Tenant Association President:
 

- [Wilfred Thomas](#)

# EAST RIVER HOUSES

Manhattan, NY

Capital Projects Division - Recovery and Resiliency

# Project Scope

## Safety

- Installation new security cameras.
- Door security access systems.
- Replacement of exterior site lighting fixtures and bulbs.

## Development Improvements

- Restoration of 1 playground.
- Resurfacing of sidewalks, pavement and asphalt sitewide that are affected due to construction activities.
- Replacement of underground electrical wiring system.
- Provision of flood barrier system at the building entrances.

## Building Improvements

- Removal of hazardous materials and cleaning of building crawl spaces.
- New MEP annex above the FEMA flood level to house gas service for entire site.
- New electrical equipment on the roof to house CT Cabinets, ATS and distribution panels.
- Roof replacement for buildings 1, 3, 4, 5, 6, 8, 9, 10.
- Replacement and/or repair of doors, door frames, hardware damaged by water.
- Replacement and/or repair of mechanical, electrical and plumbing equipment damaged by water to include: vacuum/condensate pumps and related piping, instantaneous hot water system and related piping, and insulation of piping in crawlspaces.
- Back water valves on sewer/storm plumbing lines.
- Replacement of sump pumps.

## Resiliency

- Manual dry flood proofing of areas below the established FEMA flood level.

## Energy

- Installation of full backup power generators for buildings 1, 3, 4, 5, 6, 8, 9, 10.
- Additional sitewide energy and sustainability measures (awaiting HUD approval).
