DRAFT – PHA Agency Plan
Annual Agency Plan for Fiscal Year 2017

Shola Olatoye
Chair & Chief Executive Officer

Date: June 17, 2016
Purpose. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA’s operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA’s mission, goals and objectives for serving the needs of low-income, very low-income, and extremely low-income families.

Applicability. Form HUD-50075-ST is to be completed annually by STANDARD PHAs or TROUBLED PHAs. PHAs that meet the definition of a High Performer PHA, Small PHA, HCV-Only PHA or Qualified PHA do not need to submit this form.

Definitions.

1. **High-Perform PHA** – A PHA that owns or manages more than 550 combined public housing units and housing choice vouchers, and was designated as a high performer on both of the most recent Public Housing Assessment System (PHAS) and Section Eight Management Assessment Program (SEMAP) assessments if administering both programs, or PHAS if only administering public housing.

2. **Small PHA** - A PHA that is not designated as PHAS or SEMAP troubled, or at risk of being designated as troubled, that owns or manages less than 250 public housing units and any number of vouchers where the total combined units exceeds 550.

3. **Housing Choice Voucher (HCV) Only PHA** - A PHA that administers more than 550 HCVs, was not designated as troubled in its most recent SEMAP assessment and does not own or manage public housing.

4. **Standard PHA** - A PHA that owns or manages 250 or more public housing units and any number of vouchers where the total combined units exceeds 550, and that was designated as a standard performer in the most recent PHAS or SEMAP assessments.

5. **Troubled PHA** - A PHA that achieves an overall PHAS or SEMAP score of less than 60 percent.

6. **Qualified PHA** - A PHA with 550 or fewer public housing dwelling units and/or housing choice vouchers combined, and is not PHAS or SEMAP troubled.

Executive Summary
NYCHA’s Draft Agency Plan for FY 2017

Federal law requires the New York City Housing Authority ("NYCHA") to develop, with input from public housing residents, Section 8 participants, elected officials and the public, a plan setting forth its major initiatives for the coming year.

The Draft Agency Plan for FY 2017 is available for public review at NYCHA’s Central Office and each development’s management office as well as on NYCHA’s web page http://www1.nyc.gov/site/nycha/about/annual-plan-financial-information.page. NYCHA will also provide a copy of the Draft Agency Plan to each public housing Resident Association President.

NYCHA met with the Resident Advisory Board ("RAB") members for their comments in ten meetings between February and June 2016.

NYCHA’s Final Agency Plan to the U.S. Department of Housing and Urban Development ("HUD") will be submitted on October 18, 2016. Following NYCHA’s submission, HUD has 75 days in which to review and approve the plan.

NYCHA’s priorities for the coming year are outlined on pages 18 through 26.

NextGeneration NYCHA

On May 19, 2015, Mayor de Blasio and NYCHA Chair and CEO Shola Olatoye announced NextGeneration NYCHA ("NextGen"), a comprehensive ten-year plan to stabilize the financial crisis facing New York City’s public housing authority and deliver long-needed improvements to residents’ quality of life by changing the way NYCHA is funded, operated and how it serves its residents. Developed over one year from 150 collaborative meetings with NYCHA residents, stakeholders and elected officials, NextGen builds on the de Blasio administration’s commitment to stabilize, preserve and revitalize public housing. Facing the worst financial crisis in NYCHA’s history, the Authority continues to launch targeted strategies each month with the goal of improving resident quality of life and preserving public housing for this and future generations. With increased transparency, infrastructure improvements, and stakeholder engagement, NYCHA is taking meaningful steps to change the way it does business and become a more modern, effective and efficient landlord. NextGen’s 15 targeted strategies support four principal goals:

1. Change the way NYCHA is funded
2. Operate like a more modern, efficient landlord
3. (Re)build existing public housing and new affordable housing
4. Engage residents and connect them to best-in-class services

By cutting costs, instituting modern and effective management practices, and targeting new sources of revenue, over ten years the plan’s 15 strategies will both reduce NYCHA’s capital needs by $4.6 billion over ten years and achieve nearly $900 million in savings and new operating revenue over the next five years.
In the first year of the NextGeneration plan, NYCHA has made major progress in its commitment to improving quality of life for the more-than 400,000 people who call NYCHA home. NYCHA has made major capital repairs and improvements to buildings across the five boroughs, including at Sandy-impacted developments – and is integrating sustainability and resiliency into all new construction. NYCHA has improved the speed and ease of customer service with initiatives like localized property management, and innovative technology, like the MyNYCHA Mobile App, which connects residents with NYCHA through smartphones, tablets, and computers. NYCHA has made millions of dollars of security improvements, installing security cameras, exterior and interior lighting, and layered access doors, and continues to make communities safer by enhancing communication and collaboration with partner agencies. NYCHA is engaging residents in new ways, through comprehensive outreach efforts and constant dialogue with the community – graduating nearly 450 residents from its resident training programs, partnering with expert providers to deliver services to residents, and holding 36 meetings with over 600 residents to date at Holmes Towers and Wyckoff Gardens in the NextGen Neighborhoods program. Additionally, NYCHA is leveraging new funding streams, including federal programs like Rental Assistance Demonstration (RAD), through which NYCHA will make critical improvements and renovations at 1,400 units in Far Rockaway.

Below are some of the accomplishments achieved:

<tbody>
<tr>
<td>Improve resident rent and fee collection.</td>
</tr>
<tr>
<td>• Expanded use of automated rent reminder calls (robocalls) to all of NYCHA</td>
</tr>
<tr>
<td>• Launched pilot at St. Nicholas Houses to reduce overall rent delinquency</td>
</tr>
<tr>
<td>• Trained over 700 NYCHA staff on new rent procedures to improve customer service on rent collection</td>
</tr>
<tr>
<td>Maximize the revenue and uses of ground floor spaces.</td>
</tr>
<tr>
<td>• Created 15 new leases of formerly vacant ground-floor commercial and community space and renewed 9 leases, totaling 27,000 square feet generating new revenue</td>
</tr>
<tr>
<td>Integrate with City agencies and reduce central office expenses.</td>

**OPERATE**

### Transform into a digital organization
- Launched the MyNYCHA app in English and Spanish, allowing residents to create, schedule and view apartment repair requests from their smartphones and tablets
  - Over 23,000 downloads for the app; residents have created nearly 96,000 work orders
- Created Development Portal, allowing residents to view information about their development, including work orders, service levels, and outages.
- Launched online Section 8 recertifications and public housing annual income reviews
  - Over 41,000 recertifications have been submitted online out of 80,000 leased housing voucher-holders
  - Public housing annual income reviews were piloted at 3 developments (Lincoln, Jefferson, and Ravenswood)

### Localize decision-making at the developments
- NYCHA expanded the asset-based Optimal Property Management Operating Model or OPMOM at 39 Queens, Staten Island and Mixed Finance properties.
- Reduced work order completion time to 6.2 days from 21 days at the initial 18 OPMOM developments

### Pursue a comprehensive sustainability agenda
- Launched NYCHA’s first-ever Sustainability Agenda, marking the first time in NYCHA’s history the Authority has developed an integrated, long-term plan focused on environmental health, green building and operations, and climate change adaptation and resiliency
- The major goals of the Sustainability Agenda include reducing greenhouse gases 80% by 2050, integrating resiliency and climate change adaptation into capital planning and incorporating sustainability into daily management and operations.
- Recycling:
  - Rolled out recycling program at 120 developments, impacting 1,074 buildings that serve 186,920 residents
- Sandy Recovery:
  - Started FEMA-funded Sandy Construction at 21 developments
  - Renovated 216 Sandy-damaged first floor apartments at 10 developments
  - Ready to begin construction on first major permanent repairs project in the Rockaways
### Increase safety and security at NYCHA developments

- Completed a $4.8 million lighting project at Polo Grounds Towers, installing 341 state-of-the-art, energy-efficient fixtures in public areas.
- Completed $4.1 million exterior lighting project in Bushwick
- Installed CCTV, lighting, doors, and layered access at 15 MAP developments
- Completed 32 Layered Access Control (LAC) and CCTV projects
- Reduced violent crime at MAP sites by 11% in 2015
- Removed over 10,000 linear-feet of legacy shedding
- Launched the Public Safety Advisory Committee (PSAC), bringing residents to the table with NYCHA staff and management, law enforcement agencies, and community organizations to develop a Public Safety Blueprint for improving quality of life

## (RE) BUILD

### Devise Capital Planning Strategy

$300 million City investment over the next 3 years to replace some of the worst roofs in NYCHA’s portfolio in order to reduce mold, repair leaks, and restore apartments impacted by aging roof infrastructure.

- Replaced 21 of 26 roofs at Queensbridge North and South with $87M in City capital funding

### Provide underutilized NYCHA-owned land to support the creation of affordable housing units

Plans to create affordable senior and family housing on underused NYCHA property following an extensive planning process with residents and community advocates at Ingersoll (Fort Greene, Brooklyn), Van Dyke (Brownsville, Brooklyn) and Mill Brook (Mott Haven, Bronx.)

- Selected developers for NYCHA’s first 100%-affordable housing sites at Mill Brook, Ingersoll, and Van Dyke Houses

  Initiative to generate revenue to reinvest into NextGen Neighborhood development sites and across NYCHA by leveraging a 50-50 split of market-rate and affordable housing units built on underutilized NYCHA land.

- Engaged 600+ residents in 36 meetings at Holmes Towers (Manhattan) and Wyckoff Gardens (Brooklyn), where a 50/50 mix of affordable and market-rate housing will be developed to generate revenue for critical repairs at NYCHA and increase the City’s
supply of affordable housing.

Connect residents to quality workforce opportunities

- Graduated 350 residents from Resident Training Academy
- Graduated 84 residents from Food Business Pathways
- Launched a workforce development initiative with East Harlem Employment Services
- Held first conference in the Resident Leader training series on the Section 3 resident hiring program and other economic opportunities

NextGeneration is transforming how NYCHA is funded, operates, builds and rebuilds, and engages residents and connects them to opportunity. In year one, NYCHA is moving in a positive direction and seeing results.

Creating safe, clean, and connected communities for residents

NextGeneration NYCHA – Public Safety

As part of NextGeneration NYCHA, the Public Safety Advisory Committee will engage a variety of stakeholders to develop a NextGen Public Safety Blueprint, a plan that will incorporate current public safety efforts with additional initiatives to address crime, youth and community engagement, emergency response and preparedness, lease enforcement, and quality of life issues ranging from littering to dog owners that fail to curb their pets. The Advisory Committee will build on the vision of NYCHA’s existing Resident Watch Groups— comprised of resident volunteers who give their time to enhance development security— and ensure that resident voices continue to be the central focus of NextGeneration NYCHA’s safety agenda. Since more than 41 percent of NYCHA residents are under the age of 25, elevating the voice and input of young adults living in NYCHA communities will be crucial to shaping the direction of the Public Safety Advisory Committee.

Housing New York, One City: Built to Last, and OneNYC

Housing New York

In May 2014, Mayor de Blasio unveiled Housing New York: A Five-Borough, Ten-Year Plan, a comprehensive plan to build or preserve 200,000 affordable units over the coming decade to support New Yorkers with a range of incomes, from the very lowest to those in the middle class. NYCHA has already played a key role in advancing Housing New York’s goals.

NextGeneration NYCHA – 100%Affordable Housing

The Authority will provide underutilized land for the creation of 10,000 affordable housing units, including a mix of uses, to provide additional amenities. In May 2016, NYCHA and New York City Department of Housing Preservation and Development (HPD) announced the selection of three development teams to expand affordable housing opportunities at three NYCHA developments: Ingersoll Houses in the Fort Greene neighborhood of Brooklyn, Van Dyke Houses in the Brownsville
neighborhood of Brooklyn, and Mill Brook Houses in the Mott Haven neighborhood in the Bronx. The plan to create 100 percent affordable senior and multifamily housing on available NYCHA property was developed in response to resident and advocate calls for more affordable housing options in their communities.

NYCHA intends to ground lease three sites located at Betances V, Betances VI, and Sumner Houses for additional low-income housing development. RFP release is scheduled for Spring 2016. Developer selection will be completed in Spring 2016. Section 18 applications will be submitted in 2017. Construction is scheduled to begin in 2018.

All six 100 percent affordable housing developments will advance the goals of Mayor de Blasio’s Housing New York plan to build or preserve 200,000 affordable housing units over ten years. It also helps achieve NYCHA’s commitment to contribute 10,000 of those affordable units within the decade as part of NextGeneration NYCHA, the Authority’s 10-year strategic plan.

**NextGeneration NYCHA – NextGeneration Neighborhoods**

Centered on resident and community stakeholder engagement, the NextGen Neighborhoods program enables NYCHA to generate revenue to reinvest back into our development sites and across NYCHA by leveraging a 50-50 split of market-rate and affordable housing units.

NYCHA has been actively seeking resident input at the front end of the process to help shape the final plan. Between September 2015 and May 2016, over 1,300 residents have participated in meetings, visioning sessions, and charrettes at Holmes Towers in Manhattan and Wyckoff Gardens in Brooklyn. Their input will inform the character of the residential/commercial mix at sites, the new building location, and the look and feel (that is, the design and landscape) of the new construction—all of which will help integrate the new building into the NYCHA campus and community. Their feedback will also guide NYCHA in determining priorities for capital repairs in their buildings, which will occur concurrently with the new construction. Once the developer is selected, NYCHA will continue to engage its residents through a Stakeholder Committee. The Stakeholder Committees will work directly with the selected developer by representing the interests and concerns of NYCHA residents, neighbors, and the community. The committee will be comprised of, at a minimum, three residents from each building—including at least one youth (ages 18-24), one senior resident (ages 64+), and one general resident (no age requirement) to ensure a diversity of perspectives; as well as one Resident Association member, one non-NYCHA resident from the community, and 5-7 representatives from community-based organizations, advocacy groups, and elected officials.

**NextGeneration NYCHA – HUD Preservation Programs**

NYCHA will use every tool available to protect the affordability of New York City’s housing stock and strengthen public housing for this and future generations. By leveraging the Rental Assistance Demonstration program (“RAD”), NYCHA will help improve the quality of life for residents at Ocean Bay (Bayside) in Queens, ensuring their apartments and buildings receive much-needed repairs and upgrades while preserving affordability and tenant protections. RAD is a component of NextGeneration NYCHA’s 10-year strategic plan to preserve public housing and become a more effective and efficient landlord.
With program approval from HUD, NYCHA can begin to address the significant capital repair needs at Ocean Bay (Bayside) Apartments by converting the development’s funding source from public housing funds to this special Project-Based Section 8 program.

As the funding supporting this development transitions from public housing to Section 8, NYCHA will retain ownership and play a key role in decision making and oversight of the project. Under RAD rules, the property and unit count must remain permanently affordable (cannot exceed 30% of resident income), which NYCHA will enforce through agreements with the developer and ownership of the land. Residents will continue to have the same succession opportunities and grievance procedures under the RAD program that currently exist for NYCHA’s public housing residents. No resident can be evicted without proven cause. Residents will retain the right to establish and operate a resident organization. Finally, developers will be required to propose a plan to train and hire NYCHA residents, and proactively engage residents on a regular basis as the project moves forward.

In February 2016, NYCHA released the “Request for Proposal” (RFP) for potential developers to upgrade approximately 1,400 public housing units at Ocean Bay (Bayside) through RAD. NYCHA estimates these 1,400 apartments need about $174 million in major improvements and upgrades over the next 20 years, such as kitchen and bathroom modernizations, roof replacement, boiler replacements and safety upgrades. Through the RFP, NYCHA has invited developers, including non-profit entities and M/WBE firms, to submit proposals for the financing, major rehabilitation and operations of Ocean Bay (Bayside) as a Section 8 property.

NYCHA is also planning to submit RAD applications for 40 additional developments with over 5,100 units. These RAD applications may result in conversions that would perform substantial rehabilitation of the properties, convert ACC subsidy to project-based Section 8 Housing Assistance Payment contracts, and preserve substantive housing rights for residents.

Those initially selected for RAD applications are scattered developments and obsolete developments. Development selection considered a RAD conversion's ability to improve a development's maintenance, management, and physical condition. Subject to site selection, resident engagement, and RAD application submission and selection, conversions may occur beginning in 2017.

**One City: Built to Last**

NextGeneration NYCHA is also informed by the Mayor’s sweeping energy efficiency and reduction emission plan for City buildings, **One City: Built to Last**. This plan, released in September 2014, commits to an 80% reduction in the City’s greenhouse gas emissions by 2050. NextGeneration NYCHA provides strategies for NYCHA to become more sustainable and resilient, to prepare for a changing climate, and to mitigate greenhouse gas emissions.

**The NextGeneration NYCHA Sustainability Agenda**

In April 2016, New York City Housing Authority (NYCHA) released its Sustainability Agenda, a ten-year roadmap for creating healthy and comfortable housing that will withstand the challenge of climate change. The Sustainability Agenda is a central strategy of NextGeneration NYCHA, the Authority’s long-term strategic plan to become a more efficient and effective landlord, in order to improve the
quality of life for NYCHA residents. It is also an invitation to residents and surrounding communities to work with NYCHA to realize a shared long-term vision of equity, sustainability, and resiliency. http://www1.nyc.gov/site/nycha/about/sustainability.page

Focusing on resident health and working hand-in-hand with community partners, NYCHA has committed to the following goals by 2025:

- Work to achieve City’s goal of reducing greenhouse gases 80% by 2050
- Integrate resiliency and climate change adaptation into capital planning
- Incorporate sustainability into daily management and operations
- Systemically eliminate the root causes of mold by fixing leaks in roofs, facades, pipes and modernizing ventilation systems
- Ensure consistent heat and hot water (prevent unplanned outages and overheating)

The Sustainability Agenda includes 17 targeted strategies, which are meaningful ways NYCHA plans to meet the de Blasio administration’s emission-reduction goals (One City: Built to Last) and resiliency and sustainability objectives (OneNYC.) The plan also outlines NYCHA’s commitment to federal sustainability goals, including a pledge to develop 25 MW of renewable energy capacity by 2025 as part of Renew300, a joint HUD-DOE initiative. NYCHA has also committed to participate in HUD’s Better Buildings Challenge to cut energy intensity in the Authority’s buildings portfolio-wide by 20% over the next decade.

OneNYC

Lastly, NextGeneration NYCHA is a part of OneNYC, the Mayor’s plan for growth, sustainability, resiliency, and equity released in April 2015. As NYC heads into its fifth century and tackles the challenges of a growing population, an evolving economy, and growing inequality, NextGeneration NYCHA plays an important role in ensuring the vision of a thriving, just, equitable, sustainable and resilient city. Through multiple initiatives, including capital improvements, affordable housing, sustainability efforts, and recycling, NYCHA continues to play a key role in the success of OneNYC.

C) PHA Plan Elements (24 CFR 903.7)

1. Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures

A. Public Housing

In accordance with section 3(a)(4)(A) of the Housing Act of 1937, as amended, NYCHA reserves the right to allow occupancy of up to 200 public housing units by police officers and their families who might otherwise not be eligible, in accordance with terms and conditions the Authority establishes. Officers participating in the program will be required to perform eight hours of monthly community service, similar to the requirement imposed on certain public housing residents.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

☐ When families are within a certain number of being offered a unit: (state number)
☐ When families are within a certain time of being offered a unit: (state time)
☐ Preliminarily, within six to nine months before being offered a unit, and finally, when the family reaches the top of the waiting list.

☐ Other: (describe)

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

☒ Criminal or Drug-related activity
☒ Rental history
☒ Housekeeping
☒ Other (describe)

NYCHA takes appropriate action before admission to verify each family’s actual composition and to verify the citizenship/immigration status of each household member as required under Federal law.

c. ☐ Yes ☒ No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

d. ☐ Yes ☒ No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?

e. ☐ Yes ☒ No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

NYCHA performs criminal background checks by examining the public conviction records of The New York State Office of Court Administration and the Dru Sjodin National Sex Offender Website.
(2) Waiting List Organization

a. Which methods does the PHA plan to use to organize its public housing waiting list (select all that apply)

☐ Community-wide list
☒ Sub-jurisdictional lists (By NYC Borough)
☒ Site-based waiting lists See Attachment J
☐ Other (describe)

b. Where may interested persons apply for admission to public housing?

☐ PHA main administrative office
☐ PHA development site management office
☒ Other (list below)

NYCHA maintains two Walk-in Customer Contact Centers serving the five boroughs of New York City. Applicants may also apply online at NYCHA’s website.

c. If the PHA plans to operate one or more site-based waiting lists in the coming year, answer each of the following questions; if not, skip to subsection (3) Assignment

1. How many site-based waiting lists will the PHA operate in the coming year? 5

2. ☒ Yes ☐ No: Are any or all of the PHA’s site-based waiting lists new for the upcoming year (that is, they are not part of a previously-HUD-approved site based waiting list plan)?
   If yes, how many lists?

3. ☒ Yes ☐ No: May families be on more than one list simultaneously
   If yes, how many lists?

4. Where can interested persons obtain more information about and sign up to be on the site-based waiting lists (select all that apply)?

☐ PHA main administrative office
☐ All PHA development management offices
☐ Management offices at developments with site-based waiting lists
☐ At the development to which they would like to apply
☒ Other (list below)

NYCHA maintains two walk-in Customer Contact Centers serving the five boroughs of New York City.

(3) Assignment

a. How many vacant unit choices are applicants ordinarily given before they fall to the bottom of or are removed from the waiting list? (Select one)

☒ One
☐ Two
Three or More

b. Yes ☒ No: Is this policy consistent across all waiting list types?

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

Applicants and transferees with borough choice and applicants and transfers for accessible apartments are given two apartment offers before they are removed from the waiting list.

**(4) Admissions Preferences**

a. Income targeting:

Yes ☒ No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 40 percent of all new admissions to public housing to families at or below 30 percent of median area income?

While NYCHA does not plan to exceed the federal targeting requirements, approximately 75% of the families admitted to public housing during calendar year 2015 have been households with incomes at or below 30% of area median income.

b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- Emergencies (fire related or uninhabitable only)
- Overhoused
- Underhoused
- Medical justification
- Administrative reasons determined by the PHA (e.g., to permit modernization work)
- Resident choice: (state circumstances below)
- Other: (list below)

Tenant transfers for reasonable accommodation.

Families displaced for development renovation.

Families displaced for development renovation and wishing to return to the development after renovation is completed.

Accessible Apartments.

Under occupied families required to move to smaller apartment as a result of Termination of Tenancy proceeding.

Families willing to cooperate with NYPD as witnesses on condition they are transferred to a different location.

Currently, three out of five vacant apartments are offered to transfers and the other two apartments to new admissions. However within equal priority transfers, residents residing
within the same development as the apartment vacancy shall have preference over residents who reside at a different development.

Preferences

1. ☒ Yes ☐ No: Has the PHA established preferences for admission to public housing (other than date and time of application)? (If “no” is selected, skip to subsection (5) Occupancy)

2. Which of the following admission preferences does the PHA plan to employ in the coming year? (select all that apply from either former Federal preferences or other preferences)

Former Federal preferences:
☒ Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
☒ Victims of domestic violence
☒ Substandard housing
☒ Homelessness
☒ High rent burden (rent is > 50 percent of income)

Other preferences: (select below)
☒ Working families and those unable to work because of age or disability
☒ Veterans and veterans’ families
☒ Residents who live and/or work in the jurisdiction
☒ Those enrolled currently in educational, training, or upward mobility programs
☒ Households that contribute to meeting income goals (broad range of incomes)
☒ Households that contribute to meeting income requirements (targeting)
☒ Those previously enrolled in educational, training, or upward mobility programs
☒ Victims of reprisals or hate crimes
☒ Other preference(s) (list below)

Intimidated Witnesses.

Legally doubled up and overcrowded in apartment subsidized by NYCHA (either public housing or Section 8)

Doubled up or overcrowded in apartment not subsidized by NYCHA.

Families headed by persons with acute immunological disorders of a degenerative nature or other disabilities or medical conditions requiring a high level of physical and supportive service accommodations, including NYCHA residents and homeless persons (Stanton Street).

Referrals from the New York City Department of Homeless Services.

Referrals from the New York City HIV/AIDS Services Administration, the Administration for Children’s Services, the New York City Department of Housing Preservation and Development, or the New York City Health and Hospitals Corporation.
For single-person families: Elderly persons and persons with disabilities will be given preference over other applicants, except for emergency applicants, who will be taken in order of priority regardless of age or disability.

3. If the PHA will employ admissions preferences, please prioritize by placing a “1” in the space that represents your first priority, a “2” in the box representing your second priority, and so on. If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. That means you can use “1” more than once, “2” more than once, etc.

Former Federal preferences:

1, 3 Homelessness
1, 3 Involuntary Displacement (Disaster, Government Action, Inaccessibility, Property Disposition)
2 Victims of Domestic Violence
3 Action of Housing Owner
3 Substandard Housing
3 High Rent Burden

Other preferences (select all that apply)

Working family priorities are assigned by income tier with the first number representing Tier III (households with incomes between 51% and 80% AMI), followed by Tier II (households with incomes between 31% and 50% AMI), and then Tier I (households with incomes less than 30% AMI).

1, 2, 3 Working families and those unable to work because of age or disability referred by the NYC Department of Homeless Services
1, 2, 3 Working families and those unable to work because of age or disability
1, 2, 3 Veterans and veterans’ families
1, 2, 3 Residents who live and/or work in the jurisdiction
1, 2, 3 Those enrolled currently in educational, training, or upward mobility programs
1, 2, 3 Households that contribute to meeting income goals (broad range of incomes)
1, 2, 3 Households that contribute to meeting income requirements (targeting)
1, 2, 3 Those previously enrolled in educational, training, or upward mobility programs
1, 3 Victims of reprisals or hate crimes
1 Other preference(s) (list below)

1 – Referrals from the New York City Department of Homeless Services.

1- Referrals from the New York City HIV/AIDS Services Administration, the Administration for Children’s Services, the New York City Department or Housing Preservation and Development or the New York City Health and Hospitals Corporation.

2 - Intimidated witnesses.

3 – Legally doubled up and overcrowded in apartment subsidized by NYCHA (either public housing or Section 8).
3 – Doubled up in apartment not subsidized by NYCHA.

3 – Overcrowded in apartment not subsidized by NYCHA.

3 – For single-person families: Elderly persons and persons with disabilities will be given preference over other applicants, except for emergency applicants, who will be taken in order of priority regardless of age or disability.

3 - Families headed by persons with acute immunological disorders of a degenerative nature or other disabilities or medical conditions requiring a high level of physical and supportive service accommodations, including NYCHA residents and homeless persons, who are referred by designated public and private social service agencies (Stanton Street).

4 - Families headed by persons with acute immunological disorders of a degenerative nature or other disabilities or medical conditions requiring a high level of physical and supportive service accommodations, including NYCHA residents and homeless persons (Stanton Street).

Admission income limits apply at certain developments, as follows: At tax credit developments family income must not exceed 60% of area median income. At Forest Hills Coop, there is an adjusted minimum income limit (after allowable deductions) based on the number of bedrooms, and families are required to pay equity based on the number of bedrooms. At all other developments, family income must not exceed 80% of area median income.

