Basic Information

Procurement Title: NeON Works!

Agency: Department of Probation

Agency Email Contact: acco@probation.nyc.gov

Procurement Description:

The Department of Probation (DOP) is a leader in community corrections, working within the criminal and juvenile justice systems and in the community to create a safer New York City. Using Evidence-Based practices, and a balance of enforcement, structure, treatment and support, DOP holds people on probation accountable and gives them opportunities to forge new pathways so that they can move out of and stay out of the justice system. DOP works with them to get the education and skills they need to be successful in the job market; to repair and restore important relationships in their lives, including their relationships to their neighborhoods and larger community; and to make decisions that keep themselves out of harm's way and from harming others. In this way, probation becomes a stage of opportunity within the justice system, and a time to create a highly individualized "New Now".

The following Concept Paper is the precursor to a forthcoming Request for Proposals (RFP) to provide NeON Works!, a program to be provided in parallel with the Department of Probation (DOP)'s Neighborhood Opportunity Networks (NeONs). NeON Works! would assist young adults across New York City with employment services and credentialing, ultimately leading to a career pathway.

Through the upcoming RFP, DOP will be seeking appropriately qualified not-for-profit vendors ("providers") to implement this initiative citywide. DOP is seeking comments on the Concept Paper presented herein.
