

RESIDENT PLANNING FUND

Request for Proposals (RFP)

NYCHA is seeking a partner to manage a new technical assistance program for residents whose developments are being included in the PACT program. The goal of this new program, called the “Resident Planning Fund,” is to ensure residents can meaningfully plan for the future of their communities with the support of independent, third-party professionals.

The Program Administrator will develop and oversee the Resident Planning Fund, work directly with residents to assess needs and priorities, and connect residents with qualified organizations and providers.

Technical support will be tailored to the needs of each community but is expected to include services such as: research and policy analysis; education and outreach; financial and legal consultation; architecture, planning, and urban design; and tenant organizing and advocacy.

PROGRAM ADMIN ROLE:

The Program Administrator will play a critical role in shaping the new Resident Planning Fund and supporting NYCHA residents throughout the PACT planning process.

Program Development

Work with NYCHA to build out and implement the Resident Planning Fund

Recruit & Manage Providers

Oversee the providers who will work directly with residents to deliver requested services

Work with Resident Leadership

Engage with residents to assess their technical assistance needs and priorities

Communications & Outreach

Develop educational materials to support resident engagement efforts and recruit providers
