In those instances, the changes shall immediately cease and the parties will enter into good faith negotiations to resolve the dispute; in addition, all substantive changes must be approved in advance in writing by Parks. Licensee may increase any previously approved price by up to 3% a year by submission of written notice to Parks. Unless Parks objects, within twenty (20) days after receipt of written notice from Licensee, the increase is approved. However, if Parks objects then the parties will negotiate in good faith to resolve the dispute during which time the increase will not go into effect. In addition, Licensee may increase any previously approved price by more than 3% per year subject to Parks’ prior written approval. If any changes are made to Exhibit C, Licensee shall update Exhibit C accordingly and promptly provide a revised Exhibit C to Parks.

If any changes are made to Exhibit D, Licensee shall update Exhibit D accordingly and promptly provide a revised Exhibit D to Parks.

All hours of operation of Licensee and any Sublicensee, which are attached hereto as Exhibit E are approved by Parks. Licensee may make non-substantive change to the Exhibit E without seeking Parks approval, but Licensee must provide Parks with written notice within twenty (20) days of the non-substantive changes and Parks has twenty (20) days
after receipt of such notice to review and, if Parks disagrees, Parks shall notify Licensee it believes that the changes are substantive. In those instances, the changes shall immediately cease and the parties will enter into good faith negotiations to resolve the dispute; in addition, all substantive changes must be approved in writing by Parks. If any changes are made to Exhibit E, Licensee shall update Exhibit E accordingly and promptly provide a revised Exhibit E to Parks.

1.1 (l) Parks must approve in writing all prices for goods or services, or activities authorized in this Section 1.1.

1.2 All menus, merchandise, and other services for Sublicenses or Licensee’s operations must be approved in advance in writing by Parks, other than what has already been approved pursuant to Section 1.1 (i) and Exhibit C. Licensee, if it is selling food to the public, and any Sublicensee, shall obtain any and all approvals, permits, and other licenses required by Federal, State and City laws, rules, regulations and orders to sell food to the public. In furtherance of the foregoing, any staff assigned by Licensee or any Sublicensee, as applicable, to sell food and beverages to the public must possess all Federal, State, and City authorizations and possess, and at all times display, appropriate New York City Department of Health and Mental Hygiene (“DOHMH”) permits. A person may operate a Food Concession only if it has obtained the permits and authorizations required by DOHMH. At all times that a Food Concession is operating, a staff person with a valid DOHMH food handler’s license must be present. Any person selling food to the public without all necessary permits may be subject to fines and/or confiscation of goods.

1.3 The operation of a mobile food unit in the Park shall require a DOHMH Vendor License for each person designated as an operator of a mobile food unit and a DOHMH Mobile Food Vending Unit Permit for each mobile food unit. All persons designated as mobile food unit operators must have a valid DOHMH Vendor License in order to operate. All mobile food units must pass a DOHMH inspection in order to receive a DOHMH Mobile Food Vending Unit Permit. All mobile food units operating under this Agreement or a Sublicense must first pass a DOHMH inspection. Licensee or any Food Sublicensee, as applicable, must submit to Parks a valid DOHMH Vendor License and a DOHMH Mobile Food Vending Unit Permit before the operation of a mobile food unit can commence. Licensee or any Sublicensee, as applicable, must provide Parks with documentation that it has been issued a valid DOHMH Vendor License and DOHMH Mobile Food Vending Unit Permit for each mobile food unit. If Licensee or any Sublicensee operates a mobile food unit without a valid DOHMH Vendor License and a DOHMH Mobile Food Vending Unit Permit, Parks will instruct the operator thereof to cease operations and such operator will be subject to fines. When warranted, Officers of the Parks Enforcement Police, New York City Police Department, FDNY and DOHMH may confiscate the mobile food units, including goods. In the case of any third-party not operating under Licensee’s auspices or as otherwise authorized to operate pursuant to Federal, State, or City law, Parks will take reasonable steps to instruct the operator thereof to cease operations and such operator will be subject to fines.

1.4 The design, dimensions, and placement of any mobile food unit operating in the Park is subject to Parks’ prior written approval.
1.5 It is expressly understood that no land, building, space, or equipment is leased or otherwise conveyed to Licensee or to any Sublicensee pursuant to this License Agreement, but that, during the Term of this License, Licensee and any Sublicensee shall have the use of the Licensed Premises for the purposes herein provided. Notwithstanding the foregoing, the parties acknowledge and agree that the West Terrace and the improvements thereon are leased to Licensee pursuant to the Terrace Agreement and are not licensed to Licensee pursuant to this Agreement. However, the parties further agree that Licensee’s operations and activities on the West Terrace are subject to the terms and provisions of this License Agreement for so long as this License Agreement is in full force and effect, but the operations and activities of Restaurant Lessee (as defined below) on the West Terrace and the improvements operated by Restaurant Lessee on the West Terrace are not subject to the terms and provisions of this License Agreement, notwithstanding anything to the contrary contained in this License Agreement, except Licensee shall comply with Section 4.1(b) as it relates to Restaurant Lessee for so long as this License Agreement is in full force and effect. Similarly, Restaurant Lessee is not a Sublicensee, the Restaurant Lease is not a Food Concession, and no other food or beverage operation conducted by Restaurant Lessee on the West Terrace shall constitute a Food Concession under this License Agreement.

1.6 Licensee shall, and shall cause any Sublicensee to, provide at all times full and free access to the Licensed Premises to the Commissioner or his representatives and to other City, State and Federal officials having jurisdiction for inspection purposes and to ensure Parks’ satisfaction with Licensee’s and any Sublicensee’s compliance with the terms of this License or any sublicense.

1.7 (a) Licensee may enter into Sponsorships with a Sponsor, and may install Sponsorship Recognition for such Sponsor, all subject to the prior written approval of Parks, including, but not limited to, approval over the size, quantity and location of Sponsorship Recognition and other forms of recognition and subject to applicable laws, rules and regulations Licensee may submit to Parks for its approval proposed plans or mock-ups for Sponsorship Recognition, and if Parks approves any such proposed plans or mock-ups, then Licensee shall be entitled to use Sponsorship Recognition without any further approval of Parks so long as such Sponsorship Recognition is not materially different from the proposed plans or mock-ups theretofore approved by Parks, or from Exhibit D. In recognition of the commercial exigencies of product promotions, Licensee shall submit to Parks for its approval Sponsorship Recognition or related plans or mock-ups promptly after any of the foregoing is available, and Parks shall endeavor in good faith to review any submissions and respond with its approval or comments as expeditiously as practical, notwithstanding anything to the contrary contained in Section 12.3 or elsewhere in this Agreement.

(b) (i) Except as set forth in subparagraph (ii) below, all intellectual property rights in the Park name, signage, structures, historical location, monuments, or other items or material that depict, are sited in, or refer to the Park and any other names, trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property (i) developed or designed by the City or its employees, contractors, or others on behalf of the City, or (ii) in the case of trademarks, used by the City in commerce, unless Licensee is a prior user of any trademark in commerce, are the property of the City (“City IP”). To the extent that Licensee uses any City IP in the course of performing its non-
profit activities, Licensee shall obtain the prior written permission and approval from Parks for such use. If Parks permits Licensee to use the City IP for non-commercial purposes, such use will be non-exclusive, royalty-free, world-wide, non-transferrable and non-sublicensable and any revenue generated by Licensee therefrom will be for not-for-profit purposes and will be used by Licensee only in support of the Park. To the extent that Licensee seeks to make commercial use of City IP (i.e. through merchandise sales, licensing or other use intended to or which does generate revenue), such use shall require the prior, written agreement of Parks, on terms to be agreed by the parties, and any revenue derived by Licensee shall be used exclusively to benefit the Park. Upon Parks’ request, Licensee shall provide Parks with an accounting reasonably satisfactory to Parks of revenue derived from and expenditures made from any use of City IP. To the extent that prior permission and approval of Parks has already been obtained to use City IP (whether for non-commercial or commercial purposes, as the case may be), it is hereby continued as previously agreed upon, subject to the use and monetary restrictions contained in this subparagraph (i). Nothing in this subparagraph (i) prohibits Licensee, any Sublicensee or any other person claiming by or through Licensee or any Sublicensee from using the words “Bryant Park” as part of the business address thereof or in the ordinary course of business thereof, and nothing in this subparagraph (i) requires Licensee, any Sublicensee or any other person claiming by or through Licensee or any Sublicensee from obtaining permission from Parks to use the words “Bryant Park” as provided in this sentence; provided, however, that Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee specifically acknowledge that the Bryant Park name or words as described in this subparagraph (i) are included within the definition of City IP and no permitted use by Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall result in any ownership interest, title or other right on the part of Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall result in any ownership interest, title or other right on the part of Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee in such words or name, and further provided that any permitted use of such City IP by Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall immediately terminate when such person ceases to operate in the Park.

(ii) Any and all trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property rights that Licensee has or acquires that meet the following requirements (“Licensee Specific IP”) are the property of Licensee: such intellectual property (1) was created by or on behalf of Licensee, any Sublicensee, their respective employees, contractors, or others, other than at the specific direction of the City or Parks, and (2) includes no City IP (as defined in subparagraph (i) above) unless Parks grants prior written permission and approval for the use of City IP for use within Licensee Specific IP. The Licensee Specific IP shall be used exclusively in connection with Licensee’s activities, as shall Licensee’s ability to use any City IP that is incorporated into Licensee Specific IP with the City’s permission. Any revenue that Licensee derives from the use, licensing, or other exploitation of Licensee Specific IP shall be used during the Term of this License Agreement exclusively in connection with Licensee’s activities, but such restriction shall terminate on the expiration or termination of this License Agreement. Licensee hereby grants a non-exclusive, royalty-free, worldwide, non-transferrable and non-sublicensable license to the City and Parks to make use of, display and maintain Licensee Specific IP. Parks shall make no commercial use of Licensee Specific IP (e.g., merchandise
sales, licensing or other use intended to or which does generate revenue) without the prior written approval of Licensee.

(iii) All goodwill associated with the City IP or the Licensee Specific IP shall be the exclusive property of its respective owner and neither party shall take any actions inconsistent with such rights. Each party recognizes and acknowledges that the City IP and Licensee IP are the exclusive property of the other and they communicate in the public, worldwide, a reputation for high standards of quality and services, which reputation and goodwill have been and continue to be unique to the owner. Each party further recognizes and acknowledges that all trademarks, service marks, trade names, and service names included in the City IP and Licensee Specific IP have acquired secondary meaning in the mind of the public. Neither the City IP, nor the Licensee Specific IP shall be used in connection with any illegal, illicit, or immoral purpose or activity, or in any manner which could be inconsistent with or damaging to the owner’s name and reputation. Either party shall have the right to terminate this Agreement, upon written notice, in the event that any part of the City IP or Licensee Specific IP is used by the other party in connection with any illegal, illicit, or immoral purpose or activity. In the event that any of the City IP or Licensee Specific IP is used by the other party in any way which, in the reasonable judgment of the owner, is inconsistent with or damaging to the owner’s name or reputation, the owner shall notify the other party in writing and, prior to exercising the right of termination provided for in this paragraph, shall provide three (3) business days following receipt of such notice to the other party to immediately cease and halt all such uses.

(A) During the Term of this License Agreement, each party may make only the uses described in subparagraphs (i) and (ii) above. Each party acknowledges and agrees that all use of and goodwill in the City IP or Licensee Specific IP shall inure to the benefit of its owner. Neither the City, nor Licensee shall acquire any rights in the Licensee Specific IP or City IP, respectively, by virtue of any use it makes of it or any portion of it.

(B) The parties will not use the name or logos of the other party, its subsidiaries or affiliates in any sales or marketing publication or advertisement without prior full disclosure of such use and the written consent of the other party, such consent not to be unreasonably withheld, conditioned, or delayed.

(C) All provisions of this section will survive any expiration or termination of this License Agreement, except as otherwise set forth in this section.

1.8 In addition to the requirements of Sections 1.1(d) and (g) above concerning Licensee’s Special Events, Licensee and any Sublicensee, as applicable, must obtain a Parks permit for any Special Event attended by over twenty (20) people or any Special Event pursuant to which Licensee derives or retains revenues through fees or other charges. 3.1 This License shall become effective upon Parks giving written notice to proceed to Licensee (“Commencement Date”) and, unless terminated sooner in accordance with this License Agreement, shall terminate ten years from the Commencement Date or on the last day of any subsequent renewal periods that are exercised pursuant to this License (“Termination Date” or “Expiration Date”). The period between the Commencement Date and the Expiration Date, including any exercised renewal periods, shall be referred to as the “Term.” The parties hereto, by mutual agreement, shall have the option to renew this License for up to two (2) additional five-year periods. Each such option must be exercised by either party at least 12 months before what would otherwise be the Termination Date. If either party timely exercises a renewal option, the other party shall use best efforts to respond to such exercise by written notice given within thirty (30) days of such exercise, which notice shall state whether the other party accepts or rejects such exercise or requests additional time to make a decision.

3.2 Notwithstanding any language contained herein, this License is terminable at will by the Commissioner at any time; however, such termination shall not be arbitrary and capricious. Such termination shall be effective after twenty-five (25) days written notice is sent to Licensee. The Commissioner, the City, its employees and agents shall not be liable for damages to Licensee or any Sublicensee in the event that this License is terminated by the Commissioner as provided for in this Section 3.2.

3.3 Parks may terminate this License for cause as follows:

(a) Should Licensee or any Sublicensee breach or fail to comply with any of the provisions of this License or any Federal, State or local law, rule, regulation or order affecting this License, such Sublicensee or the Licensed Premises, the Commissioner shall in writing order Licensee to remedy such breach or failure. If Licensee fails to remedy such breach or failure within thirty (30) days following the mailing or other transmission of such written order, then the Commissioner shall have the right to terminate this Agreement. Notwithstanding
the foregoing, if such breach or failure cannot be remedied within such thirty (30) day period given the nature and scope of such breach or failure or due to reasons beyond Licensee’s control, as reasonably determined by Commissioner, the cure period shall be extended for such period as may be reasonably necessary in the Commissioner’s reasonable judgment to cure such breach. If such breach or failure arises from the acts or omissions of a Sublicensee, as reasonably determined by Commissioner, the cure period shall be reasonably extended by Commissioner beyond such thirty (30) days (not to exceed an additional 30 days) to give Licensee time to induce such Sublicensee to comply with such breach or failure or, if such Sublicensee fails to remedy such breach or failure in a timely manner, for Licensee to terminate the applicable Sublicense and regain possession of the Sublicensed Premises. If a breach or failure to comply is corrected, and a repeated violation of the same provision, law, rule, regulation or order follows thereafter, Commissioner, by notice in writing, may revoke and terminate this License, such revocation and termination to be immediately effective on the mailing or other transmission thereof.

(b) The following shall constitute events of default for which this License may be terminated on one day’s notice: the appointment of any receiver of Licensee's assets; the making of a general assignment for the benefit of creditors by Licensee; the occurrence of any act which operates to deprive Licensee permanently of the rights, powers and privileges necessary for the proper conduct and operation of this License; and the levy of any attachment or execution which substantially interferes with Licensee's operations under this License and which attachment or execution is not vacated, dismissed, stayed or set aside within a period of sixty days.

3.4 Upon the expiration or sooner termination of this License by the Commissioner, all rights of Licensee and any Sublicensee shall be forfeited without claim for loss, damages, refund of investment or any other payment whatsoever against the Commissioner, Parks or the City.

3.5 Licensee agrees that upon the expiration or sooner termination of this License, it shall immediately cease operations and cause any Sublicensee to cease all operations pursuant to this License and shall vacate and cause any Sublicensee to vacate the Licensed Premises without any further notice by the City and without resort to any judicial proceeding by the City. Upon the expiration or sooner termination of this License, the City reserves the right to take immediate possession of the Licensed Premises.

3.6 Licensee shall, on or prior to the date that is fifteen (15) days following the expiration or sooner termination of this License (the fifteen (15) day period beginning on the expiration or sooner termination of this License being the “Removal Period,” and the last day of the Removal Period being the “Removal Deadline”), remove from the Licensed Premises and shall cause any Sublicensee to remove, all Personal Equipment, all Capital Improvements and Alterations or Minor Alterations that are not Additional Fixed Equipment, and Additional Fixed Equipment to which the City has not taken title pursuant to Section 7.2(a) and Section 8.3 (such equipment being “Removal Equipment”). Licensee acknowledges that any Removal Equipment remaining on the Licensed Premises after the Removal Deadline shall be deemed to be abandoned. Licensee shall remain liable to the City for the cost of removal or disposal of Removal Equipment, should Licensee fail to remove all
Removal Equipment from the Licensed Premises by the Removal Deadline. During the Removal Period, Licensee shall have the right to enter the Licensed Premises to remove any Removal Equipment, provided that Licensee shall maintain the insurance required by Article 20 hereof during the Removal Period and shall indemnify, defend and hold the City and its officials harmless against all claims and demands of third parties for injury, including death, or property damage, arising out of any such entry and removal, and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys’ fees and disbursements), arising from any such claims and demands. In addition, if the removal of Removal Equipment results in damage to the Park and Licensee or such Sublicensee fails to repair such damage to the Commissioner’s reasonable satisfaction and upon such deadline as reasonably determined by the Commissioner, then Licensee shall be responsible for the cost of such repair which shall be promptly paid to Parks upon Parks’ written demand to Licensee (the cost of such removal and the cost of such repair being collectively, “Removal Costs”).

3.7 In addition to Removal Costs, Licensee shall be liable to Parks for the following damages if Parks terminates this Agreement pursuant to Section 3.3: (i) if Parks terminates this Agreement pursuant to Section 3.3 on account of the failure of Licensee to comply with Licensee’s maintenance obligations under this Agreement, the reasonable costs borne by Parks to perform the specific maintenance obligations that Licensee failed to perform in accordance with this Agreement, and (ii) if at the time of any such termination, Licensee commenced an Alteration or Minor Alteration and fails to complete such Alteration or Minor Alteration, Licensee shall be liable for the cost to complete such Alteration or Minor Alteration which shall be promptly paid to Parks upon Parks’ written demand to Licensee; provided, however, that unless the performance by Licensee of such Alteration or Minor Alteration was the basis for Parks terminating this Agreement pursuant to Section 3.3, at the parties’ mutual election Licensee shall have the right to complete such Alteration or Minor Alteration at Licensee’s expense and the termination of this Agreement on account thereof shall be suspended until such Alteration or Minor Alteration is completed to the extent necessary for the purposes of completing such Alteration or Minor Alteration. During such time, the Insurance and Indemnification requirements of this Agreement shall remain in force. Except for Removal Costs and such other damages and other sums as are set forth in Sections 3.6 and 3.7, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement pursuant to Section 3.3. Except for Removal Costs, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement pursuant to Section 3.2.