4. Relationship of preferences to income targeting requirements:
   - The PHA applies preferences within income tiers
   - Not applicable: the pool of applicant families ensures that the PHA will meet income targeting requirements

(5) Occupancy

a. What reference materials can applicants and residents use to obtain information about the rules of occupancy of public housing (select all that apply)
   - The PHA-resident lease
   - The PHA’s Admissions and (Continued) Occupancy policy
   - PHA briefing seminars or written materials
   - Other source (list)

b. How often must residents notify the PHA of changes in family composition? (select all that apply)
   - At an annual reexamination and lease renewal
   - Any time family composition changes
   - At family request for revision
   - Other (list)

(6) Deconcentration and Income Mixing

a. Yes □ No: Did the PHA’s analysis of its family (general occupancy) developments to determine concentrations of poverty indicate the need for measures to promote deconcentration of poverty or income mixing?
b. □ Yes □ No: Did the PHA adopt any changes to its admissions policies based on the results of the required analysis of the need to promote deconcentration of poverty or to assure income mixing?

c. If the answer to b was yes, what changes were adopted? (select all that apply)

☐ Adoption of site-based waiting lists
   If selected, list targeted developments below:

☒ Employing waiting list “skipping” to achieve deconcentration of poverty or income mixing goals at targeted developments
   If selected, list targeted developments below:

   All lower income developments.

☐ Employing new admission preferences at targeted developments
   If selected, list targeted developments below:

☐ Other (list policies and developments targeted below)

d. □ Yes □ No: Did the PHA adopt any changes to other policies based on the results of the required analysis of the need for deconcentration of poverty and income mixing?

e. If the answer to d was yes, how would you describe these changes? (select all that apply)

☒ Additional affirmative marketing
☐ Actions to improve the marketability of certain developments
☐ Adoption or adjustment of ceiling rents for certain developments
☐ Adoption of rent incentives to encourage deconcentration of poverty and income-mixing
☐ Other (list below)

f. Based on the results of the required analysis, in which developments will the PHA make special efforts to attract or retain higher-income families? (select all that apply)

☐ Not applicable: results of analysis did not indicate a need for such efforts
☒ List (any applicable) developments below:

   All lower income developments.

g. Based on the results of the required analysis, in which developments will the PHA make special efforts to assure access for lower-income families? (select all that apply)

☒ Not applicable: results of analysis did not indicate a need for such efforts
☐ List (any applicable) developments below:
B. Section 8
(1) Eligibility

a. What is the extent of screening conducted by the PHA? (select all that apply)
   - Criminal or drug-related activity only to the extent required by law or regulation
   - Criminal and drug-related activity, more extensively than required by law or regulation
   - More general screening than criminal and drug-related activity (list factors below)
   - Other (list below)

b. Yes ☒ No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

c. Yes ☒ No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?

d. Yes ☒ No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

   NYCHA performs criminal background checks by examining the public conviction records of the New York State Office of Court Administration and the Dru Sjodin National Sex Offender Public Website.

e. Indicate what kinds of information you share with prospective landlords? (select all that apply)
   - Criminal or drug-related activity
   - Other (describe below)
   If requested, NYCHA will provide the property owner with the voucher holder’s last address.

(2) Waiting List Organization

a. With which of the following program waiting lists is the section 8 tenant-based assistance waiting list merged? (select all that apply)
   - None
   - Federal public housing
   - Federal moderate rehabilitation
   - Federal project-based certificate program
   - Other federal or local program (list below)

b. Where may interested persons apply for admission to section 8 tenant-based assistance? (select all that apply)
   - PHA main administrative office
   - Other (list below)

   NYCHA’s waitlist is currently closed. However, if the waitlist were to reopen, persons interested in applying may do so online.
(3) Search Time
a. ☒ Yes ☐ No: Does the PHA give extensions on standard 60-day period to search for a unit?
If yes, state circumstances below:

NYCHA’s initial voucher term is 120 days, which exceeds HUD’s standard 60-day period. Voucher holders may request an extension to this term.

(4) Admissions Preferences
a. Income targeting
☒ Yes ☐ No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 75 percent of all new admissions to the section 8 program to families at or below 30 percent of median area income?

b. Preferences
1. ☒ Yes ☐ No: Has the PHA established preferences for admission to section 8 tenant-based assistance? (other than date and time of application) (if no, skip to subcomponent (5) Special purpose Section 8 assistance programs)

2. Which of the following admission preferences does the PHA plan to employ in the coming year? (select all that apply from either former Federal preferences or other preferences)

Former Federal preferences
☐ Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
☒ Victims of domestic violence

NYCHA canvasses applicants on its regular wait list who appear to meet qualification for special programs. NYCHA also accepts referrals from City homeless agencies, like the Department of Veterans Affairs.

Veterans Affairs Supportive Housing (“VASH”)
The Authority has a total allocation of 2,824 vouchers. NYCHA is administering VASH vouchers in partnership with the Department of Veterans Affairs (“VA”) and the New York City Department of Homeless Services (“DHS”). Applicants are identified, screened, and referred by the VA to NYCHA for eligibility certification and voucher issuance.
2. Financial Resources

[24 CFR Part 903.7 9 (b)]
List the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant-based Section 8 assistance programs administered by the PHA during the Plan year. Note: the table assumes that Federal public housing or tenant based Section 8 assistance grant funds are expended on eligible purposes; therefore, uses of these funds need not be stated. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

## 3. Rent Determination

[24 CFR Part 903.7 9 (d)]

### A. Public Housing

Describe the PHA’s income based rent setting policy/ies for public housing using, including discretionary (that is, not required by statute or regulation) income disregards and exclusions, in the appropriate spaces below.

a. Use of discretionary policies: (select one)

- The PHA will not employ any discretionary rent-setting policies for income based rent in public housing. Income-based rents are set at the higher of 30 percent of adjusted monthly income, 10 percent of unadjusted monthly income, the welfare rent, or minimum rent (less HUD mandatory deductions and exclusions). (If selected, skip to sub-component (2))

---or---

- The PHA employs discretionary policies for determining income based rent (If selected, continue to question b.)

b. Minimum Rent

1. What amount best reflects the PHA’s minimum rent? (select one)

- $0
- $1-$25
- $26-$50

2. Yes ☑ No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?

3. If yes to question 2, list these policies below:

c. Rents set at less than 30 percent than adjusted income

1. Yes ☑ No: Does the PHA plan to charge rents at a fixed amount or percentage less than 30 percent of adjusted income?
2. If yes to above, list the amounts or percentages charged and the circumstances under which these will be used below:

d. Which of the discretionary (optional) deductions and/or exclusions policies does the PHA plan to employ? (select all that apply)

- For the earned income of a previously unemployed household member

NYCHA has implemented the earned income disallowance set forth in 42 U.S.C. §1437a(d).

- For increases in earned income
- Fixed amount (other than general rent-setting policy)

If yes, state amount/s and circumstances below:

- Fixed percentage (other than general rent-setting policy)

If yes, state percentage/s and circumstances below:

- For household heads
- For other family members
- For transportation expenses
- For the non-reimbursed medical expenses of non-disabled or non-elderly families
- Other (describe below)

e. Ceiling rents

1. Do you have ceiling rents? (rents set at a level lower than 30 percent of adjusted income) (select one)

- Yes for all developments
- Yes but only for some developments
- No

2. For which kinds of developments are ceiling rents in place? (select all that apply)

- For all developments
- For all general occupancy developments (not elderly or disabled or elderly only)
- For specified general occupancy developments
- For certain parts of developments; e.g., the high-rise portion
- For certain size units; e.g., larger bedroom sizes
- Other (list below)

3. Select the space or spaces that best describe how you arrive at ceiling rents (select all that apply)

- Market comparability study
- Fair market rents (FMR)
- 95th percentile rents
- 75 percent of operating costs
100 percent of operating costs for general occupancy (family) developments
Operating costs plus debt service
The “rental value” of the unit
Other (list below)

f. Rent re-determinations:

1. Between income reexaminations, how often must tenants report changes in income or family composition to the PHA such that the changes result in an adjustment to rent? (select all that apply)

☐ Never
☐ At family option
☒ Any time the family experiences an income increase

Due to addition of a family member or when there is an interim rent reduction with income subsequently restored.

☐ Any time a family experiences an income increase above a threshold amount or percentage: (if selected, specify threshold)_____
☒ Other (list below)

Decreases in family income must be reported as well as any change in family composition.

g. ☒ Yes ☐ No: Does the PHA plan to implement individual savings accounts for residents (ISAs) as an alternative to the required 12 month disallowance of earned income and phasing in of rent increases in the next year?

(2) Flat Rents

1. In setting the market-based flat rents, what sources of information did the PHA use to establish comparability? (select all that apply.)

☐ The section 8 rent reasonableness study of comparable housing
☐ Survey of rents listed in local newspaper
☐ Survey of similar unassisted units in the neighborhood
☒ Other (list/describe below)

NYCHA’s Flat Rents are based on the requirements of the FY2014 Omnibus Appropriations Act (PL 113-76).

All current public housing residents, newly-admitted public housing residents or transferring public housing residents have the option of paying either the flat rent amount shown in the table on the next page or an income-based rent (calculated at the higher of: 30% of adjusted household income, 10% of gross household income, or the welfare rent), whichever is lower. NYCHA automatically charges residents the lower rent.
**Effective January 1, 2017:** Newly-admitted public housing residents or transferring public housing residents will be subject to the new flat rent, based on the table below.

**Effective 1st Quarter 2017 Annual Reviews (with a new rent effective date of May 1, 2017):** Current public housing residents whose family’s annual income is reviewed in this quarter, will be subject to the new flat rent based on the table below.

(1) **Payment Standards**
Describe the voucher payment standards and policies.

a. What is the PHA’s payment standard? (select the category that best describes your standard)
   - [ ] At or above 90 percent but below 100 percent of FMR
   - [ ] 100 percent of FMR
   - [x] Above 100 percent but at or below 110 percent of FMR
   - [ ] Above 110 percent of FMR (if HUD approved; describe circumstances below)

b. If the payment standard is lower than FMR, why has the PHA selected this standard? (select all that apply)
   - [ ] FMRs are adequate to ensure success among assisted families in the PHA’s segment of the FMR area
   - [ ] The PHA has chosen to serve additional families by lowering the payment standard
   - [ ] Reflects market or submarket
   - [ ] Other (list below)
c. If the payment standard is higher than FMR, why has the PHA chosen this level? (select all that apply)
- [ ] FMRs are not adequate to ensure success among assisted families in the PHA’s segment of the FMR area
- [ ] Reflects market or submarket
- [ ] To increase housing options for families
- [ ] Other (list below)

d. How often are payment standards reevaluated for adequacy? (select one)
- [ ] Annually
- [ ] Other (list below)

e. What factors will the PHA consider in its assessment of the adequacy of its payment standard? (select all that apply)
- [ ] Success rates of assisted families
- [ ] Rent burdens of assisted families
- [ ] Other (list below)

(2) Minimum Rent

a. What amount best reflects the PHA’s minimum rent? (select one)
- $0
- $1-$25
- [ ] $26-$50

b. [ ] Yes [ ] No: Has the PHA adopted any discretionary minimum rent hardship exemption policies? (if yes, list below)

Exemption policies are described in the Section 8 Administrative Plan, which is a Supporting Document available for review. Members of the public wishing to examine the Supporting Documents may do so, during regular business hours, by contacting NYCHA’s central office, located at 250 Broadway, New York, New York, at (212) 306-3701 to schedule an appointment to review the documents.

4. Operation and Management

[24 CFR Part 903.7 9 (e)]

During FY 2017, NYCHA reserves its right to exercise, to the fullest extent authorized by law, the rights granted to a public housing agency, as more particularly enumerated under Section 13 of the Housing Act of 1937, as amended.
A. PHA Management Structure

**Family Self Sufficiency Program:**

A HUD initiative that promotes economic self-sufficiency among participating families by referring them to educational, career counseling, money management, job training as well as job placement services. Participants receive a savings account which grows as the family’s earned income increases. Upon completion of the five-year FSS Contract of Participation, the family receives the money accumulated in the account, provided that the participant is employed and no family member has received cash public assistance in the preceding twelve months.

**C. Management and Maintenance Policies**

List the PHA’s public housing management and maintenance policy documents, manuals and handbooks that contain the Agency’s rules, standards, and policies that govern maintenance and management of public housing, including a description of any measures necessary for the prevention or eradication of pest infestation (which includes cockroach infestation) and the policies governing Section 8 management.

(1) Public Housing Maintenance and Management: (list below)

- NYCHA Management Manual
- NYCHA Housing Applications Manual
- NYCHA Human Resources Manual
- NYCHA Emergency Procedure Manual
- NYCHA Contract Procedure Resolution
- NYCHA General Memoranda
- NYCHA Deputy General Manager Memoranda
Members of the public wishing to examine the Management and Maintenance Policies may do so, during Regular business hours, by contacting NYCHA’s central office, located at 250 Broadway, New York, New York, at (212) 306-3701 to schedule an appointment to review the documents.

5. PHA Grievance Procedures

[24 CFR Part 903.79 (f)]

A. Public Housing
1. ☐ Yes ☒ No: Has the PHA established any written grievance procedures in addition to federal requirements found at 24 CFR Part 966, Subpart B, for residents of public housing?

If yes, list additions to federal requirements below:

2. Which PHA office should residents or applicants to public housing contact to initiate the PHA grievance process? (select all that apply)

☒ PHA main administrative office
☒ PHA development management offices
☐ Other (list below)

B. Section 8 Tenant-Based Assistance
1. ☐ Yes ☒ No: Has the PHA established informal review procedures for applicants to the Section 8 tenant-based assistance program and informal hearing procedures for families assisted by the Section 8 tenant-based assistance program in addition to federal requirements found at 24 CFR 982?

If yes, list additions to federal requirements below:

2. Which PHA office should applicants or assisted families contact to initiate the informal review and informal hearing processes? (select all that apply)

☒ PHA main administrative office
☒ Other (list below)

Written request to the Leased Housing Department.
6. Designated Housing for Elderly and Disabled Families
[24 CFR Part 903.7 9 (i)]

1. Yes ☒ No: Has the PHA designated or applied for approval to designate or does the PHA plan to apply to designate any public housing for occupancy only by the elderly families or only by families with disabilities, or by elderly families and families with disabilities or will apply for designation for occupancy by only elderly families or only families with disabilities, or by elderly families and families with disabilities as provided by section 7 of the U.S. Housing Act of 1937 (42 U.S.C. 1437e) in the upcoming fiscal year?  (If “No”, skip to component 10.  If “yes”, complete one activity description for each development, unless the PHA is eligible to complete a streamlined submission; PHAs completing streamlined submissions may skip to component 10.)

2. Activity Description

Yes ☒ No: Has the PHA provided all required activity description information for this component in the optional Public Housing Asset Management Table? If “yes”, skip to component 10.  If “No”, complete the Activity Description table below.

On July 8, 2015, NYCHA received approval from HUD to continue to extend the designation of the elderly-only developments and buildings for an additional two years.

A. PHA Coordination with the Welfare ("TANF") Agency

1. Cooperative agreements:

☑ Yes ☐ No: Has the PHA has entered into a cooperative agreement with the TANF Agency, to share information and/or target supportive services (as contemplated by section 12(d)(7) of the Housing Act of 1937)? Pet polic

If yes, what was the date that agreement was signed? 03/28/01

- Data Sharing – March 28, 2001
- Electronic Funds Transfer – April 9, 1998
- Data Sharing – December 5, 2014

2. Other coordination efforts between the PHA and TANF agency (select all that apply)

☐ Client referrals
☑ Information sharing regarding mutual clients (for rent determinations and otherwise)
☑ Coordinate the provision of specific social and self-sufficiency services and programs to eligible families
☐ Jointly administer programs
☐ Partner to administer a HUD Welfare-to-Work voucher program
☐ Joint administration of other demonstration program
☐ Other (describe)

B. Services and programs offered to residents and participants

(1) General

a. Self-Sufficiency Policies

Which, if any of the following discretionary policies will the PHA employ to enhance the economic and social self-sufficiency of assisted families in the following areas? (Select all that apply)

☑ Public housing rent determination policies:

For the earned income of a previously unemployed household member, NYCHA has implemented the Earned Income Disallowance set forth in 42 U.S.C. §1437a(d).

☑ Public housing admissions policies:

Working family priorities are assigned by income tier with the first number representing Tier III (households with incomes between 51% and 81% AMI), followed by Tier II (households with incomes between 30% and 50% AMI), and then Tier I (households with incomes less than 30% AMI).
Section 8 admissions policies
- Preference in admission to section 8 for certain public housing families
- Preferences for families working or engaging in training or education programs for non-housing programs operated or coordinated by the PHA
- Preference/eligibility for public housing homeownership option participation
- Preference/eligibility for section 8 homeownership option participation

Other policies (list below)

b. Economic and Social self-sufficiency programs

☐ Yes ☐ No: Does the PHA coordinate, promote or provide any programs to enhance the economic and social self-sufficiency of residents? b. ☒ Yes ☐ No: If the PHA is not maintaining the minimum program size required by HUD, does the most recent FSS Action Plan address the steps the PHA plans to take to achieve at least the minimum program size? If no, list steps the PHA will take below:

Since the fall of 2010, REES has operated the Housing Choice Voucher (“HCV”) (Section 8) Family Self Sufficiency (“FSS”) program. To date, the program has enrolled 534 participants, of which 30% have escrow accounts averaging $2,184 per participant in escrow. In late 2015, REES obtained funding from HUD to hire additional personnel to better manage the growing case load of FSS participants. An FSS Associate will be hired in the second quarter 2015. To further expand enrollment and case management capacity, EES plans to pilot FSS enrollment at the Staten Island Jobs-Plus program. Staten Island was selected as a pilot location because the Stapleton Houses development is home to FSS-eligible Section 8 voucher-holders; and the Jobs-Plus program operated by ResCare offers residents assistance with connecting to employment, training and financial opportunities. FSS will be used as a work-incentive for eligible Jobs-Plus members.

C. Welfare Benefit Reductions
1. The PHA is complying with the statutory requirements of section 12(d) of the U.S. Housing Act of 1937 (relating to the treatment of income changes resulting from welfare program requirements) by: (select all that apply)
   ☒ Adopting appropriate changes to the PHA’s public housing rent determination policies and train staff to carry out those policies
   ☒ Informing residents of new policy on admission and reexamination
   ☒ Actively notifying residents of new policy at times in addition to admission and reexamination.
   ☒ Establishing or pursuing a cooperative agreement with all appropriate TANF agencies regarding the exchange of information and coordination of services
   ☒ Establishing a protocol for exchange of information with all appropriate TANF agencies
   ☐ Other: (list below)

8. Safety and Crime Prevention
[24 CFR Part 903.7 9 (m)]

A. Need for measures to ensure the safety of public housing residents
1. Describe the need for measures to ensure the safety of public housing residents (select all that apply)
   ☐ High incidence of violent and/or drug-related crime in some or all of the PHA's developments
   ☐ High incidence of violent and/or drug-related crime in the areas surrounding or adjacent to the PHA's developments
   ☐ Residents fearful for their safety and/or the safety of their children
   ☐ Observed lower-level crime, vandalism and/or graffiti
   ☐ People on waiting list unwilling to move into one or more developments due to perceived and/or actual levels of violent and/or drug-related crime
   ☒ Other (describe below)
NYCHA recognizes the need to ensure the safety of public housing residents and works closely with the New York City Police Department’s Housing Bureau. It is the mission of the New York City Police Department to enhance the quality of life in our City by working in partnership with the community and in accordance with constitutional rights to enforce the laws, preserve the peace, reduce fear, and provide for a safe environment. The Housing Bureau has developed a one-year plan designed to increase the safety and security of residents of public housing. The Strategic Plan for the New York City Police Department’s Housing Bureau is included in the Supporting Documents of the Annual Plan.

2. What information or data did the PHA used to determine the need for PHA actions to improve safety of residents (select all that apply).
   - Safety and security survey of residents
   - Analysis of crime statistics over time for crimes committed “in and around” public housing authority
   - Analysis of cost trends over time for repair of vandalism and removal of graffiti
   - Resident reports
   - PHA employee reports
   - Police reports
   - Demonstrable, quantifiable success with previous or ongoing anticrime/anti-drug programs
   - Other (describe below)

3. Which developments are most affected? (list below)

B. Crime and Drug Prevention activities the PHA has undertaken or plans to undertake in the next PHA fiscal year

1. List the crime prevention activities the PHA has undertaken or plans to undertake: (select all that apply)
   - Contracting with outside and/or resident organizations for the provision of crime- and/or drug-prevention activities
   - Crime Prevention Through Environmental Design
   - Activities targeted to at-risk youth, adults, or seniors
   - Volunteer Resident Patrol/Block Watchers Program
   - Other (describe below)

2. Which developments are most affected? (list below)

C. Coordination between PHA and the police

1. Describe the coordination between the PHA and the appropriate police precincts for carrying out
crime prevention measures and activities: (select all that apply)
- Police involvement in development, implementation, and/or ongoing evaluation of drug-elimination plan
- Police provide crime data to housing authority staff for analysis and action
- Police have established a physical presence on housing authority property (e.g., community policing office, officer in residence)
- Police regularly testify in and otherwise support eviction cases
- Police regularly meet with the PHA management and residents
- Agreement between PHA and local law enforcement agency for provision of above-baseline law enforcement services
- Other activities (list below)

2. Which developments are most affected? (list below)

The Strategic Plan for the New York City Police Department’s Housing Bureau is included in the Supporting Documents of the Annual Plan.

9. Pet Policy

- **Registration:** A resident must submit to NYCHA a registration form (available at the management office) for every dog, cat or Service Animal within 30 days after it is obtained. The dog weight limit of 25 pounds and specific breed restrictions apply to any dog registered on or after May 1, 2009. (Compliance with the new policy was extended to February 1, 2010). After the registration form is submitted the resident is given a grace period of up to an additional 90 days to submit a veterinarian certification showing that the dog or cat was examined, was spayed or neutered, has a current rabies vaccination and that the dog is licensed by the NYC Department of Health and Mental Hygiene.

  A dog or cat that is not registered is prohibited and may not reside in or visit a NYCHA apartment.

- **Dog/Cat:** A household may own either one dog or one cat.

- **Weight limit-Dogs:** Dogs that are expected to weigh over 25 pounds when full grown are not permitted.

- **Prohibited Dogs:** Residents are not permitted to keep dangerous dogs, fighting dogs or attack dogs on NYCHA property. Specifically prohibited dog breeds (either full breed or mixed breed) include: Doberman Pincher, Pit Bull and Rottweiler.

- **Other Pets:** Reasonable quantities of other pets such as small caged birds (parakeets, canaries), fish and small caged animals (hamsters, gerbils, and guinea pigs), maintained in accordance with the NYC Health Code, are permitted. These animals do not need registration. This paragraph does not include dogs or cats.
Dangerous Pet: Animals that are vicious, threatening, bite people or are otherwise prohibited by law are forbidden.

Pet Conduct: Pets must be kept in a manner that will not create a nuisance, not create excessive noise and not create an unsafe or unsanitary condition. A pet must not injure, cause harm to or threaten other people; must not cause damage to personal property or to other animals. A pet must not damage NYCHA property or premises, including buildings (inside or outside an apartment), elevators, common grounds, trees, shrubs or ground cover.

Pet Waste: Pet owners must clean up after their pets, in their apartment and in public areas. Dispose of pet waste, including cat litter box filler, in the compactor with the regular garbage, not in the toilet.

Dog Leash: A dog must always be kept on a leash, six feet long or less, while in a public area.

Pet-Free Zone: Pets are not allowed to enter a designated "no-pet" area, such as a Management Office, playground, Community Center, laundry room, basement area, barbecue area, roof or roof landing.

Spay/Neuter: Dogs and cats must be spayed or neutered.

Vaccination: Dogs and cats must have a current rabies vaccination.

Dog Tag: A dog must be licensed by the NYC Department of Health and Mental Hygiene and must wear its metal license tag when in public. All dogs (including dogs that are Service Animals) must be registered with NYCHA and wear its metal NYCHA registration tag when in public, displayed on a collar about its neck at all times.

Dog License: A dog must be licensed and must wear its metal license tag when in public.

Service Animal: A Service Animal is one that assists, supports, or provides service to a person with disabilities, as verified by a medical doctor. One example is a guide dog for a blind person. Service Animals are exempt from any registration fee, weight limit or breed restriction.

Fee: A tenant must pay a one-time, non-refundable fee of $25, valid for his/her entire NYCHA tenancy.

Fee Exemptions: The following are exempt from paying the $25 pet registration fee: A resident of a development designated exclusively for Senior Citizens, a resident of a Section 8 Project Based development, or a resident who maintains a verified Service Animal.
10. Civil Rights Certification

[24 CFR Part 903.7 9 (o)]
Civil rights certifications are included in the PHA Plan Certifications of Compliance with the PHA Plans and Related Regulations.

11. Fiscal Year Audit

[24 CFR Part 903.7 9 (p)]

1. ☒ Yes ☐ No: Is the PHA required to have an audit conducted under section 5(h)(2) of the U.S. Housing Act of 1937 (42 U.S.C. 1437c(h))? (If no, skip to component 17.)

2. ☒ Yes ☐ No: Was the most recent fiscal audit submitted to HUD?

   Yes. The most recent fiscal audit for the year 2014 was electronically submitted to the Federal Audit Clearinghouse in June 2015, and it was electronically submitted to HUD REAC on September 29, 2015.

3. ☒ Yes ☐ No: Were there any findings as the result of that audit?

   Yes. The 2014 audit had four findings: two findings related to Public and Indian Housing Program, one finding related to the Housing Choice Voucher program, and one finding related to the Section 8 New Construction and Substantial Rehabilitation program.

4. ☐ Yes ☒ No: If there were any findings, do any remain unresolved?

   If yes, how many unresolved findings remain? ___

5. ☒ Yes ☐ No: Have responses to any unresolved findings been submitted to HUD?

   If not, when are they due (state below)?

   The pertinent Corrective Action Plan for the findings reported in the 2014 audit was included in the electronic submission to HUD REAC on September 29, 2015.

12. Asset Management

[24 CFR Part 903.7 9 (q)]

1. ☐ Yes ☒ No: Is the PHA engaging in any activities that will contribute to the long-term asset management of its public housing stock, including how the Agency will plan for long-term operating, capital investment, rehabilitation, modernization, disposition, and other needs that have not been addressed elsewhere in this PHA Plan?

2. What types of asset management activities will the PHA undertake? (select all that apply)

   ☐ Not applicable
   ☒ Private management
   ☒ Development-based accounting
   ☒ Comprehensive stock assessment
   ☐ Other: (list below)
3. ☐ Yes ☑ No: Has the PHA included descriptions of asset management activities in the optional Public Housing Asset Management Table?

13. Violence Against Women Act (“VAWA”)

NYCHA adheres to the federal Violence Against Women Act (“VAWA”) by providing protections to victims of domestic violence, dating violence, sexual assault, and stalking. In accordance with VAWA, NYCHA (i) protects authorized household members from eviction or termination of Section 8 assistance merely because a household member is a victim of domestic violence, dating violence, sexual assault, or stalking; (ii) may terminate public housing tenancy or occupancy rights or Section 8 assistance to an abuser while protecting the rights of the victim and other authorized household members (“bifurcation”); and (iii) protects applicants from being denied admission based on their status as VAWA victims.

Apart from VAWA requirements, NYCHA has for many years been proactive in providing assistance to, and programs for, Victims of Domestic Violence, Intimidated Victims, Intimidated Witnesses and Child Sexual Victims (VDV/IV/IW/CSV). These programs and procedures, some provided directly by NYCHA and some in partnership with an external service provider, are designed to: (i) help the victim obtain or maintain housing; (ii) enhance the victim’s safety; (iii) resolve social issues resulting from victim status; and (iv) provide education and sensitivity training to NYCHA residents & staff, and NYPD Housing Bureau Police Officers. Briefly, these programs and procedures are designed to provide:

- A preference in admission to qualified applicants;
- A preference to residents who qualify as Victims of Domestic Violence, Intimidated Victims, Intimidated Witnesses, and Child Sexual Victims to transfer confidentially to another location of the city, under NYCHA’s Emergency Transfer Program;
- Case management and social work services, provided by the NYC Human Resources Administration (“HRA”), to acclimate new tenant families to their neighborhoods, help familiarize them with their neighbors, and help them cope with problems in adjustment;
- Community education for residents and resident leaders on the topic of domestic violence, in conjunction with the Mayor’s Office to Combat Domestic Violence;
- Sensitivity training and education on domestic violence for NYCHA staff and NYPD Housing Bureau Domestic Violence Police Officers provided by case managers contracted by HRA through the Domestic Violence Intervention and Education Program (“DVIEP”);
- The Domestic Violence Intervention and Education Program (“DVIEP”) combines experienced Domestic Violence Case Managers with uniformed police officers who jointly contact and counsel NYCHA families where there has been a police report of domestic violence.

