Public Hearing Overview

In accordance with Section 5A of the United States Housing Act of 1937, as amended, housing authorities are required to develop, with review and input from residents and the general public, annual plans for the coming year and then gather input on the plans from residents and the general public.

Federal law allows a public housing authority to modify or amend its Annual Plan. Significant amendments to the Plan must also be brought to a public forum to provide residents and the general public the opportunity to comment.
Annual Plan and Significant Amendment

On June 11, 2021, NYCHA released the Draft Fiscal Year 2022 Annual Plan and the Draft Significant Amendment to the Fiscal Year 2021 Annual PHA Plan for public review on NYCHA’s website.

Both of these documents are available online at: on.nyc.gov/nycha-public-hearing
Annual Plan and Significant Amendment

Copies of the Executive Summaries for the Draft Annual Plan and the Draft Significant Amendment are available in English, Spanish, Chinese, and Russian for review online at: on.nyc.gov/nycha-public-hearing

This public hearing is being live-streamed at https://youtu.be/yjbKWOSye10 and will be available to view on NYCHA’s website.
Annual Plan and Significant Amendment

As part of the Annual Plan and Significant Amendment process, NYCHA met with members of the Resident Advisory Board (RAB) and Citywide Council of Presidents (CCOP) at 5 meetings to date:

1. March 25 – Transformation Plan
2. April 8 – Transformation Plan
3. April 29 – Real Estate and Development
4. May 6 – Real Estate and Development
5. May 13 – Capital Projects

Overview of A Blueprint for Change

NYCHA’s challenges

- $40B capital need and limited resources to address it

Initiatives under development

Stabilization Strategy

- Investing in the properties
  - Create a plan for every building
  - Raise capital funds to reinforce operational improvements
  - Address all elements of compliance and basic housing quality standards

Organizational Strategy

- Investing in the organization
  - Focus on compliance
  - Create culture of service
  - Improve service delivery

Jobs & Recovery Strategy

- Investing in residents
  - Expand & deepen economic opportunities
  - Strengthen Section 3 & M/WBE programs
  - Enhance health connections & improve environmental health

Organization poorly suited to operational and capital delivery challenges

Residents face unprecedented health and economic crisis

Overview of A Blueprint for Change
NYCHA Is Transforming

**Background**

- HUD Agreement requires NYCHA to work collaboratively with the Federal Monitor and submit an Organizational Plan to HUD and SDNY for approval.

**What is the Organizational Plan?**

- The Organizational Plan is a new operating model designed to better deliver services to residents and achieve the performance goals of the agreement.

**What is the Process?**

- NYCHA conducted a Planning process to engage residents, employees and other stakeholders in designing the operating model and long-term vision for the Authority.
Where Are We In the Process?

Organizational Plan = Transformation Plan + Implementation Plan

- The Transformation Plan proposes **organizational changes** and **business process strategies** and **culture changes** that are informed by principles that emerged from the 2019 HUD Agreement and numerous engagement sessions throughout 2019 and 2020

- We are now in the Analysis & Implementation phase of work with an Implementation Plan due September 2021

Resident Roundtable

To more formally engage NYCHA residents in the Transformation Plan implementation process, we recruited residents to be in the Resident Roundtable.

Application Closed on May 10

Roundtable Structure

Composition:
32 Residents (One from each Neighborhood, two Section 8 residents) to make recommendations on issues like:
- lease enforcement and compliance
- quality of life and stewardship
- safety and security
- feedback channels and quality assurance

Time commitment:
Beginning June 2021, residents will serve on the roundtable for a 2-year term, with the option to renew.

Governance:
The Resident Roundtable will be principally managed by Resident Engagement, with support and input from S&I and the Office of the Chair.
Stabilization: NYC Public Housing Preservation Trust

The NYC Public Housing Preservation Trust would be a State-created public agency like NYCHA and the MTA.

Why does NYCHA need the Trust?

- The Trust can access additional federal subsidy that NYCHA currently cannot, which can help fill NYCHA’s $40 billion capital need & eliminate constant operating shortfalls

- Even when NYCHA has full funding, the current procurement structure doesn’t deliver satisfactory results, and residents are frustrated with delayed, low-quality repairs

- If NYCHA receives partial or full capital funding from the American Jobs Plan and/or the Green New Deal for Public Housing, NYCHA can use the Trust to more effectively spend this funding and access additional federal subsidy as necessary to fully retrofit every property

Full Portfolio Capital Needs - $40B

- Mold, $15.2B
- All other items (common areas, cladding, grounds, reconfigurations, etc.), $10.9B
- Elevators, $2.5B
- Pests, $0.6B
- Lead Abatement, $1.6B
- Heat, $6.6B
- Other HOS (security, gas risers, etc.), $2.2B
- Pests, $0.6B
**Stabilization: NYC Public Housing Preservation Trust**

The NYC Public Housing Preservation Trust would have a publicly-appointed 9-member board and public employees.

**How would the Trust access more funding?**

- NYCHA remains permanent owner of the land/buildings
- NYCHA would enter into a long-term ground lease with the Trust in order to access Tenant Protection Vouchers (TPVs), a project-based subsidy worth double NYCHA’s current subsidy
- The Trust would oversee comprehensive, deep capital retrofits to buildings
- The Trust then contracts with NYCHA so that NYCHA’s public workforce continues to manage & maintain the properties

**Benefits of the Trust**

- **Properties Remain 100% Public**
  NYCHA owns, controls, and manages the property – no private manager or land/building sales.
- **Residents Keep Public Housing Rights**
  Rents are permanently capped at 30% of income, same succession rights, full 964 rights carried over (including RA and citywide orgs), and more.
- **Faster, Better Quality Renovations**
  Trust can use “best value” to select vendors, not just lowest bid, and better manage renovations regardless of the funding source.

**NOTE:** NYCHA can also use the Trust’s procurement structures to spend any capital funding received from the American Jobs Plan or Green New Deal more quickly and more efficiently.

Additional funding thru the Trust can supplement basic repairs with electrification & decarbonizing investments.
Tenant Protection Vouchers (TPVs) are Valuable

Unit Rents by Type (2019)

Per Unit Per Month

$1,250

$1,900

$650 PUPM

Example:

25,000 TPVs would enable NYCHA to raise $3.4B
# Stabilization: Changes to Trust Legislation

*Since December 2020, NYCHA has held weekly resident townhalls and engaged all Resident Associations across the city, hosting small group resident meetings to gather revisions and input on the draft ideas.*

Continuing Resident Engagement

NYCHA will continue to engage residents and other stakeholders to build on the 25+ revisions made in the last round of feedback.

- Continue to host citywide and development-specific townhalls
- Continue to engage citywide and development-specific resident leadership
- Re-start in-person engagement as pandemic-related restrictions continue to lift
- Work with residents, advocates, elected officials, and other stakeholders to identify areas for further improvement and revision
