

NEW YORK CITY WATER BOARD

PUBLIC NOTICE IS HEREBY GIVEN THAT in accordance with Section 1045-j (3) of the New York Public Authorities Law that, after a public hearing was held on November 15, 2019, the New York City Water Board (the Board) at its meeting held on December 5, 2019, adopted a resolution approving an increase to the charges for water and sewer Service Line Protection Plans to be incorporated into the Board's Water and Wastewater Rate Schedule effective January 6, 2020. The adopted increases to the rates are:

- (1) An increase to \$66.84 for the annual charge for water Service Line Protection Plans, or as prorated from this amount for smaller service periods.
- (2) An increase to \$114.60 for the annual charge for sewer Service Line Protection Plans, or as prorated from this amount for smaller service periods.