Prospect Plaza, Ocean Hill-Brownsville, Brooklyn -- The Prospect Plaza Redevelopment Project is a phased redevelopment project located in the Ocean Hill-Brownsville section of Brooklyn. The first phase is complete, which included construction of 37 two-family homes. All homes were completed and occupied during the summer of 2005, with 32 of the homes purchased by public housing residents that were first time home buyers. The second phase was completed in the summer of 2009, which included the construction of 150 affordable rental units with 45 units set aside for relocated Prospect Plaza and other public housing residents.

In May 2011, HUD granted conditional approval of the Prospect Plaza HOPE VI Revitalization Plan Amendment, which included demolition of the three remaining vacant Prospect Plaza buildings containing 240 apartments. The balance of the Prospect Plaza project (Phase Three) will be
accomplished through a mixed-finance and mixed-income development comprised of rental units and public housing units owned and managed by a private third-party development and management entity. The development will include 80 public housing units and approximately 314 affordable rental units. The non-public housing units will be affordable to households making up to 60% AMI. In addition, the project will include a supermarket, community center, and a recreation space. The design of the project was based on input from former Prospect Plaza residents and other community stakeholders during a three-day design workshop (“Re-Vision Prospect Plaza”) held by NYCHA in June 2010. In December 2011, NYCHA and the New York City Department of Housing Preservation and Development (“HPD”) released a Request for Proposals (“RFP”) for development. Responses to the RFP were submitted in April 2012. A development team was selected in January 2013. A demolition contractor was procured by HPD and demolition work commenced in May 2013 and ended in Spring 2014. Construction of Phase I (110 units including 38 public housing units) started in July 2014 and is now complete. Construction of Phase II (149 units including 42 public housing units) started in March 2015 and will end on December 2016. Closing of Phase III took place in March 2016. This phase will include 135 units, a supermarket, and a community facility.

Relocated Prospect Plaza residents in good standing who wish to return to the redeveloped community will be given a preference during the lease up of the public housing apartments. A site-based waiting list created by NYCHA will be used to place tenants in the public housing units.

**Mixed Finance Development**

**Phillip Randolph Houses, Manhattan** – A Request for Proposals (“RFP”) was issued on August 22, 2011, which called for the redevelopment of Randolph Houses in two phases: (i) Phase One as a mixed-finance transaction whereby the south side lots would be ground leased and the south side buildings conveyed to a private developer for gut rehabilitation with the creation of at least 140 public housing units and (ii) Phase Two as the conveyance of the north side properties for the redevelopment of mixed-income housing. The design yields a total of approximately 283 dwelling units of which 147 will be public housing. The New York State Historical Preservation Office (SHPO) approved this renovation plan in January 2011. In October 2012, the Authority selected the development team of Trinity Financial, Inc. and West Harlem Group Assistance, Inc. This team was selected due to their previous success with mixed finance transactions and historic preservation experience. Construction began on Phase I of II in March 2014. Phase I construction was completed in April 2016 for Buildings A and B respectively. NYCHA public housing residents have begun moving into the new public housing units. All move-ins are expected to be complete by May 2016. Phase II is expected to close construction financing in June 2016 with construction beginning shortly after.

**Phase I** – On December 23, 2013, NYCHA disposed of 22 contiguous buildings located on the south side of West 114th Street between Adam Clayton Powell Jr. Boulevard and Frederick Douglass Boulevard for the redevelopment of 307 vacant units. The buildings underwent major structural repair and now yields 168 new apartment units including one superintendent unit as well community and open space for the residents. Of the 168 units, 147 are public housing units. The New York State Historical Preservation Office gave these buildings a historic designation therefore many elements of the buildings including its exteriors were restored. NYCHA contributed $40 million to the project.
Phase 2 – Phase 2 entails the redevelopment of 14 contiguous buildings on the north side of West 114th Street between Adam Clayton Powell Jr. Boulevard and Frederick Douglass Boulevard for affordable housing to households at or below 60% of the Area Median Income. This phase is in pre-development and is planned to close on construction financing in June 2016.

☐ Yes ☒ No: e) Will the PHA be conducting any other public housing development or replacement activities not discussed in the Capital Fund Program Annual Statement?

If yes, list developments or activities below:

**Additional Affordable Housing Development Activities**

**West Side Developments** – In December 2006, HPD and NYCHA jointly issued an RFP for the following West Side Developments.

- **Harborview Terrace, Manhattan** - NYCHA and HPD selected a developer in September 2007 to construct two buildings with a minimum of 210 units on the Harborview parking lot mid-block on West 56th Street between 10th Avenue and 11th Avenue. The required ULURP land use review procedure was completed in November 2008. Due to changes in the City’s affordable housing finance markets, this project is on hold and being reevaluated by NYCHA and HPD.

- **Robert Fulton, Manhattan** - In December 2006, NYCHA in collaboration with HPD issued a RFP to identify a developer to construct new affordable housing on a parking lot located on West 18th Street (mid-block) between 9th and 10th Avenues. A developer was selected in September 2007. The Fulton project was modified as part of the Chelsea Market Rezoning and the proposed building will include up to 160 units for households with income from 50%AMI to 165%AMI.

**Bronx Properties at Soundview and Highbridge Gardens** – On September 7, 2007, HPD and NYCHA jointly issued an RFP for approximately 200 new rental units and 18 two-family townhouses at Soundview for homeownership.

**Soundview, Bronx** – In 2008, NYCHA and HPD conditionally designated a developer to build affordable housing on an under-utilized parking area at Rosedale Avenue and Lacombe Avenue along Soundview Park. The plan included two eight-story buildings with approximately 206 low income rental units for families and seniors and 16 two-family townhouses for homeownership in a multi-phased affordable housing development project.

- **Phase 1** – On June 27, 2013, NYCHA disposed of a 68,500 square foot lot for construction of 120 rental units for low-income households. Phase 1 was completed in November 2015.

- **Phase 2** – On December 19, 2013, NYCHA disposed of a 48,452 square foot lot for construction of 86 units for low-income seniors. Eighty-five Section 8 Housing Choice
Vouchers are reserved for the new senior residents. Phase 2 is targeted for completion in June 2016.

- **Phase 3** – Construction of 16 two family townhomes for sale. Phase 3 is on hold.

**East 173rd Street-Vyse Avenue, Bronx** – NYCHA obtained HUD’s approval to dispose of land along Hoe Avenue that includes a parking lot, basketball court, and grounds to accommodate a proposal from a sponsor for a three-phase, low-income housing project. The proposal will build a total of 224 dwelling units, including 56 senior resident apartments. The project also requires the transfer of up to 60,000 sq. ft. of development rights. Conveyance of each of the three phases’ building sites is pending funding approval by the sponsor. The first parcel of land was conveyed December 21, 2009 to construct an 84-unit apartment building which underwent occupancy in 2012. Conveyance of a second parcel for another 84-unit apartment building took place in 2013. Construction and tenanting are completed for the second phase. The conveyance of the last parcel for the final phase of the housing project will not be moving forward at this time.

**East 165th Bryant Avenue, Bronx** – NYCHA intends to dispose of a site at 1071 Bryant Avenue, to be merged with an adjacent parcel owned by HPD, for development of low income housing by a non-profit housing sponsor.

**Van Dyke I Houses, Brooklyn** – In 2015, NYCHA conveyed a parcel of land of approximately 11,562 square feet on a portion of Block 3794, Lot 1 at Van Dyke I Houses in Brooklyn for supportive housing development to accommodate homeless and low income families.

**Astoria, Queens** – NYCHA intends to facilitate the reopening of Astoria Boulevard as a private street for public access through a street easement in conjunction with a mixed-use development in Queens on the waterfront at Hallets Point. The affordable housing project will be privately owned and managed. NYCHA residents will have rental preference for 50% of the affordable units. Construction of the first building for affordable housing is scheduled to start in 2017.

**NextGen NYCHA Affordable Housing Initiatives**

**NextGeneration NYCHA RFP for Market Rate and Affordable Housing as part of the NextGen Neighborhoods Program in Manhattan and Brooklyn** – NYCHA intends to ground lease two sites located at Holmes Towers and Wyckoff Gardens for 50% market rate and 50% affordable (below 60% AMI) housing development. RFP release is scheduled for Spring 2016 and developer selection will be completed in late 2016. Section 18 Applications will be submitted in 2017 and construction is scheduled to begin in early 2018.

**Holmes Towers, Manhattan** – NYCHA intends to lease approximate 15,000 square foot parcel on Block 1573, Lot 20 with approximately 288,000 square feet of residential development rights for market rate and affordable housing development as part of the NextGen Neighborhoods Program.

**Wyckoff Gardens, Brooklyn** – NYCHA intends to lease two (2) parcels of approximately 31,000 and 25,000 square feet respectively, both on Block 394, Lot 1, with approximately 500,000 square feet of residential development rights for market rate and affordable housing development as part of the NextGen Neighborhoods Program.
NextGen NYCHA Affordable Housing Initiatives

NextGeneration NYCHA RFP for Affordable Housing in the Bronx and Brooklyn – NYCHA will ground lease three sites located at Mill Brook, Ingersoll, and Van Dyke Houses for low-income housing development pursuant to the 2015 NextGen NYCHA RFP. Developer selection was completed in May 2016. Section 18 applications will be submitted in 2016 and construction is scheduled to begin in 2017.

NextGeneration NYCHA RFP for Affordable Housing in the Bronx, Manhattan and Brooklyn – NYCHA intends to ground lease three sites located at Betances V, Betances VI, and Sumner Houses for low-income housing development. RFP release is scheduled for Spring 2016 and developer selection will be completed in Spring 2016. Section 18 applications will be submitted in 2017 and construction is scheduled to begin in 2018.

Other Development Activities

Ocean Bay Apartments (Bayside and Oceanside) – NYCHA intends to sell parcels for the purpose of constructing neighborhood retail space inclusive of a grocery store. The property is located on Beach Channel Drive between Beach 53rd and Beach 54th Streets south of Oceanside Apartments and east of Bayside Apartments. NYCHA acquired the property, a blighted and underused shopping strip, opposite Ocean Bay Apartments consisting of seven contiguous parcels representing an area of approximately 37,111 SF, as part of the Ocean Bay HOPE VI Plan through eminent domain.

Easements and Transfers of Land – To enhance coastal resiliency capabilities along vulnerable, low-lying shoreline communities, the New York City Mayor’s Office of Recovery and Resiliency (ORR) has proposed the installation and implementation of various countermeasures. Many of these communities are abutted by NYCHA housing development sites, thereby necessitating easement agreements between NYCHA and ORR. These transactions will be facilitated by the Section 18 Demolition/Disposition process, and will ultimately allow for ORR to build preventative measures on NYCHA land to guard against potentially widespread flood damage. Section 18 application submission dates, as well as construction start dates, have not yet been finalized.

B) Demolition and/or Disposition

Applicability of component 8: Section 8 only PHAs are not required to complete this section.

1. ☒ Yes ☐ No: Does the PHA plan to conduct any demolition or disposition activities (pursuant to section 18 of the U.S. Housing Act of 1937 (42 U.S.C. 1437p)) in the plan Fiscal Year? (If “No”, skip to component 9; if “yes”, complete one activity description for each development.)

2. Activity Description
Has the PHA provided the activities description information in the optional Public Housing Asset Management Table? (If “yes”, skip to component 9. If “No”, complete the Activity Description table below.)

All new buildings would be built on a parking lot in the middle of Linden and Boulevard Houses in Brooklyn. NYCHA will provide replacement parking spaces elsewhere within the developments for existing permit holders. The senior housing closed May 2013 and is under construction. Due to changing financial conditions, the developer selected to build the homeownership units now plans to construct approximately 240 rental apartments; the disposition application was amended in 2014 to reflect the change from for sale townhomes to rental housing.</em></td>

NYCHA intends to dispose of sixteen (16) vacant single-family FHA Repossessed Houses. Due to their scattered locations and wood frame construction, these properties cost more to operate as public housing and represent an inefficient allocation of housing resources within the Authority. These units were not adapted to be handicapped accessible under the Section 504 VCA Compliance Agreement.

2. Activity type: Demolition
   - NYCHA is planning a mixed-finance gut rehabilitation of Randolph Houses in two phases. In the first phase, 22 vacant tenements were rehabilitated using historic tax credits to create 147 public housing units and 21 rental units for low-income households on the south side of West 114th Street. In the second phase, 14 tenements on the north side of West 114th Street will be rehabilitated to create low-income rental units. The public housing units will first be offered to residents currently living on the north side of Randolph Houses and to former residents who were moved to other NYCHA developments who wish to return to the rehabilitated development. These units were not adapted to be handicapped accessible under the Section 504 VCA Compliance Agreement.

2. Activity type: Demolition ☐
NYCHA intends to dispose of land along Hoe Avenue that includes a parking lot, basketball court and grounds to accommodate a proposal from a sponsor for low-income housing. The proposal to build a total 224 dwelling units, including 56 senior citizen apartments, also requires the transfer of up to 60,000 sq. ft. of development rights. The first parcel of land was conveyed December 21, 2009 to construct an 84-unit apartment building which underwent occupancy in 2012. Conveyance of a second parcel of land to site another 84-unit apartment building was completed in 2013. The conveyance of the last parcel of the project will not be moving forward at this time.

2. Conversions pursuant to Section 22 of the U.S. Housing Act of 1937

On September 11, 2008, HUD approved NYCHA’s plan to transition 8,400 public housing units to Section 8 assistance at the 21 developments that were built by the City or the State and no longer receive any subsidy from any government source to fill the gap between the cost of operating the buildings and rent collected. NYCHA has also received permission from HUD to project-base converted Section 8 units after the initial Section 8 tenant vacates.

As of March 11, 2016, there were 3,638 Section 8 conversions in the City and State-built developments (see table below). Subject to voucher and funding availability, NYCHA will be designating units and implementing a plan to transition families in the City and State-built developments to Section 8, thereby maintaining the long-term sustainability of the properties.

D) Homeownership

[24 CFR Part 903.7 9 (k)]

1. Public Housing

Exemptions from Component 11A: Section 8 only PHAs are not required to complete 11A.

1. ☑ Yes ☐ No: Does the PHA administer any homeownership programs administered by the PHA under an approved section 5(h) homeownership program (42 U.S.C. 1437c(h)), or an approved HOPE I program (42 U.S.C. 1437aaa) or has the PHA applied or plan to apply to administer any homeownership programs under section 5(h), the HOPE I program, or section 32 of the U.S. Housing Act of 1937 (42 U.S.C. 1437z-4). (If “No”, skip to component 11B; if “yes”, complete one activity description for each applicable program/plan, unless eligible to complete a streamlined submission due to small PHA or high performing PHA status. PHAs completing streamlined submissions may skip to component 11B.)

2. Activity Description

☐ Yes ☑ No: Has the PHA provided all required activity description information for this component in the optional Public Housing Asset Management Table? (If “yes”, skip to component 12. If “No”, complete the Activity Description table below.)

☐ Total development

The original Section 5(h) Plan Amendment approved in 2007 included 184 occupied single-family units intended for sale to public housing residents. On September 11, 2014, HUD issued a final Section 5(h) Plan amendment granting approval for the sale of 51 units to residents under the Section 5(h) Plan and mandating Plan termination after the sale of the 51 units.

2. Former Multifamily Homeownership Program (“MHOP Program”)  
Subject to HUD and any required governmental approvals, as of January 1, 2016, the Frederick E. Samuel Housing Development, which consists of 73 public housing residential units in 7 buildings located in Manhattan, will no longer be included in NYCHA’s Multifamily Homeownership Program (“MHOP”) and will NOT be converted to cooperative ownership to residents pursuant to the former Section 5(h) of the United States Housing Act of 1937 as amended (“Section 5(h)”). This development will be operated as conventional federal public housing and applicants for this development will be selected from the public housing waiting list.

E) Project-Based Vouchers (“PBV’s”)  
Consistent with Section 232 of the FY 2001 VA-HUD Appropriations Act (PL 106-377), the Notice published in 66 Fed. Reg. 3605 (January 16, 2001) and HUD Notice PIH 2001-4 (HA) dated January 19, 2001, the New York City Housing Authority (hereafter “NYCHA” or “the Authority”) makes the following statement:

Federal law allows NYCHA to provide Section 8 project-based voucher assistance for up to 25% of the total units in privately owned, existing, substantially rehabilitated or newly-constructed multi-family residential developments. This limit can be exceeded if the units are made available to families that receive qualifying supportive services.
1. As of April 1, 2016 NYCHA has executed 47 HAP contracts for 2,288 project based units receiving subsidy across the five boroughs in New York City. This includes project based apartments at NYCHA’s LLC mixed finance developments.

2. Of NYCHA’s approved HUD funding for about 86,000 Section 8 tenant based vouchers as of April 1, 2016, NYCHA expects to utilize no more than 3% of the annual HAP budget.

3. NYCHA understands that all new project-based assistance agreements must be for units within census tracts with poverty rates of less than 20%, unless HUD specifically approves an exception. 66 Fed. Reg. 3608.

4. NYCHA will carry out this program in accordance with 42 USC §1437f(o)(13), as amended by §232 of the FY 2001 VA-HUD Appropriations Act, and in conformity with the non-discrimination requirements specified in 24 CFR §903.7(o). In carrying out this program, the Authority will act affirmatively to further fair housing.

5. The Section 8 Project-Based Program will be consistent with NYCHA’s FY 2017 Draft Agency Plan because:
   a. Project-basing in certain locations is needed to assure the availability of units for a period of years.
   b. Project-basing broadens the scope of NYCHA’s program for applicants and landlords. It allows NYCHA to assist families who would not otherwise be eligible for assistance.
   c. Consistent with the goals of NYCHA’s Five-Year plan, the Section 8 Project-Based Initiative:
      i. expands the supply of assisted housing;
      ii. increases assisted housing choice;
      iii. ensures equal opportunity, and
      iv. deconcentrates poverty and expands economic opportunities.

6. NYCHA will create site-based waiting lists for developments selected to receive project-based assistance. Applicants on NYCHA’s housing choice voucher waiting list will have the opportunity to apply for placement on site-based waiting lists. Placement on a site-based waiting list will not affect the applicant’s standing on the tenant based waiting list.

F) Rental Assistance Demonstration Program (“RAD”)

1. Selected for RAD
The Rental Assistance Demonstration (“RAD”) is a voluntary program administered by the United States Department of Housing and Urban Development (“HUD”). The goals of RAD are to safeguard long-term housing assistance, improve and modernize properties and stabilize developments by placing them on solid financial footing. Ocean Bay Apartments (Bayside) Apartments has 1,395 apartments in 24 buildings that are over 50 years old. The RAD program will help address significant capital needs at Ocean Bay (Bayside) which are estimated to be $161 million over the next 15 years.

Below, please find specific information related to the Public Housing Development(s) selected for RAD:

2. **Planned RAD Applications**

NYCHA is also planning to submit RAD applications for developments listed on pages 116 to 148. These RAD applications may result in conversions that would perform substantial rehabilitation of the properties, convert ACC subsidy to project-based Section 8 Housing Assistance Payment contracts, and preserve substantive housing rights for residents.

Those initially selected for RAD applications are scattered developments and obsolete developments. Development selection considered a RAD conversion's ability to improve a development's maintenance, management, and physical condition. Subject to site selection, resident engagement, and RAD application submission and selection, conversions may occur beginning in 2017.

Below, please find specific information related to the Public Housing Developments selected for RAD applications.

RAD Resident Rights, Participation, Waiting List and Grievance Procedures

1. No Re-screening of Tenants upon Conversion. Pursuant to the RAD statute, at conversion, current households are not subject to rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family.

2. Right to Return. Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to an assisted unit at the development once rehabilitation or construction is completed. Where the transfer of assistance to a new site is warranted and approved, residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete. Residents of a development undergoing conversion of assistance may voluntarily accept an offer to permanently relocate to another assisted unit, and thereby waive their right to return to the development after rehabilitation or construction is completed. Permanent involuntary displacement of residents may not occur as a result of a project’s conversion of assistance.

3. Renewal of Lease. Under RAD, the owner must renew all leases upon lease expiration, unless cause exists. This provision must be incorporated into the tenant lease or tenancy addendum, as appropriate.

4. Phase-in of Tenant Rent Increases. If a tenant’s monthly rent increases by more than the greater of 10 percent or $25 purely as a result of conversion, the rent increase will be phased in over 5 years. For purposes of this section “standard TTP” refers to the Total Tenant Payment (TTP) calculated in accordance with regulations at 24 CFR §5.628 and the “most recently paid TTP” refers to the TTP recorded on line 9j of the family’s most recent HUD Form 50058. If a family in a development was paying a flat rent immediately prior to conversion, NYCHA shall use the flat rent amount to calculate the phase-in amount for Year 1, as illustrated below. Families will not pay more than 30% of their adjusted gross household income for rent.

Five Year Phase in:
- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 20% of difference between most recently paid TTP or flat rent and the standard TTP
- Year 2: Year 2 AR and any IR prior to Year 3 AR – 40% of difference between most recently paid TTP and the standard TTP
- Year 3: Year 3 AR and any IR prior to Year 4 AR – 60% of difference between most recently paid TTP and the standard TTP
- Year 4: Year 4 AR and any IR prior to Year 5 AR – 80% of difference between most recently paid TTP and the standard TTP
- Year 5 AR and all subsequent recertifications – Full standard TTP

Public Housing Family Self Sufficiency (PH-FSS) and Resident Opportunities and Self Sufficiency Service Coordinator (ROSS-SC) programs. NYCHA does not have PH-FSS participants but residents will be able to enter into the Housing Choice Voucher (HCV) FSS program after conversion. Current ROSS-SC grantees will be able to finish out their current ROSS-SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future public housing ROSS-SC grants, nor will its residents be eligible to be served by future public housing ROSS-SC grants.

Supportive services will be offered to families. Property Management (PM) must provide a plan for assessing and responding to resident social service needs, including employment training and job opportunities. The PM must maintain community centers and the provisions of services when the community center is part of the converting development. PM must consult with residents and the Resident Organization about their preferences in the choice of service providers and activities.

6. Resident Participation and Funding. Residents will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding in accordance with the Notice. The owner must provide $25 per occupied unit annually for resident participation, of which at least $15 per occupied unit shall be provided to a legitimate tenant organization at the covered property. These funds must be used for resident education, organizing around tenancy issues and training activities.

7. Resident Procedural Rights. At a minimum, residents will have the following procedural rights, which NYCHA may expand for the benefit of residents.

a. Termination Notification. HUD has incorporated additional termination notification requirements to comply with section 6 of the U.S. Housing Act of 1937 as may be amended (Act) for public housing projects that convert assistance under RAD. In addition to the regulations at 24 CFR § 983.257, related to owner termination of tenancy and eviction, the termination procedure at a minimum for RAD conversions to PBV will require that the owner provide adequate written notice of termination of the lease which shall not be less than:

   i. A reasonable period of time, but not to exceed 30 days:

      • If the health or safety of other tenants, the owner’s employees, or persons residing in the immediate vicinity of the premises is threatened; or
      • In the event of any drug-related or violent criminal activity or any felony conviction;
ii. 14 days in the case of nonpayment of rent; and  

ii. 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

b. Grievance Process. HUD is incorporating additional procedural rights to comply with the requirements of section 6 of the Act.

For issues related to tenancy and termination of assistance, PBV program rules require the owner to provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. RAD will specify alternative requirements for 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, and require that:

i. In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(vi), an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to an owner action in accordance with the individual’s lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident’s rights, obligations, welfare, or status.

- For any hearing regarding issues described in 24 CFR § 982.555(a)(1)(i)-(vi), NYCHA will perform the hearing, as is the current standard in the program. The hearing officer must be selected in accordance with 24 CFR § 982.555(e)(4)(i).
- For any additional hearings required under RAD, the owner will perform the hearing.

ii. An informal hearing will not be required for class grievances or for disputes between residents not involving the owner or contract administrator.

iii. The owner gives residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).

iv. The owner provides opportunity for an informal hearing before an eviction.

8. Earned Income Disregard (EID). Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR § 5.617. Upon the expiration of the EID for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.C.4 of the Notice; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the Housing Choice Voucher program, the EID exclusion is limited to only persons with disabilities (24 CFR §5.617(b)). In order to allow all tenants (including non-disabled persons) who are

\[1 \text{ § 982.555(a)(1)(iv) is not relevant to RAD as the tenant-based certificate has been repealed.}\]

153
employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the PBV project, the provision in §5.617(b) limiting EID to only disabled persons is waived. The waiver and resulting alternative requirement only applies to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion (e.g., due to loss of employment); tenants that move into the property following conversion, etc.) is covered by this waiver.

9. Jobs Plus. Jobs Plus grantees awarded FY 2014 and future funds that convert the Jobs Plus target projects(s) under RAD will be able to finish out their Jobs Plus period of performance at that site unless significant re-location and/or change in building occupancy is planned. If either is planned at the Jobs Plus target project(s), HUD may allow for a modification of the Jobs Plus work plan or may, at the HUD Secretary’s discretion, choose to end the Jobs Plus program at that project.

10. When Total Tenant Payment Exceeds Gross Rent. Under normal PBV rules, NYCHA may only select an occupied unit to be included under the PBV HAP contract if the unit’s occupants are eligible for housing assistance payments (24 CFR §983.53(d)). Also, NYCHA must remove a unit from the contract when no assistance has been paid for 180 days because the family’s total tenant payment (TTP) has risen to a level that is equal to or greater than the contract rent, plus any utility allowance, for the unit (i.e., the Gross Rent) (24 CFR §983.258). Since the rent limitation under the Notice may often result in a family’s TTP equaling or exceeding the Gross Rent for the unit, for current residents (i.e. residents living in the public housing property prior to conversion), HUD is waiving both of these provisions and requiring that the unit for such families be placed on and/or remain under the HAP contract when TTP equals or exceeds the Gross Rent. Further, HUD is establishing the alternative requirement that the rent to owner for the unit equal the family’s TTP until such time that the family is eligible for a housing assistance payment. HUD is waiving as necessary to implement this alternative provision, the provisions of Section 8(o)(13)(H) of the Act and the implementing regulations at 24 CFR §983.301 as modified by Section 1.6.B.5 of the Notice. In such cases, the resident is considered a participant under the program and all of the family obligations and protections under RAD and PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the HQS requirements, apply as long as the unit is under HAP contract. Assistance may subsequently be reinstated if the tenant becomes eligible for assistance.

Following conversion, 24 CFR §983.53(d) applies and any new families referred to the RAD PBV project must be initially eligible for a HAP payment at admission to the program, which means their TTP may not exceed the Gross Rent for the unit at that time. Further, a PHA must remove a unit from the contract when no assistance has been paid for 180 days. If units are removed from the HAP contract because a new admission’s TTP comes to equal or exceed the Gross Rent for the unit and if the project

---

2 For example, a public housing family residing in a property converting under RAD has a TTP of $600. The property has an initial Contract Rent of $500, with a $50 Utility Allowance. Following conversion, the residents is still responsible for paying $600 in tenant rent and utilities.
is fully assisted, HUD is imposing an alternative requirement that NYCHA must reinstate the unit after the family has vacated the property.