3.8 If this License is terminated as provided in Section 3.2 or 3.3 hereof, and/or upon the expiration of the License, Parks may, without notice, re-enter and repossess the Licensed Premises without being liable to indictment, prosecution or damages therefor and may dispossess Licensee and any Sublicensee by summary proceedings or other legal means.

3.9 Except as otherwise provided in Section 3.7, if this License is terminated as provided in Section 3.3 hereof, Parks may complete all repair, maintenance and construction work required to be performed by Licensee or any Sublicensee hereunder and may repair and alter any portion(s) of the Licensed Premises in such manner as Parks may deem necessary or advisable, which will not be at Licensee’s expense, and Parks may relicense the Licensed
Premises or any portion thereof for the whole or any part of the remainder of the Term or for a longer period. Parks shall in no way be responsible or liable for any failure to relicense any portion(s) of the Licensed Premises or for any failure to collect any fees due on any such relicensing, and no such failure to relicense or to collect fees shall operate to relieve Licensee of any liability under this Agreement or to otherwise affect any such liability.

3.10 No receipt of moneys by Parks from Licensee or any Sublicensee after the termination of this License Agreement, or after the giving of any notice of the termination of this License Agreement, shall reinstate, continue or extend the Term or affect any notice theretofore given to Licensee or any Sublicensee, or operate as a waiver of the right of Parks to recover possession of the Licensed Premises by proper remedy.

3.11 In the event this License Agreement is terminated, Parks will not reimburse Licensee’s or any Sublicensee’s unamortized capital improvement cost.

Notwithstanding anything to the contrary in the foregoing, the statement of Gross Receipt for any Sublicensee or Restaurant Lessee may be for its fiscal or operating year rather than the Fiscal Year.

Such statements shall be in sufficient detail to show that Licensee is in full compliance with Section 1.1(f) hereof. Such annual statement shall be submitted to the Commissioner no later than one hundred twenty (120) days after the close of each Fiscal Year of the Term of this Agreement together with a supplemental unaudited statement setting forth an itemization of such salaries.

Specifically, sales information must be recorded electronically, via a computerized point-of-sale system, and must include, but is not limited to, the item(s) sold, time, date of sale and price of the item sold. All accounting and internal control related records of Licensee shall be maintained for a minimum of ten (10) years from the date of creation of the record. in order to assure that the procedures are adequate to reveal the true, correct and entire business
conducted by the Licensee and any Sublicensee. Licensee shall, and shall cause any Sublicensee
to, maintain each year's records, books of account and data for a minimum of ten (10) years from
the date of creation of the record.

City for examination and audit or Licensee or such Sublicensee, as applicable, must pay the
food, board and travel costs incidental to two auditors conducting such examination or audit
at said location.

5.2 Notwithstanding the foregoing, the parties acknowledge and agree that the

The inscription shall be highlighted for legibility following mutually agreed methods between Licensee and Parks. Documentation with digital photos shall be kept and shared with Parks Art & Antiquities Division to track ongoing conditions. The pedestal and canopy’s masonry shall be pointed as necessary. In performing this maintenance, subject to the mutual agreement of the parties, Licensee may either (i) make arrangements to utilize the Parks’ Arts and Antiquities Division and provide reimbursement to Parks for the costs and expenses relating to such maintenance including staff time and equipment or (ii) retain the services of an outside qualified firm selected by Licensee but subject to Parks Arts & Antiquities Division’s written approval. In the latter instance, Licensee shall advise Parks prior to the occurrence of remedial care and shall submit visual and written documentation of the maintenance in keeping with Parks’ standards. In 2017 the monument underwent an in depth restoration which included cleaning, installation of lead weather caps, selective repatination, and re-mortaring all compromised joints. This work was performed pursuant to the Parks Citywide Monuments Conservation Program and supported by the Licensee. Under no circumstances shall any equipment or supplies or park furniture used by the Licensee or its Sublicensees be stored in such a way as to make contact with the monument or impede public access and appreciation.

(xiv) With respect to the William Earl Dodge Monument, the sculpture and pedestal shall be cleaned periodically of soiling and environmental particulates. The monument shall be monitored and undergo annual maintenance which includes a condition assessment, an over-all washing with an anionic detergent, necessary repairs to the existing Incralac coating, and a cold wax application for the bronze. The inscription shall be renewed as necessary (the E at the end of Earl is ungilded on purpose to account for a spelling error in the carving). Documentation with digital photos shall be kept and shared with Parks Art & Antiquities Division to track ongoing conditions. In performing this maintenance, subject to the mutual agreement of the parties, Licensee may either (i) make arrangements to utilize the Parks’ Art and Antiquities Division and provide reimbursement to Parks for the costs and expenses relating to such maintenance including staff time and equipment or (ii) retain the services of an outside qualified firm selected by Licensee but subject to Parks Art & Antiquities Division’s written approval. In the latter instance, Licensee shall advise Parks prior to the occurrence of remedial care and shall submit visual and written documentation of the maintenance in keeping with Parks’ standards.

(xv) With respect to the Johann Wolfgang von Goethe Monument, the bust and pedestal shall be cleaned periodically of soiling. The monument shall be monitored and undergo annual maintenance which includes a condition assessment, an over-all washing with an anionic detergent, necessary repairs to the existing Incralac coating, and a cold wax application for the bronze. The inscription shall be renewed as necessary. Additional work may be required to remove graffiti and selectively re-polish the granite pedestal. Documentation with digital photos shall be kept and shared with Parks Art & Antiquities Division to track ongoing conditions. In performing this maintenance, subject to the mutual agreement of the parties, Licensee may either (i) make arrangements to utilize the Parks’ Art and Antiquities Division and provide reimbursement to Parks for the costs and expenses relating to such maintenance including staff time and equipment or (ii) retain the services of an outside qualified
firm selected by Licensee but subject to Parks Art & Antiquities Division’s written approval. In the latter instance, Licensee shall advise Parks prior to the occurrence of remedial care and shall submit visual and written documentation of the maintenance in keeping with Parks’ standards.

(xvi) With respect to the Gertrude Stein Monument, the sculpture and pedestal shall be monitored and undergo annual maintenance which includes a condition assessment, an over-all washing with an anionic detergent, necessary repairs to the existing hot wax coating, and a cold wax application for the bronze. The inscription shall be renewed as necessary. Documentation with digital photos shall be kept and shared with Parks Art & Antiquities Division to track ongoing conditions. In performing this maintenance, subject to the mutual agreement of the parties, Licensee may either (i) make arrangements to utilize the Parks’ Art and Antiquities Monuments Division and provide reimbursement to Parks for the costs and expenses relating to such maintenance including staff time and equipment or (ii) retain the services of an outside qualified firm selected by Licensee but subject to Parks Art & Antiquities Division’s approval. In the latter instance, Licensee shall advise Parks prior to the occurrence of remedial care and shall submit visual and written documentation of the maintenance in keeping with Parks’ standards.

(xvii) The maintenance and upkeep of the Benito Juarez Monument, shall not be the responsibility of Licensee.

(xviii) Licensee shall provide necessary protections for all monuments from obstructions, park furniture and appurtenances, tree pruning, and any other obstructions or impediments caused by park activities.

(b) Licensee shall comply with the rating standards for all applicable enumerated categories set forth in the Parks Inspection Program (“PIP”) to the extent such standards and categories apply to the Licensed Premises. Notwithstanding this provision, Licensee shall maintain the Licensed Premises in accordance with Parks' standards, including, but not limited to, the applicable categories as set forth in the, PIP Manual and/or any other standards that Parks may require in the future. Licensee acknowledges receipt of the PIP Manual.

11.2 Trees. Licensee shall water all trees, shrubs, plantings and grass-covered areas as necessary to maintain such vegetation in a healthy condition. Licensee shall provide additional seasonal plantings to supplement Parks’ plantings at the Licensed Premises. Certain major landscaping work constituting Alterations shall require the approval of Parks as set forth in Article 7. Licensee shall also comply with the following with respect to trees in the Licensed Premises:

(a) Branches or trees damaged or felled by excessive winds, ice, vandalism, or by any other reasons whatsoever shall be promptly removed.

(b) Licensee may not cut down, replant or remove any tree from the Park without prior written approval from the Commissioner, except that Licensee may replace potted trees as needed without prior approval. Any plans developed by Licensee for gardens or other
horticultural installations in the Park shall be submitted for the Commissioner’s approval in advance of any planting.

(c) Within the first year of the Term, Licensee shall engage the services of a certified arborist to conduct an initial aerial inspection of the trees in the Park, i.e. by climbing or use of a bucket/lift, (also known as a Level 3 Inspection as defined by the International Society of Arboriculture) and to generate a report of the findings. A copy of the inspection report shall be provided to Parks.

(d) On an annual basis, Licensee shall engage the services of a certified arborist to conduct a diagnostic inspection (also known as a Level 2 Inspection as defined by the International Society of Arboriculture) of the trees in the Park for potential defects and to generate a report of the findings. A copy of the report shall be provided to Parks. In the event there are any conditions warranting further inspection, Licensee shall conduct a Level 3 Inspection.

(e) Licensee shall conduct visual inspections of the trees in the Park on a monthly basis to identify any potential defects (also known as a Level 1 Inspection as defined by the International Society of Arboriculture). Any such potential defects shall be promptly reported to the Director of Manhattan Forestry.

11.3 This paragraph describes Licensee’s current security services for the Park. These security services are intended to supplement any services provided by the City, including services provided by the New York City Police Department and Emergency Medical Services provided by the New York City Fire Department, it being agreed, however, that nothing in this Agreement obligates the City to provide any such services. Nine security officers of the Licensee provide twenty-four-hour security within the park. The post are as follows: Bryant Park East, Bryant Park West, and Special Post, which patrols the exterior of the park and the New York Public Library Terrace. There is a dedicated park supervisor scheduled from 7:30 a.m. to 2:30 p.m., Monday through Friday. Rotating security supervisors cover the park from 3:00 p.m. to 11:00 p.m., seven days per week and on weekends from 7:00 a.m. to 3:00 p.m. Security coverage for any Special Event is determined by the executive staff and the park supervisor. The needs for coverage can be provided by overtime assignments (full tour and extended tour), the hiring of contract security services, and utilizing the NYPD Paid Detail Unit. The Paid Detail Unit supplies an off-duty uniformed police officer for high visibility and police presence. Each security officer of Licensee possesses a New York State security license and has received annual training certified by New York State. In addition, each officer receives daily “roll call” instructions, during which the officers are given instructions for the day, particularly if the area will be the location of a Special Event (such as a parade or protest). Security officers are unarmed and have no authority to arrest persons. Security officers are equipped with two-way radios, which allows them to notify Licensee’s security operations center of unusual events, for which a response from New York Police Department or Emergency Medical Service is recommended. Security officers are expected to enforce rules of the Park (e.g., patrons are forbidden to remove alcohol from the Park or to sit on the monuments), interact with people and intervene to prevent or de-escalate disputes, patrol the toilet facilities to reduce illegal behavior inside the toilet facilities, and observe the conduct of people who may be
emotionally disturbed or whose conduct may be influenced by the consumption of alcohol or illegal drugs to intervene in the event their conduct interferes with the enjoyment of the Park by others. Licensee shall continue to provide security services generally consistent with the foregoing during the Term.

11.4 At the expiration or sooner termination of this License, consistent with the maintenance responsibility required of Licensee by this License, Licensee shall turn over the Licensed Premises to Parks in a well maintained state, in good repair, ordinary wear and tear excepted.

11.5 Licensee will be responsible for regular pest control inspections and extermination as needed. To the extent that Licensee applies pesticides to the Licensed Premises or any portion thereof, Licensee or any subcontractor hired by Licensee shall comply with applicable laws, including Chapter 12 of Title 17 of the New York City Administrative Code and limit the environmental impact of its pesticide use.

11.6 For any vehicle fuel dispensing tanks or underground heating oil storage tanks over 1,100 gallon capacity, Licensee shall maintain up-to-date Petroleum Bulk Storage (“PBS”) registrations with New York State Department of Environmental Conservation and register such tanks with the DEP. Licensee will assume all registration and update costs. Licensee must keep a copy of the PBS Certificate on site and provide copies to Parks’ 5-Boro Office on Randall’s Island, New York. Licensee shall perform or have performed a tightness test conducted at least once every five years, to comply with Parks monitoring leak detection checklists for the tank(s) and all other legal requirements. Any changes, removals or additions of tanks must be pre-approved by Parks.

11.7 Licensee shall have no responsibility for maintaining the two 5th Avenue bus shelters, nor any LinksNYC kiosks should they be installed on the Licensed Premises.

12. APPROVALS

12.1 Licensee is solely responsible for obtaining all approvals, permits and licenses required by Federal, State and City laws, regulations, rules and orders for the lawful operation, management and maintenance of the concession granted by this License.

12.2 Whenever any act, consent, approval or permission is required of the City, Parks or the Commissioner under this License (a “Parks Approval”), the same shall be valid only if it is, in each instance, in writing and signed by the Commissioner or his or her duly authorized representative. No variance, alteration, amendment, or modification of this instrument shall be valid or binding upon the City, Parks, the Commissioner or their agents, unless the same is, in each instance, in writing and duly signed by the Commissioner or his duly authorized representative.

12.3 Parks shall use reasonable efforts to respond to Licensee’s request for a Parks Approval within 21 days following Parks’ receipt of such request. For those matters as to which Parks has agreed in this Agreement not to unreasonably withhold its approval, if Parks rejects Licensee’s request for a Parks Approval, Parks shall use reasonable efforts to provide specific reasons for such rejection, and if following a rejection by Parks, Licensee revises its
submission to address the specific reasons for such rejection and resubmits such request to Parks, Parks shall use reasonable efforts to respond to Licensee’s resubmitted request for a Parks Approval within ten (10) days following receipt of such resubmission. Issuance by Parks of a permit for an event, including Special Events permit for a Licensee’s Special Event shall constitute approval by Parks of such Licensee’s Special Event. Licensee’s submission of an application for a Special Events permit for a Licensee’s Special Event, with all relevant back-up information, shall constitute notice by Licensee to Parks of Licensee’s Special Event for purposes of this Agreement. Notwithstanding the review period prescribed above or elsewhere in this Agreement, the parties acknowledge there will be occasions in which Licensee requires a significantly shorter response period than the period prescribed herein (e.g., a proposal for a promotional Licensee’s Special Event is made to Licensee three (3) days prior to the proposed date of the promotional Licensee’s Special Event). Parks shall use reasonable efforts to accommodate Licensee’s shorter approval requests. Further, notwithstanding the foregoing, the Commissioner in his sole discretion may entertain an appeal of a denial submitted by Licensee within five (5) days of such denial.

12.4 Kate Spellman (kate.spellman@parks.nyc.gov) or her designee is the Parks representative who has, as of the date hereof, authority to issue an approval by Parks for the various types of approvals that are contemplated by this License Agreement. Reasonably promptly after any personnel change results in a change in the Parks representatives, Parks shall update the name and email address of the new Parks representative.

13. PARKS’ SPECIAL EVENTS

13.1 For the purposes of this Section 13 the term “Parks’ Special Event(s)” shall mean any Special Event at the Licensed Premises sponsored by Parks. The Commissioner represents to Licensee that the Commissioner has not, as of the date hereof, granted to any other person or entity any license, permit, or right of possession or use of the Licensed Premises or any portion thereof. For each Parks Special Event, Parks shall comply with the following conditions: (a) Parks shall give Licensee not less than thirty (30) days (or such lesser period as agreed by the parties) advance notice of any Parks’ Special Event, and any annual event will be on a date mutually agreed to by Parks and Licensee, (b) Parks shall not sponsor or permit a Parks’ Special Event on a date that will conflict with a Licensee’s Special Event for which Licensee has submitted to Parks an application for a Special Event Permit and such Special Event Permit has been approved by Parks, (c) Parks shall be responsible for maintenance and clean-up associated with any such Parks’ Special Event and may delegate such maintenance and clean-up obligation to a third-party, but such delegation shall not relieve Parks of primary responsibility to Licensee for such maintenance and clean-up, and (d) each Sublicensee, in its own discretion, may elect to operate or not to operate during any Parks’ Special Event. Subject to the foregoing conditions, Licensee shall, and shall require that each Sublicensee, cooperate with Parks in connection with Parks’ Special Events. Such events shall not, without the prior written consent of Licensee, prohibit the Licensee or any Sublicensee from reasonable access to the Licensed Premises. Furthermore, Parks reserves the right to grant permits for “Demonstrations” as defined in Section 1-02 of Parks’ Rules and Regulations at the Licensed Premises where appropriate under Parks’ Rules and Regulations and where such Demonstrations do not unreasonably interfere with previously scheduled and Parks-approved Licensee’s Special Events as reasonably determined by Parks.
14. PROHIBITION AGAINST TRANSFER; ASSIGNMENTS AND SUBLICENSES

14.1 Except for Sublicenses approved by Parks, Licensee shall not sell, transfer, assign, sublicense or encumber in any way this License, ten percent or more of the shares of or interest in Licensee (unless it is agreed to, in writing, by Parks and signed by the Commissioner or Commissioner’s designee), or any equipment furnished as provided herein, or any interest therein, or consent, allow or permit any other person or party to use any part of the Licensed Premises, buildings, space or facilities covered by this License, nor shall this License be transferred by operation of law, it being the purpose of this License Agreement to grant this License solely to Licensee herein named.

Should Licensee choose to assign or sublicense the management and operation of any element of the Licensed Premises to another party, Licensee shall seek the approval of the Commissioner (which shall not be unreasonably withheld) by submitting a written request including proposed assignment documents as provided herein. The Commissioner may request any additional information Commissioner deems necessary and Licensee shall promptly comply with such requests.

The term “assignment” shall be deemed to include any direct or indirect assignment, sublet, sale, pledge, mortgage, transfer of or change in more than ten percent in stock or voting control of or interest in Licensee, including any transfer by operation of law. No sale or transfer of the stock of or interest in Licensee may be made under any circumstance if such sale will result in a change of control of Licensee violative of the intent of this Section 14, without the prior written consent of Commissioner.

