

Procurement Summary

Basic Information

Procurement Title:	School Based Health Centers (2019)
Agency:	Department of Health and Mental Hygiene (DOHMH)
Agency Email Contact:	RFP@health.nyc.gov
Procurement Description:	<p>School Based Health Centers are medical health centers within the schools. They help students manage their illnesses during the school day. Because of the location, School Based Health Center are an easy health care option for busy students with busy parents who cannot always make it to their doctor's office. School-Based Health Centers have been providing primary care to students in NYC schools for over 30 years. It's been proven that School-Based Health Centers lower school absences and parents' time away from work. They also lower the chance of an emergency room or hospital visit. If a child has a chronic illness, or suddenly gets sick, a School-Based Health Center at their school can assist the child with needed care.</p> <p>Through this procurement, DOHMH is seeking appropriately qualified vendors to provide comprehensive primary preventive care including age-appropriate reproductive health care services, and mental health services to students at SBHC in select NYC public schools.</p>
