the Commencement Date or built at any time before the Termination Date. Licensee’s property insurance requirements expressly exclude the sculpture and pedestal at Greeley Square and the James Gordon Bennett Monument at Herald Square (collectively, the “Excluded Monuments”). Such insurance shall provide full Replacement Cost coverage for the Concession Structures (without depreciation or obsolescence
clause) and include, without limitation, coverage for loss or damage by acts of terrorism, water (other than flood-related), wind, subsidence and earthquake. Such insurance shall be “occurrence” (rather than “claims-made”) based and shall designate the Licensee as Named Insured and the City as Loss Payee as their interests may appear. If the Excluded Monuments are damaged by any event that would be covered by commercial property insurance on a special causes of loss form of the type that Licensee is required to carry for the Concession Structures, then Parks shall be responsible for the repair and restoration of the Excluded Monuments.

(b) This section does not require coverage for damage caused by flooding.

(c) The limit of such property insurance shall be no less than the full Replacement Cost of all Concession Structures, including, without limitation, the costs of post-casualty debris removal and soft costs, to the extent that such costs can be covered by a commercial property insurance policy on a special causes of loss form. If such insurance contains an aggregate limit, it shall apply separately to the Concession Structures.

(d) In the event of any loss to any of the Concession Structures, Licensee shall provide the insurance company that issued such property insurance with prompt, complete and timely notice, and simultaneously provide the Commissioner with a copy of such notice. With regard to any Concession Structure that the City owns or in which the City has an interest, Licensee shall also (i) take all appropriate actions in a timely manner to adjust such claim on terms that provide the City with the maximum possible payment for the loss, and (ii) either provide the City with the opportunity to participate in any negotiations with the insurer regarding adjustments for claims or, at the Commissioner’s discretion, allow the City itself to adjust such claim.

20.6 Licensee represents and warrants that its operations at the Licensed Premises will not involve asbestos, lead, pcb’s or any other hazardous materials.

20.7 (a) Policies of insurance required under this Article shall be provided by companies that may lawfully issue such policy and have an A.M. Best rating of at least A-/“VII”, a Standard and Poor’s rating of at least A, a Moody’s Investor Service rating of at least A3, a Fitch Ratings’ rating of at least A- or a similar rating by any other nationally recognized statistical rating organization acceptable to the New York City Law Department unless prior written approval is obtained from the New York City Law Department.

(b) Except with respect to Workers’ Compensation, Employers’ Liability, and Disability Benefits Insurance, policies of insurance required under this Article shall be primary and non-contributing to any insurance or self-insurance maintained by the City.

(c) Wherever this Article requires that insurance coverage be “at least as broad” as a specified form (including all ISO forms), there is no obligation that the form itself be used, provided that Licensee can demonstrate that the alternative form or endorsement contained in its policy provides coverage at least as broad as the specified form.

(d) There shall be no self-insurance program or self-insured retention with regard to any insurance required under this Article unless approved in writing by the Commissioner. Under no circumstances shall the City be responsible for the payment of any
self-insured retention (or any other aspect of a self-insurance program). Further, Licensee shall ensure that any such self-insurance program provides the City with all rights that would be provided by traditional insurance under this Article, including but not limited to the defense and indemnification obligations that insurers are required to undertake in liability policies.

(e) The City’s limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to Licensee under all primary, excess and umbrella policies covering operations under this License Agreement.

(f) All required policies, except Workers’ Compensation, Employers Liability, and Disability Benefits, shall include a waiver of the right of subrogation with respect to all insureds and loss payees named therein.

20.8 (a) Certificates of Insurance for all insurance required in this Article must be submitted to and accepted by the Commissioner prior to execution of this License Agreement.

(b) For Workers’ Compensation, Employer’s Liability Insurance, and Disability Benefits insurance policies, Licensee shall submit one of the following:

(i) C-105.2 Certificate of Worker’s Compensation Insurance;

(ii) U-26.3 -- State Insurance Fund Certificate of Workers’ Compensation Insurance;

(iii) Request for WC/DB Exemption (Form CE-200);

(iv) Equivalent or successor forms used by the New York State Workers’ Compensation Board; or

(v) Other proof of insurance in a form acceptable to the City. ACORD forms are not acceptable proof of workers’ compensation coverage.