14.2 No assignment or other transfer of any interest in this License Agreement shall be permitted which, alone or in combination with other prior or simultaneous transfers or assignments, would have the effect of changing the ownership or control, whether direct or indirect, of ten percent (10%) or more of the stock or voting control of Licensee in the Licensed Premises without the prior written consent of Commissioner. Licensee shall present to Commissioner the assignment or sublicense agreement for approval, together with any and all information as may be required by the City for such approval, including a statement prepared by a certified public accountant indicating that the proposed assignee or sublicensee has a financial net worth acceptable to the Commissioner together with a certification that it shall provide management control acceptable to the Commissioner for the management and operation of the Licensed Premises. The constraints contained herein are intended to assure the City that the Licensed Premises are operated by persons, firms and corporations which are experienced and reputable operators and are not intended to diminish Licensee's interest in the Licensed Premises.

14.3 No consent to or approval of any assignment or sublicensee granted pursuant to this Article 14 shall constitute consent to or approval of any subsequent assignment or sublicense. Failure to comply with this provision shall cause the immediate termination of this License.
14.4 In addition to the foregoing requirements, Licensee shall immediately report to Parks any proposed change of five percent or more of the shares of or interest in Licensee when such change takes place.

15. **PARKS CONSTRUCTION**

15.1 Parks reserves the right to make repairs, alterations, decorations, additions or improvements to Licensed Premises (“Parks Construction”) at Parks’ expense as Parks deems necessary in its discretion at any time during the Term, subject to the following conditions: (a) except for Parks Construction in response to an emergency, as determined by Parks, Parks shall give Licensee not less than sixty (60) days’ notice of any Parks Construction, which notice shall set forth the scope and schedule of the Parks Construction, (b) Parks shall consult with Licensee about the proposed schedule for any Parks Construction if such Parks Construction will interfere with any Parks-approved Licensee’s Special Events, (c) Parks shall use reasonable efforts to minimize interference with the operations of any Sublicensee and with the operations of Licensee, (d) if any Parks Construction results in the temporary removal of any improvements in the Licensed Premises, Parks shall restore such improvements to their condition prior to such temporary removal promptly following completion of such Parks Construction, (e) Parks Construction shall be performed in a good and worker-like manner, (f) Parks shall contain all equipment and supplies for any Parks Construction in a reasonably confined area, and Parks shall not store overnight in the Licensed Premises any debris (except in response to an emergency), and (g) Parks shall take reasonable steps to minimize construction dust and residue, and Parks shall be responsible for cleaning such dust and residue on a daily basis. Licensee shall, and shall cause any Sublicensee to, reasonably cooperate with Parks to accommodate any Parks Construction and provide public and construction access through the Licensed Premises as deemed necessary by the Commissioner. Parks may temporarily close a part or all of the Licensed Premises for a Parks Construction as determined by the Commissioner. In the event that Parks does temporarily close a part of or all of the Licensed Premises for a Parks Construction, then Licensee may propose and submit for the Commissioner's approval a plan to equitably address the impact of the closure. Licensee shall, and cause any Sublicensee to, be responsible for the security of all Licensee's property or Sublicensee’s property, as applicable on the Licensed Premises at all times, but Parks shall be responsible for any damage to any such property to the extent arising from the performance of any Parks Construction, and Parks shall be solely responsible for claims, damages, or injury resulting from Parks Construction, except to the extent such claims, damages and injury are caused by the negligence or willful misconduct of Licensee or any Sublicensee.

16. **COMPLIANCE WITH LAWS**

16.1 Licensee shall faithfully perform and carry out the provisions of this License and cause its agents, employees, and Sublicensees to conform to all rules, regulations, and orders prescribed as of the date hereof or which may hereafter be reasonably prescribed by the Commissioner, provided the Commissioner shall use reasonable efforts to give Licensee notice of any rules, regulations, or orders hereafter prescribed by Parks, and shall comply with all laws, regulations, rules, and orders of any kind whatsoever and of any agency or entity of government whatsoever applicable to the Licensed Premises and the Licensee's use
and occupation thereof. This provision includes, but is not limited to, the Parks’ Rules and Regulations as set forth in 56 RCNY §1-01 et seq., New York City Administrative Code §18-137, the New York State Not-for-Profit Corporation Law, applicable tax and labor laws relating to non-discrimination in employment, and laws protecting youths from child abuse and maltreatment.

16.2 Licensee shall use the Licensed Premises in compliance with, and shall not cause or permit the Licensed Premises to be used in violation of, any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of the courts, permits or permit conditions, currently existing or as amended or adapted in the future which are or become applicable to Licensee or the Licensed Premises (collectively “Environmental Laws”). Licensee shall not cause or permit, or allow any of Licensee’s personnel to cause or permit, any Hazardous Materials to be brought upon, stored, used generated, treated or disposed of on the Licensed Premises. As used herein, “Hazardous Materials” means any chemical, substance or material which is now or becomes in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, its properties or effects.

16.3 Licensee shall not use or allow the Licensed Premises, or any portion thereof, to be used or occupied for any unlawful purpose or in any manner that violates a certificate pertaining to occupancy or use during the Term.

17. NON-DISCRIMINATION

17.1 No Licensee or Sublicensee shall unlawfully discriminate against any employee, applicant for employment or patron because of race, creed, color, national origin, age, sex, handicap, marital status, or sexual orientation.

17.2 All advertising for employment for Licensee or any Sublicensee shall indicate that Licensee or such Sublicensee, as applicable, is an Equal Opportunity Employer.

18. NO WAIVER OF RIGHTS

18.1 No acceptance by the Commissioner of any compensation, fees, penalty, sums, charges or other payments in whole or in part for any periods after a default of any terms and conditions herein shall be deemed a waiver of any right on the part of the Commissioner to terminate this License. No waiver by the Commissioner of any default on the part of Licensee in performance of any of the terms and conditions herein shall be construed to be a waiver of any other or subsequent default in the performance of any of the said terms and conditions.

19. RESPONSIBILITY FOR SAFETY, INJURIES OR DAMAGE, AND INDEMNIFICATION

19.1 (a) Licensee shall take all reasonable precautions to protect the safety of its employees, agents, servants, invitees, Sublicensees, contractors, and subcontractors while they are on the Licensed Premises involved in the operations under this License.
(b) Licensee shall take all reasonable precautions to protect the persons and property of the City or others from damage, loss or injury resulting from any and all operations under this License.

19.2 (a) To the fullest extent permitted by law, subject to Section 19.2(c), Licensee shall indemnify, defend and hold the City and its officials and employees (an “Indemnified Party”) harmless against any and all claims and demands of third parties for injury, including death, or property damage arising out of operations under this License Agreement (“Claims”), and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys' fees and disbursements) arising from any Claims (together with Claims, “Liabilities”), arising out of the (i) the condition of the Park, (ii) the acts or omissions (where there is a duty to act) of Licensee or any Sublicensee or any of their respective employees, servants, contractors, subcontractors or agents, in any operations under this License, or (iii) Licensee’s or any Sublicensee’s or any of their respective employees’, servants’, contractors’, subcontractors’ or agents’ failure to comply with applicable law or any of the requirements of this License, regardless of whether any of the foregoing have been negligent. Insofar as the facts or law relating to any of the foregoing would preclude the Indemnified Party from being completely indemnified, the Indemnified Party shall be partially indemnified by Licensee to the fullest extent permitted by law.

(b) Licensee shall include the following indemnification (or a substantially comparable provision) in each Sublicense entered into during the Term of this Agreement:

To the fullest extent permitted by law, Sublicensee shall indemnify, defend and hold the City and its officials and employees (an “Indemnified Party”) harmless against any and all claims and demands of third parties for injury (including death) or property damage arising out of operations under this Sublicense (“Claims”), and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys' fees and disbursements) arising from any Claims (together with Claims, “Liabilities”), arising out of the (i) the condition of the Sublicensed Premises, (ii) the acts or omissions (where there is a duty to act) of Sublicensee or any of its employees, servants, contractors, subcontractors or agents, in any operations under this Sublicense, or (iii) Sublicensee’s or any of its employees’, servants’, contractors’, subcontractors’ or agents’ failure to comply with applicable law or any of the requirements of its Sublicense, regardless of whether any of the foregoing have been negligent. To the extent Liabilities arise from the following, they shall be excluded from Sublicensee’s indemnification and defense obligations under this paragraph: (i) any construction performed by Parks or Parks’ contractors, (ii) any Parks’ Special Event, or (iii) the negligence or willful misconduct of the City or any of its officials, employees, contractors or agents (except for any negligence imputed to the City or any of its officials, employees, contractors, or agents arising from the negligence by Licensee or any Sublicensee in the performance of its maintenance obligations under this Agreement). Insofar as the facts or law relating to any of the foregoing would preclude the Indemnified Party from being completely indemnified, the
Indemnified Party shall be partially indemnified by Sublicensee to the fullest extent permitted by law.

(c) To the extent Liabilities arise from the following, they shall be excluded from Licensee’s indemnification and defense obligations under Section 19.2(a): (i) any construction performed by Parks or Parks’ contractors, (ii) any Parks’ Special Event, or (iii) the negligence or willful misconduct of the City or any of its officials, employees, contractors or agents (except for any negligence imputed to the City or any of its officials, employees, contractors, or agents arising from the negligence by Licensee or any Sublicensee in the performance of its maintenance obligations under this Agreement).

(d) To the fullest extent permitted by law, the Licensee shall defend, indemnify, and hold harmless the Indemnified Parties against any and all Claims and Liabilities that the Indemnified Parties may be subject to or which they may suffer or incur allegedly arising out of any infringement, violation, or unauthorized use of any copyright, trade secret, trademark or patent or any other property or personal right of any third party by the Licensee, any Sublicensee or any of their respective employees, agents, servants, contractors or subcontractors in the operations under this License including any such infringement, violation, or unauthorized use arising while Licensee is in compliance with the License. Insofar as the facts or law relating to any of the foregoing would preclude an Indemnified Party from being completely indemnified by the Licensee, the Indemnified Party shall be partially indemnified by the Licensee to the fullest extent permitted by law.

(e) Upon receipt by any Indemnified Party of actual notice of a Claim to which such Indemnified Party is entitled to indemnification in accordance with Sections 19.2(a) or (d), Parks shall give prompt notice of such Claim to Licensee. Licensee shall assume and prosecute the defense of such Claim at the sole cost and expense of Licensee. Licensee may settle any such Claim in its discretion so long as such settlement includes an unconditional release of the Indemnified Party.

19.3 Licensee’s obligation to defend, indemnify and hold the Indemnified Parties harmless shall not be (i) limited in any way by Licensee’s obligations to obtain and maintain insurance under this Licensee, nor (ii) adversely affected by any failure on the part of an Indemnified Party to avail themselves of the benefits of such insurance.

20. **INSURANCE**

20.1 (a) Throughout the Term, Licensee shall ensure that the types of insurance indicated in this Article are obtained and remain in force, and that such insurance adheres to all requirements herein. The City may require other types of insurance and/or higher liability limits and other terms if, in the opinion of the Commissioner, any change in Licensee’s operations after the date hereof warrant the foregoing.

(b) Licensee is authorized to undertake or maintain operations under this License only during the effective period of all required coverage.

20.2 (a) Licensee shall maintain Commercial General Liability insurance in the amount of at least Two Million Dollars ($2,000,000) per occurrence for bodily injury
(including death) and property damage and Two Million Dollars ($2,000,000) for personal and advertising injury and not less than Five Million Dollars ($5,000,000) in the aggregate on a per location basis, and Five Million Dollars products completed operations coverage, which amounts may be obtained by a combination of primary and umbrella coverage carried by Licensee. This insurance shall protect the insureds from claims for property damage and/or bodily injury, including death, and personal and advertising injury that may arise from any of the operations under this License. Coverage shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 0001, shall contain no exclusions other than as required by law or as approved by the Commissioner, and shall be “occurrence” based rather than “claims-made.”

(b) Licensee shall require that each Sublicensee and each of its construction contractors maintain Commercial General Liability insurance in the amount of at least One Million Dollars ($1,000,000) per occurrence for bodily injury (including death), One Million Dollars ($1,000,000) for personal and advertising injury, One Million Dollars ($1,000,000) in the aggregate, and One Million Dollars ($1,000,000) products completed operations coverage. This insurance shall protect the insureds from claims for property damage and/or bodily injury, including death, and personal and advertising injury that may arise from any of the operations under this License. Coverage shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 0001, shall contain no exclusions other than as required by law or as approved by the Commissioner, and shall be “occurrence” based rather than “claims-made.”

(c) Such Commercial General Liability insurance maintained by Licensee and each Sublicensee and construction contractor shall list the City, together with its officials and employees, as an Additional Insured for claims arising out of any of the operations under this License. Coverage shall be at least as broad as the most recent edition of ISO Form CG 20 26 and CG 20 37. “Blanket” or other forms are also acceptable if they provide the City, together with its officials and employees, with coverage at least as broad as ISO Forms CG 20 26 and CG 20 37.

(d) If Licensee or a Sublicensee of Licensee or a contractor of either serves alcoholic beverages anywhere on the Licensed Premises, Licensee and its Sublicensee and contractor shall carry or cause to be carried liquor law liability coverage in an amount not less than Two Million Dollars ($2,000,000) per occurrence and list the City, together with its officials and employees, as an additional insured. Such insurance shall be effective prior to the commencement of any operations in which alcoholic beverages are sold and continue for the duration of such operations. The Commissioner may increase or decrease the limit(s) if the Commissioner reasonably believes that the nature of such operations merits an increase or decrease.

20.3 Licensee shall maintain Workers’ Compensation insurance, Employers Liability insurance, and Disability Benefits insurance on behalf of, or with regard to, all employees involved in the Licensee’s operations under this License, and such insurance shall comply with the laws of the State of New York.
20.4  (a) With regard to all operations under this License, Licensee shall maintain or cause to be maintained Commercial Automobile Liability insurance in the amount of at least One Million Dollars ($1,000,000) each accident (combined single limit) for liability arising out of the ownership, maintenance or use of any owned, non-owned or hired vehicles. Coverage shall be at least as broad as the latest edition of ISO Form CA0001.

(b) If vehicles are used for transporting hazardous materials, such Commercial Automobile Liability insurance shall be endorsed to provide pollution liability broadened coverage for covered vehicles (endorsement CA 99 48) as well as proof of MCS-90.

20.5  (a) Licensee shall maintain commercial property insurance on a special causes of loss form covering all buildings, structures, equipment and fixtures on the Licensed Premises (“Concession Structures”), whether existing at the Commencement Date or built at any time before the Termination Date. Licensee’s property insurance requirements expressly exclude the sculptures and pedestals at Bryant Park (collectively, the “Excluded Monuments”). Such insurance shall provide full Replacement Cost coverage for the Concession Structures (without depreciation or obsolescence clause) and include, without limitation, coverage for loss or damage by acts of terrorism, water (other than flood-related), wind, subsidence and earthquake. Such insurance shall be “occurrence” (rather than “claims-made”) based and shall designate the Licensee as Named Insured and the City as Loss Payee as their interests may appear. If the Excluded Monuments are damaged by any event that would be covered by commercial property insurance on a special causes of loss form of the type that Licensee is required to carry for the Concession Structures, then Parks shall be responsible for the repair and restoration of the Excluded Monuments, if Parks chooses to repair or restore the Excluded Monuments.

(b) This section does not require coverage for damage caused by flooding.

(c) The limit of such property insurance shall be no less than the full Replacement Cost of all Concession Structures, including, without limitation, the costs of post-casualty debris removal and soft costs, to the extent that such costs can be covered by a commercial property insurance policy on a special causes of loss form. If such insurance contains an aggregate limit, it shall apply separately to the Concession Structures.

(d) In the event of any loss to any of the Concession Structures, Licensee shall provide the insurance company that issued such property insurance with prompt, complete and timely notice, and simultaneously provide the Commissioner with a copy of such notice. With regard to any Concession Structure that the City owns or in which the City has an interest, Licensee shall also (i) take all appropriate actions in a timely manner to adjust such claim on terms that provide the City with the maximum possible payment for the loss, and (ii) either provide the City with the opportunity to participate in any negotiations with the insurer regarding adjustments for claims or, at the Commissioner’s discretion, allow the City itself to adjust such claim.

20.6  Licensee represents and warrants that its operations at the Licensed Premises will not involve asbestos, lead, PCB’s or any other hazardous materials.
20.7  (a) Policies of insurance required under this Article shall be provided by companies that may lawfully issue such policy and have an A.M. Best rating of at least A-/“VII”, a Standard and Poor’s rating of at least A, a Moody’s Investor Service rating of at least A3, a Fitch Ratings’ rating of at least A- or a similar rating by any other nationally recognized statistical rating organization acceptable to the New York City Law Department unless prior written approval is obtained from the New York City Law Department.

(b) Except with respect to Workers’ Compensation, Employers’ Liability, and Disability Benefits Insurance, policies of insurance required under this Article shall be primary and non-contributing to any insurance or self-insurance maintained by the City.

(c) Wherever this Article requires that insurance coverage be “at least as broad” as a specified form (including all ISO forms), there is no obligation that the form itself be used, provided that Licensee can demonstrate that the alternative form or endorsement contained in its policy provides coverage at least as broad as the specified form.

(d) There shall be no self-insurance program or self-insured retention with regard to any insurance required under this Article unless approved in writing by the Commissioner. Under no circumstances shall the City be responsible for the payment of any self-insured retention (or any other aspect of a self-insurance program). Further, Licensee shall ensure that any such self-insurance program provides the City with all rights that would be provided by traditional insurance under this Article, including but not limited to the defense and indemnification obligations that insurers are required to undertake in liability policies.

(e) The City’s limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to Licensee under all primary, excess and umbrella policies covering operations under this License Agreement.

(f) All required policies, except Workers’ Compensation, Employers Liability, and Disability Benefits, shall include a waiver of the right of subrogation with respect to all insureds and loss payees named therein.

20.8  (a) Certificates of Insurance for all insurance required in this Article must be submitted to and accepted by the Commissioner prior to execution of this License Agreement.

(b) For Workers’ Compensation, Employer’s Liability Insurance, and Disability Benefits insurance policies, Licensee shall submit one of the following:

(i) C-105.2 Certificate of Worker’s Compensation Insurance;

(ii) U-26.3 -- State Insurance Fund Certificate of Workers’ Compensation Insurance;

(iii) Request for WC/DB Exemption (Form CE-200);
(iv) Equivalent or successor forms used by the New York State Workers’ Compensation Board; or

(v) Other proof of insurance in a form acceptable to the City. ACORD forms are not acceptable proof of workers’ compensation coverage.

