## Basic Information

Procurement Title: NeON Works!

Agency: Department of Probation

Agency Email Contact: [acco@probation.nyc.gov](mailto:acco@probation.nyc.gov)

Procurement Description:

Through the Neighborhood Opportunity Network (NeON), DOP has moved probation supervision to the neighborhood level, meeting people on probation within their own communities in Bedford-Stuyvesant, Brownsville, East New York, Harlem, Jamaica, Northern Staten Island and the South Bronx. By doing so, DOP expanded the local network of resources available in neighborhoods where high numbers of people on probation live. Each of the seven NeONs provides both a reporting center for probation supervision, as well as a setting to connect people on probation with their community and new opportunities. The NeONs bring together a multitude of resources, a mix of contracted program service providers and other local partners, working toward a common goal of improving public safety and community engagement. For example, NeONs promote civic engagement through a robust offering of no-cost services and programs, including arts and sports programming, High School Equivalency (HSE) classes through a partnership with the NYC Department of Education District 79 Pathways to Graduation program, on-site animation labs through the Made in NY Animation Project, access to healthy food, clothing, and health insurance enrollment. NeONs also host open information sessions and events on topics of critical importance to local communities, such as anti-violence efforts and improving health. Programming is developed and managed with input from local Stakeholder Groups made up of a diverse array of local residents, business owners, clergy, probation staff, and people previously under supervision.