(c) For all insurance required under this Article other than Workers Compensation, Employer’s Liability, and Disability Benefits insurance, Licensee shall submit one or more Certificates of Insurance in a form acceptable to the Commissioner. All such Certificates of Insurance shall (a) certify the issuance and effectiveness of such policies of insurance, each with the specified minimum limits; and (b) be accompanied by the provision(s) or endorsement(s) in the Licensee’s policy/ies (including its general liability policy) by which the City has been made an additional insured or loss payee, as required herein. All such Certificates of Insurance shall be accompanied by either a duly executed “Certification by Insurance Broker or Agent” in the form annexed hereto as Exhibit D or as otherwise required by the Commissioner or certified copies of all policies referenced in such Certificate of Insurance.

(d) Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of all policies required under this Concession. Such Certificates of Insurance shall comply with subsections (b) and (c) directly above.
(e) Acceptance or approval by the Commissioner of a Certificate of Insurance or any other matter does not waive Concessionaire’s obligation to ensure that insurance fully consistent with the requirements of this Article is secured and maintained, nor does it waive Licensee’s liability for its failure to do so.

(f) Licensee shall be obligated to provide the City with a copy of any policy of insurance required under this Article upon request by the Commissioner or the New York City Law Department.

20.9 (a) Licensee may satisfy its insurance obligations under this Article through primary policies or a combination of primary and excess/umbrella policies, so long as all policies provide the scope of coverage required herein.

(b) In the event Licensee requires any contractor to procure insurance with regard to any operations under this License and to list Licensee as an Additional Insured thereunder, Licensee shall ensure that such contractor also list the City, including its officials and employees, as an Additional Insured. For commercial general liability insurance, such coverage must be at least as broad as the most recent edition of ISO Form CG 20 26.

(c) Licensee shall be solely responsible for the payment of all premiums for all policies and all deductibles or self-insured retentions to which they are subject, whether or not the City is an insured under the policy.

(d) Where notice of loss, damage, occurrence, accident, claim or suit is required under a policy maintained in accordance with this Article, Licensee shall, and/or shall cause its Sublicensees and construction contractors, as applicable, to, notify in writing all insurance carriers that issued potentially responsive policies of any such event relating to any operations under this License Agreement (including notice to Commercial General Liability insurance carriers for events relating to Licensee’s own employees) no later than 20 days after such event or sooner if required by the insurance policy. For any policy where the City is an Additional Insured, such notice shall expressly specify that “this notice is being given on behalf of the City of New York as Insured, including its officials and employees, as well as the Named Insured.” For any policy where the City is a Loss Payee, such notice shall expressly specify that “this notice is being given on behalf of the City of New York as Loss Payee as its interests may appear.” Such notice shall also contain the following information: the number of the insurance policy, the name of the named insured, the date and location of the damage, occurrence, or accident, and the identity of the persons or things injured, damaged or lost. Licensee shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007.

(e) Licensee’s failure to secure and maintain insurance in complete conformity with this Article, or to give the insurance carrier timely notice on behalf of the City, or to do anything else required by this Article shall constitute a material breach of this License Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.
(f) Insurance coverage in the minimum amounts provided for in this Article shall not relieve the Licensee of any liability under this License Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this License Agreement or the law.

(g) In the event of any loss, accident, claim, action, or other event that does or can give rise to a claim under any insurance policy required under this Article, Licensee shall at all times fully cooperate with the City with regard to such potential or actual claim.

(h) In the event Licensee receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated (or has expired or been cancelled or terminated) for any reason, Licensee shall immediately forward a copy of such notice to both the Commissioner, the City of New York Department of Parks and Recreation, Arsenal, 830 Fifth Avenue, New York, NY 10065 and the New York City Comptroller, attn: Office of Contract Administration, Municipal Building, One Centre Street, room 1005, New York, New York 10007. Notwithstanding the foregoing, Licensee shall ensure that there is no interruption in any of the insurance coverage required under this Article.