(c) For all insurance required under this Article other than Workers Compensation, Employer’s Liability, and Disability Benefits insurance, Licensee shall submit one or more Certificates of Insurance in a form acceptable to the Commissioner. All such Certificates of Insurance shall (a) certify the issuance and effectiveness of such policies of insurance, each with the specified minimum limits; and (b) be accompanied by the provision(s) or endorsement(s) in the Licensee’s policy/ies (including its general liability policy) by which the City has been made an additional insured or loss payee, as required herein. All such Certificates of Insurance shall be accompanied by either a duly executed “Certification by Insurance Broker or Agent” in the form annexed hereto as Exhibit H or as otherwise required by the Commissioner or certified copies of all policies referenced in such Certificate of Insurance.

(d) Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of all policies required under this Concession. Such Certificates of Insurance shall comply with subsections (b) and (c) directly above.

(e) Acceptance or approval by the Commissioner of a Certificate of Insurance or any other matter does not waive Concessionaire’s obligation to ensure that insurance fully consistent with the requirements of this Article is secured and maintained, nor does it waive Licensee’s liability for its failure to do so.

(f) Licensee shall be obligated to provide the City with a copy of any policy of insurance required under this Article upon request by the Commissioner or the New York City Law Department.

20.9(a) Licensee may satisfy its insurance obligations under this Article through primary policies or a combination of primary and excess/umbrella policies, so long as all policies provide the scope of coverage required herein.

(b) In the event Licensee requires any contractor to procure insurance with regard to any operations under this License and to list Licensee as an Additional Insured thereunder, Licensee shall ensure that such contractor also list the City, including its officials and employees, as an Additional Insured. For commercial general liability insurance, such coverage must be at least as broad as the most recent edition of ISO Form CG 20 26.

(c) Licensee shall be solely responsible for the payment of all premiums for all policies and all deductibles or self-insured retentions to which they are subject, whether or not the City is an insured under the policy.

(d) Where notice of loss, damage, occurrence, accident, claim or suit is required under a policy maintained in accordance with this Article, Licensee shall, and/or shall cause its Sublicensees and construction contractors, as applicable, to, notify in writing all
insurance carriers that issued potentially responsive policies of any such event relating to any
operations under this License Agreement (including notice to Commercial General Liability
insurance carriers for events relating to Licensee’s own employees) no later than 20 days after
such event or sooner if required by the insurance policy. For any policy where the City is an
Additional Insured, such notice shall expressly specify that “this notice is being given on behalf
of the City of New York as Insured, including its officials and employees, as well as the Named
Insured.” For any policy where the City is a Loss Payee, such notice shall expressly specify that
“this notice is being given on behalf of the City of New York as Loss Payee as its interests may
appear.” Such notice shall also contain the following information: the number of the insurance
policy, the name of the named insured, the date and location of the damage, occurrence, or
accident, and the identity of the persons or things injured, damaged or lost. Licensee shall
simultaneously send a copy of such notice to the City of New York c/o Insurance Claims
Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street,
New York, New York 10007.

(e) Licensee’s failure to secure and maintain insurance in complete
conformity with this Article, or to give the insurance carrier timely notice on behalf of the City,
or to do anything else required by this Article shall constitute a material breach of this License
Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by
the City at any time.

(f) Insurance coverage in the minimum amounts provided for in this Article
shall not relieve the Licensee of any liability under this License Agreement, nor shall it preclude
the City from exercising any rights or taking such other actions as are available to it under any
other provisions of this License Agreement or the law.

(g) In the event of any loss, accident, claim, action, or other event that does or
can give rise to a claim under any insurance policy required under this Article, Licensee shall at
all times fully cooperate with the City with regard to such potential or actual claim.

(h) In the event Licensee receives notice, from an insurance company or other
person, that any insurance policy required under this Article shall expire or be cancelled or
terminated (or has expired or been cancelled or terminated) for any reason, Licensee shall
immediately forward a copy of such notice to both the Commissioner, the City of New York
Department of Parks and Recreation, Arsenal, 830 Fifth Avenue, New York, NY 10065 and the
New York City Comptroller, attn: Office of Contract Administration, Municipal Building, One
Centre Street, room 1005, New York, New York 10007. Notwithstanding the foregoing,
Licensee shall ensure that there is no interruption in any of the insurance coverage required
under this Article.

21. **WAIVER OF COMPENSATION**

21.1 Licensee hereby expressly waives any and all claims for compensation from
the Commissioner, his or her agents, and the City for any and all loss or damage sustained by
reason of any defects, including but not limited to, deficiency or impairment of the water
supply system, gas mains, electrical apparatus or wires furnished for the Licensed Premises,
or by reason of any loss of any gas supply, water supply, heat or electric current which may
occur from time to time, or for any loss resulting from fire, water, windstorm, tornado, explosion, civil commotion, strike or riot, and Licensee hereby expressly releases and discharges the Commissioner, his or her agents, and the City from any and all demands, claims, actions, and causes of action arising from any of the causes aforesaid, except to the extent any of the foregoing arise from the gross negligence or willful misconduct of the City or any officer, official, employee or contractor thereof.

21.2 Licensee further expressly waives any and all claims for compensation, loss of profit, or refund of its investment, if any, or any other payment whatsoever, in the event this License is terminated by the Commissioner sooner than the fixed term because the Licensed Premises are required for any park or other public purpose, or because the License was terminated or revoked for any reason as provided herein.

22. INVESTIGATIONS

22.1 (a) The parties to this license shall cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State of New York (hereinafter “State”) or a City governmental agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

(b) (i) If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the laws of the State of New York; or

(ii) If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then

(A) The Commissioner or agency head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five days written notice to the parties involved to determine if any penalties should attach for the failure of any person to testify.
If any non-governmental party to the hearing requests an adjournment, the Commissioner or agency head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Section 22 (d) below without the City incurring any penalty or damages for delay or otherwise.

(c) The penalties which may attach after a final determination by the Commissioner or agency head may include but shall not exceed:

(i) The disqualification for a period not to exceed five years from the date of an adverse determination of any person or entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

(ii) The cancellation or termination of any and all existing City contracts, leases, permits, or licenses that the refusal to testify concerns and that have not been assigned as permitted under this license, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

(d) The Commissioner or agency head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Section 22(d) (i) and (ii) below. He or she may also consider, if relevant and appropriate, the criteria established in Sections 22(d) (iii) and (iv) below in addition to any other information which may be relevant and appropriate.

(i) The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

(ii) The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

(iii) The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

(iv) The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under (c) above, provided that the party or entity has given actual notice to the Commissioner or agency head upon the acquisition of the interest, or at the hearing called for in (b) (ii)(A) above gives notice and proves that such interest was previously acquired. Under either circumstance the
party or entity must present evidence at the hearing demonstrating the potentially adverse impact a penalty will have on such person or entity.

(e) (i) The term “license” or “permit” as used herein shall be defined as a license, permit, franchise or concession not granted as a matter of right.

(ii) The term “person” as used herein shall be defined as any natural person doing business alone or associated with another person or entity as a partner, director, officer, principal or employee.

(iii) The term “entity” as used herein shall be defined as any firm, partnership, corporation, association, or person that receives monies, benefits, licenses, leases, or permits from or through the City or otherwise transacts business with the City.

(iv) The term “member” as used herein shall be defined as any person associated with another person or entity as a partner, director, officer, principal or employee.

(f) In addition to and notwithstanding any other provision of this License the Commissioner or agency head may in his or her sole discretion terminate this agreement upon not less than three days written notice in the event Licensee fails to promptly report in writing to the Commissioner of Investigation of the City of New York any solicitation of money goods requests for future employment or other benefit or thing of value, by or on behalf of any employee of the City of other person, firm, corporation or entity for any purpose which may be related to the procurement or obtaining of this agreement by the Licensee, or affecting the performance or this License Agreement.

23. CHOICE OF LAW, CONSENT TO JURISDICTION AND VENUE

23.1 This License Agreement shall be deemed to be executed in the City of New York, State of New York, regardless of the domicile of the Licensee, and shall be governed by and construed in accordance with the laws of the State of New York.

23.2 (a) Any and all claims asserted by or against the City arising under this License or related thereto shall be heard and determined either in the courts of the United States located in New York City ("Federal Courts") or in the courts of the State of New York ("New York State Courts") located in the City and County of New York. To effect this License Agreement and its intent, Licensee agrees:

(b) If the City initiates any action against the Licensee in Federal Court or in New York State Court, service of process may be made on the Licensee either in person, wherever such Licensee may be found, or by registered mail addressed to the Licensee at its address set forth in this License, or to such other address as the Licensee may provide to the City in writing; and

(c) With respect to any action between the City and the Licensee in New York State Court, the Licensee hereby expressly waives and relinquishes any rights it might otherwise
have (i) to move to dismiss on grounds of forum non conveniens, (ii) to remove to Federal Court; and (iii) to move for a change of venue to a New York State Court outside New York County.

23.3 With respect to any action between the City and the Licensee in Federal Court located in New York City, the Licensee expressly waives and relinquishes any right it might otherwise have to move to transfer the action to a United States Court outside the City of New York.

23.4 If the Licensee commences any action against the City in a court located other than in the City and State of New York, upon request of the City, the Licensee shall either consent to a transfer of the action to a court of competent jurisdiction located in the City and State of New York or, if the court where the action is initially brought will not or cannot transfer the action, the Licensee shall consent to dismiss such action without prejudice and may thereafter reinstitute the action in a court of competent jurisdiction in New York City.

24. WAIVER OF TRIAL BY JURY

24.1 (a) Licensee hereby waives trial by jury in any action, proceeding, or counterclaim brought by the City against Licensee in any matter related to this License.

(b) In the event any claim is made or any action brought in any way relating to this License Agreement herein other than an action or proceeding in which Licensee and City are adverse parties, Licensee and the City shall reasonably cooperate with each other without additional compensation to the extent that either party may reasonably require of the other.

25. CUMULATIVE REMEDIES - NO WAIVER

25.1 The specific remedies to which the City may resort under the terms of this License are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any other default hereunder. The failure of the City to insist in any one or more cases upon the strict performance of any of the covenants of this License, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenants or option.

26. EMPLOYEES

26.1 All experts, consultants and employees of Licensee who are employed by Licensee to perform work under this License are neither employees of the City nor under contract to the City, and Licensee alone is responsible for their work, direction, compensation and personal conduct while engaged under this License. Nothing in this License shall impose any liability or duty on the City for acts, omissions, liabilities or obligations of Licensee or any person, firm, company, agency, association, corporation or organization engaged by Licensee as expert, consultant, independent contractor, specialist, trainee, employee, servant, or agent or for taxes of any nature including but not limited to unemployment insurance, workers' compensation, disability benefits and social security.
27. **INDEPENDENT STATUS OF LICENSEE**

27.1 Licensee is not an employee of the City and in accordance with such independent status neither Licensee nor its employees or agents will hold themselves out as, nor claim to be officers, employees, or agents of the City, or of any department, agency, or unit thereof, and they will not make any claim, demand, or application to or for any right or privilege applicable to an officer of, or employee of, the City, including but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage or employee retirement membership or credit.

28. **CONFLICT OF INTEREST**

28.1 Licensee represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. Licensee further represents and warrants that in the performance of this License no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or part, from the City treasury, shall participate in any decision relating to this License which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this License or in the proceeds thereof.

29. **PROCUREMENT OF AGREEMENT**

29.1 Licensee represents and warrants that no person or selling agency has been employed or retained to solicit or secure this License upon an agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other compensation. Licensee further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. Licensee makes such representations and warranties to induce the City to enter into this License and the City relies upon such representations and warranties in the execution hereof.

29.2 For a breach or violation of such representations or warranties, the Commissioner shall have the right to annul this License without liability, entitling the City to recover all monies paid hereunder, if any, and the Licensee shall not make any claim for, or be entitled to recover, any sum or sums due under this License. This remedy, if effected, shall not constitute the sole remedy afforded the City for the falsity or breach, nor shall it constitute a waiver of the City's right to claim damages or refuse payment or to take any other action provided by law or pursuant to this License.

30. **NO CLAIM AGAINST OFFICERS, AGENTS OR EMPLOYEES**

30.1 No claim whatsoever shall be made by the Licensee against any officer, agent or employee of the City for, or on account of, anything done or omitted in connection with this License.
31. **ALL LEGAL PROVISIONS DEEMED INCLUDED**

   31.1 Each and every provision of law required to be inserted in this License shall be inserted herein. If, through mistake or otherwise, any such provision is not inserted, or is not inserted in correct form, then this License shall, forthwith upon the application of either party, be expressly amended by such insertion so as to comply strictly with the law and without prejudice to the rights of either party hereunder.

32. **SEVERABILITY: INVALIDITY OF PARTICULAR PROVISIONS**

   32.1 If any term or provision of this License or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and enforceable to the fullest extent permitted by law.

33. **JUDICIAL INTERPRETATION**

   33.1 Should any provision of this License require judicial interpretation, it is agreed that the court interpreting or considering same shall not apply the presumption that the terms hereof shall be more strictly construed against a party by reason of the rule of construction that a document should be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that all parties hereto have participated in the preparation of this License and that legal counsel was consulted by each responsible party before the execution of this License.

34. **MODIFICATION OF AGREEMENT**

   34.1 This License Agreement constitutes the whole of the agreement between the parties hereto, and no other representation made heretofore shall be binding upon the parties hereto. This License Agreement may only be modified by an agreement in writing and duly executed by the party or parties affected by said modification.

35. **NOTICES**

   35.1 Where provision is made herein for notice or other communication to be given in writing, the same shall be given by hand delivery or by mailing a copy of such notice or other communication by certified mail, return receipt requested, addressed to the Commissioner or to the attention of Licensee at their respective addresses provided at the beginning of this License Agreement, or to any other address that Licensee shall have filed with the Commissioner. Notices may also be given by facsimile transmission to the fax numbers for each party provided at the beginning of this License Agreement. Notices to Licensee shall also be given to Licensee at the following address: Bryant Park Corporation, 1065 Avenue of the Americas, Suite 2400, New York, New York 10018, Attention: Dan Pisark (Fax No. (212) 719-3499). Notwithstanding the foregoing, notices seeking or relating to a Parks Approval may be sent by email to the applicable Parks representative set forth in Section 12.4, as updated from time to time.
36. **LICENSEE ORGANIZATION, POWER AND AUTHORITY**

36.1 Licensee and the individual executing this License Agreement on behalf of Licensee each represents and warrants that Licensee is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of New York and has the power and authority to enter into this License Agreement and perform its obligations hereunder. This is a continuing representation and warranty.

37. **MISCELLANEOUS**

37.1 The headings of sections and paragraphs are inserted for convenience only and shall not be deemed to constitute part of this License Agreement or to affect the construction thereof. The use in this License Agreement of singular, plural, masculine, feminine and neuter pronouns shall include the others as the context may require.
IN WITNESS WHEREOF, the parties hereto have caused this License Agreement to be signed and sealed on the day and year first above written.

In the case of any third-party not operating under Licensee’s auspices or as otherwise authorized to operate pursuant to Federal, State, or City law, Parks will take reasonable steps to instruct the operator thereof to cease operations and such operator will be subject to fines.

1.4 The design, dimensions, and placement of any mobile food unit operating in the Park is subject to Parks’ prior written approval.
1.5 It is expressly understood that no land, building, space, or equipment is leased or otherwise conveyed to Licensee or to any Sublicensee pursuant to this License Agreement, but that, during the Term of this License, Licensee and any Sublicensee shall have the use of the Licensed Premises for the purposes herein provided. Notwithstanding the foregoing, the parties acknowledge and agree that the West Terrace and the improvements thereon are leased to Licensee pursuant to the Terrace Agreement and are not licensed to Licensee pursuant to this Agreement. However, the parties further agree that Licensee’s operations and activities on the West Terrace are subject to the terms and provisions of this License Agreement for so long as this License Agreement is in full force and effect, but the operations and activities of Restaurant Lessee (as defined below) on the West Terrace and the improvements operated by Restaurant Lessee on the West Terrace are not subject to the terms and provisions of this License Agreement, notwithstanding anything to the contrary contained in this License Agreement, except Licensee shall comply with Section 4.1(b) as it relates to Restaurant Lessee for so long as this License Agreement is in full force and effect. Similarly, Restaurant Lessee is not a Sublicensee, the Restaurant Lease is not a Food Concession, and no other food or beverage operation conducted by Restaurant Lessee on the West Terrace shall constitute a Food Concession under this License Agreement.

1.6 Licensee shall, and shall cause any Sublicensee to, provide at all times full and free access to the Licensed Premises to the Commissioner or his representatives and to other City, State and Federal officials having jurisdiction for inspection purposes and to ensure Parks’ satisfaction with Licensee’s and any Sublicensee’s compliance with the terms of this License or any sublicense.

In recognition of the commercial exigencies of product promotions, Licensee shall submit to Parks for its approval Sponsorship Recognition or related plans or mock-ups promptly after any of the foregoing is available, and Parks shall endeavor in good faith to review any submissions and respond with its approval or comments as expeditiously as practical, notwithstanding anything to the contrary contained in Section 12.3 or elsewhere in this Agreement.

(b) (i) Except as set forth in subparagraph (ii) below, all intellectual property rights in the Park name, signage, structures, historical location, monuments, or other items or material that depict, are sited in, or refer to the Park and any other names, trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property (i) developed or designed by the City or its employees, contractors, or others on behalf of the City, or (ii) in the case of trademarks, used by the City in commerce, unless Licensee is a prior user of any trademark in commerce, are the property of the City (“City IP”). To the extent that Licensee uses any City IP in the course of performing its non-
profit activities, Licensee shall obtain the prior written permission and approval from Parks for such use. If Parks permits Licensee to use the City IP for non-commercial purposes, such use will be non-exclusive, royalty-free, world-wide, non-transferrable and non-sublicensable and any revenue generated by Licensee therefrom will be for not-for-profit purposes and will be used by Licensee only in support of the Park. To the extent that Licensee seeks to make commercial use of City IP (i.e. through merchandise sales, licensing or other use intended to or which does generate revenue), such use shall require the prior, written agreement of Parks, on terms to be agreed by the parties, and any revenue derived by Licensee shall be used exclusively to benefit the Park. Upon Parks’ request, Licensee shall provide Parks with an accounting reasonably satisfactory to Parks of revenue derived from and expenditures made from any use of City IP. To the extent that prior permission and approval of Parks has already been obtained to use City IP (whether for non-commercial or commercial purposes, as the case may be), it is hereby continued as previously agreed upon, subject to the use and monetary restrictions contained in this subparagraph (i). Nothing in this subparagraph (i) prohibits Licensee, any Sublicensee or any other person claiming by or through Licensee or any Sublicensee from using the words “Bryant Park” as part of the business address thereof or in the ordinary course of business thereof, and nothing in this subparagraph (i) requires Licensee, any Sublicensee or any other person claiming by or through Licensee or any Sublicensee from obtaining permission from Parks to use the words “Bryant Park” as provided in this sentence; provided, however, that Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee specifically acknowledge that the Bryant Park name or words as described in this subparagraph (i) are included within the definition of City IP and no permitted use by Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall result in any ownership interest, title or other right on the part of Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee in such words or name, and further provided that any permitted use of such City IP by Licensee, any approved Sublicensee or any other person claiming by or through Licensee or any approved Sublicensee shall immediately terminate when such person ceases to operate in the Park.

