SEPTEMBER IS NATIONAL PREPAREDNESS MONTH

Be Informed.

What Can I Do?

**Locations**
Learn the location of the nearest safety shelter and evacuation routes.

**Family Plan**
Develop a family communications plan.

**Supply Kit**
Make an emergency supply kit to be prepared for any type of disaster.

**Help**
Know the locations of nearby trauma centers, hospitals and acute care centers.

**Alerts**
Learn about receiving emergency alerts and local emergency plans for shelter and evacuation, local emergency contacts, and local advance alerts and warnings.

**Training**
Discover opportunities for preparedness education and training.

**Awareness**
Know which hazards are most likely to occur -- even when you are traveling.

**Numbers**
Know emergency contact numbers for different situations. Load them into your cell phone.

**Types**
- Natural Disasters
- Technological & Accidental Hazards
- Terrorist Hazards
- Pandemics
- Home Fires