21. **WAIVER OF COMPENSATION**

21.1 Licensee hereby expressly waives any and all claims for compensation from the Commissioner, his or her agents, and the City for any and all loss or damage sustained by reason of any defects, including but not limited to, deficiency or impairment of the water supply system, gas mains, electrical apparatus or wires furnished for the Licensed Premises, or by reason of any loss of any gas supply, water supply, heat or electric current which may occur from time to time, or for any loss resulting from fire, water, windstorm, tornado, explosion, civil commotion, strike or riot, and Licensee hereby expressly releases and discharges the Commissioner, his or her agents, and the City from any and all demands, claims, actions, and causes of action arising from any of the causes aforesaid, except to the extent any of the foregoing arise from the gross negligence or willful misconduct of the City or any officer, official, employee or contractor thereof.

21.2 Licensee further expressly waives any and all claims for compensation, loss of profit, or refund of its investment, if any, or any other payment whatsoever, in the event this License is terminated by the Commissioner sooner than the fixed term because the Licensed Premises are required for any park or other public purpose, or because the License was terminated or revoked for any reason as provided herein.

22. **INVESTIGATIONS**

22.1 (a) The parties to this license shall cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State of New York (hereinafter “State”) or a City governmental agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid,
submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

(b) (i) If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the laws of the State of New York; or

(ii) If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then

(A) The Commissioner or agency head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five days written notice to the parties involved to determine if any penalties should attach for the failure of any person to testify.

(B) If any non-governmental party to the hearing requests an adjournment, the Commissioner or agency head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Section 22 (d) below without the City incurring any penalty or damages for delay or otherwise.

(c) The penalties which may attach after a final determination by the Commissioner or agency head may include but shall not exceed:

(i) The disqualification for a period not to exceed five years from the date of an adverse determination of any person or entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

(ii) The cancellation or termination of any and all existing City contracts, leases, permits, or licenses that the refusal to testify concerns and that have not been assigned as permitted under this license, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or
termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

(d) The Commissioner or agency head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Section 22(d) (i) and (ii) below. He or she may also consider, if relevant and appropriate, the criteria established in Sections 22(d) (iii) and (iv) below in addition to any other information which may be relevant and appropriate.

(i) The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

(ii) The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

(iii) The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

(iv) The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under (c) above, provided that the party or entity has given actual notice to the Commissioner or agency head upon the acquisition of the interest, or at the hearing called for in (b) (ii)(A) above gives notice and proves that such interest was previously acquired. Under either circumstance the party or entity must present evidence at the hearing demonstrating the potentially adverse impact a penalty will have on such person or entity.

(e) (i) The term “license” or “permit” as used herein shall be defined as a license, permit, franchise or concession not granted as a matter of right.

(ii) The term “person” as used herein shall be defined as any natural person doing business alone or associated with another person or entity as a partner, director, officer, principal or employee.

(iii) The term “entity” as used herein shall be defined as any firm, partnership, corporation, association, or person that receives monies, benefits, licenses, leases, or permits from or through the City or otherwise transacts business with the City.

(iv) The term “member” as used herein shall be defined as any person associated with another person or entity as a partner, director, officer, principal or employee.

(f) In addition to and notwithstanding any other provision of this License the Commissioner or agency head may in his or her sole discretion terminate this agreement upon
not less than three days written notice in the event Licensee fails to promptly report in writing to
the Commissioner of Investigation of the City of New York any solicitation of money goods
requests for future employment or other benefit or thing of value, by or on behalf of any
employee of the City of other person, firm, corporation or entity for any purpose which may be
related to the procurement or obtaining of this agreement by the Licensee, or affecting the
performance or this License Agreement.

23. **CHOICE OF LAW, CONSENT TO JURISDICTION AND VENUE**

23.1 This License Agreement shall be deemed to be executed in the City of New York,
State of New York, regardless of the domicile of the Licensee, and shall be governed by and
construed in accordance with the laws of the State of New York.

23.2 (a) Any and all claims asserted by or against the City arising under this
License or related thereto shall be heard and determined either in the courts of the United States
located in New York City (“Federal Courts”) or in the courts of the State of New York (“New
York State Courts”) located in the City and County of New York. To effect this License
Agreement and its intent, Licensee agrees:

(b) If the City initiates any action against the Licensee in Federal Court or in
New York State Court, service of process may be made on the Licensee either in person,
wherever such Licensee may be found, or by registered mail addressed to the Licensee at its
address set forth in this License, or to such other address as the Licensee may provide to the City
in writing; and

(c) With respect to any action between the City and the Licensee in New York
State Court, the Licensee hereby expressly waives and relinquishes any rights it might otherwise
have (i) to move to dismiss on grounds of forum non conveniens, (ii) to remove to Federal Court;
and (iii) to move for a change of venue to a New York State Court outside New York County.