(ii) Any and all trademarks, service marks, copyrights, patents, trade names, service names, logos, domain names, identifiers, images and other intellectual property rights that Licensee has or acquires that meet the following requirements (“Licensee Specific IP”) are the property of Licensee: such intellectual property (1) was created by or on behalf of Licensee, any Sublicensee, their respective employees, contractors, or others, other than at the specific direction of the City or Parks, and (2) includes no City IP (as defined in subparagraph (i) above) unless Parks grants prior written permission and approval for the use of City IP for use within Licensee Specific IP. The Licensee Specific IP shall be used exclusively in connection with Licensee’s activities, as shall Licensee’s ability to use any City IP that is incorporated into Licensee Specific IP with the City’s permission. Any revenue that Licensee derives from the use, licensing, or other exploitation of Licensee Specific IP shall be used during the Term of this License Agreement exclusively in connection with Licensee’s activities, but such restriction shall terminate on the expiration or termination of this License Agreement. Licensee hereby grants a non-exclusive, royalty-free, worldwide, non-transferrable and non-sublicensable license to the City and Parks to make use of, display and maintain Licensee Specific IP. Parks shall make no commercial use of Licensee Specific IP (e.g., merchandise
sales, licensing or other use intended to or which does generate revenue) without the prior written approval of Licensee.

(iii) All goodwill associated with the City IP or the Licensee Specific IP shall be the exclusive property of its respective owner and neither party shall take any actions inconsistent with such rights. Each party recognizes and acknowledges that the City IP and Licensee IP are the exclusive property of the other and they communicate in the public, worldwide, a reputation for high standards of quality and services, which reputation and goodwill have been and continue to be unique to the owner. Each party further recognizes and acknowledges that all trademarks, service marks, trade names, and service names included in the City IP and Licensee Specific IP have acquired secondary meaning in the mind of the public. Neither the City IP, nor the Licensee Specific IP shall be used in connection with any illegal, illicit, or immoral purpose or activity, or in any manner which could be inconsistent with or damaging to the owner’s name and reputation. Either party shall have the right to terminate this Agreement, upon written notice, in the event that any part of the City IP or Licensee Specific IP is used by the other party in connection with any illegal, illicit, or immoral purpose or activity. In the event that any of the City IP or Licensee Specific IP is used by the other party in any way which, in the reasonable judgment of the owner, is inconsistent with or damaging to the owner’s name or reputation, the owner shall notify the other party in writing and, prior to exercising the right of termination provided for in this paragraph, shall provide three (3) business days following receipt of such notice to the other party to immediately cease and halt all such uses.

(A) During the Term of this License Agreement, each party may make only the uses described in subparagraphs (i) and (ii) above. Each party acknowledges and agrees that all use of and goodwill in the City IP or Licensee Specific IP shall inure to the benefit of its owner. Neither the City, nor Licensee shall acquire any rights in the Licensee Specific IP or City IP, respectively, by virtue of any use it makes of it or any portion of it.

(B) The parties will not use the name or logos of the other party, its subsidiaries or affiliates in any sales or marketing publication or advertisement without prior full disclosure of such use and the written consent of the other party, such consent not to be unreasonably withheld, conditioned, or delayed.

(C) All provisions of this section will survive any expiration or termination of this License Agreement, except as otherwise set forth in this section.

1.8 In addition to the requirements of Sections 1.1(d) and (g) above concerning Licensee’s Special Events, Licensee and any Sublicensee, as applicable, must obtain a Parks permit for any Special Event attended by over twenty (20) people or any Special Event pursuant to which Licensee derives or retains revenues through fees or other charges. The Licensee shall use reasonable effort to provide Parks with no less than thirty (31) days (or lesser period as shall be acceptable to Parks) prior written notice of any proposed Special Event.

For example, if Licensee or any Sublicensee receives a $1,000 deposit for services to be provided at a later date, the deposit must be reported at the time of payment, regardless of when the service is provided. All sales made or services rendered from the Licensed Premises shall be construed as made and completed therein even though payment therefor may be made at some other place and although delivery of merchandise sold or services rendered upon the Licensed Premises may be made other than at the Licensed Premises.

(ii) Gross Receipts shall also include receipts from all Sponsors, whether in cash or as discounts against the purchase price of materials, equipment or commodities. Gross Receipts shall also include all sales made by any other operator or operators using the Licensed Premises under a properly authorized Sublicense or subcontract agreement, as provided in Section 1.1(c), provided that Gross Receipts shall also include Licensee's income from rental and sublicense or subcontracting fees and commissions received by Licensee in connection with all services provided by Licensee's subcontractors or Sublicensees. Gross Receipts shall also include all fees and other consideration received by Licensee in connection with Licensee’s Special Events.

(iii) Gross Receipts shall include sales made for cash or credit (credit sales shall be included in Gross Receipts as of the date of the sale) regardless of whether the sales are paid or uncollected, it being the distinct intention and agreement of the parties that all sums received by Licensee or any Sublicensee from all sources from the operation of the Food Concessions, Temporary Markets, Licensee’s Special Events, the carousel, newsstands (including any funds received from Advertising on the Newsstands), the ice-skating rink, and other visitor services and events authorized by Parks shall be included in Gross Receipts, provided however that any gratuities transmitted by Licensee or any Sublicensee directly or indirectly to employees and staff shall not be included within Gross Receipts. Licensee and any Food Sublicensee shall provide documentation reasonably satisfactory to Parks to prove that Gratuities were paid to employees in addition to their regular salaries, and were otherwise in accordance with the foregoing provisions. Such documentation shall be signed and verified by an officer of Licensee or any Food Sublicensee, as applicable. purports to be a gratuity, and (iii) is paid over by Licensee or any Food Sublicensee in total to its employees (other than management) who actually provide services at the event, and who are primarily engaged in the serving of food or beverages to guests, patrons or customers, including, but not limited to, wait staff, bartenders, captains, bussing personnel, and similar staff. Licensee or any Food Sublicensee (as applicable) shall provide documentation reasonably satisfactory to Parks to prove that Gratuities were paid to employees in addition to their regular salaries, and were otherwise in accordance with the foregoing provisions. Such documentation shall be signed and verified by an officer of Licensee or any Food Sublicensee (as applicable). "Regular Salary" for purposes of this subsection shall mean the set hourly wage for the applicable employee.

(C) Gross Receipts shall include without limitation all funds or other consideration received by Licensee from any lessee under (i) the lease granted to ARK BRYANT PARK CORP., a New York Corporation ("Restaurant Lessee"), dated August 1, 1993, as amended ("Grill Lease"), or (ii) the lease granted to Restaurant Lessee , as authorized in the Grill Lease, dated February 18, 2005, as amended (“Café Lease”) or any successor leases to the Grill Lease or the Café Lease, without deduction or set-off of any kind, from the sale of food and beverages, wares, merchandise or services of any kind from the Grill Lease and the Café Lease, provided that Gross Receipts shall exclude the amount of any Federal, State or City sales taxes which may now or hereafter be imposed upon or be required to be collected and paid by Licensee regarding the Grill Lease or the Café Lease (collectively, and as may be amended, extended, supplemented or restated from time to time, the “Restaurant Leases;” the term “Restaurant Leases” also includes any other lease for a restaurant on any portion of the West Terrace entered into by Licensee after the date hereof and authorized by the Terrace Agreement; and the term “Restaurant Lessee” also includes any lessee under any such other Restaurant Lease).

3. **TERM OF LICENSE**

3.1 This License shall become effective upon Parks giving written notice to proceed to Licensee (“Commencement Date”) and, unless terminated sooner in accordance with this License Agreement, shall terminate ten years from the Commencement Date or on the last day of any subsequent renewal periods that are exercised pursuant to this License (“Termination Date” or “Expiration Date”). The period between the Commencement Date and the Expiration Date, including any exercised renewal periods, shall be referred to as the “Term.” The parties hereto, by mutual agreement, shall have the option to renew this License for up to two (2) additional five-year periods. Each such option must be exercised by either party at least 12 months before what would otherwise be the Termination Date. If either party timely exercises a renewal option, the other party shall use best efforts to respond to such exercise by written notice given within thirty (30) days of such exercise, which notice shall state whether the other party accepts or rejects such exercise or requests additional time to make a decision.

3.2 Notwithstanding any language contained herein, this License is terminable at will by the Commissioner at any time; however, such termination shall not be arbitrary and capricious. Such termination shall be effective after twenty-five (25) days written notice is sent to Licensee. The Commissioner, the City, its employees and agents shall not be liable for damages to Licensee or any Sublicensee in the event that this License is terminated by the Commissioner as provided for in this Section 3.2.

3.3 Parks may terminate this License for cause as follows:

   (a) Should Licensee or any Sublicensee breach or fail to comply with any of the provisions of this License or any Federal, State or local law, rule, regulation or order affecting this License, such Sublicensee or the Licensed Premises, the Commissioner shall in writing order Licensee to remedy such breach or failure. If Licensee fails to remedy such breach or failure within thirty (30) days following the mailing or other transmission of such written order, then the Commissioner shall have the right to terminate this Agreement. Notwithstanding the foregoing, if such breach or failure cannot be remedied within such thirty (30) day period
given the nature and scope of such breach or failure or due to reasons beyond Licensee’s control, as reasonably determined by Commissioner, the cure period shall be extended for such period as may be reasonably necessary in the Commissioner’s reasonable judgment to cure such breach. If such breach or failure arises from the acts or omissions of a Sublicensee, as reasonably determined by Commissioner, the cure period shall be reasonably extended by Commissioner beyond such thirty (30) days (not to exceed an additional 30 days) to give Licensee time to induce such Sublicensee to comply with such breach or failure or, if such Sublicensee fails to remedy such breach or failure in a timely manner, for Licensee to terminate the applicable Sublicense and regain possession of the Sublicensed Premises. If a breach or failure to comply is corrected, and a repeated violation of the same provision, law, rule, regulation or order follows thereafter, Commissioner, by notice in writing, may revoke and terminate this License, such revocation and termination to be immediately effective on the mailing or other transmission thereof.

(b) The following shall constitute events of default for which this License may be terminated on one day’s notice: the appointment of any receiver of Licensee’s assets; the making of a general assignment for the benefit of creditors by Licensee; the occurrence of any act which operates to deprive Licensee permanently of the rights, powers and privileges necessary for the proper conduct and operation of this License; and the levy of any attachment or execution which substantially interferes with Licensee's operations under this License and which attachment or execution is not vacated, dismissed, stayed or set aside within a period of sixty days.

3.4 Upon the expiration or sooner termination of this License by the Commissioner, all rights of Licensee and any Sublicensee shall be forfeited without claim for loss, damages, refund of investment or any other payment whatsoever against the Commissioner, Parks or the City.

3.5 Licensee agrees that upon the expiration or sooner termination of this License, it shall immediately cease operations and cause any Sublicensee to cease all operations pursuant to this License and shall vacate and cause any Sublicensee to vacate the Licensed Premises without any further notice by the City and without resort to any judicial proceeding by the City. Upon the expiration or sooner termination of this License, the City reserves the right to take immediate possession of the Licensed Premises.

3.6 Licensee shall, on or prior to the date that is fifteen (15) days following the expiration or sooner termination of this License (the fifteen (15) day period beginning on the expiration or sooner termination of this License being the “Removal Period,” and the last day of the Removal Period being the “Removal Deadline”), remove from the Licensed Premises and shall cause any Sublicensee to remove, all Personal Equipment, all Capital Improvements and Alterations or Minor Alterations that are not Additional Fixed Equipment, and Additional Fixed Equipment to which the City has not taken title pursuant to Section 7.2(a) and Section 8.3 (such equipment being “Removal Equipment”). Licensee acknowledges that any Removal Equipment remaining on the Licensed Premises after the Removal Deadline shall be deemed to be abandoned. Licensee shall remain liable to the City for the cost of removal or disposal of Removal Equipment, should Licensee fail to remove all Removal Equipment from the Licensed Premises by the Removal Deadline. During the
Removal Period, Licensee shall have the right to enter the Licensed Premises to remove any Removal Equipment, provided that Licensee shall maintain the insurance required by Article 20 hereof during the Removal Period and shall indemnify, defend and hold the City and its officials harmless against and all claims and demands of third parties for injury, including death, or property damage, arising out of any such entry and removal, and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys’ fees and disbursements), arising from any such claims and demands. In addition, if the removal of Removal Equipment results in damage to the Park and Licensee or such Sublicensee fails to repair such damage to the Commissioner’s reasonable satisfaction and upon such deadline as reasonably determined by the Commissioner, then Licensee shall be responsible for the cost of such repair which shall be promptly paid to Parks upon Parks’ written demand to Licensee (the cost of such removal and the cost of such repair being collectively, “Removal Costs”).

3.7 In addition to Removal Costs, Licensee shall be liable to Parks for the following damages if Parks terminates this Agreement pursuant to Section 3.3: (i) if Parks terminates this Agreement pursuant to Section 3.3 on account of the failure of Licensee to comply with Licensee’s maintenance obligations under this Agreement, the reasonable costs borne by Parks to perform the specific maintenance obligations that Licensee failed to perform in accordance with this Agreement, and (ii) if at the time of any such termination, Licensee commenced an Alteration or Minor Alteration and fails to complete such Alteration or Minor Alteration, Licensee shall be liable for the cost to complete such Alteration or Minor Alteration which shall be promptly paid to Parks upon Parks’ written demand to Licensee; provided, however, that unless the performance by Licensee of such Alteration or Minor Alteration was the basis for Parks terminating this Agreement pursuant to Section 3.3, at the parties’ mutual election Licensee shall have the right to complete such Alteration or Minor Alteration at Licensee’s expense and the termination of this Agreement on account thereof shall be suspended until such Alteration or Minor Alteration is completed to the extent necessary for the purposes of completing such Alteration or Minor Alteration. During such time, the Insurance and Indemnification requirements of this Agreement shall remain in force. Except for Removal Costs and such other damages and other sums as are set forth in Sections 3.6 and 3.7, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement pursuant to Section 3.3. Except for Removal Costs, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement pursuant to Section 3.2.

3.8 If this License is terminated as provided in Section 3.2 or 3.3 hereof, and/or upon the expiration of the License, Parks may, without notice, re-enter and repossess the Licensed Premises without being liable to indictment, prosecution or damages therefor and may dispossess Licensee and any Sublicensee by summary proceedings or other legal means.

3.9 Except as otherwise provided in Section 3.7, if this License is terminated as provided in Section 3.3 hereof, Parks may complete all repair, maintenance and construction work required to be performed by Licensee or any Sublicensee hereunder and may repair and alter any portion(s) of the Licensed Premises in such manner as Parks may deem necessary or advisable, which will not be at Licensee’s expense, and Parks may relicense the Licensed Premises or any portion thereof for the whole or any part of the remainder of the Term or for
a longer period. Parks shall in no way be responsible or liable for any failure to relicense any portion(s) of the Licensed Premises or for any failure to collect any fees due on any such relicensing, and no such failure to relicense or to collect fees shall operate to relieve Licensee of any liability under this Agreement or to otherwise affect any such liability.

3.10 No receipt of moneys by Parks from Licensee or any Sublicensee after the termination of this License Agreement, or after the giving of any notice of the termination of this License Agreement, shall reinstate, continue or extend the Term or affect any notice theretofore given to Licensee or any Sublicensee, or operate as a waiver of the right of Parks to recover possession of the Licensed Premises by proper remedy.

3.11 In the event this License Agreement is terminated, Parks will not reimburse Licensee’s or any Sublicensee’s unamortized capital improvement cost.

4. **FINANCIAL RECORDS AND REPORTS**

4.1 (a) On or before the one hundred twentieth (120) day following the end of each Fiscal Year, Licensee shall submit to Parks, in a form satisfactory to Parks, a statement of Licensee’s Gross Receipts, signed and verified by an officer of Licensee, reporting any Licensee’s Gross Receipts generated from operations under this License Agreement during the preceding Fiscal Year. The obligation to submit a final report of Licensee’s Gross Receipts shall survive the termination of this License. Licensee shall indicate on its statement of Licensee’s Gross Receipts whether or not these amounts are inclusive of sales tax collected.

(b) On or before the one hundred twentieth (120) day following the end of each Fiscal Year, Licensee shall submit to Parks, in a form satisfactory to Parks, a statement, from each Sublicensee and each Restaurant Lessee, of such Sublicensee’s or Restaurant Lessee’s Gross Receipts, signed and verified by an officer of such Sublicensee, or Restaurant Lessee, reporting such Sublicensee’s or Restaurant Lessee’s Gross Receipts generated from operations under this License Agreement during the preceding Fiscal Year. The obligation to submit a final report of Sublicensee’s or Restaurant Lessee’s Gross Receipts shall survive the termination of this License. Each such Sublicensee or Restaurant Lessee shall indicate on its statement of Sublicensee’s or Restaurant Lessee’s Gross Receipts whether or not such Sublicensee’s or Restaurant Lessee’s Gross Receipts are inclusive of sales tax collected. Notwithstanding anything to the contrary in the foregoing, the statement of Gross Receipt for any Sublicensee or Restaurant Lessee may be for its fiscal or operating year rather than the Fiscal Year.

(c) Within one hundred twenty (120) days after the end of each Fiscal Year, Licensee shall submit detailed income and expense statements for itself for operating the Park during the preceding Fiscal Year. Such statements shall be in sufficient detail to show that Licensee is in full compliance with Section 1.1(f) hereof. Such report must contain a certification from Licensee’s Chief Financial Officer certifying that all of Licensee’s Gross Receipts, including any Excess Revenues, to the extent expended, were applied solely to pay Expenses, or remain available to pay for future Expenses.
(d) Pursuant to New York City Administrative Code Section 18-134, Licensee shall provide to Parks, in a form that complies with the report attached as Exhibit F to this License Agreement or other form acceptable to Parks, data concerning any funds that Licensee has expended at the Licensed Premises for the preceding period of July 1st to June 30th no later than October 31st each year. All information to be furnished to Parks shall be accurate and correct in all material respects and sufficient to give Parks a true and accurate picture of the funds expended by Licensee at the Licensed Premises.