11. Under-Occupied Unit. Under 24 CFR §983.259, if a family is in an under-occupied unit at the time of conversion the family may remain in this unit until an appropriate-sized unit becomes available in the development. When an appropriate sized unit becomes available, the family living in the under-occupied unit must move to the appropriate-sized unit within a reasonable period of time.

III - Other Miscellaneous Provisions

1. Access to Records, Including Requests for Information Related to Evaluation of Demonstration. NYCHA agrees to provide to HUD, upon a reasonable request, data to support program evaluation, including but not limited to project financial statements, operating data, Choice-Mobility Voucher utilization, and rehabilitation work.

2. Additional Monitoring Requirement. NYCHA’s Members must approve the operating budget for the covered project annually in accordance with HUD requirements.  

3. Davis-Bacon Act and Section 3 of the Housing and Urban Development Act of 1968 (Section 3). The Davis-Bacon Act prevailing wage requirements apply to all initial repairs and new construction that are identified in the financing plan to the extent that such repairs or construction qualify as development. “Development” encompasses work that constitutes remodeling that alters the nature of housing units in the project, reconstruction, or a substantial improvement in the quality or kind of original equipment and materials, and is initiated within 18 months of the HAP contract. Development activity does not include replacement of equipment and materials rendered unsatisfactory because of normal wear and tear by items of substantially the same kind. Section 3 applies to all initial repairs and new construction that are identified in the financing plan to the extent that such repairs qualify as construction or rehabilitation. In addition, Section 3 may apply to the project after conversion based on the receipt of the use of federal assistance for rehabilitation assistance.

4. Establishment of Waiting List. In establishing the waiting list for the converted project, NYCHA will utilize the project-specific waiting list that exists at the time of conversion. The waiting list must be established and maintained in accordance with PBV program requirements.

If a project-specific waiting list for the project does not exist, NYCHA will establish a waiting list in accordance with 24 CFR § 903.7(b)(2)(ii)-(iv) to ensure that applicants on NYCHA’s public housing community-wide waiting list have been offered placement on the converted project’s initial waiting list. For the purpose of establishing the initial waiting list, NYCHA will determine the most appropriate means of informing applicants on the public housing waiting list given the number of applicants, NYCHA’s resources, and community characteristics of the proposed conversion under RAD. Such activities should be pursuant to NYCHA’s policies for waiting list management, including the

---

3 For PBV conversions that are not FHA-insured, a future HUD notice will describe project financial data that may be required to be submitted by a PBV owner for purposes of the evaluation, given that PBV projects do not submit annual financial statements to HUD/REAC.
NYCHA may consider contacting every applicant on the public housing waiting list via direct mailing; advertising the availability of housing to the population that is less likely to apply, both minority and non-minority groups, through various forms of media (e.g., radio stations, posters, newspapers) within the marketing area; informing local non-profit entities and advocacy groups (e.g., disability rights groups); and conducting other outreach as appropriate. Applicants on NYCHA’s centralized public housing waiting list who wish to be placed onto the newly-established waiting list are listed in accordance with the date and time of their original application to the centralized public housing waiting list. Any activities to contact applicants on the public housing waiting list must be conducted in accordance with the requirements for effective communication with persons with disabilities at 24 CFR § 8.6 and the obligation to provide meaningful access for persons with limited English proficiency (LEP).

To implement this provision, HUD is specifying alternative requirements for 24 CFR § 983.251(c)(2). However, after the initial waiting list has been established, NYCHA shall administer its waiting list for the converted project in accordance with 24 CFR § 983.251(c).

5. Mandatory Insurance Coverage. The project shall maintain at all times commercially available property and liability insurance to protect the project from financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed property of a project.

6. Agreement Waiver. For public housing conversions to PBV, there will be no Agreement to Enter into a Housing Assistance Payments (AHAP) contract. Therefore, all regulatory references to the Agreement (AHAP), including regulations under 24 CFR Part 983 Subpart D are waived. Instead, NYCHA and the owner will enter into a HAP contract before construction begins.

7. Future Refinancing. Owners must receive HUD approval for any refinancing or restructuring of permanent debt within the HAP contract term to ensure the financing is consistent with long-term preservation. (Current lenders and investors are also likely to require review and approval of refinancing of the primary permanent debt.)

8. Administrative Fees for Public Housing Conversions. For the initial Calendar Year in which a project’s assistance has been converted, RAD PBV projects will be funded with public housing money. For example, if the project’s assistance converts effective July 1, 2015, the public housing Annual Contributions Contract (ACC) between the PHA and HUD will be amended to reflect the number of units under HAP contract, but will be for zero dollars, and the RAD PBV contract will be funded with public housing money for July through December 2015. For this transition period, the ACC will primarily serve as the basis for covering the units and requiring PHA compliance with HUD requirements, but it will not be (as it is in the regular PBV program) the funding vehicle for the PBV RAD vouchers. Given this, and given the fact that PHAs will be receiving full public housing funding for the PBV units during this transition period, PHAs will not receive ongoing Section 8 administrative fee funding during this time.

Generally, PHAs receive ongoing administrative fees for units under a HAP contract, consistent with
recent appropriation act references to "section 8(q) of the [United States Housing Act of 1937] and related appropriations act provisions in effect immediately before the Quality Housing and Responsibility Act of 1998" and 24 CFR 982.152(b). During the transition period mentioned in the preceding paragraph, these provisions are waived, and PHAs will not receive section 8 ongoing administrative fees for PBV RAD units.

After this transition period, the section 8 ACC will be amended to include section 8 funding that corresponds to the units covered by the section 8 ACC. At that time, the regular section 8 administrative fee funding provisions will apply.

9. Choice-Mobility. One of the key features of the PBV program is the mobility component, which provides that if the family has elected to terminate the assisted lease at any time after the first year of occupancy in accordance with program requirements, NYCHA must offer the family the opportunity for continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

If as a result of participation in RAD a significant percentage of NYCHA’s HCV program becomes PBV assistance, it is possible for most or all of NYCHA’s turnover vouchers to be used to assist those RAD PBV families who wish to exercise mobility. While HUD is committed to ensuring mobility remains a cornerstone of RAD policy, HUD recognizes that it remains important for NYCHA to still be able to use tenant-based vouchers to address the specific housing needs and priorities of the community. Therefore, HUD is establishing an alternative requirement for PHAs where, as a result of RAD, the total number of PBV units (including RAD PBV units) under HAP contract administered by NYCHA exceeds 20 percent of the PHA’s authorized units under its HCV ACC with HUD.

The alternative mobility policy provides that an eligible voucher agency would not be required to provide more than three-quarters of its turnover vouchers in any single year to the residents of covered projects. While a voucher agency is not required to establish a voucher inventory turnover cap, if such a cap is implemented, the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received. In order to adopt this provision, this alternative mobility policy must be included in NYCHA’s administrative plan.

To effectuate this provision, HUD is providing an alternative requirement to Section 8(o)(13)(E) and 24 CFR part 983.261(c). Please note that this alternative requirement does not apply to PBVs entered into outside of the context of RAD.

10. Reserve for Replacement. The owner shall establish and maintain a replacement reserve in an interest-bearing account to aid in funding extraordinary maintenance and repair and replacement of capital items in accordance with applicable regulations. The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. For FHA transactions, Replacement Reserves shall be maintained in accordance with the FHA Regulatory Agreement. For all other transactions, Replacement Reserves shall be maintained in a bank account covered under a General Depository Agreement (HUD-51999) or similar instrument, as approved by HUD, where funds
will be held by the owner or mortgagee and may be drawn from the reserve account and used subject to HUD guidelines and as directed by HUD.

**IV - Relocation Plans**

NYCHA is pursuing a plan that will allow for tenant in place rehabilitation, which will require no relocation. If a resident must be temporarily relocated, it will be at no expense to the resident. The relocation options will be to a vacant unit in the same development, a vacant unit in another NYCHA development or a vacant unit in the selected developer’s housing stock. This will be finalized after a development partner is selected. NYCHA will submit an Accessibility and Relocation Checklist to HUD with its financing plan as required by PIH Notice 2012-32 (HA), REV-2 and will comply with the relocation requirements under the RAD program as stated in *PIH Notice 2014-17 - Relocation Requirements under the Rental Assistance Demonstration (RAD) Program, Public Housing in the First Component*. Please see Attachment O for the full text of the PIH Notice.

**V – Site Selection and Neighborhood Standards**

This RAD conversion complies with all applicable site selection and neighborhood review standards as required by the Notice.

HOUSING NEEDS
[24 CFR Part 903.7 9 (a)]

1. Housing Needs of Families in the Jurisdiction/s Served by the PHA
Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

### 3. Strategy for Addressing Needs

Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year, and the Agency’s reasons for choosing this strategy.

#### (1) Strategies

**Need:** Shortage of affordable housing for all eligible populations.

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2. Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
Leverage affordable housing resources in the community through the creation of mixed-finance housing

Pursue housing resources other than public housing or Section 8 tenant-based assistance.

Other: (list below)

Need: Specific Family Types: Families at or below 30% of median.

Strategy 1. Target available assistance to families at or below 30% of AMI:
Select all that apply

☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing

_Approximately 75% of the families admitted to public housing during calendar year 2015 have been households with incomes at or below 30% of area median income._

☐ Exceed HUD federal targeting requirements for families at or below 30 percent of AMI in tenant-based section 8 assistance

☐ Employ admissions preferences aimed at families with economic hardships

☐ Adopt rent policies to support and encourage work

Other: (list below)

Need: Specific Family Types: Families at or below 50% of median.

Strategy 1. Target available assistance to families at or below 50% of AMI:
Select all that apply

☐ Employ admissions preferences aimed at families who are working

☐ Adopt rent policies to support and encourage work

Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1. Target available assistance to the elderly:
Select all that apply

☐ Seek designation of public housing for the elderly

_On July 8, 2015, NYCHA received approval from HUD to continue to extend the designation of the elderly-only developments and buildings for an additional two years._

☐ Apply for special-purpose vouchers targeted to the elderly, should they become available

Other: (list below)

Objective: Convert public housing units to vouchers: Maximize Section 8 rentals at the former City/State developments.
Progress: As of March 11, 2016, there were 3,686 Section 8 conversions in the 21 former city and state developments.

Need: Specific Family Types: Families with Disabilities.

Strategy 1. Target available assistance to Families with Disabilities:
Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs.

Strategy 1. Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:
Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2. Conduct activities to affirmatively further fair housing:
Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

(2) Reasons for Selecting Strategies
Of the factors listed below, select all that influenced the PHA’s selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups
- Other: (list below)
1) STATEMENT OF PROGRESS IN MEETING MISSION AND GOALS – FY 2015 TO FY 2019

Goal: Increase the availability of decent, safe, and affordable housing.

PHA Goal: *Expand the supply of assisted housing.*

Objective: Apply for additional rental vouchers.

Progress: NYCHA’s monthly average voucher utilization rate for the total Section 8 Housing Choice Voucher program was approximately 87% as of February, 2016 while HAP utilization for the same period was at 97%.

PHA Goal: *Improve the quality of assisted housing.*

Objective: Improve public housing management (PHAS score).

Progress: NYCHA will strive to be designated as a high performing PHA under HUD’s Public Housing Assessment Program (“PHAS”).

Objective: Improve Section 8 Management Assessment Program (“SEMAP”) scores.

Progress: NYCHA continually conducts staff training to improve voucher management. The Leased Housing Department has a quality control program to identify areas for improvement. As a result, cycle times have been reduced for both Housing Quality Standards inspections and recertifications.

Objective: To use information technology to transform how we conduct our day-to-day business thereby improving service to all NYCHA’s internal and external customers and stakeholders.

Progress: NYCHA’s IT Department made significant service improvements for both our internal and external customers. The table below provides a list of our 2015 accomplishments:

*Self Service Initiatives for Public Housing Residents*
- Deployed MyNYCHA Mobile and Web App
- Public Housing Online Self-Service for Annual Reviews
- MyNYCHA Developments Portal
- Developed asset management and communications functions to alert residents of Heat/Hot Water and Gas Outages
- Implemented systems to streamline and better support the Authority’s customer operations and external correspondence
Self Service Initiatives for Leased Housing Participants
- Deployed Kiosks at Walk-in Centers
- Began deployment of Section 8 Online Re-certification
- Deployed additional online capabilities for Section 8 voucher-holders

Self Service Initiatives for Applicants
- Deployed additional online capabilities for NYCHA applicants

Improve Back Office Operations – At the Developments
- Continued to deploy new system-wide capabilities to support the remediation and monitoring of environmental hazards, such as mold and mildew
- Upgraded asset management system to streamline and improve transparency into the handling of corrective and preventive maintenance work orders, and to support compliance and regulatory inspections

Improve Back Office Operations – Central Office
- Increased functionality of the Data Warehouse/ Business Intelligence

Localize decision-making at the developments and empower on-site staff to increase customer satisfaction
- Created new business intelligence functionality to support NYCHA’s NextGen initiatives around improving customer service and increasing operational efficiency.

Connect residents to quality workforce opportunities
- Deployed a self-referral tool for residents seeking REES (Resident Economic Empowerment & Sustainability) services
- Continue to support initiatives to bring wireless connectivity to underserved areas by deploying NYCHA’s third Digital Van

Some examples of ongoing transformation business projects include:

Self Service Initiatives for Public Housing Residents
- Begin phased deployment of the online self-service Annual Review process developed in 2015 to NYCHA public housing residents
- Expanding customer access to NYCHA online services by offering these services in languages other than English, and by improving accessibility for people with disabilities

Improve Back Office Operations – At the Developments
- Begin replacement of NYCHA’s legacy resident management and rent collection systems
- Implement handheld devices for field work order management
- Implement inventory management at development storerooms

Improve Back Office Operations – Central Office
- Begin digitizing NYCHA’s paper folders and files with a project to image human resources records and implement a document management system for HR.
- Develop and deploy a legal case management system to replace the current system, which is no longer supported

Connect residents to quality workforce opportunities
- Implement the REES eService Solution to support NYCHA’s new Zone Model of
Objective: To protect NYCHA’s information technology investment by maintaining and supporting its technology infrastructure.

Progress: Ensuring business continuity through a robust and resilient infrastructure is a key objective of NYCHA’s FY2015-FY2020 technology strategy. In 2015, NYCHA upgraded its data storage capacity and the infrastructure underlying its key public housing management system. In addition, the following key enterprise-wide applications were upgraded: Siebel, Maximo, Oracle and Internet Explorer.

In 2016, NYCHA’s IT Department plans the following infrastructure improvements:

- Replace 6400 obsolete desktops across all NYCHA offices
- Migrate on-premises systems to cloud, beginning with implementing Microsoft Office 365, eBuilder project management software and upgrading Kronos time keeping software to a cloud solution
- Upgrade obsolete wireless devices across the NYCHA campus, thereby providing support for future Smart Buildings initiatives
- Upgrade NYCHA’s forms and print management solution
- Replace NYCHA’s primary eforms and workflow application

Objective: Renovate or modernize public housing units.

Progress: Continued compliance with the timeframes for obligation and expenditure of capital funding as provided under 9(j) of the Housing Act of 1937, as amended 42 USC 1437G(J).

Objective: Demolish or dispose of obsolete public housing.

Progress: NYCHA continues to review its portfolio to identify properties that are underutilized or obsolete, and that might be brought back into service. Randolph Houses includes an investment of $40 million in a mixed finance transaction in partnership with Housing Preservation and Development (HPD) and Housing Development Corp. (HDC) to perform a major renovation of Randolph Houses on West 114th Street in Harlem. The development includes 36 five-story walkup tenement buildings dating from the 1890s that came into NYCHA ownership in the 1970s.

In the late 1990s, NYCHA determined that major renovation work was needed to make Randolph Houses viable and began to transfer residents to other facilities to begin construction. However, by 2007 NYCHA had concluded the costs of the rehabilitation were prohibitive and initiated a Section 18 demolition application to replace Randolph Houses with two new public housing buildings. Through this process, the State Historic Preservation Office (SHPO) determined the development was part of a State and National Register eligible historic district and that alternatives to demolition should be fully explored. In September 2010, NYCHA engaged a team of architects to examine the feasibility of preserving and rehabilitating the buildings.

The design yields a total of approximately 283 dwelling units of which 147 will be public housing constructed in two phases. SHPO approved this renovation plan in January 2011. NYCHA selected a
developer in October 2012, and construction began on Phase I of II in March 2014. Phase I construction was completed in April 2016 for Buildings A and B respectively. NYCHA public housing residents have begun moving into the new public housing units. All move-ins are expected to be complete by May 2016. Phase II is expected to close construction financing in June, 2016 with construction beginning shortly after.

The Prospect Plaza Redevelopment Project is a phased redevelopment project located in the Ocean Hill-Brownsville section of Brooklyn. The first phase is complete, which included construction of 37 two-family homes. All homes were completed and occupied during the summer of 2005, with 32 of the homes purchased by public housing residents that were first time home buyers. The second phase was completed in the summer of 2009, which included the construction of 150 affordable rental units with 45 units set aside for relocated Prospect Plaza and other public housing residents.

In May 2011, HUD granted conditional approval of the Prospect Plaza HOPE VI Revitalization Plan Amendment, which included demolition of the three remaining vacant Prospect Plaza buildings containing 240 apartments. The balance of the Prospect Plaza project (Phase Three) will be accomplished through a mixed-finance and mixed-income development comprised of rental units and public housing units owned and managed by a private third-party development and management entity. The development will include 80 public housing units and approximately 314 affordable rental units. The non-public housing units will be affordable to households making up to 60% AMI. In addition, the project will include a supermarket, community center, and a recreation space. The design of the project was based on input from former Prospect Plaza residents and other community stakeholders during a three-day design workshop (“Re-Vision Prospect Plaza”) held by NYCHA in June 2010. In December 2011, NYCHA and the New York City Department of Housing Preservation and Development (“HPD”) released a Request for Proposals (“RFP”) for development. Responses to the RFP were submitted in April 2012. A development team was selected in January 2013. A demolition contractor was procured by HPD and demolition work commenced in May 2013 and ended in Spring 2014. Construction of Phase I (110 units including 38 public housing units) started in July 2014 and is now complete. Construction of Phase II (149 units including 42 public housing units) started in March 2015 and will end on December 2016. Closing of Phase III took place in March 2016. This phase will include 135 units, a supermarket, and a community facility.

Relocated Prospect Plaza residents in good standing who wish to return to the redeveloped community will be given a preference during the lease up of the public housing apartments. A site-based waiting list created by NYCHA will be used to place tenants in the public housing units.

**Objective:** Implement public housing or other homeownership programs.

**Progress:** On September 7, 2007, HPD and NYCHA jointly issued an RFP for approximately 200 new rental units and 18 two-family townhouses at Soundview for homeownership.

In 2008, NYCHA and HPD conditionally designated a developer to build affordable housing on an under-utilized parking area at Rosedale Avenue and Lacombe Avenue along Soundview Park. The plan included two eight-story buildings with approximately 206 low income rental units for families and seniors and 16 two-family townhouses for homeownership in a multi-phased affordable housing development project.
Phase 1 – On June 27, 2013, NYCHA disposed of a 68,500 square foot lot for construction of 120 rental units for low-income households. Phase 1 was completed in November 2015.

Phase 2 – On December 19, 2013, NYCHA disposed of a 48,452 square foot lot for construction of 86 units for low-income seniors. Eighty-five Section 8 Housing Choice Vouchers are reserved for the new senior residents. Phase 2 is targeted for completion in June 2016.

Phase 3 – Construction of 16 two family townhomes for sale. Developer is currently seeking financing for Phase 3 of the project.

FHA Repossessed Houses - The original Section 5(h) Plan Amendment approved in 2007 included 184 occupied single-family units intended for sale to public housing residents. On September 11, 2014, HUD issued a final Section 5(h) Plan amendment granting approval for the sale of 51 units to residents under the Section 5(h) Plan and mandating Plan termination after the sale of the 51 units. In 2015, 13 homes were sold to the current NYCHA residents.

Objective: Develop and steward an Authority-wide Comprehensive Sustainability Agenda to create healthy and comfortable homes in safe, clean, and connected developments.

Progress: In May 2015, NYCHA made the commitment in the Next Generation NYCHA 10-year strategic plan to develop and steward a comprehensive sustainability agenda to improve the quality of life of our residents. Toward this goal, we are pursuing new partnerships and refocusing our current partnerships with Federal, State, and City agencies, and non-profit organizations. The Next Generation Sustainability Agenda will address the four core residential sustainability issues of healthy indoor environments, energy, water, and waste management.

The Next Generation NYCHA Sustainability Agenda sets out a 10-year roadmap to:

- Eliminate the root causes of mold by fixing leaks in roofs, façades, and pipes and modernizing ventilation systems;
- Eliminate overheating and unplanned heat and hot water outages;
- Put its buildings on the path to meeting the City’s goal of reducing greenhouse gases by 80% by 2050;
- Create site-specific resiliency plans to retrofit all flood-vulnerable NYCHA developments; and
- Institutionalize sustainability best practices to manage properties effectively and efficiency.

Each strategy in the Sustainability Agenda is a 10-year commitment supported by immediate actions that NYCHA will begin today. The Sustainability Agenda also describes how NYCHA will contribute to One City Built to Last, the City’s plan to reduce greenhouse gas emissions 80% by 2050.

As a key component of the Agenda, NYCHA has partnered with HUD and the US Department of Energy (DOE) on the Better Building Challenge and committed to reduce its per-square-foot energy use by 20% by 2025. NYCHA’s contribution doubles the number of affordable housing units in the
Better Buildings Challenge nationally. A 20% reduction at NYCHA will mean avoided emissions of 247,000 tons of CO2e, equivalent to taking 52,500 cars off the road daily.

The strategies are grouped by the four NextGen NYCHA goals they support:

1. **Achieve short-term financial stability and diversify funding for the long term**
   - S1: Attract investments for capital improvements
   - S2: Raise revenues through clean and distributed energy projects

2. **Operate as an effective and efficient landlord**
   - S3: Invest in building operations for resident health and comfort
   - S4: Regularly test and tune building systems
   - S5: Improve water management
   - S6: Adopt a comprehensive waste management plan
   - S7: Invest in professional development

3. **Rebuild, expand, and preserve public and affordable housing**
   - S8: Adopt sustainability standards
   - S9: Eliminate root causes of mold
   - S10: Retrofit master-planned developments
   - S11: Retrofit scattered-site developments
   - S12: Build green infrastructure
   - S13: Incorporate climate change resiliency into capital plans

4. **Engage residents and connect them to best-in-class services**
   - S14: Support resident- and community-led sustainability
   - S15: Connect residents to green jobs

80x50 strategies:

- S16: Create a 80 x 50 roadmap by 2017
- S17: Incentivize new low-energy buildings
- S18: Test “deep” energy retrofit technologies

**Objective:** Perform energy and sustainability retrofits throughout the NYCHA portfolio through private/public partnerships, including $300 million through Energy Performance Contracts (EPC) and $30 million through other public/private subsidy programs by 2025.

**Progress:**

In mid-April of 2012 NYCHA submitted an $18 million EPC plan to HUD that was approved on January 25, 2013. The EPC funded retrofits in 6 developments: Washington, Lexington, 131 St. Nicholas Avenue, WSUR Brownstones, E.180th Street – Monterey Avenue, and Hope Gardens. Construction has been completed at four sites and the remaining two sites are substantially complete as of March 2016.

In April 2015, NYCHA announced the first of a series of large-scale $40-100 million EPCs. NYCHA has worked closely with the City and HUD to streamline and expedite the first EPC, and to lay the groundwork for three subsequent EPCs. EPCs will fund improvements that provide brighter and more
efficient lights, consistent and comfortable heating, and new water conserving fixtures. Through those EPCs, NYCHA will:

1. Install indoor temperature controls and energy-efficient lighting fixtures in 75% of large-campus developments by 2020.
2. Upgrade ventilation in all buildings with mechanical exhaust systems, ensuring that stale air and excess moisture are removed from apartments.

The first EPC in this series is at audit completion, with construction expected to start over the summer. The second EPC in the series will have a draft audit and scope of work by the summer of 2016, and the ESCOs for the third and fourth EPCs will be selected by end of April 2016.

In 2015, NYCHA began to work with energy-efficiency programs that specialize in upgrades to small buildings – one to four family homes, walk-up multifamily buildings, and small elevator buildings. Con Edison and National Grid provided $3 million in rebates and equipment installations during the 2015-2016 program year. NYCHA is also working with the New York State Weatherization Assistance Program (WAP) on a pilot program to deliver $1.3 million in upgrades to two developments. NYCHA is in the process of obtaining categorical eligibility for 5,000 units in the scattered site portfolio, which will be made available to the State WAP agencies beginning 2016.

**Objective:** Maintain the accuracy rate of public housing tenant information in HUD’s on-line Public and Indian Housing Information Center (“PIC”) at 95% or better.

**Progress:** As of February 29, 2016, 98.11% of NYCHA’s public housing tenant information was transmitted to the PIC system.

**PHA Goal:** Increase assisted housing choices for Section 8 residents and applicants.

**Objective:** Conduct outreach efforts to potential landlords.

**Progress:** Section 8 landlords can log on to the NYCHA Owner Extranet to manage their Section 8 portfolio and register vacant apartments on GoSection8.com. Prospective Section 8 landlords can visit the NYCHA Section 8 website for general information on the Section 8 program. Landlords also have the option to call the NYCHA Customer Contact Center (“CCC”) at 718-707-7771. Regular updates are made to the Leased Housing Department’s website, which provides information about the program, payment standards, and other general areas of concern specific to landlords.

**Objective:** Convert public housing units to Section 8 assistance. Maximize Section 8 rentals at the former City/State developments.

**Progress:** As of March 11, 2016, there were 3,638 Section 8 conversions in the City and State-built developments.
Goal: Improve community quality of life and economic vitality.

PHA Goal: Provide an improved living environment.

Objectives: Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments.

NYCHA is exempt from developing an additional Deconcentration Plan because all of NYCHA’s developments are part of an explicit strategy to promote income mixing in each of its developments. This strategy is detailed in NYCHA’s Tenant Selection and Assignment Plan, and therefore, NYCHA already has a deconcentration plan built into its rental scheme.

Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:

See Attachment F

Goal: Reduce crime and improve quality of life of residents.

PHA Goal: To reduce crime and improve the quality of life of our residents.

Objective: NYCHA will seek funding in order to install additional Closed Circuit Television (“CCTV”) cameras within its developments. Small Scale Programs were initiated in 2004.

Progress: The Housing Authority has installed 15 large scale CCTV systems citywide. A benefit of remotely monitoring these developments is an improved police response time. Posted signs informing residents and guests that the property is under video surveillance continue to aid in the reduction of crime and enhancing the safety and security of our residents. While the program has been very successful, funding is costly for initial equipment costs and for equipment maintenance after installation. At the initial 15 locations where NYCHA installed large scale CCTV systems the New York City Police Department provides on-site monitoring which incurs considerable costs to the NYPD.

Given the cost of installing, maintaining and operating the initial on-site monitored CCTV Systems, NYCHA modified its original program in an attempt to reduce costs while achieving the benefits of the CCTV program.

Through the innovative use of technology, police resources, and the cooperation of local government, NYCHA has created a highly successful program to install small-scale closed circuit television systems. Since the inception of NYCHA’s CCTV program, 13,720 security surveillance cameras (large and small scale) have been installed citywide.

Operation Safe Housing

In June 2004, NYCHA developed a streamlined Termination of Tenancy procedure as part of the Operation Safe Housing joint program developed by NYCHA, the New York City Police Department, and the Mayor’s Office of the Criminal Justice Coordinator. The Termination of Tenancy procedure, targets a list of specified crimes designated by the Police Department as having the most serious impact.
on NYCHA residents. The list includes homicides, sex offenders and crimes, firearms offenses and drug sales.