23.3 With respect to any action between the City and the Licensee in Federal Court
located in New York City, the Licensee expressly waives and relinquishes any right it might
otherwise have to move to transfer the action to a United States Court outside the City of New
York.

23.4 If the Licensee commences any action against the City in a court located other
than in the City and State of New York, upon request of the City, the Licensee shall either
consent to a transfer of the action to a court of competent jurisdiction located in the City and
State of New York or, if the court where the action is initially brought will not or cannot transfer
the action, the Licensee shall consent to dismiss such action without prejudice and may thereafter
reinstitute the action in a court of competent jurisdiction in New York City.

24. **WAIVER OF TRIAL BY JURY**

24.1 (a) Licensee hereby waives trial by jury in any action, proceeding, or
counterclaim brought by the City against Licensee in any matter related to this License.
(b) In the event any claim is made or any action brought in any way relating to this License Agreement herein other than an action or proceeding in which Licensee and City are adverse parties, Licensee and the City shall reasonably cooperate with each other without additional compensation to the extent that either party may reasonably require of the other.

25. **CUMULATIVE REMEDIES - NO WAIVER**

25.1 The specific remedies to which the City may resort under the terms of this License are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any other default hereunder. The failure of the City to insist in any one or more cases upon the strict performance of any of the covenants of this License, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenants or option.

26. **EMPLOYEES**

26.1 All experts, consultants and employees of Licensee who are employed by Licensee to perform work under this License are neither employees of the City nor under contract to the City, and Licensee alone is responsible for their work, direction, compensation and personal conduct while engaged under this License. Nothing in this License shall impose any liability or duty on the City for acts, omissions, liabilities or obligations of Licensee or any person, firm, company, agency, association, corporation or organization engaged by Licensee as expert, consultant, independent contractor, specialist, trainee, employee, servant, or agent or for taxes of any nature including but not limited to unemployment insurance, workers' compensation, disability benefits and social security.

27. **INDEPENDENT STATUS OF LICENSEE**

27.1 Licensee is not an employee of the City and in accordance with such independent status neither Licensee nor its employees or agents will hold themselves out as, nor claim to be officers, employees, or agents of the City, or of any department, agency, or unit thereof, and they will not make any claim, demand, or application to or for any right or privilege applicable to an officer of, or employee of, the City, including but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage or employee retirement membership or credit.

28. **CONFLICT OF INTEREST**

28.1 Licensee represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. Licensee further represents and warrants that in the performance of this License no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or part, from the City treasury, shall participate in any decision relating to this License which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this License or in the proceeds thereof.
29. **PROCUREMENT OF AGREEMENT**

29.1 Licensee represents and warrants that no person or selling agency has been employed or retained to solicit or secure this License upon an agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other compensation. Licensee further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. Licensee makes such representations and warranties to induce the City to enter into this License and the City relies upon such representations and warranties in the execution hereof.

29.2 For a breach or violation of such representations or warranties, the Commissioner shall have the right to annul this License without liability, entitling the City to recover all monies paid hereunder, if any, and the Licensee shall not make any claim for, or be entitled to recover, any sum or sums due under this License. This remedy, if effected, shall not constitute the sole remedy afforded the City for the falsity or breach, nor shall it constitute a waiver of the City's right to claim damages or refuse payment or to take any other action provided by law or pursuant to this License.

30. **NO CLAIM AGAINST OFFICERS, AGENTS OR EMPLOYEES**

30.1 No claim whatsoever shall be made by the Licensee against any officer, agent or employee of the City for, or on account of, anything done or omitted in connection with this License.

31. **ALL LEGAL PROVISIONS DEEMED INCLUDED**

31.1 Each and every provision of law required to be inserted in this License shall be inserted herein. If, through mistake or otherwise, any such provision is not inserted, or is not inserted in correct form, then this License shall, forthwith upon the application of either party, be expressly amended by such insertion so as to comply strictly with the law and without prejudice to the rights of either party hereunder.

