NYCHA has collaborated with two not-for-profit organizations, Presbyterian Senior Services (PSS) and West Side Federation for Senior and Supportive Housing, Inc. (WSFSSH) to establish a new building dedicated to elderly caregivers who are raising minor children with absent parents. The building, located at 951 Prospect Avenue in the Morrisania Section of the Bronx, consists of fifty (two and three bedroom) apartments, which will be rented exclusively to households with generation-skipping family compositions. The development will contain 5,760 square feet of space for community and supportive services programs, 6,051 square feet of ancillary retail and office space and a landscaped courtyard. PSS will provide on-site supportive services. WSFSSH will own and manage PSS Grandparent Family Apartments in accordance with a 99-year ground lease with NYCHA.

PSS Grandparent Family Apartments is NYCHA's first Mixed-Finance Development under the Quality Housing and Work Responsibility Act of 1998. NYCHA is not providing any federal funds towards the construction of the development, but will be providing the owner with at least 40 years of public housing operating subsidy. Thus, it is considered a Mixed-Finance/Operating Subsidy Only development. NYCHA is entering into a Mixed-Finance ACC Amendment with HUD in order to provide the development with public housing operating subsidy. NYCHA will be making a permanent loan of \$1,540,114 in non-federal funds to pay off a portion of the construction loan. The total development costs, inclusive of approved change orders, are \$12,020,098. Other funding sources include a tax credit equity investment of \$6,256,773, a Housing Trust Fund loan of \$1,950,000, a Federal Home Loan Bank grant of \$400,000, owner equity investment of \$232,962, and a permanent loan from the Community Preservation Corporation for \$810,090.

Construction completion is anticipated by the end of February, 2005. Residents will be moving in shortly thereafter. NYCHA prepared a site-based waiting list for this development, which gives top priority to existing eligible NYCHA families residing in the Bronx, second priority goes to eligible Non-NYCHA families who have applied for public housing in the Bronx, and third priority goes to existing eligible NYCHA families in the other boroughs. All families must meet public housing eligibility requirements, and have incomes at or below 50% of the area median income. Families must have at least one person age 62+ and have at least one minor-aged relative under age 18 with no natural parents present. The elder caregivers must have guardianship, adoption, or kinship foster care custody of the minor-aged children. The generation skipping requirements are necessary for continued occupancy. Households that no longer qualify must transfer to a conventional NYCHA development.

One unit has been designated for the building superintendent.

Fabria Houses, a 39 unit Project-Based Section 8 development, is comprised of three walk-up buildings at 410 and 426-428 East 11th Street in Manhattan's Lower East Side. The three buildings have been completely vacated and the 39 units have been removed from NYCHA's Housing Assistance Payments (HAP) contract with HUD. As part of the redevelopment of Fabria Houses, two new buildings will be constructed at 212-214 East 7th Street and 617-621 East 9th Street (both New York City-owned vacant lots), which will be acquired by NYCHA.

The redeveloped Fabria Houses will consist of five buildings containing a total of 63 units: 39 Section 8 subsidized units, 3 non-public housing low income units, and 21 market rate units. All units will be integrated among the five buildings. The rental income derived from the market-rate units is crucial and serves as a "subsidy" to the low income units. All five structures will be handicap-accessible. First preference will be given to Fabria residents temporarily relocated by NYCHA to facilitate the rehabilitation. Any remaining Section 8 units will be rented to eligible applicants from NYCHA's Section 8 Waiting List.

The designated developer has raised funds from both private and public sources. NYCHA will not be contributing any financing to the redeveloped Fabria Houses. All five properties will be ground leased to the designated developer for a 99-year term.

The construction phase is estimated to be of 18 months duration and should commence late in 2005.

It was offered for rehab by a Request for Proposal (RFP) in June, 1997, and was subsequently sold to Quincy-Greene Associates L.P. in December 1998. The RFP included five buildings owned by NYCHA plus one building and one vacant lot owned by HPD. Construction began in January 1999 and ended in September 2000. The rehabilitation was accomplished without NYCHA funding. QUINCY-GREENE has 44 units, 19 of which are reserved for NYCHA residents. The balance of the apartments are for non-NYCHA households earning a maximum of 60% of area median income. NYCHA residents who move to QUINCY-GREENE have the option of transferring back to NYCHA Public Housing if they choose to do so.
