

Watch Your Watch

—keep an eye on your jewelry.

Bars and clubs can be good places to meet new people. But not everyone there is looking to unwind. Men and women can find themselves the victim of criminals looking for someone to drug and go home with.

What Can I Do?

After Hours

Be careful of people you meet on the street at closing time.

Valuables

If you leave the bar with someone, make sure you have a place to secure your cash, jewelry, and watches.

Cautious

Cutting loose should not mean letting your guard down. And if it sounds too good to be true...it probably is.

Drinks

Watch how your drinks are made, and don't leave them unattended.