32. **SEVERABILITY: INVALIDITY OF PARTICULAR PROVISIONS**

32.1 If any term or provision of this License or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and enforceable to the fullest extent permitted by law.

33. **JUDICIAL INTERPRETATION**

33.1 Should any provision of this License require judicial interpretation, it is agreed that the court interpreting or considering same shall not apply the presumption that the terms hereof shall be more strictly construed against a party by reason of the rule of construction that a document should be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that all parties hereto have participated in the preparation of
this License and that legal counsel was consulted by each responsible party before the execution of this License.

34. **MODIFICATION OF AGREEMENT**

34.1 This License Agreement constitutes the whole of the agreement between the parties hereto, and no other representation made heretofore shall be binding upon the parties hereto. This License Agreement may only be modified by an agreement in writing and duly executed by the party or parties affected by said modification.

35. **NOTICES**

35.1 Where provision is made herein for notice or other communication to be given in writing, the same shall be given by hand delivery or by mailing a copy of such notice or other communication by certified mail, return receipt requested, addressed to the Commissioner or to the attention of Licensee at their respective addresses provided at the beginning of this License Agreement, or to any other address that Licensee shall have filed with the Commissioner. Notices may also be given by facsimile transmission to the fax numbers for each party provided at the beginning of this License Agreement. Notices to Licensee shall also be given to Licensee at the following address: 34th Street Partnership, Inc., 1065 Avenue of the Americas, Suite 2400, New York, New York 10018, Attention: Dan Pisark (Fax No. (212) 719-3499). Notwithstanding the foregoing, notices seeking or relating to a Parks Approval may be sent by email to the applicable Parks representative set forth in Section 12.4, as updated from time to time.

36. **LICENSEE ORGANIZATION, POWER AND AUTHORITY**

36.1 Licensee and the individual executing this License Agreement on behalf of Licensee each represents and warrants that Licensee is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of New York and has the power and authority to enter into this License Agreement and perform its obligations hereunder. This is a continuing representation and warranty.

37. **MISCELLANEOUS**

37.1 The headings of sections and paragraphs are inserted for convenience only and shall not be deemed to constitute part of this License Agreement or to affect the construction thereof. The use in this License Agreement of singular, plural, masculine, feminine and neuter pronouns shall include the others as the context may require.
IN WITNESS WHEREOF, the parties hereto have caused this License Agreement to be signed and sealed on the day and year first above written.

PAID SICK LEAVE LAW
CONCESSION AGREEMENT RIDER

Introduction and General Provisions

The Earned Sick Time Act, also known as the Paid Sick Leave Law (“PSLL”), requires covered employees who annually perform more than 80 hours of work in New York City to be provided with paid sick time. Concessionaires of the City of New York or of other governmental entities may be required to provide sick time pursuant to the PSLL.

The PSLL became effective on April 1, 2014, and is codified at Title 20, Chapter 8, of the New York City Administrative Code. It is administered by the City’s Department of Consumer Affairs (“DCA”); DCA’s rules promulgated under the PSLL are codified at Chapter 7 of Title 6 of the Rules of the City of New York (“Rules”).

The Concessionaire agrees to comply in all respects with the PSLL and the Rules, and as amended, if applicable, in the performance of this agreement. The Concessionaire further acknowledges that such compliance is a material term of this agreement and that failure to comply with the PSLL in performance of this agreement may result in its termination.

The Concessionaire must notify the Concession Manager in writing within ten (10) days of receipt of a complaint (whether oral or written) regarding the PSLL involving the performance of this agreement. Additionally, the Concessionaire must cooperate with DCA’s education efforts and must comply with DCA’s subpoenas and other document demands as set forth in the PSLL and Rules.

The PSLL is summarized below for the convenience of the Concessionaire.

The Concessionaire is advised to review the PSLL and Rules in their entirety. On the website www.nyc.gov/PaidSickLeave there are links to the PSLL and the associated Rules as well as additional resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Concessionaire can get more information about how to comply with the PSLL. The Concessionaire acknowledges that it is responsible for compliance with the PSLL notwithstanding any inconsistent language contained herein.

