Executive Summary
NYCHA’s Proposed Amendment to the Annual PHA Plan for FY 2017

Federal law allows a public housing authority to modify or amend its Annual PHA Plan or “Plan.” Significant amendments to the Plan are subject to the same requirements as the original plan.

NYCHA’s Proposed Amendment to the Annual PHA Plan for FY 2017 (the “Proposed Amendment”) is available for public review at NYCHA’s Central Office and at each development’s management office, as well as on NYCHA’s web page (www.nyc.gov/nycha). NYCHA will also provide a copy of the Proposed Amendment to each public housing Resident Association President.

NYCHA will hold a public hearing at the Borough of Manhattan Community College (“BMCC”) in Manhattan on September 6, 2017 and will accept written comments on the Proposed Amendment through September 8, 2017. Please see the Notice on page 2. NYCHA met with the Resident Advisory Board (“RAB”) members for their comments on July 21, 2017 and will meet with them again before the final Amendment is submitted to HUD for approval.

PACT Program for Unfunded Units

On July 13, 2017, NYCHA announced it is expanding the Permanent Affordability Together Commitment (PACT) program to protect the Authority’s unfunded unit portfolio. The unfunded unit portfolio, consisting of the 8 developments known as the LLC II developments, are listed in Attachment B. PACT is a NYCHA program to make major improvements to developments while preserving long-term affordability and maintaining strong resident rights through public-private partnerships.

Previously, NYCHA’s PACT program was synonymous with the federal Rental Assistance Demonstration (RAD). PACT now includes portfolios financed by RAD as well as the unfunded unit portfolio.

Federal disinvestment in public housing has resulted in a severe funding gap and $17 billion in unmet infrastructure needs. To make significant repairs, more effectively manage the unfunded unit portfolio and strategically deploy NYCHA’s limited financial resources, the unfunded unit portfolio will join PACT.

The unfunded unit portfolio currently receives no public housing funding. To finance badly needed repairs at these developments and preserve their affordability, NYCHA is expanding PACT to create a public-private partnership and bring these units into the Authority’s Housing Choice Voucher (Section 8) program. PACT’s key principles, which apply to both the RAD portfolio and the unfunded unit portfolio, include protecting long-term affordability and guaranteeing strong resident rights. This is accomplished by shifting the funding source for apartments to NYCHA’s Section 8 program and creating a public-private partnership with management and development partners to raise funds, complete badly needed repairs, including roof replacements, façade repairs and enhanced security features, and efficiently oversee day-to-day operations. By switching to Section 8, residents will have stable funding and guaranteed rights.

The LLC II developments were originally built and funded by City and State subsidies but never funded directly by HUD. These developments currently “share” in the federal funds provided for NYCHA’s public housing. This costs NYCHA more than $23 million a year. Additionally, the 8 developments require $640 million in capital repairs, but while they remain unfunded, the buildings continue to deteriorate.
Currently, when a resident vacates their apartment, the Authority converts it to Section 8. Through this process, 1,467 units in these developments are already part of Section 8, and through PACT, the remaining 4,207 unfunded units will convert to Section 8.

Like public housing, residents will not pay more than 30 percent of their income towards rent. PACT residents will have rights similar to those enjoyed by residents in traditional public housing. This PACT strategy is an unprecedented financing model to support these apartments, prevent them from falling into complete disrepair and protect their affordability and residents’ rights.

Units in the RAD portfolio are currently funded through federal public housing subsidies, whereas the unfunded units receive no direct public housing funding. The units are not eligible for RAD because they do not receive direct public housing funding – a requirement of the RAD program. As a result, there is a different financing mechanism for this conversion.

Shifting the units to the Section 8 Housing Choice Voucher program will bring new, stable revenue to the developments and allow for substantial improvements to be made to the buildings. Additionally, funding previously diverted to these developments from the rest of NYCHA’s portfolio will now go towards operation and maintenance at NYCHA’s traditional public housing developments.

Long-term affordability is guaranteed through multiple mechanisms. First, the Section 8 contract requires long-term affordability. Additionally, NYCHA intends to enter into a long-term ground lease with private partners who will repair and manage the development. NYCHA will continue owning the land, maintaining a significant stake in the ownership structure and overseeing major decisions.

