

Procurement Roadmap Summary

Basic Information

Procurement Title:	Provision of Congregate Supportive Housing
Agency:	Human Resources Administration (HRA)
Program Name:	Congregate Housing and Supportive Housing Services
Agency Email Contact (for public):	accoprocurements@hra.nyc.gov

Procurement Description:	<p>In November 2015 Mayor Bill de Blasio announced the NYC Supportive Housing Initiative to fund and develop 15,000 new units of supportive housing in New York City over the next 15 years. This far reaching and comprehensive initiative targets the most vulnerable homeless New Yorkers in need of supportive housing. Supportive housing combines affordable housing with appropriate social services to help special populations, including individuals and families with serious mental (SMI) illness and substance use disorders (SUD).</p> <p>The City's 15,000-unit plan is comprised of a projected 7,500 newly-developed congregate (single-site) units and a projected 7,500 scattered-site apartments. The NYC Human Resources Administration (HRA) is the lead agency for procuring service awards for the 15,000 supportive housing units. Ongoing contract management will be provided by the NYC Department of Health and Mental Hygiene (DOHMH). The NYC Department of Housing Preservation and Development (HPD) will award rental assistance and capital to support the projects, however providers may also secure other sources of funding for rental assistance or capital funding. The City commitment is for both congregate and scattered-site models of supportive housing. This RFP will provide funding solely for the congregate model. The support services for congregate facilities awarded through this RFP will assist individuals to develop and maintain healthy lives leading to an improved quality of life.</p>