(e) Licensee is, and shall cause any Sublicensee to be, solely responsible for the payment of all Federal, State and local taxes applicable to the operation of the Licensed Premises. With the exception of Federal, State and City sales tax, no such applicable taxes, including but not limited to the New York City Commercial Rent Tax, may be deducted from Gross Receipts.

(f) In addition to the foregoing reports, Licensee shall furnish Parks with the following reports:

   (i) Financial Statement: Licensee shall furnish to the Commissioner a detailed financial statement prepared in accordance with GAAP for each Fiscal Year during the Term and any renewal thereof, which shall include the aggregate amount of all salaries of all paid staff whose personnel costs are included in Expenses and shall be audited by an independent Certified Public Accountant retained at the cost and expense of Licensee. Such annual statement shall be submitted to the Commissioner no later than one hundred twenty (120) days after the close of each Fiscal Year of the Term of this Agreement together with a supplemental unaudited statement setting forth an itemization of such salaries.

   (ii) Form 990. Licensee shall make Licensee’s form 990 filing for each year during the Term of this Agreement available to the Commissioner after such form has been filed with the Internal Revenue Service.

   (iii) Monthly Operations Report: Licensee shall furnish to Parks a monthly report to be submitted within fifteen (15) days of the previous month’s end that shall include, but not be limited to, operations activities (repairs, maintenance, etc.), capital projects and Alterations, Minor Alterations, tree inspection reports and tree pruning reports, upcoming public programs and events, future/ongoing initiatives, personnel, incidents/unusual activity, inquiries or publications from press or media, major accidents or unusual incidents occurring on the Licensed Premises.

   (iv) Annual Operating Budget and Operating Plan: Prior to the start of each Fiscal Year, Licensee will submit to the Commissioner for review and approval (which shall not be unreasonably withheld) Licensee’s Park operations budget and capital budget for the Licensed Premises, which shall include all costs associated with the maintenance and operations of the Licensed Premises. The Licensee shall set forth in reasonable detail the amounts proposed to be allocated, but not limited, to general maintenance, public art, public programs, concessions, and communications, including salaries and benefits of any employee primarily engaged in those activities.
(v) Licensee shall promptly notify Parks, in writing, of any claim for injury, death, property damage or theft which shall be asserted against Licensee or any Sublicensee, or of any unusual conditions that may develop in the course of the operation of this License such as, but not limited to, fire, flood, casualty and substantial damage of any character.

(vi) Board Meetings. Licensee will provide notice to the Commissioner of all meetings, hearings, and proceedings of Licensee's Board of Directors, and will make available for consultation any of its officers and employees whose work relates to the performance of this Agreement. Licensee shall invite Commissioner and his designee to all of Licensee’s Board of Directors’ meetings.

(vii) Other Reports: Licensee shall prepare and provide to Parks other reports as reasonably requested by the Commissioner and/or pursuant to this Agreement.

(viii) Account and Use of Excess Revenues: If Licensee derives Excess Revenues in a particular Fiscal Year, Licensee shall expend such Excess Revenue consistent with the requirements of Section 1.1 (f) and shall report such expenditures consistent with the requirements of 4.1(c). If Licensee is unable to make such a report, Licensee must immediately remit such Excess Revenues to the City. In addition, if there are any unexpended Excess Revenues at the end of the Term, or any renewal thereof, or upon the earlier termination of this License, Licensee may apply such Excess Revenues to any Expenses arising under this License provided that Licensee provides a certification from Licensee’s Chief Financial Officer identifying the specific Expenses to which such Excess Revenues were applied and certifying that such Excess Revenues were applied solely to pay such Expenses and Licensee shall remit the remaining balance of such Excess Revenues to the City within six (6) months from the end of the Term, or any renewal thereof, or upon the earlier termination of this License. However, if Licensee provides the Commissioner with a certification from Licensee’s Chief Financial Officer identifying the specific Expenses that cannot reasonably be determined within six (6) months of the termination of the License and the Commissioner reasonably agrees with such certification, Licensee can retain such Excess Revenues only so long as is reasonably necessary to determine the specific Expenses in question and must remit remaining balance of such Excess Revenues to the City immediately.

4.2 (a) During the Term, Licensee shall maintain, and shall cause each Sublicensee to maintain, a revenue control system to ensure the accurate and complete recording of all revenues of Licensee, in a form and manner reasonably acceptable to the City. If Licensee’s operations include the sale of food or other items by Licensee, this revenue control system shall maintain detailed sales information from each sales transaction. Specifically, sales information must be recorded electronically, via a computerized point-of-sale system, and must include, but is not limited to, the item(s) sold, time, date of sale and price of the item sold. All accounting and internal control related records of Licensee shall be maintained for a minimum of ten (10) years from the date of creation of the record. Additionally, all books and records maintained pursuant to this License Agreement shall be conveniently segregated from other business matters of Licensee and shall include, but not be limited to: all federal, state and local tax returns and schedules of the Licensee; records of daily bank deposits of the entire receipts from transactions in, at, on or from the Licensed
Premises; sales slips, daily dated cash register receipts, and sales books; and duplicate bank deposit slips and bank statements.

(b) Licensee shall, and shall cause any Sublicensee to, use such accounting and internal control methods and procedures and keep such additional books and records as may be reasonably prescribed by Parks and/or the Comptroller, and Parks and/or the Comptroller shall have the right to examine the recordkeeping procedures of the Licensee and any Sublicensee prior to the commencement of the Term of this License, and at any time thereafter, in order to assure that the procedures are adequate to reveal the true, correct and entire business conducted by the Licensee and any Sublicensee. Licensee shall, and shall cause any Sublicensee to, maintain each year's records, books of account and data for a minimum of ten (10) years from the date of creation of the record.

5. RIGHT TO AUDIT

5.1 Parks, the Comptroller and other duly authorized representatives of the City shall have the right to examine or audit the records, books of account and data of the Licensee and any Sublicensee for the purpose of examination, audit, review or any purpose they deem necessary. Licensee shall, and shall cause any Sublicensee to, also permit the inspection by Parks, Comptroller or other duly authorized representatives of the City of any equipment used by Licensee and any Sublicensee, including, but not limited to, cash registers and recording machines, and all reports or data generated from or by the equipment. Licensee shall cooperate fully with and assist Parks, the Comptroller or any other duly authorized representative of the City in any examination or audit thereof. In the event that the Licensee's or any Sublicensee’s books and records, including supporting documentation, are situated at a location 50 miles or more from the City, the records must be brought to the City for examination and audit or Licensee or such Sublicensee, as applicable, must pay the food, board and travel costs incidental to two auditors conducting such examination or audit at said location.

5.2 Notwithstanding the foregoing, the parties acknowledge and agree that the powers, duties, and obligations of the Comptroller pursuant to the provisions of the New York City Charter shall not be diminished, compromised or abridged in any way.

6. CAPITAL IMPROVEMENTS

6.1 The City has final authority over all capital projects and capital programs (“Capital Improvements”) undertaken at the Licensed Premises, and the Licensee has final authority over deciding the Capital Improvements for which it will raise money from private sources and/or expend its own funds. Parks shall consult with the Licensee on all Capital Improvements at the Licensed Premises.

6.2 Licensee will regularly update Parks on any potential Capital Improvements the Licensee is contemplating advancing, including but not limited to any Capital Improvement stemming from any master plan.

6.3 In addition, subject to all legal requirements, including, but not limited to, compliance with all applicable prevailing wage requirements, and subject to Parks'
approval, the Licensee may enter into contracts for approved Parks Capital Improvements and may supplement Parks and/or other public capital funds with the Licensee funds for the development of such approved Parks projects.

6.4 Capital Improvements shall become property of the City, at its option, upon their attachment, installation or affixing.

7. **ALTERATIONS AND MINOR ALTERATIONS**

Any such potential defects shall be promptly reported to the Director of Manhattan Forestry.

11.3 This paragraph describes Licensee’s current security services for the Park. These security services are intended to supplement any services provided by the City, including services provided by the New York City Police Department and Emergency Medical Services provided by the New York City Fire Department, it being agreed, however, that nothing in this Agreement obligates the City to provide any such services. Nine security officers of the Licensee provide twenty-four-hour security within the park. The post are as follows: Bryant Park East, Bryant Park West, and Special Post, which patrols the exterior of the park and the New York Public Library Terrace. There is a dedicated park supervisor scheduled from 7:30 a.m. to 2:30 p.m., Monday through Friday. Rotating security supervisors cover the park from 3:00 p.m. to 11:00 p.m., seven days per week and on weekends from 7:00 a.m. to 3:00 p.m. Security coverage for any Special Events is determined by the executive staff and the park supervisor. The needs for coverage can be provided by overtime assignments (full tour and extended tour), the hiring of contract security services, and utilizing the NYPD Paid Detail Unit. The Paid Detail Unit supplies an off-duty uniformed police officer for high visibility and police presence. Each security officer of Licensee possesses a New York State security license and has received annual training certified by New York State. In addition, each officer receives daily “roll call” instructions, during which the officers are given instructions for the day, particularly if the area will be the location of a Special Event (such as a parade or protest). Security officers are unarmed and have no authority to arrest persons. Security officers are equipped with two-way radios, which allows them to notify Licensee’s security operations center of unusual events, for which a response from New York Police Department or Emergency Medical Service is recommended. Security officers are expected to enforce rules of the Park (e.g., patrons are forbidden to remove alcohol from the Park or to sit on the monuments), interact with people and intervene to prevent or de-escalate disputes, patrol the toilet facilities to reduce illegal behavior inside the toilet facilities, and observe the conduct of people who may be
emotionally disturbed or whose conduct may be influenced by the consumption of alcohol or illegal drugs to intervene in the event their conduct interferes with the enjoyment of the Park by others. Licensee shall continue to provide security services generally consistent with the foregoing during the Term.

11.4 At the expiration or sooner termination of this License, consistent with the maintenance responsibility required of Licensee by this License, Licensee shall turn over the Licensed Premises to Parks in a well maintained state, in good repair, ordinary wear and tear excepted.

11.5 Licensee will be responsible for regular pest control inspections and extermination as needed. To the extent that Licensee applies pesticides to the Licensed Premises or any portion thereof, Licensee or any subcontractor hired by Licensee shall comply with applicable laws, including Chapter 12 of Title 17 of the New York City Administrative Code and limit the environmental impact of its pesticide use.

11.6 For any vehicle fuel dispensing tanks or underground heating oil storage tanks over 1,100 gallon capacity, Licensee shall maintain up-to-date Petroleum Bulk Storage (“PBS”) registrations with New York State Department of Environmental Conservation and register such tanks with the DEP. Licensee will assume all registration and update costs. Licensee must keep a copy of the PBS Certificate on site and provide copies to Parks’ 5-Boro Office on Randall’s Island, New York. Licensee shall perform or have performed a tightness test conducted at least once every five years, to comply with Parks monitoring leak detection checklists for the tank(s) and all other legal requirements. Any changes, removals or additions of tanks must be pre-approved by Parks.

11.7 Licensee shall have no responsibility for maintaining the two 5th Avenue bus shelters, nor any LinksNYC kiosks should they be installed on the Licensed Premises.

12. APPROVALS

12.1 Licensee is solely responsible for obtaining all approvals, permits and licenses required by Federal, State and City laws, regulations, rules and orders for the lawful operation, management and maintenance of the concession granted by this License.

12.2 Whenever any act, consent, approval or permission is required of the City, Parks or the Commissioner under this License (a “Parks Approval”), the same shall be valid only if it is, in each instance, in writing and signed by the Commissioner or his or her duly authorized representative. No variance, alteration, amendment, or modification of this instrument shall be valid or binding upon the City, Parks, the Commissioner or their agents, unless the same is, in each instance, in writing and duly signed by the Commissioner or his duly authorized representative.

12.3 Parks shall use reasonable efforts to respond to Licensee’s request for a Parks Approval within 21 days following Parks’ receipt of such request. For those matters as to which Parks has agreed in this Agreement not to unreasonably withhold its approval, if Parks rejects Licensee’s request for a Parks Approval, Parks shall use reasonable efforts to provide specific reasons for such rejection, and if following a rejection by Parks, Licensee revises its
submission to address the specific reasons for such rejection and resubmits such request to Parks, Parks shall use reasonable efforts to respond to Licensee’s resubmitted request for a Parks Approval within ten (10) days following receipt of such resubmission. Issuance by Parks of a permit for an event, including Special Events permit for a Licensee’s Special Event shall constitute approval by Parks of such Licensee’s Special Event. Licensee’s submission of an application for a Special Events permit for a Licensee’s Special Event, with all relevant back-up information, shall constitute notice by Licensee to Parks of Licensee’s Special Event for purposes of this Agreement. Notwithstanding the review period prescribed above or elsewhere in this Agreement, the parties acknowledge there will be occasions in which Licensee requires a significantly shorter response period than the period prescribed herein (e.g., a proposal for a promotional Licensee’s Special Event is made to Licensee three (3) days prior to the proposed date of the promotional Licensee’s Special Event). Parks shall use reasonable efforts to accommodate Licensee’s shorter approval requests. Further, notwithstanding the foregoing, the Commissioner in his sole discretion may entertain an appeal of a denial submitted by Licensee within five (5) days of such denial.

12.4 Kate Spellman (kate.spellman@parks.nyc.gov) or her designee is the Parks representative who has, as of the date hereof, authority to issue an approval by Parks for the various types of approvals that are contemplated by this License Agreement. Reasonably promptly after any personnel change results in a change in the Parks representatives, Parks shall update the name and email address of the new Parks representative.

13. **PARKS’ SPECIAL EVENTS**

13.1 For the purposes of this Section 13 the term “Parks’ Special Event(s)” shall mean any Special Event at the Licensed Premises sponsored by Parks. The Commissioner represents to Licensee that the Commissioner has not, as of the date hereof, granted to any other person or entity any license, permit, or right of possession or use of the Licensed Premises or any portion thereof. For each Parks Special Event, Parks shall comply with the following conditions: (a) Parks shall give Licensee not less than thirty (30) days (or such lesser period as agreed by the parties) advance notice of any Parks’ Special Event, and any annual event will be on a date mutually agreed to by Parks and Licensee, (b) Parks shall not sponsor or permit a Parks’ Special Event on a date that will conflict with a Licensee’s Special Event for which Licensee has submitted to Parks an application for a Special Event Permit and such Special Event Permit has been approved by Parks, (c) Parks shall be responsible for maintenance and clean-up associated with any such Parks’ Special Event and may delegate such maintenance and clean-up obligation to a third-party, but such delegation shall not relieve Parks of primary responsibility to Licensee for such maintenance and clean-up, and (d) each Sublicensee, in its own discretion, may elect to operate or not to operate during any Parks’ Special Event. Subject to the foregoing conditions, Licensee shall, and shall require that each Sublicensee, cooperate with Parks in connection with Parks’ Special Events. Such events shall not, without the prior written consent of Licensee, prohibit the Licensee or any Sublicensee from reasonable access to the Licensed Premises. Furthermore, Parks reserves the right to grant permits for “Demonstrations” as defined in Section 1-02 of Parks’ Rules and Regulations at the Licensed Premises where appropriate under Parks’ Rules and Regulations and where such Demonstrations do not unreasonably interfere with previously scheduled and Parks-approved Licensee’s Special Events as reasonably determined by Parks.
14. **PROHIBITION AGAINST TRANSFER; ASSIGNMENTS AND SUBLICENSES**

14.1 Except for Sublicenses approved by Parks, Licensee shall not sell, transfer, assign, sublicense or encumber in any way this License, ten percent or more of the shares of or interest in Licensee (unless it is agreed to, in writing, by Parks and signed by the Commissioner or Commissioner’s designee), or any equipment furnished as provided herein, or any interest therein, or consent, allow or permit any other person or party to use any part of the Licensed Premises, buildings, space or facilities covered by this License, nor shall this License be transferred by operation of law, it being the purpose of this License Agreement to grant this License solely to Licensee herein named.

Should Licensee choose to assign or sublicense the management and operation of any element of the Licensed Premises to another party, Licensee shall seek the approval of the Commissioner (which shall not be unreasonably withheld) by submitting a written request including proposed assignment documents as provided herein. The Commissioner may request any additional information Commissioner deems necessary and Licensee shall promptly comply with such requests.

The term “assignment” shall be deemed to include any direct or indirect assignment, sublet, sale, pledge, mortgage, transfer of or change in more than ten percent in stock or voting control of or interest in Licensee, including any transfer by operation of law. No sale or transfer of the stock of or interest in Licensee may be made under any circumstance if such sale will result in a change of control of Licensee violative of the intent of this Section 14, without the prior written consent of Commissioner.

14.2 No assignment or other transfer of any interest in this License Agreement shall be permitted which, alone or in combination with other prior or simultaneous transfers or assignments, would have the effect of changing the ownership or control, whether direct or indirect, of ten percent (10%) or more of the stock or voting control of Licensee in the Licensed Premises without the prior written consent of Commissioner. Licensee shall present to Commissioner the assignment or sublicense agreement for approval, together with any and all information as may be required by the City for such approval, including a statement prepared by a certified public accountant indicating that the proposed assignee or sublicensee has a financial net worth acceptable to the Commissioner together with a certification that it shall provide management control acceptable to the Commissioner for the management and operation of the Licensed Premises. The constraints contained herein are intended to assure the City that the Licensed Premises are operated by persons, firms and corporations which are experienced and reputable operators and are not intended to diminish Licensee's interest in the Licensed Premises.

14.3 No consent to or approval of any assignment or sublicense granted pursuant to this Article 14 shall constitute consent to or approval of any subsequent assignment or sublicense. Failure to comply with this provision shall cause the immediate termination of this License.
14.4 In addition to the foregoing requirements, Licensee shall immediately report to Parks any proposed change of five percent or more of the shares of or interest in Licensee when such change takes place.