In addition, within NYCHA’s Impartial Hearing Office, a Special Hearing Part with a designated Chief Hearing Officer was organized to hear and decide such cases expeditiously. If a resident is terminated as a result of the hearing, a Holdover Unit monitors these matters as they reach Landlord/Tenant court, and helps to expedite the actual eviction process. Under these procedures, cases involving these serious crimes are completed much quicker and contribute to a renewed sense of security and safety for public housing residents. As of March 4, 2016, 5,129 terminations of tenancy proceedings have been concluded under Operation Safe Housing.

From inception, the Authority initiated a total of 925 Registered Sex Offender (“RSO”) cases, of which 134 are pending a decision, and a total of 791 have been closed as follows: 514 cases have resulted in Permanent Exclusion from NYCHA property; 62 have had their tenancy terminated; 18 are on probation, 6 tenancies were found eligible after a hearing, 5 were remaining family member grievants who lost their grievance cases and the apartments were recovered, and 186 cases have been withdrawn due to the RSO being incarcerated, deceased or the resident moved out of a NYCHA apartment.

**PHA Goal:** Increase and diversify services for elderly residents to promote independence and healthy living, and reduce social isolation.

**Progress:** Currently NYCHA operates 15 Senior Centers which provide an array of recreational, social, and cultural services. NYCHA is working towards creating a greater network of providers, who are not exclusively on NYCHA campuses, to increase the range of services available to senior residents.

Also, there are broad initiatives and planning underway from which the seniors will benefit. As examples:

i. Choice neighborhoods;
ii. Smoke-free housing;
iii. Active design planning collaborations;
iv. New York Academy of Medicine (“NYAM”) Age-Friendly districts;
v. Senior focused Supplemental Nutrition Assistance Program (“SNAP”) outreach; and,
vi. Department for the Aging’s Grandparents Program offering supports for Grandparents who care for their grandchildren.

**Naturally Occurring Retirement Communities (“NORC”):** The NORC program provides comprehensive supportive services to residents aging in place. In partnership with the New York City Department for the Aging (“DFTA”), NYS SOFA (“State Office for the Aging”), and United Hospital Fund, NORC sites are operated within 12 different NYCHA developments throughout New York City. Examples of services include: case management, on-site nursing services, medication management, physician services, on-site assessment, information and referral services, assistance with Activities of Daily Living (“ADL”), and Instrumental Activities of Daily Living (“IADL”). Additionally, the program provides ancillary services such as: transportation, shopping, financial management, housekeeping, personal care, support groups, and intergenerational activities.
The NORC Program was developed to address the needs of concentrations of seniors who have aged in place, in non-elderly housing. The program was designed to provide comprehensive support and health care services for well and frail elderly residents, 60 years of age and older, who continue to live independently in their apartments and communities. Approximately 20.5% of the NYCHA population is over 60 years old, and not all live in senior-designated buildings.

Based on DFTA’s reports, from October 1, 2015 to December 31, 2015, the NYCHA NORC program provided the following services:

- Case Management & Assistance - 5,080
- Health Care Management & Assistance - 1,031
- Number of residents receiving at least 1 core service - 2,509
- New this Calendar Year (CY) 10/1/15 thru 12/31/15 - 74

In Fiscal Year 2016, DFTA awarded $2,628,458 to 12 NYCHA NORCS, as follows:

- Forest Hills - 196,097
- Elliot – Chelsea - 275,000
- Smith Houses - 257,500
- CCNS - 251,000
- Lincoln/Amsterdam - 252,120
- Stanley Isaacs - 263,000
- Ravenswood - 282,641
- Vladeck - 275,000
- Pelham - 200,000
- Grand Street Settlement - 78,000
- Coney Island Active Aging NORC - 99,950
- Bushwick/Hylan NORC - 198,150

**NORC-type Initiatives:**

**Grand Street Settlement Baruch Elder Services Team (B.E.S.T. Program):** The sponsor is committed to providing age appropriate, culturally sensitive services to senior adults residing in the NYCHA Baruch Houses with the goal of building a strong community of caring in order to foster, support and maximize each members overall personal well-being.

The sponsor is also committed to providing comprehensive services that will improve the quality of life for the seniors, enabling them to remain in their homes and helping them to lead independent, healthy and active life-styles within their home community. These services include advocacy, health promotions services, social work services and opportunities for socialization.

- **Bilingual Social Services** – case assistance, case management, entitlement/benefits assistance, service linkage and coordination, crisis intervention, support services, and advocacy.

- **Recreational Services** – group activities, trips, bingo, arts & crafts, physical fitness activities, dance and music activities, and light snacks.
• Bilingual Health Services – health education services, health screening, health promotion and prevention, and linkage to appropriate follow-up services.

• Services For Home-Bound Seniors – friendly visits, telephone reassurance calls, and escorts.

Based on B.E.S.T program reports from October 1, 2015 to December 31, 2015, the Grand Street Settlement NORC Program provided the following core services:

**Senior Resident Advisor (“SRA”)/Service Coordinator Programs (“SCP”):** provide supportive services to elderly (ages 62 and over) and non-elderly disabled residents in select sites. This initiative helps seniors to maintain independent and dignified living by assisting them with accessing public benefits, advocating with service providers on their behalf, and a Senior Volunteer Floor Captain program, through which seniors serve as Floor Captains on their floor and meet monthly to discuss health and safety issues. Floor Captains work through a buddy system to ensure the safety and well-being of each other - especially their frail and disabled neighbors.

From January 1, 2016 through May 31, 2016 the SRA/SCP programs provided 17,265 units of supportive service to an average of 1,153 residents monthly, and conducted 3,383 home visits.

**Elderly Safe-At-Home Program:** provides supportive services to residents at 7 NYCHA developments in the South Bronx. The program provides crime prevention education; crisis intervention; assistance with benefits and entitlements; referral for transportation services; meals-on-wheels and homecare; and escort to medical facilities, banks and light emergency shopping. Resident volunteers augment staff support by monitoring the seniors’ well-being and engaging and assisting other residents in getting involved in community and program-related activities, thus enhancing their safety and viability.

From January 1, 2016 through May 31, 2016, the Elderly Safe at Home Program provided 4,500 units of supportive services to approximately 344 residents’ monthly, and conducted 1596 home visits.

**Senior Companion Program:** assigns Senior Companions, through a partnership with Henry Street Settlement, to help homebound or isolated fellow seniors live independently. Senior Companions provide friendly home visits, as well as escort and light shopping services, to frail and socially isolated residents at 5 NYCHA developments in Brooklyn, Queens and Staten Island. This initiative is funded by the Corporation for National Service.

From January 1, 2016 through May 31, 2016 the Senior Companion Program conducted 548 home visits, and provided 83 Escorts Services to approximately 9 residents monthly.
PHA Goal: *Increase collaborative partnerships with public & private agencies to maximize and leverage resources, expand funding base and reduce service duplication.*

**Progress:** NYCHA’s Department of Community Programs and Development along with the Office of Public Private Partnerships has leveraged partnerships with public and private agencies to provide the following programs:

**Family Self Sufficiency Program:** In January 2016, NYCHA was awarded $138,000 from HUD for the Family Self-Sufficiency (FSS) program. NYCHA has received this award for several years, but this is the first year that NYCHA applied for and received funding to hire two FSS Coordinators. The FSS program is managed by NYCHA’s Office of Resident Economic Empowerment & Sustainability (REES) and promotes the development of local strategies to coordinate the use of public and private resources to enable participating FSS families to increase earned income and financial literacy, and make progress toward economic independence. Participation in the FSS program is voluntary and is open to families throughout the five boroughs who are unemployed or underemployed.

**ROSS:** NYCHA will be awarded $738,000 from HUD’s 2015 Resident Opportunities and Self Sufficiency – Service Coordinators Program (ROSS) grant. This award will enable NYCHA’s REES to hire three Service Coordinators that will work to enhance resident’s economic opportunities by coordinating services in the areas of adult education and training, employment, financial literacy and asset building. This funding will allow REES to work with NYCHA residents in Coney Island, East Harlem, and the Lower East Side.

**HUD’s Emergency Safety and Security Grant:** In May of 2015, NYCHA was awarded $250,000 from HUD’s Emergency Safety and Security Grant. This funding allowed NYCHA to install security cameras and add a layered access system at Breukelen Houses in eastern Brooklyn. Added lighting is a cost-effective way to reduce crime to support a safer environment for both NYCHA residents and the greater Canarsie community.

**Resident Watch:** In June of 2015 NYCHA received an award of $742,000 from the New York State Division of Housing and Community Renewal to continue the Resident Watch program. The program relies on resident volunteers who contribute to the quality of life of their buildings and neighborhoods by providing “eyes on the street” and maintaining a positive presence. The participants in the 16 Resident Watch grant-funded sites receive a monthly stipend for actively monitoring the safety of their public housing buildings. The Resident Watch program contributes to residents’ sense of community and well-being.

**Carmelo Anthony Foundation (CAF):** In the summer of 2015, the Carmelo Anthony Foundation, in collaboration with Courts4Kids, funded the refurbishment of the basketball courts at the Coney Island and Monroe developments (Brooklyn and the Bronx). The repaving of the courts, replacing of backboards and basketball nets, and repair of the surrounding benches totaled approximately $75,000 and was a welcome improvement to these neighborhoods, especially for the Coney Island court which was affected by Hurricane Sandy.

**Landscapes of Resilience Initiative:** With funding provided by the TKF Foundation’s Nature Sacred program, this project explores the practices of community greening and environmental stewardship and couples site design and development with research in action by creating landscaping and open space at
the Hurricane Sandy affected Beach 41st development. The funds are being utilized by the three organizations engaged in doing the work – Till Design (implementing the landscape and architectural work); Natural Garden and Landscaping (overseeing construction of a new garden); and USDA Forest Services (coordinating research). A new garden and beautification of the area is expected to be completed by the fall of 2016.

**Museum of the City of New York:** NYCHA collaborated with the Museum of the City of New York on their Affordable Housing Exhibit, which was on display from September 18th 2015 to February 7th 2016. This unique exhibit was funded in part by the Ford Foundation and displayed the history of below-market rate housing and documenting the ways in which policy makers, reformers, and activists have fought to transform the city. NYCHA contributed several items, including development architectural designs, historical photographs, and Authority souvenirs.

**Lincoln Center:** NYCHA is partnering with Lincoln Center’s Education Department to invite NYCHA residents to attend their Boro-Linc cultural performing arts activities, which include dance workshops, jazz music, arts and crafts, and a summer concert in partnership with Casita Maria Center for Arts Education. These performances began in February 2016 and will continue through the summer of 2016.

**Urban Agriculture:** NYCHA plans to establish five new urban farms that will promote healthy food access, youth workforce and leadership development, and community connectivity—three sites in 2016 (Howard, Bay View, and Wagner) and two in 2017 (in the Bronx and Staten Island). The primary partner in this project is Green City Force, which recruits NYCHA residents (age 18-24) to work in teams to build and cultivate the new farms. Other partners include the Fund for Public Health in New York and the Mayor’s Office of Strategic Partnerships, which together oversee New York City’s Building Healthy Communities Initiative. This initiative also seeks to work with community-based partners. To that end, the Fund for Public Health in New York issued an RFEI to solicit local partners for the three farm sites for 2016. An additional RFEI for the Bronx and Staten Island farms will be issued at a later time. The community-based partners will provide technical and programmatic support at the farm sites. The partner groups are expected to be chosen by committee that will include NYCHA residents in May 2016.

**National Endowment for the Arts, Our Town Award:** In September 2015 NYCHA was notified of a $100,000 Our Town investment in Mott Haven, South Bronx. The grant period began on October 1, 2015, and continues through September 30, 2017. NYCHA’s city agency partner for the Our Town grant is the NYC Department of Cultural Affairs. Using funding provided by Our Town, NYCHA will partner with Casita Maria, Dancing in the Streets, and the community development organization, SoBro, to present part of the cultural component of the Make Mott Haven Transformation Plan that was developed with the Choice Neighborhoods Initiative Planning Grant. It includes public performances, festivals, film screening, art workshops, and film production training programs in and near public housing developments. NYCHA will monitor the success of these projects by measuring the increase in economic activity in the area during cultural events and the number of young people who find employment in the creative industries. NYCHA and its partners also believe that by introducing these cultural programs, the community will experience a reduction in crime and more people will be encouraged to use public spaces.
NYCHA has also submitted applications for two federal opportunities of which the outcome has not yet been determined:

**Choice Neighborhoods Initiative:** In February 2016 NYCHA submitted an application to HUD for a $1.5 million Action Activities Grant to build on prior investments made in Mott Haven and continue to implement community changes prioritized in the Make Mott Haven Transformation Plan. The NOFA for this initiative was released under the CNI Planning Grants Program, the goals of which are to organize residents, local community organizations, city institutions, Local and State agencies, and elected officials to plan for and begin comprehensive neighborhood change in a distressed community. Action Activities, which are a new component of the Planning Grants program, show a commitment to “doing while planning.” HUD included this element of the program due to evidence of the momentum generated by visible, early actions in community improvement efforts. NYCHA is awaiting notification of the grant award decisions. In summer 2016 NYCHA will also apply for a Choice Neighborhoods Implementation Grant for Mott Haven in response to a NOFA that was published on March 31, 2016. This effort will reflect NYCHA’s continued commitment to realizing the community’s priorities that were presented in the 2014 Make Mott Haven Transformation Plan. The grant competition offers a potential $30 million HUD investment that addresses Housing, People, and Neighborhood concerns. The grant application will focus on portions of Betances 4, 5, and 6 as the housing targeted for rehabilitation.

**Promise Zones Initiative:** In February 2016 NYCHA submitted an application to HUD for a Promise Zones (PZ) designation for Mott Haven and Port Morris, Bronx. This application is intended to attract additional attention and resources to this neighborhood in which NYCHA has already completed a Choice Neighborhoods Planning Grant and will continue to bring new resources. PZ involves no grant funding, but provides a 10-year designation that involves technical assistance, preferential scoring on future grant applications for all PZ partners, potential tax incentives, and five AmeriCorps members to be deployed in the community. PZ presents an opportunity to connect across government agencies, while incorporating invaluable input and support from community-based organizations, schools, hospitals and health centers, and the private sector. The NYCHA team worked with five city agencies as “Implementation Partners” to put together an application which focuses on the following goals: 1) Create Jobs; 2) Increase Economic Activity; 3) Improve Educational Opportunities; 4) Reduce Violent Crime; 5) Increase Access to Quality Affordable Housing; and 6) Promote Health and Access to Healthcare. NYCHA is awaiting notification of the designation award decisions.

**Child and Adult Care Food Program (“CACFP”):** The purpose of the CACFP is to improve the nutritional quality of meals served to children in child care centers. Presently, the program operates at 106 licensed community facilities in all five boroughs providing wholesome nutritional meals to approximately 5,000 children ages 6 to 12 in accordance with DOH requirements. During the winter months the program serves an afternoon snack and a supper and during the summer months the program serves a snack and lunch.

The Teen Program components allow CACFP to provide for one supper/meal served to children 13 to 19 years old participating in organized after-school programs in eligible areas. Currently the program
operates at 70 facilities citywide and serves a nutritional meal to approximately 1,400 teens on a daily basis.

**City Harvest Mobile Market Program:** City Harvest exists to end hunger in communities throughout New York City. They do this through food rescue and distribution, education, and other practical, innovative solutions. City Harvest has been distributing free produce to residents of NYCHA at the Stapleton Houses in Staten Island and Morrisania-Air Rights, Andrew Jackson, and Melrose Houses in the South Bronx, through our Mobile Markets, since 2005. Currently, the Mobile Markets operate at 8 locations throughout the five boroughs. The programs can also be found at Tompkins Houses in Brooklyn, Dyckman Houses in Manhattan, Astoria Houses and Queensbridge Houses in Queens, Mariner’s Harbor on Staten Island and at St. Mary’s Park in the Bronx. Food distributions take place twice monthly with the help and dedication of community volunteers from NYCHA developments, as well as general City Harvest volunteers. City Harvest distributes approximately 280,000 pounds of produce to approximately 7,250 participants on a monthly basis.

**NYCHA Youth Chorus:** The Chorus engages residents ages 9 to 21 in vocal training and public singing performances to provide its members with a positive environment to learn music and grow as performers. This support from the David Rockefeller Fund provides the Youth Chorus the opportunity to recruit additional members, enhance their musical training and increase the number of performances.

**United States Tennis Association (“USTA”):** In June of 2015 NYCHA received two grants totaling $8,000 to continue the Tennis Initiative. Grants from the United States Tennis Association (USTA) Junior and USTA Eastern will allow NYCHA to provide tennis lessons to 8 to 12 year-old residents. This will be the third year that NYCHA has offered this program, through which more than 330 youth have learned to play tennis. The Tennis Initiative educates young residents about the sport and helps to instill the discipline, sportsmanship, and leadership skills that can carry over to their academic lives and help prepare them for future professional success. This program is a unique opportunity for the young participants of NYCHA's community centers, who otherwise have limited exposure to the sport.

**New York City Connected Communities (“NYCCC”):** The New York City Department of Information Technology & Telecommunications (“DoITT”) has been allocated funding from the New York City Office of Management and Budget (“OMB”) to support broadband use and adoption among all City residents, particularly among low-income residents, whose adoption rates lag citywide, under the New York City Connected Communities Program (“NYCCC”).

As a partner in NYC Connected Communities, NYCHA will sustain broadband internet technology to Community Centers in 12 public housing developments throughout the five boroughs. The 12 developments are: Astoria, Butler, Clinton, Hammel, King Towers, Manhattanville, Richmond Terrace, Roosevelt, Saratoga, Tilden, Van Dyke, and West Brighton. These Centers will serve vulnerable populations residing in these developments together with other members of the general public living within proximity to the Centers. There is a growing need for low-income New Yorkers, predominantly African-American and Latino-American, to improve their Broadband opportunities for success in school and in life. The unemployed, senior citizens, children and people with disabilities will benefit from greater access to Broadband internet resources, and from a variety of internet employment training and job search skills.

**Technology, Educational, and Municipal Facilities Grant (“TEMF Grant”):** The Cable Franchise Agreement between the City and Verizon New York Inc. establishes the TEMF Grant to be used by the
City to support the provision of technology services to City government locations and/or City government related locations in each of the five boroughs of the City where technology services are made or are to be made available to the community. DoITT used the funds from the TEMF Grant to provide funding to NYCHA for the creation and maintenance of technology labs at 7 community center locations across the city: Marcus Garvey, Kingsborough, Wyckoff Gardens and Williams Plaza in Brooklyn; Murphy and St. Mary’s in the Bronx; and Lehman Village in Manhattan. The grant allows for the purchase of hardware, software, peripherals, furniture and consumable supplies as well as broadband access for the next 5 years.

**Global Partners Junior Program:** The Global Partners Junior Program is collaboration between the Office of the Mayor and NYCHA that connects students in New York City with students around the world as a way to foster global understanding through internet-based exchanges. The Global Partners Junior Program operates for 2 hours every week at four NYCHA community centers: Drew Hamilton, East River, and Lehman Village in Manhattan; and Parkside in the Bronx. Approximately 8-10 students participate at each site and are supervised by staffs that have been trained to implement the program’s curriculum. Students work together on a curriculum developed by New York City Global Partners staff which focuses on topics such as: sustainability, the environment, city parks, history, and culture. They research, hold discussions, create projects, and post messages to their international peers on the internet forum. During the 2015-2016 program year, Global Partners is currently serving 33 youth participants.

**New York City Early Literacy Learning (“NYCELL”):** The NYCELL Program seeks to strengthen language and pre-reading skills of children between the ages of 1-4 so that they enter school ready to learn and to succeed. NYCELL is a collaborative effort between the Mayor's Office, the Department of Education and NYCHA. The program helps foster a network of parent support that engages and empowers parents to get involved in their children's education and exposes children to opportunities to strengthen literacy skills. This program is being offered at 5 NYCHA Community Centers: Bronx Classic at Melrose Houses and Justice Sonia Sotomayor Houses in the Bronx; Van Dyke Houses in Brooklyn; and Rutgers and King Towers Houses in Manhattan.

**Saturday Night Lights Program (“SNL”):** SNL is a violence prevention and youth-development program funded by the Manhattan District Attorney’s Office that offers high quality sports and fitness training and academic enrichment for youth ages 11-18. SNL was founded in 2011 when the DA’s office partnered with the NYPD, Police Athletic League PAL and Pro Hoops to open up gyms in underserved Manhattan neighborhoods and provide a safe, fun, and productive place to be during high-crime times—Saturday nights. Using asset forfeiture funds, the partners also hired professional basketball trainers to provide exceptional training at a gym in West Harlem. The program expanded to include additional sports and in additional gyms on: the Lower East Side, East Harlem, Central Harlem and Washington Heights.

As a result of the success of the programs, the Manhattan District Attorney’s Office committed to investing additional asset forfeiture funds into the SNL youth development programs. Through an RFP released in December 2014, 10 community based organizations were awarded funds to offer high quality sport and dance programs along with academic enrichment. The new, expanded SNL initiative offers the following three program components: high quality skill-development activities (e.g., sports, dance, or other enrichment activities), academic support, and advocacy and community resource coordination.
As of July 2015 SNL funding provides the following programing in 15 sites throughout Manhattan:

**Professional Sports and Fitness**
On Saturday nights, professional sports and fitness coaches run high quality training sessions at all sites. Each session consists of warm-ups, skill-specific drills, and games. They offer basketball, soccer, volleyball, tennis, Kiki Lounge and Lite Feet.

**Academic Support**
Each SNL-funded agency offers robust academic support and advocacy. The youth advocate at each location works with the participant and their family to explore and assess any barriers to academic success and comes up with an action plan to reach specific academic goals. Advocates track the progress and outcomes of these steps toward success. The programs offer tutoring, homework help, SAT prep, Regents prep and High School Equivalency prep.

**Advocacy**
The programs offer comprehensive case management support. Youth in the program have access to quality social workers, case managers and youth advocates whom use a holistic approach to work with each individual family to ensure that the youth is fully equipped to succeed in middle school, high school and beyond.

**Objective:** To inform residents about personal disaster preparedness and the private and public resources and programs that can increase their ability to handle emergencies.

**Progress:** Since the Fall of 2013, NYCHA’s Resident Engagement Department (“RED”) has facilitated emergency preparedness trainings for residents at 64 developments citywide, including all 42 senior developments. To date 1,832 residents have received training on how to prepare for and what to do in the event of a fire or weather related emergency.

NYCHA partnered with NYC’s Emergency Management (“NYCEM”) and the Fire Department of New York (“FDNY”) to provide resources including literature, expert presenters and props.

Materials distributed at trainings include:
- Ready NY – My Emergency Plan Booklet
- Evacuation Zone pamphlet
- Notify NYC flyer
- Fire Safety booklet for seniors
- Oven Mitts with fire safety tips
- NYCHA Prepares Flyers
- 1 Go-Bag used for demonstrative purposes and then raffled off for free

Resident Engagement also assisted NYCHA’s Emergency Services Department (ESD) in “Mobile Command Post” roll out demonstrations at: Ravenswood, Ocean Bay, Red Hook, and Campos Plaza. At which residents were invited to tour the Command Posts and receive materials related to personal safety and emergency preparedness.
Resident Engagement aided several Resident Associations in the use of their TPA Funds to purchase and distribute “Go-Bags” to the Residents in their developments.

Resident Engagement partnered with other NYCHA Departments including ESD, REES, Family Services, and DOHMH in “Joint Emergency Preparation Drills, in Sandy Affected Areas during the Spring and Summer of 2014 and 2015.

Resident Engagement Partnered with Operations, ESD, and Family Services responding to numerous emergency situations throughout the City to bring information supplies and services to residents. Those Emergencies included multiple temporary boiler outages in the Rockaways, the Coney Island Developments, the Lower East Side Developments, at which warming centers were opened, and affected residents were contacted individually by door knocking, phone calls and signage, a water main break at Wagner where affected residents were contacted and supplies were distributed, and several other cold and heat related emergencies.

**Goal: Promote self-sufficiency and asset development of families and individuals.**

**Objective:** Develop strategic partnerships and leverage external resources to connect residents to high quality economic opportunity services that support resident economic sustainability. (Increase job placements and job training opportunities, apprenticeship and educational enrollments.).

**Progress:**

**A. Strategic Partnerships: REES Zone Partner Networks**

Through the Zone Model, REES manages public/private partnerships with high-quality economic opportunity service providers. Through a formal application process, REES has established partnerships with best-in-class workforce, financial literacy, business development, adult education and training providers. REES launched inaugural Zone Partner networks in 2012-2013 in the following neighborhoods: Lower East Side, Downtown Brooklyn, South Bronx and Upper Manhattan. Zone Partners work in collaboration with REES to develop strategic, outcome-focused projects that connect NYCHA residents to services. These projects include receiving direct referrals through a web-based referral system; targeted recruitment campaigns for cohort-based services; reverse referrals of NYCHA residents to NYCHA jobs and employment-linked training programs; support and training from NYCHA in leveraging and integrating NYCHA policies into service delivery; and increase resident access to credit union services to remote capture rent payment and client conversion. At the close of the inaugural program year, REES saw a 22% increase in the number of residents served through this new model, over 13,000 residents total. Building on this initial success, in late 2013 through 2014, REES expanded the Zone Model to additional neighborhoods including: Western Queens, Brownsville/East New York, East Harlem, Highbridge, Northwest Bronx, the Rockaways, and Staten Island. As of March 2016, 60 providers have entered into partnerships with REES, expanding past traditional workforce, training and financial counseling services, to include new adult education partnerships through the SUNY’s Educational Opportunity Center’s and CUNY community college programs, as well as new business development and homebuyer education service providers.

**i. Connecting to Services: Resident Outreach, Recruitment, and Referrals:**
Through the Zone Model, REES has created multiple platforms for performing outreach and connecting residents to services. In 2013, REES launched OpportunityNYCHA.org, a web-based platform designed to connect residents to services and provide timely information on REES and partner programs. Since launching, OpportunityNYCHA.org has had 188,244 unique visitors and in 2014, REES launched a bi-weekly e-newsletter that reaches 35,000 subscribers. Residents utilize the microsite to register for information sessions and connect to programs. From September 12, 2015 to March 16, 2016, REES has seen 61,712 unique visitors to the site and served over 1,451 residents through event-based recruitment and resident information sessions. Events include twice-weekly information sessions hosted at REES’ central office in downtown Brooklyn, in addition to similar sessions hosted offsite at NYCHA developments for a variety of vocational and other training programs, including Section 3 opportunities. REES also hosted employment pre-screening events with partners including: the Brooklyn Navy Yard, Columbia University, and the New York City Police Department.

To date, there are 489 resident class/training enrollments and an additional 954 residents connected to providers through a referral platform.

### ii. Financial Literacy and Asset Building Highlights:

#### a. Online Financial Counseling Self-Referrals

In November 2015, REES launched Opportunity Connect, an online platform that allows NYCHA residents to refer themselves for economic opportunity services. The first service type to be offered is financial counseling. From November 2015 to February 2016, REES has connected 27 individuals to a financial counseling referral using this self-service option.

#### b. Financial Literacy Training

**Free Tax Preparation Services in NYCHA Communities**

Expanding on the successful integration of free Virtual Volunteer Income Tax Assistance (“VITA”) services in NYCHA communities during the 2015 tax season, REES partnered once again with the Food Bank for New York City to provide free tax preparation services starting in January 2016 across 14 community centers and Jobs-Plus sites.