Pursuant to the PSLL and the Rules:

Applicability, Accrual, and Use

An employee who works within the City of New York for more than eighty hours in any consecutive 12-month period designated by the employer as its “calendar year” pursuant to the

---

1 Pursuant to the PSLL, if fewer than five employees work for the same employer, as determined pursuant to New York City Administrative Code §20-912(g), such employer has the option of providing such employees uncompensated sick time.
PSLL (“Year”) must be provided sick time. Employers must provide a minimum of one hour of sick time for every 30 hours worked by an employee and compensation for such sick time must be provided at the greater of the employee’s regular hourly rate or the minimum wage. Employers are not required to provide more than forty hours of sick time to an employee in any Year.

An employee has the right to determine how much sick time he or she will use, provided that employers may set a reasonable minimum increment for the use of sick time not to exceed four hours per day. In addition, an employee may carry over up to forty hours of unused sick time to the following Year, provided that no employer is required to allow the use of more than forty hours of sick time in a Year or carry over unused paid sick time if the employee is paid for such unused sick time and the employer provides the employee with at least the legally required amount of paid sick time for such employee for the immediately subsequent Year on the first day of such Year.

An employee entitled to sick time pursuant to the PSLL may use sick time for any of the following:

- such employee’s mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee’s need for medical diagnosis or preventive medical care;
- such employee’s care of a family member (an employee’s child, spouse, domestic partner, parent, sibling, grandchild or grandparent, or the child or parent of an employee’s spouse or domestic partner) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;
- closure of such employee’s place of business by order of a public official due to a public health emergency; or
- such employee’s need to care for a child whose school or childcare provider has been closed due to a public health emergency.

An employer must not require an employee, as a condition of taking sick time, to search for a replacement. However, an employer may require an employee to provide: reasonable notice of the need to use sick time; reasonable documentation that the use of sick time was needed for a reason above if for an absence of more than three consecutive work days; and/or written confirmation that an employee used sick time pursuant to the PSLL. However, an employer may not require documentation specifying the nature of a medical condition or otherwise require disclosure of the details of a medical condition as a condition of providing sick time and health information obtained solely due to an employee’s use of sick time pursuant to the PSLL must be treated by the employer as confidential.

If an employer chooses to impose any permissible discretionary requirement as a condition of using sick time, it must provide to all employees a written policy containing those requirements, using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny sick time to an employee because of non-compliance with such a policy.
Sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the sick time was used.

Exemptions and Exceptions

Notwithstanding the above, the PSLL does not apply to any of the following:

- an independent contractor who does not meet the definition of employee under section 190(2) of the New York State Labor Law;
- an employee covered by a valid collective bargaining agreement in effect on April 1, 2014 until the termination of such agreement;
- an employee in the construction or grocery industry covered by a valid collective bargaining agreement if the provisions of the PSLL are expressly waived in such collective bargaining agreement;
- an employee covered by another valid collective bargaining agreement if such provisions are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the PSLL for such employee;
- an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines his or her own schedule, has the ability to reject or accept any assignment referred to him or her, and is paid an average hourly wage that is at least four times the federal minimum wage;
- an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;
- an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or

Retaliation Prohibited

An employer may not threaten or engage in retaliation against an employee for exercising or attempting in good faith to exercise any right provided by the PSLL. In addition, an employer may not interfere with any investigation, proceeding, or hearing pursuant to the PSLL.

Notice of Rights

An employer must provide its employees with written notice of their rights pursuant to the PSLL. Such notice must be in English and the primary language spoken by an employee, provided that DCA has made available a translation into such language. Downloadable notices are available on DCA’s website at http://www.nyc.gov/html/dca/html/law/PaidSickLeave.shtml.

Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed fifty dollars for each employee who was not given appropriate notice.
Records

An employer must retain records documenting its compliance with the PSLL for a period of at least three years, and must allow DCA to access such records in furtherance of an investigation related to an alleged violation of the PSLL.

Enforcement and Penalties

Upon receiving a complaint alleging a violation of the PSLL, DCA has the right to investigate such complaint and attempt to resolve it through mediation. Within 30 days of written notification of a complaint by DCA, or sooner in certain circumstances, the employer must provide DCA with a written response and such other information as DCA may request. If DCA believes that a violation of the PSLL has occurred, it has the right to issue a notice of violation to the employer.

