

# Procurement Summary

## Basic Information

Procurement Title:	Transitional (TIER II) Housing and Supportive Services for Domestic Violence Survivors
Agency:	Human Resources Administration
Program Name:	Emergency Intervention Services
Agency Email Contact (for public):	thornet@hra.nyc.gov

Procurement Description:	<p>The New York City Human Resources Administration (HRA) is seeking providers to increase the number of transitional shelter units with a focus on single domestic violence survivors including pregnant women, and small families. The goal of this expansion is to provide transitional shelters and support services to domestic violence survivors and their families so they can become stable and safely move into permanent housing.</p> <p>Tier II shelters are transitional residential domestic violence programs that are regulated by the New York State Office of Temporary and Disability Assistance (OTDA) under 18 NYCRR Part 900. Tier II shelters provide a much needed extension of shelter services for families already residing in the domestic violence emergency shelters. Upon the end of the 180 day maximum length of stay in emergency shelters, survivors of domestic violence may be placed into transitional shelter to continue to receive on-going support and services while working to obtain safe permanent housing and reintegrate in the community.</p> <p>The contractor(s) will provide temporary transitional housing and support services that will deescalate crisis, strengthen life skills, maximize economic stability, and build client support systems. Such services would include, but are not limited to shelter resident needs assessments, permanent housing preparation, information and referrals; individual and group counseling, client advocacy, housing and employment assistance, children's services, first aid, emergency food, security, cleaning and maintenance. Services would be provided twenty-four (24) hours a day, seven (7) days a week. All services would be provided in accordance with the applicable New York State rules and regulations.</p>