#### c. Homebuyer Education for NYCHA Residents

Following up on the success of the 2015 pilot initiative to offer homeownership education workshops – under the financial literacy and asset building portfolio, REES continues to collaborate with homebuyer education partners in 2016 to host several homeownership workshops.

### iii. Employment and Advancement Highlights

#### a. Jobs-Plus

*Jobs-Plus* is a proven place-based employment program that provides customized employment services, financial counseling, rent-based incentives and peer to peer support to working age residents in twenty-three (23) NYCHA Developments. A collaboration between NYCHA, Human Resources Administration (HRA), the Center for Economic Opportunity (CEO), and the Department of Consumer Affairs (DCA), there are currently nine (9) Jobs-Plus sites operating city-wide under the Jobs-Plus expansion, a signature component of the Young Men’s Initiative. There is a ninth site operating in the Bronx and supported by the Social Innovation Fund. In total the 9 Jobs-Plus sites serve nearly 25,000 working age NYCHA residents. The Jobs-Plus expansion marks a key milestone
in NYCHA’s new approach to better support its residents to increase their income and assets by working with public and private partners to identify gaps in service offerings and to develop strategies that attract high quality resources and proven economic opportunity models, like Jobs-Plus, into public housing neighborhoods. From September 2015 to February 2016, 813 resident job placements have been made across 9 Jobs-Plus sites.

iv. Adult Education and Training Highlights

a. NYCHA Resident Training Academy (“NRTA”) 
The NRTA is a public/private initiative funded by the Robin Hood Foundation. The NRTA began in August 2010 as a citywide, employment-linked training program for NYCHA residents. Residents receive training from some of New York City’s premier vocational training providers in preparation for jobs with NYCHA, its contractors, and the private sector. Since launching the program, over 1,332 NYCHA residents have completed training through the NRTA with an 86% completion rate and 87% of graduates going on to careers. From January 1, 2015 to December 31, 2015, 211 residents have completed training through the Academy.

b. Zone Partner Highlight: Green City Force 
Green City Force (GCF) is a NYC-based AmeriCorps program that combines national service and workforce development to reduce carbon emissions while providing urban young adults with training and leadership opportunities related to greening the economy. Green City Force has partnered with NYCHA’s Office of Resident Economic Empowerment & Sustainability since 2009 to recruit qualified NYCHA Residents ages 18-24 for their full-time stipend-paid program that provides training leading to certifications, college-prep, leadership development and hands-on work experiences. Since January 2015, REES has been working closely with Green City Force on an initiative to recruit young adults into Green City Force programming from the Mayor’s Action Plan (“MAP”) developments. Fifteen developments fall under MAP and were selected due to high incidences of violent crime. The MAP initiative invests resources into these communities increasing resident access to much needed services and high quality training programs such as Green City Force. Between September 2015 and February 2016, REES and Green City Force have held 22 offsite and onsite information sessions, engaging local residents, communities and its stakeholders. Between September 2015 and February 2016, 75 residents were enrolled in training, and 23 NYCHA residents enrolled in cohorts that began prior to the reporting period completed training.

v. Resident Business Development Highlights

Resident Business Development Highlights

a. Food Business Pathways Program 
NYCHA, the NYC Economic Development Corporation (“EDC”), the NYC Department of Small Business Services (“SBS”), Hot Bread Kitchen, and Start Small Think Big designed and launched the NYCHA Food Business Pathways Program in 2014 through support from Citi Community Development. Through this initiative, in 2015, 90 NYCHA entrepreneurs (“NYCHAprenuers”) have access to 8 weeks of customized business development classes and ongoing coaching. Graduates
receive subsidies for licenses and permits necessary to enter a kitchen incubator. In 2015, 96 NYCHA residents and Section 8 voucher holders were enrolled in FBP, 80 graduated, 15 were awarded free kitchen incubator space, and 67 have formed businesses to date. Some businesses have been able to secure distribution in local stores and have contracted with city agencies.

b. New Business Development Zone Partners:

In 2015, REES expanded its partnership with SBS’s NYC Business Solution Centers (“BSC”) beyond the Upper Manhattan pilot, making all NYC BSCs REES Zone Partners. Through this partnership, NYCHApreneurs have ongoing access to free business development services. Upon connecting with a BSC, NYCHApreneurs will access a curriculum of classes designed to provide them with a foundation for business development while others will tap right into existing BSC technical assistance services. Additionally, NYCHA residents will also be connected to Flagship SBS entry level entrepreneurship programs: FasTTrac New Venture and NYC Craft Entrepreneurship Project. NYCHA has also worked with Zone Partners International Coach Federation (“ICF”), Workshop in Business Opportunities (“WIBO”), and Green Worker Cooperatives to provide services to residents. Additionally, REES Zone Partners such as Hot Bread Kitchen, ICF, and Union Settlement, along with special project partners, Start Small Think Big and Greenpath, have been incorporated into the Business Pathways Cross-Referral Network to provide streamlined and coordinated services.

**Objective:** Generate jobs and other economic opportunities for NYCHA Residents (Increase Section 3-related training, employment and contracting opportunities)

**Progress:**

i. **Resident Employment (Section 3 and Other Programs)**

From September 12, 2015 to March 16, 2016, REES facilitated 465 direct job placements. These job placements include those generated by outside contractors for various projects at NYCHA developments.

**Section 3 Business Concerns**

NYCHA will increase outreach efforts to increase the Section 3 Business Concerns (“S3BCs”) and expand their contracting opportunities by incorporating S3BCs into all MWBE related outreach programs/events. NYCHA S3BCs were invited to participate in the annual NYCHA MWBE & S3BC trade-show which took place on April 19, 2016. At this event we provided several informational workshops geared to assist S3BCs including how to navigate the NYCHA procurement process, bonding workshops and direct assistance to register S3BCs into iSupplier, NYCHA’s free online procurement portal. Additionally, NYCHA will provide information regarding S3BCs at pre-bid conferences to encourage prime contractors to subcontract to eligible S3BCs. NYCHA will refer S3BCs to the NYC Department of Small Business Services (SBS) to help build their capacity and
increase their contracting opportunities with NYC agencies. NYCHA maintains an online self-certified S3BC registry which is updated on a monthly basis and publically posted on the NYCHA website. To date 76, S3BCs are registered with NYCHA.

**Increasing Earned Income Disallowance (“EID”) uptake**

REES continues to support the application of the Earned Income Disallowance as a work-incentive for NYCHA residents. Following automation of the EID process in NYCHA tenant data systems in 2012, an increase in income now triggers additional questions during the annual income review process, making it easier for Housing Assistants to recognize when to apply the EID toward a household. REES continues to educate its self-sufficiency program partners in the EID policy and program benefits for their clients. REES also has been successful at enlisting its partners in helping to educate and orient residents about the EID. Since REES began tracking EID in 2012, 8,495 residents have received the EID as of February 2016.

i. **Family Self-Sufficiency Program (“FSS”)**

The Section 8 FSS Program is a HUD initiative that promotes economic self-sufficiency among participating families by referring them to educational, career counseling, money management, job training as well as job placement services. Participants receive a savings account which grows as the family’s earned income increases. Upon completion of the five-year FSS Contract of Participation, the family receives the money accumulated in the account, provided that no member has received cash public assistance in the preceding twelve months. The money may be used as a down payment on a home, as payment for higher education, as start-up capital for a business or to pursue other personal goals. Participating families run no risk to their Section 8 voucher and may continue to receive Section 8 assistance upon graduation from the program as long as they continue to meet Section 8 eligibility criteria. As of February 2016, there were 534 participants in the program. A total of 161 participants or (30%) of these had active escrow accounts with an average balance of $2,184. The cumulative amount in escrow was $351,231.

**Goal: Ensure equal opportunity in Housing for all Americans**

**Progress:** NYCHA reaffirms its commitment to affirmatively further fair housing through its sustained relationships with residents, applicants, advocates and organizations that assist people with disabilities and promote fair housing. NYCHA’s Department of Equal Opportunity, Services for People with Disabilities Unit, (SPD), assists applicants and residents with disabilities in obtaining decent, affordable and accessible housing in NYCHA developments. The SPD serves as a liaison between the disabled community and NYCHA. In 2015, SPD responded to, or assisted with, 283 reasonable accommodation matters from residents, applicants, Section 8 voucher holders and/or their respective advocates. In 2015 (from January to November), the SPD handled approximately 1,219 various matters from clients involving a range of services including, assistance with documentation, transfer requests, modifications of priority status, and reasonable accommodation requests for remediation of mold conditions in connection with asthma. There were 357 visits to SPD, and SPD provided information to a variety of organizations including: Harlem Independent Living Center, Community Resources and Services for Children, United Cerebral Palsy, University Settlement, Convent Avenue Family Center,
Barrier Free Living, Rose Kennedy Children’s Evaluation Rehabilitation Center, Puerto Rican Family Institute, and many others. Applicants, residents, and others in need of assistance with disability issues may call the “Hotline” at (212) 306-4652 or TTY at (212) 306-4845.

NYCHA affirmatively furthers fair housing by providing equal housing opportunities to residents, applicants, and Section 8 voucher holders. Residents, applicants, and Section 8 voucher holders may file internal housing discrimination complaints. Housing discrimination complaints filed with NYCHA by residents, applicants, or Section 8 voucher holders are investigated internally to determine if the individual has been the subject of unlawful discrimination, and determine if corrective or conciliatory action is necessary. In addition, applicants who have been found ineligible for public housing and assert the denial was based on their disability can have their cases reviewed by NYCHA’s DEO Services for People with Disabilities. Preliminary investigations of complaints filed by residents and applicants with the New York State Division of Human Rights, the New York City Commission of Human Rights and/or HUD Office Fair Housing & Equal Opportunity are investigated by NYCHA’s Law Department. In 2015, NYCHA’s Department of Equal Opportunity reviewed 53 fair housing matters and closed 60 Fair Housing investigations. There was one finding of housing discrimination which resulted in corrective action. In 2015, the SPD conducted three (3) disability-related right reviews of applications in which disabled applicants challenged their ineligibility for housing and asserted disability discrimination. The SPD did not find disability discrimination in these three matters. The NYCHA Fair Housing Non-Discrimination Policy Statement is available on the NYCHA website at [http://www1.nyc.gov/site/nycha/residents/policies-and-procedures.page](http://www1.nyc.gov/site/nycha/residents/policies-and-procedures.page) and in audio format at 212-306-4600.

It is the policy of NYCHA to take reasonable steps to ensure Limited English Proficient (“LEP”) persons may effectively participate in and benefit from NYCHA programs and activities. The policy is in accordance with the United States Department of Housing and Urban Development notice entitled, “Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient (“LEP”) Persons.” This final notice was published in the Federal Register at 72 FR 2732 (January 22, 2007).

NYCHA’s Language Services Unit (“LSU”) provides interpretative and translation services to NYCHA departments to enable them to communicate effectively with both residents and applicants who have been identified as persons with LEP. NYCHA’s Language Assistance Policy takes reasonable steps to ensure that LEP have meaningful access to NYCHA programs, services, and activities. In support of this policy, LSU annually assesses NYCHA’s language assistance needs; and monitors NYCHA’s language delivery assistance services in conjunction with NYCHA’s delivery of programs, services, and activities for residents, applicants, and Section 8 voucher holders. Additionally, the LSU recommends modifications to the Executive Department, as mandated, regarding NYCHA’s delivery of language assistance services to persons with LEP. The LSU consists of two interpreters for each of the following languages: Spanish, Chinese and Russian, and they also manage the Language Bank. The Language Bank has 186 volunteers who speak 34 languages.

During 2015, NYCHA’s LSU completed and handled 5,787 interpretation requests and 1,136 translations requests containing over 2,831 pages. Key documents are translated and posted on our website in Spanish, Chinese and Russian for site-users with LEP.
In 2011, NYCHA revised its Fair Housing Policy to specifically provide for accommodations for the visually impaired including qualified sign language interpreters, documents in Braille and other appropriate aids and services.

In addition, on NYCHA's external website we strive to make content accessible to all users by posting most of our content in HTML and Adobe Acrobat. HTML can be read by electronic devices used by the visually impaired. Adobe Acrobat also has an audible feature that can read PDFs. Additionally; NYCHA has “Printer Friendly” content as well as the “Translate this Page” feature on our Internet site. Some content is also available in audio format.

**Goal: Violence Against Women Act (“VAWA”)**

**Objective:** Assist residents who are victims of domestic violence obtain an expedited confidential transfer and to enhance their safety.

**Progress:** From January 1 through December 31, 2015, 502 Domestic Violence cases were approved for transfer.

**Objective:** Provide support and assistance to residents approved for transfer to enhance their safety and viability and reduce the incidence of repeated domestic violence.

**Progress:** These services were transitioned to the NYC Human Resources Administration (“HRA”) Office of Domestic Violence and integrated with HRA’s Alternative to Shelter Program. This program allows domestic violence victims the option of remaining in their homes instead of shelter placement by having a Personal Emergency Response System (“P.E.R.S.”) installed in their home. Ongoing services include: safety planning, emotional support and counseling for children affected by the violence, support and advocacy at the point of transfer into new home/community, information, case planning and referrals at post transfer to assist in achieving goals for education, job training/placement, career planning, referral and advocacy for medical, mental health, substance abuse services. All services are free, voluntary and confidential.

From January 1 through December 31, 2015, 875 new cases requesting services were received. From January 1 through February 29, 2016, 113 new cases requesting services were received.

**2) SIGNIFICANT AMENDMENT AND SUBSTANTIAL DEVIATION OR MODIFICATION OF THE AGENCY PLAN**

**Criteria for Significant Amendment or Modification of the Agency Plan and/or Capital Fund Program Five-Year Action Plan:**

NYCHA will amend or modify its agency plan and/or Capital Fund Program Five-Year Action Plan upon the occurrence of any of the following events during the term of an approved plan(s):

1. A change in federal law takes effect and, in the opinion of NYCHA, it creates substantial obligations or administrative burdens beyond the programs then under administration, excluding changes made necessary due to insufficient revenue, funding or appropriations, funding reallocations resulting from modifications made to the annual or five-year capital plan or due to the terms of a judicial decree.
2. Any proposed demolition, disposition, homeownership, Capital Fund financing, development or mixed-finance proposals.

3. Any Capital Fund project not already in the Five-Year Action Plan for an amount greater than $500 million excluding projects arising out of federally declared major disasters.

4. Any other event that the Authority determines to be a significant amendment or modification of an approved annual plan and/or Capital Fund Program Five-Year Action Plan.

5. For purposes of any Rental Assistance Demonstration (“RAD”) project, a proposed conversion of public housing units to Project Based Rental Assistance or Project Based Voucher Assistance that has not been included in an Annual Plan shall be considered a substantial deviation.

3) OTHER INFORMATION

- Other (list)

NYCHA’s resident Board members are not elected. As per N.Y. Public Housing Law § 402(3), the City’s Mayor appoints all seven Board members, including the three resident Board members.

C. Statement of Consistency with the Consolidated Plan
For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: (provide name here) New York City

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)
- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
- Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The City of New York’s Consolidated Plan serves as the City’s official application for the four U.S. Department of Housing and Urban Development ("HUD") Office of Community Planning and Development entitlement programs. The Consolidated Plan includes an Action Plan, which includes two elements: 1) the description of the use of federal, state, city, private and nonprofit funding for housing, homeless assistance and prevention, supportive housing services, and community development activities; and 2) the Supportive Housing Continuum of Care for Homeless and Other Special Needs
Populations which describes the City’s coordination of supportive housing services to the homeless and other special needs populations.

The Public Housing Agency Plan embodies, in many respects, the concepts of HUD’s Consolidated Plan. The Plan provides a planning mechanism by which a housing authority can examine its long-term and short-term needs, specifically the needs of the families it serves, and design both long-term strategies and short-term strategies for addressing those needs. Like the Consolidated Plan, the Agency Plan involves consultation with affected groups in the Plan’s development.

D. Additional Information

Second Replacement Housing Factor (“RHF”) Funding Groups

1) Second RHF Funding Group – First Increment RHF Plan

- NYCHA will accumulate five years of Second Funding Group, First Increment Replacement RHF grants totaling $7,110,861 for use in up-coming mixed-finance development activities. Since annual awards are small, NYCHA accumulates these grants over several years to have sufficient funding to complete a transaction.

- NYCHA has obligated all of grant NY36R005501-08 ($853,997), NY36R005501-09 ($790,086), NY36R005501-10 ($776,218) and NY36R005501-11 ($395,955) for construction of public housing units in the Randolph South Mixed-Finance transaction.

- NYCHA has obligated all of grant NY36R005501-12 ($1,538,254) and a portion of NY36R005501-13 ($651,630) for Phase I of the Prospect Plaza HOPE VI Revitalization Project.

- NYCHA has obligated a portion of the NY36R005501-13 ($628,726) and all of grant NY36R005501-14 ($1,475,995) for Phase II of the Prospect Plaza HOPE VI Revitalization Project.

- At this time, NYCHA is evaluating plans for the NY36R005501-15 ($987,856) grant.

2) Second RHF Funding Group – Second Increment RHF Plan

- NYCHA will accumulate five years of Second Funding Group, Second Increment RHF grants totaling $2,578,340 for use in up-coming mixed-finance development activities.

- NYCHA will obligate all of grant NY36R005502-10 ($258,796), NY36R005502-11 ($333,158), NY36R005502-12 ($496,383), NY36R005502-13 ($646,103) and NY36R005502-14 ($743,900) for construction of public housing units in Phase II of the Prospect Plaza HOPE VI Revitalization Project.

- At this time, NYCHA is evaluating plans for the NY36R005502-15 ($759,649) grant.
HUD regulations (24 CFR Part 903) require a discussion of HUD’s Deconcentration Requirement in NYCHA’s FY 2017 Annual Plan. It was determined from the following Deconcentration Analysis that NYCHA does not need to develop an additional Deconcentration Plan for its Fiscal Year 2017 Annual Plan to comply with HUD’s requirement.

Although 11 of NYCHA’s qualifying 130 consolidated developments fall outside of an Established Income Range (“EIR”), NYCHA is exempt from developing an additional Deconcentration Plan to bring the 11 developments within the EIR primarily because all of NYCHA’s developments are part of an explicit strategy to promote income mixing in each of its developments. This strategy is detailed in the Income Mixing Plan of NYCHA’s Tenant Selection and Assignment Plan, and therefore, NYCHA already has a deconcentration plan built into its rental scheme.

Deconcentration Analysis

The Rule to Deconcentrate Poverty and Promote Integration in Public Housing applies to all Public Housing Authorities (“PHA”) funded by HUD, but specifically excludes from its applications the following types of developments within a PHA:

- developments with fewer than 100 public housing units;
- developments that are designated for elderly and/or disabled persons only;
- developments that are part of a homeownership program; and
- developments that are operated in accordance with a HUD approved mixed-finance plan using HOPE VI or public housing funds.

The developments’ characteristics and tenant income data are from the Tenant Data System database as of January 1, 2016. This database contains household-level data for every occupied unit within NYCHA developments.

Of the 174,595 occupied units\(^8\), there are 142,993 units within 129 consolidated developments\(^9\) that do not meet the exemption criteria and therefore, were used in this analysis.

Gross mean incomes from the excluded types of developments and units were not used in the calculation of the overall NYCHA mean. In total, 31,602 occupied units were excluded from the analysis. Table I presents the number of these units that fall into each exclusion category. See the Appendix for a list of the individual excluded developments.

---

\(^8\) There are 174,595 public housing households as of January 1, 2016.
\(^9\) For the purposes of this analysis, there are 129 consolidated developments that have units that are not exempt from the application of the Deconcentration Rule. However, there may be units within these 129 developments that have been excluded.
As per Step 3 of the Final Rule, a development will be considered below the EIR if its mean gross household income\textsuperscript{10} is less than 85\% of the NYCHA mean; and a development will be considered above the EIR if its mean gross household income is above 115\% of the NYCHA mean. The 2016 NYCHA mean gross household income is $24,358, resulting in a lower EIR limit of $20,704 and an upper EIR limit of $28,012. In a recent amendment to the Deconcentration Rule, the definition of the EIR has changed to:

“include within the EIR those developments in which the average income level is at or below 30\% of the area median income, and therefore ensure that such developments cannot be categorized as having average income ‘above’ the Established Income Range.”

30\% of the 2015 HUD Area Median Income for the New York City HUD FMR Area (HMFA – includes the five boroughs and Putnam County) is $19,110. However, this is less than 115\% of the NYCHA mean gross household income, and therefore, NYCHA’s 2015 upper EIR limit remains at $28,012.

Table I shows that out of the 129 consolidated NYCHA developments that are not exempt from the application of the Deconcentration Rule, there are 6 developments with 4,863 occupied units with gross mean household incomes below the EIR and 7 developments with 5,272 occupied units with gross mean household incomes above the EIR.

The table above only includes units within the consolidated developments that qualify for inclusion in the Deconcentration Analysis, i.e., it excludes units that are elderly-only, mixed-finance, FHA, Hope VI, or MHOP.

*Forest Hills Co-Op has separate income and rent schedules, which are designed to make the development self-sufficient.

Step 4 of the Deconcentration Requirement is an “option to provide reasons developments are outside of the Established Income Range.” In other words, it provides the opportunity to exclude entire developments or selected units from the application of the requirement to deconcentrate poverty and mix incomes if the income profile for these units or developments is consistent with furthering both the goals of deconcentration and the local goals and strategies contained in NYCHA’s Annual Plan. Developments and unit types that fall into this category are not limited to, but include those developments that:

- are subject to a consent decree agreement or a judicial decree covering the resident selection;

- are part of a PHA program/strategy that is specifically authorized by statute such as mixed income or mixed finance developments, a homeownership program, a strategy designed to promote income-mixing in public housing or one designed to raise the income of public housing residents;
are designed via size, location or other configuration to promote income deconcentration; or

- have income characteristics that can be explained by other circumstances.

One of NYCHA’s 13 developments (Forest Hills Co-Op) has mean gross incomes outside of the EIR from the Deconcentration Requirement but should be excluded because it is covered by a court injunction, which restricts the types of resident applications that can be accepted at this development.

All 13 NYCHA developments that have mean gross incomes outside of the EIR from the Deconcentration Requirement should be excluded, because all NYCHA developments are part of NYCHA’s explicit strategy to promote income-mixing in each of its developments. That strategy is spelled out in NYCHA’s Tenant Selection and Assignment Plan (“TSAP”). Under the TSAP, each development must adhere to income-mix requirements each year, renting no less than 40% of its vacancies to Very Low Income Families (making 30% or less of area median income), but balancing that with the Working Family Preference, which gives priorities to higher-income and working families.\(^{11}\) This plan has been in place since 1998. Over time, it should produce a generally uniform and healthy income mix in all NYCHA developments. Since NYCHA already has this deconcentration plan built into its rental scheme, it need not do anything more to comply with the Deconcentration Requirement.

NYCHA has chosen, however, to be more aggressive in addressing the income mix at the Lower Income Developments. It has therefore targeted its Economic Integration Plan to those developments.

Step 5 of the Deconcentration Requirement outlines the policy for deconcentrating poverty and income mixing in developments where the developments’ income profiles outside the EIR cannot be explained or justified. Step 5 also specifies that a PHA will be found in compliance with the Deconcentration Requirement if:

- all of the PHA’s developments are within the Established Income Range;

- the PHA provides sufficient explanation in its Annual Plan to support the income mix of developments above or below the EIR as consistent with and furthering the goal of deconcentrating poverty, income mixing and the goals of the PHA’s Annual and Five Year Plans; or

- the agency’s deconcentration policy provides specific strategies to promote deconcentration of poverty and income mixing at developments that are outside the EIR.

As explained above for Step 4, NYCHA can justify all the developments outside the EIR, because they are all part of the TSAP income-mix rental scheme. Even if this could not satisfy Step 4, however, NYCHA’s TSAP rental scheme would satisfy Step 5, since it already constitutes a sufficient

\(^{11}\) Federal law requires PHAs to rent no less than 40 percent of their vacancies to Very Low Income families, but it does not require them to apply this requirement to each development. NYCHA has chosen to apply the requirement to each development, with the explicit goal of producing a more uniform income mix. Likewise, NYCHA has designed its Working Family Preference to bring more working families into each development, to achieve a healthy and uniform income mix.
deconcentration plan explicitly designed to achieve a uniform and healthy income mix in each development. However, as noted above in Step 4, NYCHA has chosen to be more aggressive in addressing the income mix at the Lower Income Developments, and has targeted its Economic Integration Plan to those developments. The Economic Integration Plan includes the following element:

- Applications Outreach to Tier III and Tier II applicants with incomes exceeding the “non-elderly average,” informing them that they may be selected sooner for an eligibility interview if they are willing to accept one of the Working Family Priority Consolidations.

Community Service Description of Implementation

NEW YORK CITY HOUSING AUTHORITY
Community Service Policy Overview

According to requirements of Federal Law, all public housing residents who are not exempt must perform Community Service or Economic Self-Sufficiency activities for 8 hours each month as a condition of tenancy. This Community Service Policy Overview explains the exemptions and describes the Community Service requirement. During the Annual Review process the Authority will advise families of their Community Service status.

NYCHA will be increasing efforts to enforce this requirement and will be engaging with residents and resident leaders toward this end. NYCHA anticipates developing strategies to provide additional assistance to help residents comply with this mandate including:

1. Trying to increase the opportunities available through resident association driven activities to fulfill this requirement;

2. Providing additional information to residents using letters, posters, and Journal articles as well as the NYCHA website (including NYCHA activities that can be used to for Community Service and links to other websites with activities that can be found); and

3. Making it easier to document service by working with resident associations to provide receipts for Community Service hours at suitable events/activities.

NYCHA also anticipates requiring not complying residents to meet with their Housing Assistant.

For those required to perform Community Service, successful documentation of the needed hours is a condition of tenancy and failure to perform this service can result in termination of tenancy.

I. EXEMPTIONS FROM COMMUNITY SERVICE

There are many exemptions which allow residents not to perform Community Service. An exemption will excuse the resident from the performance of Community Service during the tenant's one year Lease term, unless the exemption is permanent. Some exemptions can be identified by NYCHA using information in the Annual Review or Resident file. Others may be granted only after residents submit documentation. Forms and information are available from your RSA. When documentation is required for an exemption all forms must be filled-out and signed and returned to the development management office.

Exemptions NYCHA identifies - No Additional Documents Needed

1. **Age** - Below Age 18.
2. **Age** - Age 60 and older (permanent exemption).
3. **Employed** - An adult with no child below age 13 in the household and earning at least $8,034 per year, or working a minimum of 30 hours per week.
4. **Employed** - A single adult family with at least one child below age 13 in the household and earning at least $5,356 per year, or working a minimum of 20 hours per week.

5. **Employed** - A two adult family with at least one child below age 13 in the household: either or both adults must work and must earn at least $9,373 per year, or either or both together must work a minimum of 35 hours per week, on the average.

7. **Public Assistance** - All authorized family members living in the same apartment will be exempt from performing community service for one year if at least one family member receives welfare assistance or participates in a program that receives welfare monies and is in compliance with the rules of the program (*This exemption may require signed documentation*).

B. **Other exemptions** - granted only with signed documentation

8. **Blind / Disabled** (Certification by a doctor is required).

10. **Primary caretaker for the blind or disabled**.

11. **Vocational educational training** (available only one time per resident).

12. **Job skills training** directly related to employment, including attendance in a trade school. (The resident might not be currently employed, but employment may be dependent on successful completion of job training).

13. **Education directly related to employment**, in the case of an individual who has not received a high school diploma or a certificate of high school equivalency, if employment is dependent on successful completion of job training.

14. **Satisfactory attendance at secondary school** or higher.

15. **Satisfactory attendance in a course of study** leading to a certificate of general equivalence, if the resident has not completed secondary school or received such a certificate.

