### **What is HireNYC: Goods and Services?**

- HireNYC: Goods and Services is part of the Mayor's larger HireNYC program, announced in *One New York: The Plan for a Strong and Just City* and *Career Pathways: One City Working Together*. It is a partnership between the City, employers and jobseekers, to leverage the City's purchasing power to connect low-income and underserved New Yorkers to employment opportunities.
- HireNYC: Goods and Services is a hiring process that requires businesses that contract with the City to share entry and mid-level positions with the City, and interview the qualified candidates that the City refers.
- It provides free, high quality recruitment services to employers and high-quality employment services to jobseekers.
- Contractors work with Workforce1, a free employment service within the Department of Small Business Services, to find qualified candidates to fill openings across their organization.
