

The following chart has been created in furtherance of the Department’s commitment to report certain information with regard to the deployment of police officers. The information on this chart pertains to the Uniformed Members of the Service assigned to the commands listed as of December 1, 2016. As of October 1, 2016, New York City Administrative Code section 14-160 requires the NYPD to report on its website, on an annual basis, both the total number and the percentage of active duty officers, in each Precinct, Housing Police Service Area, and Transit District, who fall into any of the following categories:

- 1) The officer has had two or more substantiated CCRB cases in the last three calendar years
- 2) The officer has been the subject of an IAB investigation that resulted in a suspension from employment in the last 5 calendar years
- 3) The officer has been found by the Department to have used excessive force, as defined by Administrative Code section 14-158(a), in the last three calendar years
- 4) The officer has been arrested as a result of actions taken while on duty or related to the officer’s job function in the last 10 calendar years, unless such information has been sealed