DCA has the power to grant an employee or former employee all appropriate relief as set forth in New York City Administrative Code 20-924(d). Such relief may include, among other remedies, treble damages for the wages that should have been paid, damages for unlawful retaliation, and damages and reinstatement for unlawful discharge. In addition, DCA may impose on an employer found to have violated the PSLL civil penalties not to exceed $500 for a first violation, $750 for a second violation within two years of the first violation, and $1,000 for each succeeding violation within two years of the previous violation.

More Generous Policies and Other Legal Requirements

Nothing in the PSLL is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more generous sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous sick time. The PSLL provides minimum requirements pertaining to sick time and does not preempt, limit or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of sick leave or time, whether paid or unpaid, or that extends other protections to employees. The PSLL may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule or regulation.

CONCESSION PRE-SOLICITATION REVIEW MEMORANDUM

A. DETERMINATION TO UTILIZE OTHER THAN COMPETITIVE SEALED BIDS   □ N/A

Instructions: Attach copy of draft RFP or other solicitation document, and check all applicable box(es) below.

The Agency has determined that it is not practicable or advantageous to use Competitive Sealed Bids because:

☐ Specifications cannot be made sufficiently definite and certain to permit selection based on revenue to the City alone.
☐ Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require a balancing of revenue to the City, quality and other factors.
☐ The agency will be pursuing a negotiated concession for the reasons listed is section (B)(3)(b)
☐ Other (Describe):

The New York City Department of Transportation (DOT) will be pursuing a Sole Source License Agreement (“Agreement”) pursuant to Section 1-16 of the Concession Rules (“different procedures”) for the reasons listed in section (B)(2).

B. DETERMINATION TO USE OTHER THAN COMPETITIVE SEALED PROPOSALS   □ N/A

1. Briefly summarize the terms and conditions of the concession. Add additional sheet(s), if necessary.

Subject to Franchise and Concession Review Committee (FCRC) Step 1 authorization, DOT intends to negotiate the Agreement with the Times Square District Management Association, Inc. d/b/a the Times Square Alliance (TSA) for the operation, management and maintenance of the pedestrian plazas located on Broadway and 7th Avenue between West 41st and West 53rd Streets, Borough of Manhattan (Licensed Plaza).

There is an existing 2009 concession agreement between DOT and TSA, whereby TSA maintains, operates and manages ten separate pedestrian plaza areas on Broadway and 7th Avenue between West 41st and West 47th Streets. This agreement expires on December 31, 2018.

Since 2009, additional pedestrian plaza areas have been constructed along Broadway and 7th Avenue totaling approximately 150,000 square feet. As such, this concession, which will include the pedestrian plaza areas referenced in the 2009 concession agreement as well as the additional pedestrian plaza areas constructed, will be considered to be a major concession as defined in Title 62, Chapter 7 of the Rules of the City of New York and subject to the Uniform Land Use Review Procedure.

TSA would have the right to provide for the operation, management and maintenance of the Licensed Plaza in exchange for ongoing maintenance of the Licensed Plaza, including through DOT-approved events, sponsorships and subconcessions providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or TSA, and other similar merchandise within the Licensed Plaza. Subconcessions would be awarded based on solicitations issued by TSA in the basic form of Request for Proposals or Request for Bids, subject to DOT’s prior written approval of both solicitation and award.

2. Briefly explain the basis for the determination not to solicit Competitive Sealed Proposals.

The intent of the Agreement is that all revenue received by TSA from the operation and management of the concession will go toward maintaining the Licensed Area. Since the
concession will not yield a profit to TSA, a determination was made not to solicit Competitive Sealed Proposals.

It is in the City’s best interest to enter into the Agreement using a different procedure with TSA because this organization’s mission is to enhance the neighborhood in which the Licensed Plaza is located. TSA was created and is funded by the property owners surrounding the Licensed Plaza. This organization directly represents the neighborhood that it will serve and has a specific interest in the Licensed Plaza. Additionally, TSA has been managing, operating and maintaining portions of the Licensed Plaza through its current concession agreement since 2009.

3a. **Briefly explain the selection procedure that will be utilized.**

On September 13, 2017, DOT intends to seek FCRC authorization to negotiate the Agreement with TSA for the operation, management and maintenance of the Licensed Plaza (“Step 1”). Pending FCRC Step 1 approval, DOT intends to negotiate the terms of the Agreement with the TSA. The concession shall be subject to the Uniform Land Use Review Procedure.

