Your Visor Card should be attached to the driver’s side sun visor.

Open your driver’s side window. If it is dark, turn on your vehicle’s dome light.

Place both of your hands near the top of the steering wheel.

When the officer is at your window, point to your Visor Card and remove it from the sun visor. Hand it to the officer.

The officer can use the Visor Card to instruct you on what to do next. The pictures on the card can help both of you communicate better.