15. PARKS CONSTRUCTION

15.1 Parks reserves the right to make repairs, alterations, decorations, additions or improvements to Licensed Premises (“Parks Construction”) at Parks’ expense as Parks deems necessary in its discretion at any time during the Term, subject to the following conditions: (a) except for Parks Construction in response to an emergency, as determined by Parks, Parks shall give Licensee not less than sixty (60) days’ notice of any Parks Construction, which notice shall set forth the scope and schedule of the Parks Construction, (b) Parks shall consult with Licensee about the proposed schedule for any Parks Construction if such Parks Construction will interfere with any Parks-approved Licensee’s Special Events, (c) Parks shall use reasonable efforts to minimize interference with the operations of any Sublicensee and with the operations of Licensee, (d) if any Parks Construction results in the temporary removal of any improvements in the Licensed Premises, Parks shall restore such improvements to their condition prior to such temporary removal promptly following completion of such Parks Construction, (e) Parks Construction shall be performed in a good and workman-like manner, (f) Parks shall contain all equipment and supplies for any Parks Construction in a reasonably confined area, and Parks shall not store overnight in the Licensed Premises any debris (except in response to an emergency), and (g) Parks shall take reasonable steps to minimize construction dust and residue, and Parks shall be responsible for cleaning such dust and residue on a daily basis. Licensee shall, and shall cause any Sublicensee to, reasonably cooperate with Parks to accommodate any Parks Construction and provide public and construction access through the Licensed Premises as deemed necessary by the Commissioner. Parks may temporarily close a part or all of the Licensed Premises for a Parks Construction as determined by the Commissioner. In the event that Parks does temporarily close a part of or all of the Licensed Premises for a Parks Construction, then Licensee may propose and submit for the Commissioner's approval a plan to equitably address the impact of the closure. Licensee shall, and cause any Sublicensee to, be responsible for the security of all Licensee's property or Sublicensee’s property, as applicable on the Licensed Premises at all times, but Parks shall be responsible for any damage to any such property to the extent arising from the performance of any Parks Construction, and Parks shall be solely responsible for claims, damages, or injury resulting from Parks Construction, except to the extent such claims, damages and injury are caused by the negligence or willful misconduct of Licensee or any Sublicensee.

16. COMPLIANCE WITH LAWS

16.1 Licensee shall faithfully perform and carry out the provisions of this License and cause its agents, employees, and Sublicensees to conform to all rules, regulations, and orders prescribed as of the date hereof or which may hereafter be reasonably prescribed by the Commissioner, provided the Commissioner shall use reasonable efforts to give Licensee notice of any rules, regulations, or orders hereafter prescribed by Parks, and shall comply with all laws, regulations, rules, and orders of any kind whatsoever and of any agency or entity of government whatsoever applicable to the Licensed Premises and the Licensee's use
and occupation thereof. This provision includes, but is not limited to, the Parks’ Rules and Regulations as set forth in 56 RCNY §1-01 et seq., New York City Administrative Code §18-137, the New York State Not-for-Profit Corporation Law, applicable tax and labor laws relating to non-discrimination in employment, and laws protecting youths from child abuse and maltreatment.

16.2 Licensee shall use the Licensed Premises in compliance with, and shall not cause or permit the Licensed Premises to be used in violation of, any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of the courts, permits or permit conditions, currently existing or as amended or adapted in the future which are or become applicable to Licensee or the Licensed Premises (collectively “Environmental Laws”). Licensee shall not cause or permit, or allow any of Licensee’s personnel to cause or permit, any Hazardous Materials to be brought upon, stored, used generated, treated or disposed of on the Licensed Premises. As used herein, “Hazardous Materials” means any chemical, substance or material which is now or becomes in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, its properties or effects.

16.3 Licensee shall not use or allow the Licensed Premises, or any portion thereof, to be used or occupied for any unlawful purpose or in any manner that violates a certificate pertaining to occupancy or use during the Term.

17. NON-DISCRIMINATION

17.1 No Licensee or Sublicensee shall unlawfully discriminate against any employee, applicant for employment or patron because of race, creed, color, national origin, age, sex, handicap, marital status, or sexual orientation.

17.2 All advertising for employment for Licensee or any Sublicensee shall indicate that Licensee or such Sublicensee, as applicable, is an Equal Opportunity Employer.

18. NO WAIVER OF RIGHTS

18.1 No acceptance by the Commissioner of any compensation, fees, penalty, sums, charges or other payments in whole or in part for any periods after a default of any terms and conditions herein shall be deemed a waiver of any right on the part of the Commissioner to terminate this License. No waiver by the Commissioner of any default on the part of Licensee in performance of any of the terms and conditions herein shall be construed to be a waiver of any other or subsequent default in the performance of any of the said terms and conditions.

19. RESPONSIBILITY FOR SAFETY, INJURIES OR DAMAGE, AND INDEMNIFICATION

19.1 (a) Licensee shall take all reasonable precautions to protect the safety of its employees, agents, servants, invitees, Sublicensees, contractors, and subcontractors while they are on the Licensed Premises involved in the operations under this License.
(b) Licensee shall take all reasonable precautions to protect the persons and property of the City or others from damage, loss or injury resulting from any and all operations under this License.

19.2 (a) To the fullest extent permitted by law, subject to Section 19.2(c), Licensee shall indemnify, defend and hold the City and its officials and employees (an “Indemnified Party”) harmless against any and all claims and demands of third parties for injury, including death, or property damage arising out of operations under this License Agreement (“Claims”), and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys' fees and disbursements) arising from any Claims (together with Claims, “Liabilities”), arising out of the (i) the condition of the Park, (ii) the acts or omissions (where there is a duty to act) of Licensee or any Sublicensee or any of their respective employees, servants, contractors, subcontractors or agents, in any operations under this License, or (iii) Licensee’s or any Sublicensee’s or any of their respective employees’, servants’, contractors’, subcontractors’ or agents’ failure to comply with applicable law or any of the requirements of this License, regardless of whether any of the foregoing have been negligent. Insofar as the facts or law relating to any of the foregoing would preclude the Indemnified Party from being completely indemnified, the Indemnified Party shall be partially indemnified by Licensee to the fullest extent permitted by law.

(b) Licensee shall include the following indemnification (or a substantially comparable provision) in each Sublicense entered into during the Term of this Agreement:

To the fullest extent permitted by law, Sublicensee shall indemnify, defend and hold the City and its officials and employees (an “Indemnified Party”) harmless against any and all claims and demands of third parties for injury (including death) or property damage arising out of operations under this Sublicense (“Claims”), and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys' fees and disbursements) arising from any Claims (together with Claims, “Liabilities”), arising out of the (i) the condition of the Sublicensed Premises, (ii) the acts or omissions (where there is a duty to act) of Sublicensee or any of its employees, servants, contractors, subcontractors or agents, in any operations under this Sublicense, or (iii) Sublicensee’s or any of its employees’, servants’, contractors’, subcontractors’ or agents’ failure to comply with applicable law or any of the requirements of its Sublicense, regardless of whether any of the foregoing have been negligent. To the extent Liabilities arise from the following, they shall be excluded from Sublicensee’s indemnification and defense obligations under this paragraph: (i) any construction performed by Parks or Parks’ contractors, (ii) any Parks’ Special Event, or (iii) the negligence or willful misconduct of the City or any of its officials, employees, contractors or agents (except for any negligence imputed to the City or any of its officials, employees, contractors, or agents arising from the negligence by Licensee or any Sublicensee in the performance of its maintenance obligations under this Agreement). Insofar as the facts or law relating to any of the foregoing would preclude the Indemnified Party from being completely indemnified, the
Indemnified Party shall be partially indemnified by Sublicensee to the fullest extent permitted by law.

(c) To the extent Liabilities arise from the following, they shall be excluded from Licensee’s indemnification and defense obligations under Section 19.2(a): (i) any construction performed by Parks or Parks’ contractors, (ii) any Parks’ Special Event, or (iii) the negligence or willful misconduct of the City or any of its officials, employees, contractors or agents (except for any negligence imputed to the City or any of its officials, employees, contractors, or agents arising from the negligence by Licensee or any Sublicensee in the performance of its maintenance obligations under this Agreement).

(d) To the fullest extent permitted by law, the Licensee shall defend, indemnify, and hold harmless the Indemnified Parties against any and all Claims and Liabilities that the Indemnified Parties may be subject to or which they may suffer or incur allegedly arising out of any infringement, violation, or unauthorized use of any copyright, trade secret, trademark or patent or any other property or personal right of any third party by the Licensee, any Sublicensee or any of their respective employees, agents, servants, contractors or subcontractors in the operations under this License including any such infringement, violation, or unauthorized use arising while Licensee is in compliance with the License. Insofar as the facts or law relating to any of the foregoing would preclude an Indemnified Party from being completely indemnified by the Licensee, the Indemnified Party shall be partially indemnified by the Licensee to the fullest extent permitted by law.

(e) Upon receipt by any Indemnified Party of actual notice of a Claim to which such Indemnified Party is entitled to indemnification in accordance with Sections 19.2(a) or (d), Parks shall give prompt notice of such Claim to Licensee. Licensee shall assume and prosecute the defense of such Claim at the sole cost and expense of Licensee. Licensee may settle any such Claim in its discretion so long as such settlement includes an unconditional release of the Indemnified Party.

19.3 Licensee’s obligation to defend, indemnify and hold the Indemnified Parties harmless shall not be (i) limited in any way by Licensee’s obligations to obtain and maintain insurance under this Licensee, nor (ii) adversely affected by any failure on the part of an Indemnified Party to avail themselves of the benefits of such insurance.

20. INSURANCE

20.1 (a) Throughout the Term, Licensee shall ensure that the types of insurance indicated in this Article are obtained and remain in force, and that such insurance adheres to all requirements herein. The City may require other types of insurance and/or higher liability limits and other terms if, in the opinion of the Commissioner, any change in Licensee’s operations after the date hereof warrant the foregoing.

(b) Licensee is authorized to undertake or maintain operations under this License only during the effective period of all required coverage.

20.2 (a) Licensee shall maintain Commercial General Liability insurance in the amount of at least Two Million Dollars ($2,000,000) per occurrence for bodily injury
(including death) and property damage and Two Million Dollars ($2,000,000) for personal and advertising injury and not less than Five Million Dollars ($5,000,000) in the aggregate on a per location basis, and Five Million Dollars products completed operations coverage, which amounts may be obtained by a combination of primary and umbrella coverage carried by Licensee. This insurance shall protect the insureds from claims for property damage and/or bodily injury, including death, and personal and advertising injury that may arise from any of the operations under this License. Coverage shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 0001, shall contain no exclusions other than as required by law or as approved by the Commissioner, and shall be “occurrence” based rather than “claims-made.”

(b) Licensee shall require that each Sublicensee and each of its construction contractors maintain Commercial General Liability insurance in the amount of at least One Million Dollars ($1,000,000) per occurrence for bodily injury (including death), One Million Dollars ($1,000,000) for personal and advertising injury, One Million Dollars ($1,000,000) in the aggregate, and One Million Dollars ($1,000,000) products completed operations coverage. This insurance shall protect the insureds from claims for property damage and/or bodily injury, including death, and personal and advertising injury that may arise from any of the operations under this License. Coverage shall be at least as broad as that provided by the most recently issued Insurance Services Office (“ISO”) Form CG 0001, shall contain no exclusions other than as required by law or as approved by the Commissioner, and shall be “occurrence” based rather than “claims-made.”

(c) Such Commercial General Liability insurance maintained by Licensee and each Sublicensee and construction contractor shall list the City, together with its officials and employees, as an Additional Insured for claims arising out of any of the operations under this License. Coverage shall be at least as broad as the most recent edition of ISO Form CG 20 26 and CG 20 37. “Blanket” or other forms are also acceptable if they provide the City, together with its officials and employees, with coverage at least as broad as ISO Forms CG 20 26 and CG 20 37.

(d) If Licensee or a Sublicensee of Licensee or a contractor of either serves alcoholic beverages anywhere on the Licensed Premises, Licensee and its Sublicensee and contractor shall carry or cause to be carried liquor law liability coverage in an amount not less than Two Million Dollars ($2,000,000) per occurrence and list the City, together with its officials and employees, as an additional insured. Such insurance shall be effective prior to the commencement of any operations in which alcoholic beverages are sold and continue for the duration of such operations. The Commissioner may increase or decrease the limit(s) if the Commissioner reasonably believes that the nature of such operations merits an increase or decrease.

20.3 Licensee shall maintain Workers’ Compensation insurance, Employers Liability insurance, and Disability Benefits insurance on behalf of, or with regard to, all employees involved in the Licensee’s operations under this License, and such insurance shall comply with the laws of the State of New York.
20.4 (a) With regard to all operations under this License, Licensee shall maintain or cause to be maintained Commercial Automobile Liability insurance in the amount of at least One Million Dollars ($1,000,000) each accident (combined single limit) for liability arising out of the ownership, maintenance or use of any owned, non-owned or hired vehicles. Coverage shall be at least as broad as the latest edition of ISO Form CA0001.

(b) If vehicles are used for transporting hazardous materials, such Commercial Automobile Liability insurance shall be endorsed to provide pollution liability broadened coverage for covered vehicles (endorsement CA 99 48) as well as proof of MCS-90.

20.5 (a) Licensee shall maintain commercial property insurance on a special causes of loss form covering all buildings, structures, equipment and fixtures on the Licensed Premises (“Concession Structures”), whether existing at the Commencement Date or built at any time before the Termination Date. Licensee’s property insurance requirements expressly exclude the sculptures and pedestals at Bryant Park (collectively, the “Excluded Monuments”). Such insurance shall provide full Replacement Cost coverage for the Concession Structures (without depreciation or obsolescence clause) and include, without limitation, coverage for loss or damage by acts of terrorism, water (other than flood-related), wind, subsidence and earthquake. Such insurance shall be “occurrence” (rather than “claims-made”) based and shall designate the Licensee as Named Insured and the City as Loss Payee as their interests may appear. If the Excluded Monuments are damaged by any event that would be covered by commercial property insurance on a special causes of loss form of the type that Licensee is required to carry for the Concession Structures, then Parks shall be responsible for the repair and restoration of the Excluded Monuments, if Parks chooses to repair or restore the Excluded Monuments.

(b) This section does not require coverage for damage caused by flooding.

(c) The limit of such property insurance shall be no less than the full Replacement Cost of all Concession Structures, including, without limitation, the costs of post-casualty debris removal and soft costs, to the extent that such costs can be covered by a commercial property insurance policy on a special causes of loss form. If such insurance contains an aggregate limit, it shall apply separately to the Concession Structures.

(d) In the event of any loss to any of the Concession Structures, Licensee shall provide the insurance company that issued such property insurance with prompt, complete and timely notice, and simultaneously provide the Commissioner with a copy of such notice. With regard to any Concession Structure that the City owns or in which the City has an interest, Licensee shall also (i) take all appropriate actions in a timely manner to adjust such claim on terms that provide the City with the maximum possible payment for the loss, and (ii) either provide the City with the opportunity to participate in any negotiations with the insurer regarding adjustments for claims or, at the Commissioner’s discretion, allow the City itself to adjust such claim.

20.6 Licensee represents and warrants that its operations at the Licensed Premises will not involve asbestos, lead, PCB’s or any other hazardous materials.
20.7 (a) Policies of insurance required under this Article shall be provided by companies that may lawfully issue such policy and have an A.M. Best rating of at least A-/“VII”, a Standard and Poor’s rating of at least A, a Moody’s Investor Service rating of at least A3, a Fitch Ratings’ rating of at least A- or a similar rating by any other nationally recognized statistical rating organization acceptable to the New York City Law Department unless prior written approval is obtained from the New York City Law Department.

(b) Except with respect to Workers’ Compensation, Employers’ Liability, and Disability Benefits Insurance, policies of insurance required under this Article shall be primary and non-contributing to any insurance or self-insurance maintained by the City.

(c) Wherever this Article requires that insurance coverage be “at least as broad” as a specified form (including all ISO forms), there is no obligation that the form itself be used, provided that Licensee can demonstrate that the alternative form or endorsement contained in its policy provides coverage at least as broad as the specified form.

(d) There shall be no self-insurance program or self-insured retention with regard to any insurance required under this Article unless approved in writing by the Commissioner. Under no circumstances shall the City be responsible for the payment of any self-insured retention (or any other aspect of a self-insurance program). Further, Licensee shall ensure that any such self-insurance program provides the City with all rights that would be provided by traditional insurance under this Article, including but not limited to the defense and indemnification obligations that insurers are required to undertake in liability policies.

(e) The City’s limits of coverage for all types of insurance required under this Article shall be the greater of (i) the minimum limits set forth in this Article or (ii) the limits provided to Licensee under all primary, excess and umbrella policies covering operations under this License Agreement.

(f) All required policies, except Workers’ Compensation, Employers Liability, and Disability Benefits, shall include a waiver of the right of subrogation with respect to all insureds and loss payees named therein.

20.8 (a) Certificates of Insurance for all insurance required in this Article must be submitted to and accepted by the Commissioner prior to execution of this License Agreement.

(b) For Workers’ Compensation, Employer’s Liability Insurance, and Disability Benefits insurance policies, Licensee shall submit one of the following:

(i) C-105.2 Certificate of Worker’s Compensation Insurance;

(ii) U-26.3 -- State Insurance Fund Certificate of Workers’ Compensation Insurance;

(iii) Request for WC/DB Exemption (Form CE-200);
(iv) Equivalent or successor forms used by the New York State Workers’ Compensation Board; or

(v) Other proof of insurance in a form acceptable to the City. ACORD forms are not acceptable proof of workers’ compensation coverage.

(c) For all insurance required under this Article other than Workers Compensation, Employer’s Liability, and Disability Benefits insurance, Licensee shall submit one or more Certificates of Insurance in a form acceptable to the Commissioner. All such Certificates of Insurance shall (a) certify the issuance and effectiveness of such policies of insurance, each with the specified minimum limits; and (b) be accompanied by the provision(s) or endorsement(s) in the Licensee’s policy/ies (including its general liability policy) by which the City has been made an additional insured or loss payee, as required herein. All such Certificates of Insurance shall be accompanied by either a duly executed “Certification by Insurance Broker or Agent” in the form annexed hereto as Exhibit H or as otherwise required by the Commissioner or certified copies of all policies referenced in such Certificate of Insurance.

(d) Certificates of Insurance confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of all policies required under this Concession. Such Certificates of Insurance shall comply with subsections (b) and (c) directly above.

(e) Acceptance or approval by the Commissioner of a Certificate of Insurance or any other matter does not waive Concessionaire’s obligation to ensure that insurance fully consistent with the requirements of this Article is secured and maintained, nor does it waive Licensee’s liability for its failure to do so.

(f) Licensee shall be obligated to provide the City with a copy of any policy of insurance required under this Article upon request by the Commissioner or the New York City Law Department.

20.9 (a) Licensee may satisfy its insurance obligations under this Article through primary policies or a combination of primary and excess/umbrella policies, so long as all policies provide the scope of coverage required herein.