16. **Work experience** (including work associated with the refurbishment of publicly assisted housing) if sufficient private sector employment is not available, e.g., Youthbuild.

17. **On-the-job training**.

18. **Childcare provider** to a NYCHA child resident age 5 or younger (including your own child), if the child's parent - also a NYCHA resident:
   - Is performing Community Service, OR
   - Is exempt by NYCHA from performing Community Service because the parent is employed;
   - Childcare provider to a child age 6 through 12 may qualify if the child does not attend school due to Home Schooling, Home Instruction or is exempted by a school from attending for that year.

19. **Childcare provider to your own child** if childcare is otherwise unavailable:
   - You must be a single adult family.
   - Your child must reside in your apartment.
   - Your child must be age 5 or younger.
   - Your child age 6 through 12 may also qualify if the child does not attend school due to Home Schooling, Home Instruction or is exempted by a school from attending for that year.
   - You must submit a letter from one local Child Care Center, on the Center’s letterhead, stating that appropriate child care is not available. The Child Care Center must be licensed by the NYC Department of Health and be subsidized by NYC.

20. **Childcare provider to your own child**:
   - You must be a single adult family.
   - Your child must reside in your apartment.
o Your child must be age 12 months or younger.

You must submit valid proof of the infant’s birth, by providing a
- Birth certificate, and/or
- Court papers which indicate that the tenant is the birth/natural parent, adoptive parent or
court ordered guardian of the infant child.

II. COMMUNITY SERVICE CREDITS

The following are CREDITS that reduce or eliminate the number of community service hours that a
resident must perform in one year. These credits apply to the following special circumstances or
activity. Note that the maximum number of hours that any resident must perform in one year is 96
hours (8 hours per month). One credit is equal to one hour of community service performed.

1. **Resident Association (“RA”) Officer**: A RA President, RA executive board members or
Citywide Council of Presidents receive a credit of 8 hours of community service during any
month in which they serve in office.

2. **Foster Parent**: A foster parent whose foster child(ren) lives in the same NYCHA apartment
receives a credit of 8 hours of community service for every 30 days that the foster care
relationship continues. Even if there is more than one foster child in the apartment, the
credit remains at 8 hours per 30 days.

3. **Job Search and Job Readiness Assistance**: The resident is credited with 16 hours of
community service (and not more than 16) for any job search activities during any lease
year. This is not an Exemption although verified on the Community Service Exemption
Verification – Education Job Training form.

*Job readiness assistance* includes any of the following criteria:

- Training in job-seeking skills;
- Training in the preparation of resumes or job applications;
- Training in interviewing skills;
- Participating in a job club;
- Other related activities that may assist an individual to secure employment;
- Receipt of Unemployment Insurance Benefits qualifies as job search.

4. **Military Service**: Any resident performing military service who is either on Active Duty (in
the: Army, Air Force, Navy, Marine Corps or Coast Guard) or in a Reserve Component (in
the: Army National Guard, Air National Guard, Army Reserve, Air Force Reserve, Navy
Reserve, Marine Corps Reserve or Coast Guard Reserve) receives a credit of 96 hours of
Community Service.

5. **Pregnancy**: A resident who is pregnant receives a total credit of 8 hours upon proof of
pregnancy. No other medical factors are needed. This credit can be given only once during
the same pregnancy. (This credit does not prevent a woman from qualifying for the
Disability exemption based pregnancy.)

6. **Temporary illness**: A resident who is ill and unable to work shall receive a credit of 8
hours for every 30 days of illness.

7. **Victims of Domestic Violence, Intimidated Victims, and Intimidated Witnesses**
(VDV/IV/IW): A resident whose request to transfer to another development as a
VDV/IV/IW has been approved, receives a credit of 8 hours of community service for every 30 days that the transfer request is pending, or until the resident moves out of the apartment.

8. **Incarceration**: A resident shall be credited for 8 hours of community service for every 30 days during his/her incarceration. Upon release from jail, the resident is required to perform community service, unless otherwise exempt.

### III. COMMUNITY SERVICE REQUIREMENT

Residents who are not exempt must perform Community Service or Economic Self Sufficiency activities at the rate of 8 hours per month. These hours may be performed flexibly. It is acceptable to perform less than 8 hours during any month if those hours are made up during another month. The resident **must**, however, be in compliance with the full number of hours at the annual review period, as reported on the Status Notice.

1. **Service Status Notice**: If the Service Status on the Status Notice for any household member is “Community Service Required,” and more than 24 hours is owed you must meet with your RSA.

2. **Performance of Community Service**: Residents may perform Community Service either at a facility located within a NYCHA development or a non-NYCHA facility. There are a wide range of providers that residents may choose from who offer many different types of Community Service eligible activities. A resident may, but does not have to, perform all Community Service activities with one provider. The resident may perform a variety of Community Service or Economic Self-Sufficiency activities.

| NOTICE | NYCHA does not endorse any particular organization or assume any liability in connection with a resident's Community Service. Each resident is solely responsible for seeking an appropriate organization to fulfill this federal law requirement. |

Residents must provide verification of the services performed by submitting the *Community Service Performance Verification* form (Either short form or long form) to their development office by the time they submit their Annual Review documents. The long form (available from a RSA or from NYCHA website) must be filled out by the group or organization where the service was performed. The short form will be provided at NYCHA-sponsored events for which community service credit is available. Once the form is completed, residents should keep a copy and return the original to the development management office.

Definitions of Community Service and Economic Self-Sufficiency and examples of qualifying activities are:

**Community Service** is defined by the law as: the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community Service is not employment and may not include political activities.
Residents may volunteer to perform Community Service with NYCHA or any federal, state or municipal agency, or for any community or faith-based organization. Residents can visit their Property Management Office or access volunteer opportunities through the following:

- NYC Service – Located on the internet at [www.nycservice.org](http://www.nycservice.org)
- By calling 3-1-1 the NYC Citizen Service Center
- The Volunteer Match database, located on the internet at [www.volunteermatch.org](http://www.volunteermatch.org)

Residents can also perform service for groups not listed above. If there is any question about whether the service can be credited as Community Service it is advised that residents ask their Property Management Office.

Assessment of Site-Based Waiting List
Development Demographic Changes

In accordance with 24 CFR §903.7(b)(2)(v)(A) and HUD Notice PIH 2000-43 (HA), the NYCHA provides the following assessment of racial, ethnic or disability related resident compositions for each PHA site that will operate under a site-based waiting list.

1. Stanton Street (NY005013590)

Stanton Street is a 13-unit public housing development located at 189-191 Stanton Street, in lower Manhattan. The development is designed to serve a special needs population involving persons with acute immunological disorders of a degenerative nature or other disabilities or medical conditions requiring a high level of physical and supportive service accommodations, including homeless persons. The first priority for these apartments is given to applicant referrals from designated public and private social service agencies for Stanton Street who are homeless. The second priority is given to NYCHA residents who were originally referred by designated public and private social service agencies for Stanton Street.

Based on the data available on January 1, 2016, Stanton Street housed 13 households having the following racial/ethnic characteristics:

2. Prospect Plaza Redevelopment Project

On May 3, 2011, HUD granted conditional approval of the Prospect Plaza HOPE VI Revitalization Plan Amendment. Two of the Prospect Plaza sites will be redeveloped as phased mixed-finance, mixed income projects including 80 public housing units and approximately 178 low-income rental units affordable to households making up to 60% AMI.

On June 26, 2014, NYCHA conveyed via a 99-year ground lease, the leasehold interest in the land located at 1765 Prospect Place, Brooklyn, aka Block 1458, Lot 52, in a mixed finance transaction known as Prospect Plaza Phase I (the “Phase I Site”). This Phase will consist of the new construction of two buildings containing 111 affordable units comprised of 38 public housing units, 72 non-public housing units and one (1) superintendent unit. 110 of the residential units are eligible to receive low-income housing tax credits ("LIHTCs"). On December 22, 2014, NYCHA conveyed via a 99-year ground lease, the leasehold interest in the land located at 1750/1760 Prospect Place and 1776/1786 Prospect Place, Brooklyn, aka Block 1463, Lots 16 and 41, in a mixed finance transaction known as Prospect Plaza Phase II (the “Phase II Site”). This phase will consist of the new construction of two buildings containing 149 affordable units comprised of 42 public housing units, 106 non-public housing units and one (1) superintendent unit. 148 of the residential units are eligible to receive LIHTCs. Former Prospect Plaza residents will have priority for the 80 public housing units included in Phases I and II.
Preference for the lease up of the public housing units will be given to relocated Prospect Plaza public housing residents in good standing who wish to return to the redeveloped community. Public housing units not rented to former Prospect Plaza residents will be offered to eligible households on a site-based waiting list in two income tiers: 1) 50% for public housing residents earning between 20%-40% AMI and 2) 50% for public housing residents earning between 40%-60% AMI. To tenant the proposed public housing units, the Authority will create a site-based waiting list.

3. **PSS Grandparent Family Apartments (NY005005600)**

NYCHA worked with two (2) not-for-profit organizations, Presbyterian Senior Services (“PSS”) and the West Side Federation for Senior and Supportive Housing, Inc. (“WSFSSH”), to construct a 50 unit development that combines housing and services for elderly public housing residents, who are responsible for raising minor-aged children, to whom they are related. NYCHA leased excess vacant land at 951 Prospect Avenue in the Morrisania neighborhood of the Bronx to PSS/WSFSSH Housing Company, L.P. under a 99-year ground lease for a nominal fee of one-dollar per year. Title to the land and improvements will revert back to NYCHA upon expiration of ground lease.

The six story building contains 50 units, plus a unit reserved for a superintendent. On site supportive services include: respite care, summer camp, tutoring, computer lab and instruction, case management, classes on parenting and stress reduction. A full-time social worker provides: individual counseling, assistance with entitlements and referral services. A part-time youth coordinator works with the children.

Each of the 50 units will receive public housing operating subsidy from NYCHA for at least 40 years. WSFSSH manages the building and PSS is responsible for providing the supportive services. The units are occupied by elderly persons, related by blood or marriage to minor-aged children, where a legally sanctioned custody relationship exists and no natural parents are present. The selection criteria and order of priority is described below:

- Families who are public housing tenants residing in the Bronx;
- Applicants on NYCHA’s public housing waiting list who designate the Bronx as their first borough of choice;
- Families who are public housing tenants who do not reside in the Bronx
- Other residents of the City of New York.

Based on data available on March 1, 2015, PSS/WSFSSH housed 47 households having the following racial/ethnic characteristics:

<table>

<th>Black</th>
<th>Hispanic</th>
<th>Other</th>

<tr>
<td>0</td>
<td>25</td>

4. **Frederick E. Samuel Housing Development I, II, III (NY005013170)**

Subject to HUD and any required governmental approvals, as of January 1, 2016, the Frederick E. Samuel Housing Development, which consists of 73 public housing residential units in 7 buildings located in Manhattan, will no longer be included in NYCHA’s Multifamily Homeownership Program (“MHOP”) and will NOT be converted to cooperative ownership to residents pursuant to the former Section 5(h) of the United States Housing Act of 1937 as amended (“Section 5(h)”). This development will be operated as conventional federal public housing and applicants for this development will be selected from the public housing waiting list.

5. **Randolph Houses Rehabilitation**

Randolph Houses consists of 36 tenement buildings on the north and south sides of West 114th Street between Seventh and Eighth Avenues in Harlem. The buildings were all constructed in the late 1890’s and are Old Law tenements and are undergoing substantial rehabilitation. When complete, there will be 316 units; the original 22 individual tenements on the south side will be grouped into four large buildings and contain 168 affordable units including 147 apartments for public housing residents. The 14 tenements on the north side into two large buildings and contain 152 affordable units for households earning up to 60% AMI.

The public housing units will first be offered to residents currently living on the north side of Randolph Houses and former residents who were moved to other NYCHA developments. As vacancies arise in the public housing units vacancies will be filled from applicants on a site-based waiting list.

Based on the data available on January 1, 2016, Randolph Houses housed 87 households having the following racial/ethnic characteristics:

6. **La Preciosa - (1070 Washington Avenue)**

The 49-unit building contains 21 public housing units and 28 units for households earning up to 60% AMI, located in Morrisania, Bronx. Ten of the non-public housing units are studio apartments to be set aside for veterans and persons in need of housing with supportive services. NYCHA will create a site-based waiting list for the public housing units.

Component 10 (B) Voluntary Conversion Initial Assessments

a. Component 10(B) Voluntary Conversion Initial Assessments

b. How many of the PHA’s developments are subject to the Required Initial Assessments? 165

c. How many of the PHA’s developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? 44

d. How many assessments were conducted for the PHA’s covered developments? An initial assessment was conducted which reviewed the implications for converting each of the Authority’s 121 general occupancy developments to tenant-based assistance. Each development was individually considered during the review process.

Comments from the Resident Advisory Board (RAB) Members

- **Comment: Leverage Philanthropic Funding** – NYCHA should launch an endowment and annual giving campaign targeting philanthropists, Wall Street 1%ers, corporations, actors, athletes, performing artists, etc. NYCHA should also add a tab to the agency’s web site directing donors to the endowment/trust fund and provide a space to list contributors to the fund.

**NYCHA’s Response:** The Fund for Public Housing (“The Fund”), Inc., an independent non-profit organization, was incorporated in August, 2015. The creation of The Fund is a direct strategy articulated in NextGeneration NYCHA. The mission of The Fund is to enable the innovation necessary to develop cleaner, safer and more connected New York City communities; this includes raising funds from a diverse set of investors.

The Fund for Public Housing will have its own website from which donations may be made, and will also host an annual fundraising event. NYCHA’s website can advertise a link to the Fund’s website. Whether or not people can donate directly from NYCHA’s website is a question to be determined by the Conflict of Interest Board and has not yet been resolved.

- **Comment: Resident Empowerment** - When is NYCHA going to implement the Section 3 regulations at 24 CFR 963.1 pertaining to Resident Owned Businesses (ROB)? It is not just a REES program.

**NYCHA’s Response:** NYCHA has created an online registry for Section 3 businesses, of which ROB’s are a subset, to register with NYCHA. This registry is being integrated with NYCHA’s i-Supplier vendor registry in order to track activity with these vendors. There are a few for-profit ROBs that have received NYCHA contracts directly and some that have officially registered as a Section 3 Business Concern. The goal is to grow the capacity of these and other ROBs through services provided by the Resident Empowerment and Economic Sustainability (REES) Zone partners so they can increase their capacity. Increased capacity will enable them to better contract with NYCHA and other recipients of HUD funds, under the Section 3 regulations, and to also better compete in the general marketplace for work.

- **Comment: Pathway to Trade Jobs** – When is the new PLA going to be written? As per 24 CFR 135, unions must comply. Federal law supersedes local, county and state laws. As of this comment period, NYCHA is not Section 3 compliant under these regulations.
NYCHA’s Response: On January 1, 2015, NYCHA entered into a Project Labor Agreement (“PLA”) with the Building and Construction Trades Council (“BCTC”) covering certain NYCHA rehabilitation and renovation work at NYCHA buildings. Under the PLA, NYCHA contractors and their subcontractors must hire craft employees for PLA covered work through the job referral systems and hiring halls established in the local unions’ collective bargaining agreements.

The contractors and subcontractors subject to the PLA must also comply with all of their Section 3 requirements on HUD-funded construction projects. Section 3, among other things, requires that, “to the greatest extent feasible,” 30 percent of the aggregate number of contractors’ and subcontractors’ new hires on construction projects generated through HUD financial assistance are to be Section 3 residents.

- **Comment: Strategic Partnerships** - REES Zone Partner Networks – How many jobs, but more importantly, how many Section 3 ROBs under 24 CFR 963.1, for-profit businesses, does NYCHA sponsor?

NYCHA’s Response: REES Zone Partner networks are service provider networks that are not exclusive to employment services. Zone Partner networks are comprised of workforce, financial literacy, business development, adult education and training services. Through these networks, close to 500 residents have been connected to business development services since 2013, when services were initiated.

NYCHA provides support services to ROBs to help them develop and extend their businesses, but does not “sponsor” them. From January 2015 through December 2015, REES and its partners, including Jobs-Plus sites, connected 2,651 residents to jobs.

- **Comment: Connecting to Services** – As of February 2015, REES served only 1,115 out of 401,635 and Section 8 209,539 residents. Why are the numbers so low? How does NYCHA Communications Department and Resident Engagement provide information to its residents?

NYCHA’s Response: REES uses a variety of methods to inform residents about upcoming opportunities included but not limited to:

- NYCHA Social Media including the agency’s website, Facebook, Twitter, Instagram (via NYCHA’s Department of Communications)
- Flyers in NYCHA’s residential buildings and community centers
- Event tabling at Family Days
- Bi-weekly e-newsletter which goes out to 35,000+ subscribers
- NYCHA Journal
- REES’s microsite, www.OpportunityNYCHA.org, which is updated regularly with new events and has been frequented by 93,126 unique users from January 2015 to December 2015.
- Communications with NYCHA front line staff including colleagues in Resident Engagement and Property Management

- **Comment:** There are only 119 resident class/training enrollments and an additional 896 residents. Why so low? What are the outcomes for permanent jobs and for-profit Section 3 businesses?

**NYCHA’s Response:** The goal of resident business development services at NYCHA is to connect resident business owners to providers that can assist them with increasing their capacity to compete in the general marketplace. In line with this goal, the outcomes are the number of individuals completing trainings, accessing professional services, accessing capital and securing space.

From January through December 2015, 1,680 residents were referred to REES partners through the REES Referral System (services included referrals for vocational training, adult education, financial counseling, SNAP access, workforce development, and business planning) through REES Zone partners. There were also 287 graduates in the NYCHA Resident Training Academy (NRTA) between January and December 2015. REES’s Family Self Sufficiency (FSS) program is also currently open to all Section 8 voucher holders and had 467 participants as of December 2015. From January 2015 through December 2015, REES and its partners, including Jobs-Plus, connected 2,651 residents to jobs.

- **Comment:** Adult Education and Training Highlights – Please provide outcomes. Are they still working? How many Section 3 ROBs, for profit, were developed from this training? Please list them. Can we do this??

**NYCHA’s Response:** As of December 2015, there are approximately 168 resident business owners achieving varied outcomes. All 168 completed an education program; 80 accessed professional services and received access to startup capital grants; and 62 obtained space (virtual and/or physical). These numbers are not mutually exclusive.

A list of Section 3 business concerns can be found on the main NYCHA site. (http://opportunitynycha.org/business-development/section-3-business-concern/search-section-3-business-concern/) NYCHA does not have permission to make public the list of resident business owners that have gone through REES services and partner programming but several have been featured in the NYCHA journal, in NYCHA’s Facebook and Twitter Feeds, in Crain’s, on WPIX 11 and in other media outlets throughout the course of the year.
Comment: How much TPA funds were spent on residents over the past five years for Section 3 training?

NYCHA's Response: Since January 2010, NYCHA has funded 81 Section 3 workshops at an overall expense of $401,582.

Comment: When is NYCHA going issue a Section 3 Plan or Policy, which will address 24 CFR 135 and 963.1 (Resident Owned Businesses)?

NYCHA's Response: During 2015, HUD proposed revisions to the Section 3 regulations. NYCHA will update its Section 3 standard procedures once HUD has issued final regulations.

Comment: In order for NYCHA to be transparent, it must address the core beneficiary concern of transparency and real-time monitoring/reporting. The “after the fact” compliance monitoring process does not work and has proven to cost opportunities for residents and contractors because of the 180-day compliant restriction. When is NYCHA going to release an RFP for a real-time, web-based, public monitoring system for Section 3? NYCHA should provide the date when the RFP will be released. This was voted on by the CCOP/RAB at the September 2015 meeting.

NYCHA’s Response: Oversight of Section 3 compliance has transitioned to NYCHA’s Procurement Department. NYCHA will assess what IT enhancements, if any, may be needed for Section 3 compliance monitoring purposes.

Comment: What date has been scheduled for the promised Section 3 training/follow up meeting for management, city officials and residents, Motivation, Inc. and/or any other expert as promised on March 19, 2015 in the CCOP/RAB meeting?

NYCHA’s Response: NYCHA has confirmed participation from HUD’s Office of Fair Housing for Section 3 training in March 2016. Resident Associations will receive invitations for this training directly from NYCHA.

Comment: Would NYCHA commit to sponsoring ten Section 3 ROBs (under 24 CFR 963.1) to make “shovel ready” to address the 15% of businesses requirements? If not, why not?

NYCHA’s Response: NYCHA will take this recommendation into consideration. To clarify, the Section 3 contracting targets set forth by HUD are 3% to 10% based on the service or commodity. You can find specific information regarding Section 3 guidelines on HUD’s website here: http://www.hud.gov/offices/fheo/section3/Section3.pdf

Comment: Would NYCHA support to change the Section 3 Priority Rankings to the following? The realignment for the rankings is to address the needs and the conditions of all Americans.
That is, we owe a debt to our military people before all others. In order to strengthen our weakest and neediest citizens, we must create real opportunities in targeting work-capable people.

- Priority 1 – Disabled Veterans [full protection provided by ADA laws]
- Priority 2 – All other veterans
- Priority 3 – Homeless persons
- Priority 4 – Persons delinquent on child support payments through any state/court order
- Priority 5 – Persons residing in government assisted affordable housing [including all housing tax credits, FHA insured, Section 8 [all 13 programs including Project Based Section 8, transitional and SRO/halfway housing]]
- Priority 6 – Military family members [active, retired or honorably discharged with documentation] meeting total income requirements at 80% of area medium income or less
- Priority 7 – Youth Build
- Priority 8 – All other low-income persons in the community were the project or funding is being expended

NYCHA’s Response: Thank you for this recommendation. NYCHA will take it under advisement. NYCHA will update its Section 3 standard procedures and priority rankings once HUD has issued the final regulations.

- Comment: Partner with Franchises - Would NYCHA consider partnering with franchises [i.e., Starbucks, McDonald’s, Popeye’s, etc.] in those proposed RAD developments, to create training facilities for the respective companies listed? This would create jobs, stability and more revenue for the developments.

NYCHA’s Response: NYCHA will consider this recommendation. Currently, NYCHA’s Resident Training Academy (NRTA) provides employment-focused training and job placement assistance to NYCHA residents in construction and janitorial fields. Public housing residents are recruited through multiple outreach channels and complete an initial pre-screen with REES staff. Program referrals are based on testing, pre-screening, interest, and other eligibility requirements and qualifications. From January 2015 through December 2015, there were 287 graduates in the NRTA program. Since launching the program in August 2010, 1,304 NYCHA residents have completed training with a 79% placement rate.

Interested residents can learn more about the NRTA online here: http://opportunitynycha.org/workforcedevelopment/nycha-resident-training-academy/.

- Comment: Family Self-Sufficiency (FSS) Program – Would NYCHA please include single Section 8 households?
NYCHA’s Response: The FSS program is open to all Section 8 households including single-person households.

- **Comment: Violence Against Women Act (VAWA)** – How many transfers or times are victims allowed to return to its respective unit after h/she reunites with the abuser? Would you provide a copy of NYCHA’s Plan on VAWA with regard to the return policy?

  NYCHA’s Response: Given the sensitive nature of this topic, NYCHA cannot provide specific numbers about these cases. These circumstances surrounding these situations are extremely challenging for victims and each instance is highly case-specific.

- **Comment: Resident Advisory Board (RAB)** – The CCOP/RAB met for a year and not one item was submitted to NYCHA for the FY 2016 Annual Plan.

  NYCHA’s Response: NYCHA held nine meetings with the RAB between January and September 2015. Following each of these meetings, NYCHA staff reviewed meeting transcripts and summarized the questions and comments discussed at these meetings. These comments and questions were reviewed by the appropriate NYCHA departments and responses are provided in the 2016 Annual Plan, available here: [http://www1.nyc.gov/assets/nycha/downloads/pdf/FY16-Revised-Final-Annual-Plan-12-30-15.pdf](http://www1.nyc.gov/assets/nycha/downloads/pdf/FY16-Revised-Final-Annual-Plan-12-30-15.pdf) (pages 174 to 205).

- **Comment: Resident Advisory Board (RAB)/Citywide Council of Presidents (CCOP)** – The CCOP/RAB should be disbanded and reformed through an election by residents. The election process should be administered by a third-party because the CCOP/RAB fails to improve the quality of life, resident satisfaction and participate in self-help initiatives to enable residents to create a positive living environment. NYCHA’s CCOP/RAB is the only RAB of a public housing agency that is a Standing Committee [only] without voting rights. How are the RAB Delegates and Alternates selected? What is the criterion used to make this determination?

  NYCHA’s Response: Section 511 of the United States Housing Act and the regulations in 24 CFR part 903 require PHAs to appoint one or more Resident Advisory Board(s) (RAB) as part of the PHA Plan process. If a jurisdiction-wide resident council exists and complies with tenant participation regulations at 24 CFR Part 964, the federal regulations require the PHA to appoint the jurisdiction-wide resident council or its representatives as the RAB. The role of the RAB is to assist and make recommendations regarding the development of the PHA plan, and any significant amendment or modification to the PHA plan.

  NYCHA’s Citywide Council of Presidents (CCOP) is comprised of 9 duly-elected resident association presidents of various NYCHA developments who have been elected by the resident
association presidents in their district to be their president. The CCOP is recognized by
NYCHA as the jurisdiction-wide resident council. NYCHA’s RAB is comprised of the 9 CCOP
members plus the members of the executive boards of each of the nine District Councils of
Presidents, who are also duly-elected resident association presidents. The RAB also includes
representatives appointed by NYCHA from NYCHA’s Section 8 program.

- **Comment:** There are 70 Resident Advisory Board Members 68 are public housing residents
and two are Section 8 [one is a Delegate and the other an Alternate]. There are 209,539 Section
8 residents. As per HUD rules that there should be one-third Section 8 representation.

**NYCHA’s Response:** HUD rules do not require one-third Section 8 representation. The HUD
regulation at 24 C.F.R. § 903.13 requires “reasonable representation” of Section 8 participants
where, as at NYCHA, the PHA has a tenant-based assistance program of significant size.
NYCHA will work on increasing the Section 8 representation on the RAB in 2016.

- **Comment:** Small Public Housing Developments – These small developments should have
representation on the RAB. Oft times their needs and/or concerns are ignored.

**NYCHA’s Response:** There are currently several members on the RAB that are from small
NYCHA developments (less than 500 units).

- **Comment:** All resident association elections should be governed by a third-party.

**NYCHA’s Response:** Resident association elections are currently monitored by NYCHA staff
in the Community Programs and Development Department.

- **Comment:** Would NYCHA provide a copy, of both versions of CCOP By-Laws of the CCOP?

**NYCHA’s Response:** Please submit a FOIL request to receive copies of the CCOP By-Laws
and the CCOP Meeting Transcripts. The directions for submitting a FOIL request are available

- **Comment:** Description of Election process for Residents on the PHA Board – Would you
provide a copy of the written process? As of this comment period, it’s arbitrary.

**NYCHA’s Response:** NYCHA’s resident Board members are not elected. As per N.Y. Public
Housing Law § 402(3), the City’s Mayor appoints all seven Board members, including the three
resident Board members.

- **Comment:** How is NYCHA going to address the Inspector General’s recommendation that
HUD establish policies to reduce over-income households in public housing?
NYCHA’s Response: HUD is considering changes to current regulations. NYCHA is awaiting further HUD guidance on the subject regarding over-income families.

- **Comment:** What is NYCHA’s enforcement policy to evict those households who are over-income but refuse to pay rent?

NYCHA’s Response: Any residents who fail to pay rent are subject to tenancy actions and termination.