On July 21, 2017 NYCHA released this Significant Amendment to the Fiscal Year 2017 Annual PHA Plan for public review as part of the conversion process pursuant to 2 CFR Part 200 for the developments. Through this action, all units in the developments will be operated outside of the federal public housing program. Families will be transitioned to Section 8 assistance. Families ineligible for Section 8 assistance will be allowed to remain in place and pay no more than 30% of their income for rent.

Community engagement will begin at Baychester and Murphy Houses this summer and the RFP for Baychester and Murphy will be released in fall 2017, with developer selection planned for winter 2018. The remaining 6 developments will begin community engagement as soon as HUD approvals for conversion are received, which are expected between 2017 and 2019. Completion of the full PACT conversion is expected by 2026. Residents and community partners will be updated as soon as additional information or approvals are available.

PACT PROGRAM FOR UNFUNDED UNITS

On July 13, 2017, NYCHA announced it is expanding the Permanent Affordability Together Commitment (PACT) program to protect the Authority’s unfunded unit portfolio. The unfunded unit portfolio includes 8 developments (LLC II developments) that currently receive no public housing funding. To finance badly needed repairs at these developments and preserve their affordability, NYCHA is expanding PACT to create a public-private partnership and bring these units into the Authority’s Housing Choice Voucher (Section 8) program. This will protect the long-term affordability of these apartments and enable critical repairs, including roof replacements, façade repairs and enhanced security features. This is accomplished by shifting the funding source for apartments to NYCHA’s Section 8 program and creating a public-private partnership with management and development partners to raise funds, complete badly needed repairs and efficiently oversee day-to-day operations. By switching to Section 8, residents will have stable funding and guaranteed rights.

The LLC II developments were originally built and funded by City and State subsidies but never funded directly by HUD. These developments currently “share” in the federal funds provided for NYCHA’s public housing. This costs NYCHA more than $23 million a year. Additionally, the 8 developments require $640 million in capital repairs, but while they remain unfunded, the buildings continue to deteriorate.

On September 11, 2008, HUD approved NYCHA’s plan to transition the unfunded public housing units to Section 8 assistance. Currently, when a resident vacates their apartment, the Authority converts it to Section 8. Through this process, 1,467 units in these developments are already part of Section 8, and through PACT, the remaining 4,207 unfunded units will convert to Section 8.

As per this Amendment to the FY 2017 Annual PHA Plan, NYCHA is pursuing a retention action pursuant to 2 CFR Part 200 for the developments in the LLC II portfolio. Through this action, all units in the developments will be operated outside of the federal public housing program. Families will be transitioned to Section 8 assistance. Families ineligible for Section 8 assistance will be allowed to remain in place and pay no more than 30% of their income for rent.

The conversion will occur in phases, subject to Section 8 voucher funding. NYCHA will engage with residents and other stakeholders throughout the process. Community engagement will begin at Baychester and Murphy Houses this summer and the RFP for Baychester and Murphy will be released in fall 2017 with developer selection planned for winter 2018. The remaining 6 developments will begin community engagement as soon as HUD approvals for conversion are received, which are expected between 2017 and 2019. Completion of the full PACT conversion is expected by 2026. Residents and community partners will be updated as soon as additional information or approvals are available.

ATTACHMENT C

SIGNIFICANT AMENDMENT AND SUBSTANTIAL DEVIATION OR MODIFICATION OF THE AGENCY PLAN

Criteria for Significant Amendment or Modification of the Agency Plan and/or Capital Fund Program Five-Year Action Plan:

NYCHA will amend or modify its agency plan and/or Capital Fund Program Five-Year Action Plan upon the occurrence of any of the following events during the term of an approved plan(s):

1. A change in federal law takes effect and, in the opinion of NYCHA, it creates substantial obligations or administrative burdens beyond the programs then under administration, excluding changes made necessary due to insufficient revenue, funding or appropriations, funding reallocations resulting from modifications made to the annual or five-year capital plan or due to the terms of a judicial decree.

2. Any proposed demolition, disposition, homeownership, Capital Fund financing, development or mixed-finance proposals.

3. Any Capital Fund project not already in the Five-Year Action Plan for an amount greater than $500 million excluding projects arising out of federally declared major disasters.

4. Any other event that the Authority determines to be a significant amendment or modification of an approved annual plan and/or Capital Fund Program Five-Year Action Plan.

5. For purposes of any Rental Assistance Demonstration ("RAD") project, a proposed conversion of public housing units to Project Based Rental Assistance or Project Based Voucher Assistance that has not been included in an Annual Plan shall be considered a substantial deviation.
