The goal of this program is to provide enhanced investigation capability to the Department's existing capacity in light of the passage of Local Law #1 of 2018 which expands the requirements for a CONH to properties meeting the criteria outlined in the law. The underlying rationale for the program is to disincentivize owners of buildings throughout the City and in specific re-zoning areas that meet specific criteria as set forth in the legislation from harassing tenants to leave their apartments.</p>