- **Comment: RAD** - How would the 963 and 964 regulations be implemented under the Section 8 programs after lease expiration and/or default in the RAD conversion at Ocean Bay Bayside? It is recommended that residents are educated, provided technical assistance and a strong MOU to protect their rights, as need dictates at the respective developments. A non-profit (501c3) resident association in good standing should have first refusal.

NYCHA’s Response: Residents of Ocean Bay Apartments (Bayside) will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding. The owner must provide $25 per occupied unit annually for resident participation, of which at least $15 per occupied unit shall be provided to a legitimate tenant organization at the covered property. These funds must be used for resident education, organizing around tenancy issues and training activities. The tenant rights for residents in RAD developments can be found in Amendment to the Annual PHA Plan for FY 2015, which is available here: [http://www1.nyc.gov/assets/nycha/downloads/pdf/final-rad-amendment-20151028.pdf](http://www1.nyc.gov/assets/nycha/downloads/pdf/final-rad-amendment-20151028.pdf).

- **Comment: RAD and Capital Funds** – How does the conversion to RAD at Ocean Bay Bayside impact the Capital Funds?

NYCHA’s Response: Ocean Bay (Bayside) has 1,395 apartments in 24 buildings that are over 50 years old. NYCHA’s Capital Fund will be reduced by the allocation for this development which is $2,394,936. The RAD program will help address significant capital needs which are estimated to be $174 million over the next 20 years. To review this information, please visit [http://www1.nyc.gov/assets/nycha/downloads/pdf/final-rad-amendment-20151028.pdf](http://www1.nyc.gov/assets/nycha/downloads/pdf/final-rad-amendment-20151028.pdf).

- **Comment: RAD** – NYCHA should communicate better to its residents about why RAD is needed in NYC. For example, HUD has insufficient funding for public housing and cannot meet the capital repair and replacement needs of public housing. The current rules, regulations prohibit NYCHA from accessing the same resources as other affordable housing properties. The residents must be advised that these conversions have not been approved; process should be
explained in “simple” terms. NYCHA should spell out, communicate better, in simple terms, the benefits of RAD: [a] properties are placed on a more stable Section 8 funding platform, [b] NYCHA and owners can more easily borrow money and perform rehab work, [c] living conditions therefore are improved, [d] residents can receive a tenant-based voucher and move after one year in PBV and 2 years in PBRA. There must be a committee including public and section 8 residents. We must establish solid leadership and be part of NYCHA’s sustainability discussion and demand a place at the decision-making table.

NYCHA’s Response: In 2013, NYCHA started the process of meeting with residents and community members to discuss ways the Authority could renovate, repair, and improve the quality of life at Ocean Bay (Bayside) through the RAD program. NYCHA applied for RAD and due to extraordinarily high demand in the program, NYCHA’s application to HUD was waitlisted during Round 1 of RAD applications in 2014. NYCHA was officially accepted by HUD to participate in RAD at Ocean Bay (Bayside) in March 2015.

Since the approval, NYCHA has continued to engage residents and key stakeholders. Since May 2015, NYCHA has held 12 meetings with residents at Ocean Bay on the general RAD program and specific topics (vouchers, jobs, etc.) that might be of concern to residents. NYCHA plans to continue this engagement with a transparent process as it moves forward with the implementation of RAD. More information about RAD is available on NYCHA’s website here: http://www1.nyc.gov/site/nycha/about/nycha-rad.page

- Comment: RAD – Would NYCHA create a MOU for RAD properties to include the following resident rights that were discussed with former HUD Secretary Donovan during a public housing focus group? Residents must be part of the decision-making process.

NYCHA’s Response: NYCHA will continue to convene resident meetings and sessions to address questions and share information about the RAD conversion process. Please see NYCHA’s response to the previous comment. The most recent newsletter is available for review here: http://www1.nyc.gov/assets/nycha/downloads/pdf/2015-12/nycha-newsletter-dec-en.pdf.

- Comment: Residents must be advised of justification of proposed adverse action.

- NYCHA’s Response: RAD conversion is not an “adverse action” as defined in HUD Regulation 24 CFR 966.4(e)(8)(i). Residents at Ocean Bay (Bayside) will have Section 8 leases instead of public housing leases after conversion.
• **Comment:** There should be a third-party to conduct a timely hearing.

• **NYCHA’s Response:** *Grievance and termination provisions under RAD must be consistent with rights afforded by Section 6 of the U.S. Housing Act of 1937. Residents will continue to have hearing and grievance rights after transition under RAD. NYCHA is in the process of outlining hearing and grievance procedures in line with current policies and will update residents on the progress.*

• **Comment:** Resident should have the right to examine records, accusations, documents or regulations related to proposed action. There must be a guarantee of representation by another person. Residents must be able to challenge or ask questions of all witnesses and/or have representatives provide statements on behalf of the resident. All actions, proposed and/or decided must be in writing.

• **Comment:** Unresolved disputes – 24 CFR 964.150

• **NYCHA’s Response:** *This particular regulation is titled “Funding Tenant Participation”. This is not related to grievance proceedings or lease determinations under the RAD program.*

• **Comment:** Grievance process – 24 CFR 982.555 – The grievance process should follow the recommendations stated above.

• **Comment:** Units in the RAD conversion must receive $25 per occupied unit/apartment with $15 for the tenant organization and $10 for NYCHA administrative costs.

least $15 per occupied unit shall be provided to a legitimate tenant organization at the covered property. These funds must be used for resident education, organizing around tenancy issues and training activities”. (emphasis added)

- **Comment:** Technical assistance understanding allowable vs. unallowable uses

- **NYCHA’s Response:** These funds must be used for resident education, organizing around tenancy issues and training activities.

- **Comment:** Honor resident budget for TP funds – 24 CFR 964.150.

- **NYCHA’s Response:** As stated on page 110 of PIH-2012-32 (HA), REV-2, Rental Assistance Demonstration – Final Implementation, Revision 2 (available here: http://portal.hud.gov/hudportal/documents/huddoc?id=PIHNotice_2012-32_062015.pdf): Project Owners must provide $25 per occupied unit annually for resident participation, of which at least $15 per occupied unit shall be provided to the legitimate resident organization at the covered property. These funds must be used for resident education, organizing around tenancy issues, and training activities.

- **Comment:** Self-sufficient home ownership to include single people; not just families.

- **NYCHA’s Response:** The RAD program at Ocean Bay (Bayside) does not include a homeownership component.

- **Comment:** RAD - Is NYCHA going to comply with 24 CFR 963.1 Section 3 ROBs at Ocean Bay? Is NYCHA going to sponsor 15% for profit businesses under this regulation at Ocean Bay? If not, why not?

- **NYCHA’s Response:** NYCHA will operate in accordance with the Section 3 regulations at 24 CFR 135. A Resident Owned Business (ROB) is one form of a Section 3 business concern. NYCHA provides support services to ROBs to help them develop and extend their businesses, but does not “sponsor” them. NYCHA will take the 15% for profit business recommendation for Ocean Bay under advisement. The regulations at 24 CFR 963.1 provide the definition of a Section 3 business.

As per this regulation a Section 3 business concern is defined as:

(1) That is 51 percent or more owned by section 3 residents; or
(2) Whose permanent, full-time employees include persons, at least 30 percent of whom are currently section 3 residents, or within three years of the date of first employment with the business concern were section 3 residents; or

(3) That provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of ‘‘section 3 business concern.’’

- **Comment: RAD** - What happens to Ocean Bay after the tax credits expire and/or default? Could the RAD conversion be given to a qualified 501(c)3 Resident Association? Would NYCHA change the lease term to “perpetuity” instead of 20/30 years?

**NYCHA’s Response:** HAP contracts are typically set for a term of 15 or 20 years and will be administered by NYCHA’s Leased Housing Department. Under RAD, HUD requires the developer to renew the contract for an additional 15 or 20 years once it expires. The RAD statute requires both the Housing Authority to offer and the developer to accept every HAP renewal to ensure the property remains affordable housing.

- **Comment: RAD** - Would the resident be provided with moving expenses to move out and return to the residence after rehab?

**NYCHA’s Response:** NYCHA is developing an RFP for the Ocean Bay (Bayside) development to be converted into a RAD property, which will request that developers do tenant-in-place rehabilitation so that residents do not have to move out during the renovations. If plumbing work or other extensive work is required where residents need to be moved, residents will be informed well in advance, and any move will be temporary. NYCHA is going to work closely with the residents of this community once it determines exactly what the rehabilitation will be. If a tenant is relocated temporarily during construction it will be at the cost of the developer not the tenant.

- **Comment: RAD** - Would the resident receive a “HCVP?”

**NYCHA’s Response:** Yes, the resident can receive a tenant based voucher one year after the conversion if a tenant based voucher is available.

- **Comment: RAD** - Public Housing Family Self Sufficiency (PHFSS) - Is the waiver going to be standard in all future RAD conversions? If not, why not?
NYCHA’s Response: NYCHA does not have a PH-FSS program at this time. Ocean Bay (Bayside) residents will be able to enter NYCHA’s Housing Choice Voucher (HCV) FSS program after conversion.

At this time, NYCHA has only received approval from HUD to convert Ocean Bay (Bayside) to a RAD conversion. NYCHA has no other applications into HUD for RAD conversions at another development.

- **Comment: RAD** - Define “legitimate” resident organizations under 24 CFR 245 versus resident councils under 24 CFR 964.

NYCHA’s Response: The regulations at 24 CFR 245 are about tenant participation in HUD’s Multifamily Housing developments. The definition of “Legitimate Tenant Organizations” under this rule is found at 24 CFR 245.110 and is as follows, “A tenant organization is legitimate if it has been established by the tenants of a multifamily housing project covered under §245.10 for the purpose described in §245.100, and meets regularly, operates democratically, is representative of all residents in the development, and is completely independent of owners, management, and their representatives.” More information about this regulation is available online here: https://www.gpo.gov/fdsys/pkg/CFR-2010-title24-vol2/pdf/CFR-2010-title24-vol2-part245.pdf. As of January 1, 2015, NYCHA no longer directly operates developments in HUD’s Multifamily program.

The regulations at 24 CFR 964 are about tenant participation in HUD’s public housing program. The role and requirements of “Resident Council” under this rule is found at 24 CFR 946.100 through 964.150. More information about this regulation is available online here: https://www.gpo.gov/fdsys/pkg/CFR-2011-title24-vol4/pdf/CFR-2011-title24-vol4-part964-subpartB.pdf

- **Comment: RAD** - Would NYCHA include in the Grievance Process [24CFR982.55] a third or independent party for any hearing by NYCHA and/or owner?

NYCHA’s Response: NYCHA will take this recommendation under advisement.

- **Comment: RAD** - What is a “class” grievance [page12 of Executive Summary]?

NYCHA’s Response: There is no reference to class grievances on page 12 of the Executive Summary of the FY2016 Annual Plan.

- **Comment: RAD** - If the owner exercises his/her right for an informal hearing before an eviction, could the tenant have a copy of his/her file and have representation at the hearing?
NYCHA’s Response: A resident may make a request under the state Freedom of Information Law for documents in his/her file. In addition, if NYCHA starts a termination of tenancy proceeding against a resident, the resident has the right to review documents that NYCHA plans to use at the tenancy termination hearing.

- **Comment: RAD** - Define reasonable period of time [30/60/90] under Under-Occupied unit? If tenant has not moved within the specified time, what happens?

NYCHA’s Response: A tenant who is extremely under-occupied, is required to move. When the extremely under-occupied tenant has signed a lease for the new apartment, he/she must move out of the old apartment and into the new apartment as soon as possible. If the tenant holds both apartments for any period of time, he/she is obligated to pay rent for both apartments. If a tenant fails to move within 30 days, staff at the tenant’s development of residence commences a termination of tenancy proceeding.

- **Comment: RAD** - Would the homeless take precedence under 4? Establishment of Waiting List? [24CFR903.7(b)(2)] If not, why not?

NYCHA’s Response: NYCHA will continue to establish its waiting list and assign admission preferences described in its FY 2016 Annual Plan. As indicated in its Annual Plan, applications referred from the Department of Homeless Services (DHS) are among several categories for which a high preference is assigned to the application. Please be aware that due to the limited number of available apartments at NYCHA, the number of referrals NYCHA can accept from DHS is finite.

- **Comment: RAD** - What is the cap [9. Choice-Mobility]? It must be listed in the Section 8 Administrative Plan?

NYCHA’s Response: As stated on page 20 of the Amendment to the Annual PHA Plan for Fiscal Year 2015, “The alternative mobility policy provides that an eligible voucher agency would not be required to provide more than three-quarters of its turnover vouchers in any single year to the residents of covered projects. While a voucher agency is not required to establish a voucher inventory turnover cap, if such a cap is implemented, the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received. In order to adopt this provision, this alternative mobility policy must be included in NYCHA’s administrative plan. NYCHA will add the alternative mobility policy to its Housing Choice Voucher Program Administrative Plan as we finalize the RAD program at Ocean Bay (Bayside).

- **Comment: RAD** - Are SROs included in the RAD program? If so, how many Mod Rehab units does NYCHA have that would fall under RAD?
NYCHA’s Response: NYCHA does not own any SRO buildings or developments.

- **Comment: RAD** - Under Section 18 demolition; or ‘infill’ are these federal lands and deemed public housing property forever? Would Section 18 go away after the RAD conversions?

NYCHA’s Response: NYCHA does not own federal lands. NYCHA owns the land where its properties are located, and a Declaration of Trust is recorded against each development in favor of HUD.

RAD is separate from the Section 18 demolition/disposition process. The Section 18 process does not apply to RAD conversions.

- **Comment: RAD** - Is NYCHA going to submit the Pro Forma and Letter of Interest? If HUD approves these documents within 30 days and NYCHA is advised by the funding/lending agency the loan was not approved due to NYCHA not having a strong financial plan—what happens to the RAD conversions?

NYCHA’s Response: NYCHA will submit the financial pro forma to HUD. HUD will not approve a RAD conversion without solid financial underpinning.

- **Comment: RAD** – What is the contingency plan to keep these apartments occupied or do the residents become homeless?

“Pursuant to the RAD statute, at conversion, current households are not subject to rescreening, income eligibility, or income targeting. Consequently, current households will be grandfathered for conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family.”

- **Comment: Section 8 Program** – Section 8 should become a 501(c) 3. The residents would pay dues of $12 per year. This proposed Section 8 led organization would educate, train, advocate, maintain affordable housing, and protect the rights of tenants in subsidized housing; promote and support permanent affordability local, statewide and nationally.

NYCHA’s Response: Section 8 participants may wish to organize as suggested.
Comment: Section 8 Program – In order to maintain and improve the Section 8 residents housing experience, it is recommended that language and hearing impaired interpreters be provided and that needs would be assessed according to the borough.

NYCHA’s Response: NYCHA’s Language Services Unit (“LSU”) provides interpretative and translation services to NYCHA departments, including the Leased Housing Department, to enable them to communicate effectively with both residents and applicants who have been identified as LEP persons. NYCHA’s Language Assistance Policy takes reasonable steps to ensure that LEP persons, including those who participate in the Section 8 program, have meaningful access to NYCHA programs, services, and activities. NYCHA also arranges for interpreters for the hearing impaired when they are needed.

Comment: Section 8 Program – There are many advertising firms that would partner with NYCHA, pro bono, to offer Public Service Announcements (PSAs) and NYCHA should utilize MNN [public access channel] monthly to share information with Section 8 tenants. The elderly/disabled residents comprise 30% of Section 8 households who are not computer literate and would therefore, seek information via TV or print ads. This medium could be used to attract “quality” landlords as well. Many landlords do not understand Section 8 program and its benefits.

NYCHA’s Response: NYCHA will take this recommendation under advisement. Currently, NYCHA has many resources on its website for both Section 8 applicant and residents. Please see the link here:
https://selfserve.nycha.info/eservice_enu/start.swe?SWECmd=Start&SWEHo=selfserve.nycha.info. Section 8 residents can view and reschedule inspections and complete their annual recertifications online.

NYCHA also has many resources on its website for Section 8 landlords, available here: http://www1.nyc.gov/site/nycha/section-8/owners.page. Section 8 landlords receive many benefits, including Section 8 payments deposited directly into their bank accounts, protection from tenant’s financial hardship, Section 8 inspectors to help maintain units, and access to an online portal where voucher holders can view all available apartment listings online (http://www.gosection8.com/).

Comment: Section 8 Program – NYCHA should provide, in-depth, training [how to pay rent, pay utilities, respect for common area, etc.] for those who are transitioning from homeless to public and project-based housing.

NYCHA’s Response: NYCHA will take this recommendation under advisement. NYCHA is committed to serving all our residents, as such we will continue to partner with key agencies to bring in services to assist residents in strengthening life skills as needed.
• **Comment: Section 8 Program** – Recommend the following priorities:
  Priority 1 – Disabled Veterans [full protection provided by ADA laws]
  Priority 2 – All other veterans
  Priority 3 – Homeless persons
  Priority 4 – Persons delinquent on child support payments through any state/court order

  **NYCHA’s Response:** NYCHA will take this recommendation under advisement. The table below list NYCHA’s established preferences for the Section 8 program with code 1 as the highest ranking and 7 as the lowest ranking.

• **Comment: Section 8 Program – Denial of Assistance** - NYCHA will notify the Applicant, in writing, of the reason for the decision and the information relied upon in reaching the decision.

  **NYCHA’s Response:** NYCHA’s Denial of Assistance policy is described in Section VII of NYCHA’s Housing Choice Voucher Program Administrative Plan.

• **Comment: Section 8 Program – Denial of Assistance** - What are the grounds for denial of assistance?

  **NYCHA’s Response:** As stated on page 12 of NYCHA’s Housing Choice Voucher Administrative Plan, “Pursuant to HUD regulations, NYCHA must deny HCVP assistance to an applicant under any of the following circumstances:

  • The family does not meet program eligibility criteria (e.g. preference category, income eligibility, enhanced voucher conversion residence requirements).
  • Any family member has ever been convicted of manufacturing or producing methamphetamine on the premises of federally-assisted housing.
Any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.
   - Any member of the family fails to sign and submit consent forms for obtaining information in accordance with 24 CFR § 5.
   - No family member can establish either citizenship or eligible immigration status (i.e., at least one member of the family must establish either citizenship or eligible immigration status).

“Other Permissible Grounds for Denial

- NYCHA has previously terminated HCVP assistance for any member of the family.
- Any member of the family on the HCVP application was evicted from federally-assisted housing in the last five years.
- A HUD EIV search for an existing participant indicates that a participant or a member of the participant’s household is receiving a subsidy in another housing program.
- The family or a guest of the family has engaged in or threatened abusive or violent behavior toward NYCHA personnel.
- Any family member owes a debt to NYCHA or another PHA.
- A family member has been evicted from federally assisted housing for drug-related criminal activity. Any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The head of household violates a repayment agreement with NYCHA.”

Comment: Section 8 Program – Denial of Assistance - That the Applicant has thirty (30) days for action taken under HUD non-citizen rule cases, to request in writing an informal review with the NYCHA to review denial.

NYCHA’s Response: As stated on page 11 of NYCHA’s Housing Choice Voucher Program Administrative Plan, “Individuals who NYCHA finds are neither citizens nor eligible immigrants may elect to contest NYCHA’s determination of their status. For citizenship and eligible immigration status eligibility requirements only, the applicant is entitled to an impartial hearing, and not an informal review.” The notice NYCHA sends to those whose applications for Section 8 are denied includes information about how to request review of the determination.

Comment: Section 8 Program – Denial of Assistance - That the Applicant shall have a right at the informal review (see section 6.2) to review h/her file at the review or prior to the review, to present a defense to the adverse information, present evidence or information which might warrant an approval for Section 8 Assistance.

NYCHA’s Response: There is no Section 6.2 in NYCHA’s 2015 Housing Choice Voucher Administration Plan. Section 16 of NYCHA’s Plan describes the informal review and impartial hearing processes on page 34.
• **Comment: Section 8 Program – Denial of Assistance** - 3. That if an Applicant believes the adverse information is incorrect and wishes to pursue modification or correction of the criminal record, etc., s/he can request that the NYCHA keep the Applicant’s application open for 90 days for such purpose.

• **Comment: Section 8 Program – Reasonable Accommodation** - That the Applicant has a right to request that the NYCHA consider a reasonable accommodation in evaluating said Applicant’s eligibility if s/he is disabled or handicapped as defined in 29 U.S.C. § 706(8)(B) or other applicable law.

• **Comment: Section 8 Program – Admission of a Portion of the Family** - NYCHA may, in its discretion, admit only a portion or certain members of the Family to the HCVP, if there is sufficient evidence that the Family member who engaged in the alleged activity will not reside in the Apartment/Unit or if the Head of Household certifies that the Family Member who engaged in the alleged activity will not reside in the Apartment/Unit.

**NYCHA’s Response:** As stated in NYCHA’s Housing Choice Voucher Administrative Plan on page 20, “In deciding whether to deny program admission (or terminate assistance as described below) because of criminal activity by members of the family, NYCHA has discretion to consider all of the circumstances in each case, including the seriousness of the activity, the extent of participation or culpability of individual family members, the length of time since the criminal activity occurred, the family’s more recent history, the family’s record of compliance with program requirements, and the effects that denial of program admission (or termination of assistance) may have on other family members who were not involved in the action or failure to act.”

• **Comment: Section 8 Program – Informal Reviews** – There were several recommendations submitted regarding the informal review process for applicants including the right to an informal review, time to request an informal review, scheduling, applicants rights and due process requirements, informal review decisions, reversal of NYCHA’s determination of ineligibility and confirmation of NYCHA’s determination of ineligibility.
NYCHA’s Response: NYCHA appreciates the recommendations regarding the informal review process for applicants and will take them under advisement. NYCHA complies with HUD Regulation 982.554 regarding informal reviews. The regulation may be found at:

Comment: Section 8 Program – Grievances and Appeals - A Section 8 participant should be entitled to a hearing before a Hearing Officer and/or panel, [panel of three residents and two NYCHA employees] to appeal a proposed termination of their assistance, a determination of their income or rent share, a denial of residual tenancy, a determination of unit size or a denial of a reasonable accommodation request. Hearing requests must be submitted in writing within thirty days of New York City Housing Authority’s decision. The Grievances and Appeals Administrator will schedule a hearing as promptly as possible. Notice of the hearing will be sent at least 14 days in advance to the address provided in the hearing request or, if none is provided, to the last address reported to NYCHA.

NYCHA’s Response: NYCHA’s general procedures for the termination of assistance are described in Section XVI of the Authority’s Housing Choice Voucher Program Administrative Plan. As stated on page 32 of the Administrative Plan, “If NYCHA decides to terminate assistance, NYCHA must give the participant written notice of the intent to terminate, with reasons, and must notify the family of his or her right to an informal conference or an impartial hearing prior to the proposed date of termination in accordance with federal regulations, the Williams consent judgment, and the Section 8 Existing Housing Program – Termination of Subsidy Procedures.”

As further stated on page 34 of the Administrative Plan, “NYCHA will afford an informal conference and an impartial hearing to a participant who may be terminated from the HCVP based on his or her failure or refusal to meet program obligations or requirements, and who makes a timely request for a conference or a hearing. NYCHA will also afford an informal conference and/or an impartial hearing to a participant who makes a timely request to dispute NYCHA’s determination regarding the family’s share of the rent. Refer to 24 CFR § 982.555 for circumstances under which a participant is not entitled to a hearing.

If the participant requests an informal conference in order to resolve a termination or rent grievance issue, a conference will be scheduled. If the participant is not satisfied after the informal conference, NYCHA will schedule an impartial hearing. If the informal conference resolves the issue, NYCHA will not schedule an impartial hearing. NYCHA will send written notice to the participant of the hearing date, along with a copy of the hearing procedures. NYCHA will continue to make housing assistance payments during the pendency of the hearing.
if the participant makes a timely request for a hearing. NYCHA will notify the participant and his/her representative if the NYCHA Board conducts a review. The Board will issue a written statement if its determination is less favorable to the participant than the Hearing Officer’s determination.”

**Comment: Section 8 Program – Payment Standards** - NYCHA will request the HUD field office to approve an exception Payment Standard of up to 120% of the Fair Market Rent (FMR) if the exception is needed as a Reasonable Accommodation so that the HCVP is readily accessible to a Disabled Person in accordance with 24 C.F.R. parts 8 and 982. NYCHA will apply to HUD for higher Payment Standards for neighborhoods when NYCHA determines that exception Payment Standards are necessary to effectively administer its HCVP, and where such exception Payment Standard can assist participants in leasing units outside areas of NYCHA’s low income or minority concentrations [i.e., UES, UWS, Midtown, Murray Hill, etc. Such rents must meet Reasonable Rent standards for comparable units. Any request for a Payment Standard exception over 120% of the HUD FMR must be made to the HUD central office located in Washington D.C..

**NYCHA’s Response:** NYCHA’s current payment standard is within the “basic range” under the regulations. NYCHA will apply to HUD for an exception to the payment standard when necessary as a reasonable accommodation.

**Comment: Section 8 Program – Payment Standards** - The rent in a Rent Stabilized Apartment Building should be no more than the established rents of the other units in said building. For example, if the rent for one-bedroom apartment is $954, the landlord cannot charge the Participant or NYCHA $1,300 for the same unit.

**NYCHA’s Response:** Rents for apartments in rent-stabilized buildings are established by the New York State Division of Housing and Community Renewal (DHCR), not by NYCHA.

**Comment: Section 8 Program – Mistake After Lease is Signed** - If NYCHA or the Participant/Applicant discovers a mistake in the rent calculation after the Lease is effective and a correction will cause the Family an increase in rent, the Leasing Officer will notify the Participant/Family in writing thirty (30) days before making the adjustment. If NYCHA or the Participant/Applicant discovers the mistake after the Lease is effective and the correction reduces the Tenant Share of the Rent, the Leasing Officer will make the necessary correction effective retroactively. The Leasing Officer will notify the Participant/Family and Owner in writing of the error and the correction.

**NYCHA’s Response:** As stated on page 35 in Section XVII of NYCHA’s Housing Choice Voucher Program Administrative Plan, “If an error has been made in determining family income, family share of the rent or family composition, NYCHA will correct the tenant record and notify the family and the owner.”
• Comment: Section 8 Program – Retroactive Only When NYCHA is at Fault - NYCHA will only make a retroactive payment when NYCHA is responsible for making a mistake. NYCHA will not make retroactive payments when the Owner or the Participant/Family is responsible for intentionally or unintentionally withholding information.

NYCHA’s Response: NYCHA reviews all cases individually and reserves the right to make retroactive payments as necessary, depending on the individual circumstances of each instance.

• Comment: Section 8 Program – Change in Income - Some residents work part time during the holiday season and, therefore, any increased income over $200 should be reported at the annual recertification. This would save man-hours in processing the temporary changes.

NYCHA’s Response: NYCHA agrees with the comment above and has already implemented it in the interim recertification policy for the Section 8 program. Please see page 30 of the Housing Choice Voucher Program Administrative Plan.

• Comment: Section 8 Program – Portability - There should be more than one Portability Specialist to assure that the resident understands what is required of NYCHA and the exporting PHA. The process and how long it would take for the paperwork to be processed within allocated transfer period.

NYCHA’s Response: NYCHA has a Portability Unit with many Portability Specialists to assist residents that have requested portability transfers (http://www1.nyc.gov/site/nycha/section-8/portability.page and http://www1.nyc.gov/site/nycha/section-8/moving.page).

• Comment: Section 8 Program – Preventing, Detecting, and Investigating Errors and Program Abuse - NYCHA must (not may) work in conjunction with the New York City Department of Investigation, Office of the Inspector General (OIG) with respect to these matters, or may refer these matters to the OIC for further action.

NYCHA’s Response: NYCHA investigates these cases and works in conjunction with the appropriate office depending on the specific circumstances of each case.