(b) In the event Licensee requires any contractor to procure insurance with regard to any operations under this License and to list Licensee as an Additional Insured thereunder, Licensee shall ensure that such contractor also list the City, including its officials and employees, as an Additional Insured. For commercial general liability insurance, such coverage must be at least as broad as the most recent edition of ISO Form CG 20 26.

(c) Licensee shall be solely responsible for the payment of all premiums for all policies and all deductibles or self-insured retentions to which they are subject, whether or not the City is an insured under the policy.

(d) Where notice of loss, damage, occurrence, accident, claim or suit is required under a policy maintained in accordance with this Article, Licensee shall, and/or shall cause its Sublicensees and construction contractors, as applicable, to, notify in writing all
insurance carriers that issued potentially responsive policies of any such event relating to any operations under this License Agreement (including notice to Commercial General Liability insurance carriers for events relating to Licensee’s own employees) no later than 20 days after such event or sooner if required by the insurance policy. For any policy where the City is an Additional Insured, such notice shall expressly specify that “this notice is being given on behalf of the City of New York as Insured, including its officials and employees, as well as the Named Insured.” For any policy where the City is a Loss Payee, such notice shall expressly specify that “this notice is being given on behalf of the City of New York as Loss Payee as its interests may appear.” Such notice shall also contain the following information: the number of the insurance policy, the name of the named insured, the date and location of the damage, occurrence, or accident, and the identity of the persons or things injured, damaged or lost. Licensee shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007.

(e) Licensee’s failure to secure and maintain insurance in complete conformity with this Article, or to give the insurance carrier timely notice on behalf of the City, or to do anything else required by this Article shall constitute a material breach of this License Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

(f) Insurance coverage in the minimum amounts provided for in this Article shall not relieve the Licensee of any liability under this License Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this License Agreement or the law.

(g) In the event of any loss, accident, claim, action, or other event that does or can give rise to a claim under any insurance policy required under this Article, Licensee shall at all times fully cooperate with the City with regard to such potential or actual claim.

(h) In the event Licensee receives notice, from an insurance company or other person, that any insurance policy required under this Article shall expire or be cancelled or terminated (or has expired or been cancelled or terminated) for any reason, Licensee shall immediately forward a copy of such notice to both the Commissioner, the City of New York Department of Parks and Recreation, Arsenal, 830 Fifth Avenue, New York, NY 10065 and the New York City Comptroller, attn: Office of Contract Administration, Municipal Building, One Centre Street, room 1005, New York, New York 10007. Notwithstanding the foregoing, Licensee shall ensure that there is no interruption in any of the insurance coverage required under this Article.

21. WAIVER OF COMPENSATION

21.1 Licensee hereby expressly waives any and all claims for compensation from the Commissioner, his or her agents, and the City for any and all loss or damage sustained by reason of any defects, including but not limited to, deficiency or impairment of the water supply system, gas mains, electrical apparatus or wires furnished for the Licensed Premises, or by reason of any loss of any gas supply, water supply, heat or electric current which may
occur from time to time, or for any loss resulting from fire, water, windstorm, tornado, explosion, civil commotion, strike or riot, and Licensee hereby expressly releases and discharges the Commissioner, his or her agents, and the City from any and all demands, claims, actions, and causes of action arising from any of the causes aforesaid, except to the extent any of the foregoing arise from the gross negligence or willful misconduct of the City or any officer, official, employee or contractor thereof.

21.2 Licensee further expressly waives any and all claims for compensation, loss of profit, or refund of its investment, if any, or any other payment whatsoever, in the event this License is terminated by the Commissioner sooner than the fixed term because the Licensed Premises are required for any park or other public purpose, or because the License was terminated or revoked for any reason as provided herein.

22. INVESTIGATIONS

22.1 (a) The parties to this license shall cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State of New York (hereinafter “State”) or a City governmental agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

(b) (i) If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the laws of the State of New York; or

(ii) If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then

(A) The Commissioner or agency head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five days written notice to the parties involved to determine if any penalties should attach for the failure of any person to testify.
(B) If any non-governmental party to the hearing requests an adjournment, the Commissioner or agency head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Section 22 (d) below without the City incurring any penalty or damages for delay or otherwise.

(c) The penalties which may attach after a final determination by the Commissioner or agency head may include but shall not exceed:

(i) The disqualification for a period not to exceed five years from the date of an adverse determination of any person or entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

(ii) The cancellation or termination of any and all existing City contracts, leases, permits, or licenses that the refusal to testify concerns and that have not been assigned as permitted under this license, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

(d) The Commissioner or agency head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Section 22(d) (i) and (ii) below. He or she may also consider, if relevant and appropriate, the criteria established in Sections 22(d) (iii) and (iv) below in addition to any other information which may be relevant and appropriate.

(i) The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assigns or fiduciaries whose testimony is sought.

(ii) The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

(iii) The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

(iv) The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under (c) above, provided that the party or entity has given actual notice to the Commissioner or agency head upon the acquisition of the interest, or at the hearing called for in (b) (ii)(A) above gives notice and proves that such interest was previously acquired. Under either circumstance the
party or entity must present evidence at the hearing demonstrating the potentially adverse impact a penalty will have on such person or entity.

(e) (i) The term “license” or “permit” as used herein shall be defined as a license, permit, franchise or concession not granted as a matter of right.

(ii) The term “person” as used herein shall be defined as any natural person doing business alone or associated with another person or entity as a partner, director, officer, principal or employee.

(iii) The term “entity” as used herein shall be defined as any firm, partnership, corporation, association, or person that receives monies, benefits, licenses, leases, or permits from or through the City or otherwise transacts business with the City.

(iv) The term “member” as used herein shall be defined as any person associated with another person or entity as a partner, director, officer, principal or employee.

(f) In addition to and notwithstanding any other provision of this License the Commissioner or agency head may in his or her sole discretion terminate this agreement upon not less than three days written notice in the event Licensee fails to promptly report in writing to the Commissioner of Investigation of the City of New York any solicitation of money goods requests for future employment or other benefit or thing of value, by or on behalf of any employee of the City of other person, firm, corporation or entity for any purpose which may be related to the procurement or obtaining of this agreement by the Licensee, or affecting the performance or this License Agreement.

23. CHOICE OF LAW, CONSENT TO JURISDICTION AND VENUE

23.1 This License Agreement shall be deemed to be executed in the City of New York, State of New York, regardless of the domicile of the Licensee, and shall be governed by and construed in accordance with the laws of the State of New York.

23.2 (a) Any and all claims asserted by or against the City arising under this License or related thereto shall be heard and determined either in the courts of the United States located in New York City (“Federal Courts”) or in the courts of the State of New York (“New York State Courts”) located in the City and County of New York. To effect this License Agreement and its intent, Licensee agrees:

(b) If the City initiates any action against the Licensee in Federal Court or in New York State Court, service of process may be made on the Licensee either in person, wherever such Licensee may be found, or by registered mail addressed to the Licensee at its address set forth in this License, or to such other address as the Licensee may provide to the City in writing; and

(c) With respect to any action between the City and the Licensee in New York State Court, the Licensee hereby expressly waives and relinquishes any rights it might otherwise
have (i) to move to dismiss on grounds of forum non conveniens, (ii) to remove to Federal Court; and (iii) to move for a change of venue to a New York State Court outside New York County.

23.3 With respect to any action between the City and the Licensee in Federal Court located in New York City, the Licensee expressly waives and relinquishes any right it might otherwise have to move to transfer the action to a United States Court outside the City of New York.

23.4 If the Licensee commences any action against the City in a court located other than in the City and State of New York, upon request of the City, the Licensee shall either consent to a transfer of the action to a court of competent jurisdiction located in the City and State of New York or, if the court where the action is initially brought will not or cannot transfer the action, the Licensee shall consent to dismiss such action without prejudice and may thereafter reinstitute the action in a court of competent jurisdiction in New York City.

24. WAIVER OF TRIAL BY JURY

24.1 (a) Licensee hereby waives trial by jury in any action, proceeding, or counterclaim brought by the City against Licensee in any matter related to this License.

(b) In the event any claim is made or any action brought in any way relating to this License Agreement herein other than an action or proceeding in which Licensee and City are adverse parties, Licensee and the City shall reasonably cooperate with each other without additional compensation to the extent that either party may reasonably require of the other.

25. CUMULATIVE REMEDIES - NO WAIVER

25.1 The specific remedies to which the City may resort under the terms of this License are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any other default hereunder. The failure of the City to insist in any one or more cases upon the strict performance of any of the covenants of this License, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenants or option.

26. EMPLOYEES

26.1 All experts, consultants and employees of Licensee who are employed by Licensee to perform work under this License are neither employees of the City nor under contract to the City, and Licensee alone is responsible for their work, direction, compensation and personal conduct while engaged under this License. Nothing in this License shall impose any liability or duty on the City for acts, omissions, liabilities or obligations of Licensee or any person, firm, company, agency, association, corporation or organization engaged by Licensee as expert, consultant, independent contractor, specialist, trainee, employee, servant, or agent or for taxes of any nature including but not limited to unemployment insurance, workers' compensation, disability benefits and social security.
27. **INDEPENDENT STATUS OF LICENSEE**

27.1 Licensee is not an employee of the City and in accordance with such independent status neither Licensee nor its employees or agents will hold themselves out as, nor claim to be officers, employees, or agents of the City, or of any department, agency, or unit thereof, and they will not make any claim, demand, or application to or for any right or privilege applicable to an officer of, or employee of, the City, including but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage or employee retirement membership or credit.

28. **CONFLICT OF INTEREST**

28.1 Licensee represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. Licensee further represents and warrants that in the performance of this License no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the City, nor any person whose salary is payable, in whole or part, from the City treasury, shall participate in any decision relating to this License which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this License or in the proceeds thereof.

29. **PROCUREMENT OF AGREEMENT**

29.1 Licensee represents and warrants that no person or selling agency has been employed or retained to solicit or secure this License upon an agreement or understanding for a commission, percentage, brokerage fee, contingent fee or any other compensation. Licensee further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. Licensee makes such representations and warranties to induce the City to enter into this License and the City relies upon such representations and warranties in the execution hereof.

29.2 For a breach or violation of such representations or warranties, the Commissioner shall have the right to annul this License without liability, entitling the City to recover all monies paid hereunder, if any, and the Licensee shall not make any claim for, or be entitled to recover, any sum or sums due under this License. This remedy, if effected, shall not constitute the sole remedy afforded the City for the falsity or breach, nor shall it constitute a waiver of the City's right to claim damages or refuse payment or to take any other action provided by law or pursuant to this License.

30. **NO CLAIM AGAINST OFFICERS, AGENTS OR EMPLOYEES**

30.1 No claim whatsoever shall be made by the Licensee against any officer, agent or employee of the City for, or on account of, anything done or omitted in connection with this License.
31. **ALL LEGAL PROVISIONS DEEMED INCLUDED**

31.1 Each and every provision of law required to be inserted in this License shall be inserted herein. If, through mistake or otherwise, any such provision is not inserted, or is not inserted in correct form, then this License shall, forthwith upon the application of either party, be expressly amended by such insertion so as to comply strictly with the law and without prejudice to the rights of either party hereunder.

32. **SEVERABILITY: INVALIDITY OF PARTICULAR PROVISIONS**

32.1 If any term or provision of this License or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and enforceable to the fullest extent permitted by law.

33. **JUDICIAL INTERPRETATION**

33.1 Should any provision of this License require judicial interpretation, it is agreed that the court interpreting or considering same shall not apply the presumption that the terms hereof shall be more strictly construed against a party by reason of the rule of construction that a document should be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that all parties hereto have participated in the preparation of this License and that legal counsel was consulted by each responsible party before the execution of this License.

34. **MODIFICATION OF AGREEMENT**

34.1 This License Agreement constitutes the whole of the agreement between the parties hereto, and no other representation made heretofore shall be binding upon the parties hereto. This License Agreement may only be modified by an agreement in writing and duly executed by the party or parties affected by said modification.

35. **NOTICES**

35.1 Where provision is made herein for notice or other communication to be given in writing, the same shall be given by hand delivery or by mailing a copy of such notice or other communication by certified mail, return receipt requested, addressed to the Commissioner or to the attention of Licensee at their respective addresses provided at the beginning of this License Agreement, or to any other address that Licensee shall have filed with the Commissioner. Notices may also be given by facsimile transmission to the fax numbers for each party provided at the beginning of this License Agreement. Notices to Licensee shall also be given to Licensee at the following address: Bryant Park Corporation, 1065 Avenue of the Americas, Suite 2400, New York, New York 10018, Attention: Dan Pisark (Fax No. (212) 719-3499). Notwithstanding the foregoing, notices seeking or relating to a Parks Approval may be sent by email to the applicable Parks representative set forth in Section 12.4, as updated from time to time.
36. **LICENSEE ORGANIZATION, POWER AND AUTHORITY**

   36.1 Licensee and the individual executing this License Agreement on behalf of Licensee each represents and warrants that Licensee is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of New York and has the power and authority to enter into this License Agreement and perform its obligations hereunder. This is a continuing representation and warranty.

37. **MISCELLANEOUS**

   37.1 The headings of sections and paragraphs are inserted for convenience only and shall not be deemed to constitute part of this License Agreement or to affect the construction thereof. The use in this License Agreement of singular, plural, masculine, feminine and neuter pronouns shall include the others as the context may require.
IN WITNESS WHEREOF, the parties hereto have caused this License Agreement to be signed and sealed on the day and year first above written.

CONCESSION PRE-SOLICITATION REVIEW MEMORANDUM

A. DETERMINATION TO UTILIZE OTHER THAN COMPETITIVE SEALED BIDS  □ N/A

Instructions: Attach copy of draft RFP or other solicitation document, and check all applicable box(es) below.

The Agency has determined that it is not practicable or advantageous to use Competitive Sealed Bids because:

☐ Specifications cannot be made sufficiently definite and certain to permit selection based on revenue to the City alone.
☐ Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require a balancing of revenue to the City, quality and other factors.
☐ The agency will be pursuing a negotiated concession for the reasons listed in section (B)(3)(b)

Other (Describe):

The New York City Department of Transportation ("DOT") will be pursuing a Sole Source License Agreement ("Agreement") pursuant to Section 1-16 of the Concession Rules ("different procedures") for the reasons listed in section (B)(2).

B. DETERMINATION TO USE OTHER THAN COMPETITIVE SEALED PROPOSALS  □ N/A

1. Briefly summarize the terms and conditions of the concession. Add additional sheet(s), if necessary.

Subject to Franchise and Concession Review Committee ("FCRC") Step 1 authorization, DOT intends to negotiate the Agreement with the Grand Central District Management Association, Inc. ("Grand Central Partnership") for the operation, management and maintenance of a pedestrian plaza located at Park Avenue (west) and Pershing Square East between East 41st Street and East 42nd Street, in the borough of Manhattan ("Licensed Plaza").

It should be noted that DOT previously received FCRC Step 1 approval on April 14, 2010 to enter into negotiations with the Grand Central Partnership for a portion of the Licensed Plaza located on Park Avenue (west) between East 41st Street and East 42nd Street. However, as part of the Greater East Midtown Rezoning, Pershing Square East between East 41st and East 42nd Street was identified as a location that would receive funding for enhanced pedestrian amenities. Accordingly, DOT is seeking to combine both spaces into one cohesive pedestrian plaza managed, operated and maintain by a single entity.

The Grand Central Partnership would have the right to provide for the operation and management of the Licensed Plaza in exchange for ongoing maintenance of the Licensed Plaza, including through DOT-approved events, sponsorships and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that promotes the neighborhood or the Grand Central Partnership, and other similar merchandise within the Licensed Plaza. Subconcessions would be awarded based on solicitations issued by the Grand Central Partnership in the basic form of Request for Proposals or Request for Bids, and subject to DOT’s prior written approval of both solicitation and award.

2. Briefly explain the basis for the determination not to solicit Competitive Sealed Proposals.

The intent of the Agreement is that all revenue received by the Grand Central Partnership from the operation and management of the concession will go toward maintaining the Licensed Plaza. Since the concession will not yield a profit to the Grand Central Partnership, a determination was made to not solicit Competitive Sealed Proposals.
It is in the City’s best interest to enter into the Agreement using a different procedure with the Grand Central Partnership because this not-for-profit organization’s mission is to improve and enhance the neighborhood in which the Licensed Plaza is located. The Grand Central Partnership was created and is funded by the property owners surrounding the Licensed Plaza. This organization directly represents the neighborhood that it will serve and has a specific interest in the Licensed Plaza.

3a. **Briefly explain the selection procedure that will be utilized.**

On May 29, 2018, DOT intends to seek FCRC authorization to negotiate the Agreement with the Grand Central Partnership for the operation, management and maintenance of the Licensed Plaza ("Step 1"). Pending FCRC Step 1 approval, DOT intends to negotiate the terms of the Agreement with the Grand Central Partnership.

Once negotiated and if determined by DOT to be a significant concession, DOT and the FCRC will hold a joint Public Hearing on the proposed Agreement before presenting the proposed concession to the FCRC for “Step 2” approval at a second Meeting. If DOT determines the concession to be non-significant, DOT will present the fully negotiated Agreement with the Grand Central Partnership to the FCRC and request the required FCRC authorization to enter into the Agreement directly (without the need for an initial public hearing).

3b. **If the selection procedure is a negotiated concession, check the applicable box:** ☒ N/A

The Agency made a determination that it is not practicable and/or advantageous to award a concession by competitive sealed bidding or competitive sealed proposals due to the existence of a time-sensitive situation where a concession must be awarded quickly because:

- ☐ The agency has an opportunity to obtain significant revenues that would be lost or substantially diminished should the agency be required to solicit the concession by competitive sealed bids or competitive sealed proposals and the diminished revenue does not relate only to the present value of the revenue because of the additional time needed to solicit competitive sealed bids or competitive sealed proposals; [Explain]

- ☐ An existing concessionaire has been terminated, has defaulted, has withdrawn from, or has repudiated a concession agreement, or has become otherwise unavailable; [Explain]

- ☐ The agency has decided, for unanticipated reasons, not to renew an existing concession in the best interest of the City and requires a substitute/successor concessionaire. [Explain]

- ☐ DCAS is awarding a concession to an owner of property adjacent to the concession property, or to a business located on such adjacent property, and has determined that it is not in the best interest of the City to award the concession pursuant to a competitive process because of the layout or some other characteristic of the property, or because of a unique service that can be performed only by the proposed concessionaire. [Explain]

Approved by CCPO: _____________________________on __/__/__.
4. If the agency has/will request unanimous FCRC approval to waive advance written notice to affected CB(s) that a selection procedure other than CSB or CSP will be utilized, explain the exigent circumstances.