Once negotiated and if determined by DOT to be a significant concession, the agency and the FCRC will hold a joint Public Hearing on the proposed Agreement before presenting the proposed concession to the FCRC for “Step 2” approval at a second Meeting. If DOT determines the concession to be non-significant, DOT will present the fully negotiated Agreement with TSA to the FCRC and request the required FCRC authorization to enter into the Agreement directly (without the need for an initial public hearing).

3b. **If the selection procedure is a negotiated concession, check the applicable box:**

- [ ] N/A

   The Agency made a determination that it is not practicable and/or advantageous to award a concession by competitive sealed bidding or competitive sealed proposals due to the existence of a time-sensitive situation where a concession must be awarded quickly because:

- [ ] The agency has an opportunity to obtain significant revenues that would be lost or substantially diminished should the agency be required to solicit the concession by competitive sealed bids or competitive sealed proposals and the diminished revenue does not relate only to the present value of the revenue because of the additional time needed to solicit competitive sealed bids or competitive sealed proposals; [Explain]

- [ ] An existing concessionaire has been terminated, has defaulted, has withdrawn from, or has repudiated a concession agreement, or has become otherwise unavailable; [Explain]

- [ ] The agency has decided, for unanticipated reasons, not to renew an existing concession in the best interest of the City and requires a substitute/successor concessionaire. [Explain]

- [ ] DCAS is awarding a concession to an owner of property adjacent to the concession property, or to a business located on such adjacent property, and has determined that it is not in the best interest of the City to award the concession pursuant to a competitive process because of the layout or some other characteristic of the property, or because of a unique service that can be performed only by the proposed concessionaire. [Explain]

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE
OPERATION, MANAGEMENT AND MAINTENANCE OF THE PEDESTRIAN
PLAZAS LOCATED ON BROADWAY AND 7TH AVENUE BETWEEN WEST
41ST AND WEST 53RD STREETS, BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation (“DOT”) intends to enter into a concession for the operation, management, and maintenance of the pedestrian plazas located on Broadway and 7th Avenue between West 41st and West 53rd Streets, Borough of Manhattan (“Licensed Plaza”), including through DOT-approved events, sponsorships, and subconcessions providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, or other similar merchandise within the Licensed Plaza.

This concession will be considered to be a major concession as defined in Title 62, Chapter 7 of the Rules of the City of New York and subject to the Uniform Land Use Review Procedure.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT’s prior written approval of both solicitation and award.

DOT has identified the Times Square District Management Association, Inc. d/b/a the Times Square Alliance, as a potential concessionaire, but DOT will consider additional expressions of interest from other qualified and experienced organizations for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Organizations may express interest in the proposed concession by contacting David Breen, Acting Deputy Director of Public Space by email at plazas@dot.nyc.gov or in writing at 55 Water Street, 6th Floor, New York, NY 10041 by September 11, 2017. Mr. Breen may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6693.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Re: Pedestrian Plaza Concession

Dear Ms. Brewer and Mr. Rubin:

Pursuant to Section 1-16 of the Concession Rules of the City of New York, the New York City Department of Transportation ("DOT") intends to seek approval from the Franchise and Concession Review Committee ("FCRC") to utilize a different procedure to negotiate a Sole Source Concession Agreement ("Agreement") with an organization (the "Concessionaire") for the operation, management and maintenance of the pedestrian plazas on Broadway and 7th Avenue between West 41st and West 53rd Streets, in the borough of Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships and subconcessions, including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the Concessionaire, and other similar merchandise within the Licensed Plaza. DOT has identified the Times Square District Management Association, Inc. d/b/a the Times Square Alliance as a potential Concessionaire, but DOT will consider additional expressions of interest from other qualified and experienced organizations. As such, a public notice is being placed in the City Record to inform other qualified organizations of this opportunity.

This concession will be considered to be a major concession as defined in Title 62, Chapter 7 of the Rules of the City of New York and subject to the Uniform Land Use Review Procedure.

If you have any questions, please feel free to contact me at 212-839-6210.

Sincerely,

Luis Sanchez, P.E.
