</table>

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. “Motorist” includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. “Motorist” includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. “Motorist” includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

(**) Contributing factors are listed when known.

(*** Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

---

**Note:**

- All data are preliminary and subject to change.
- Collisions may involve more than one vehicle type.
- Contributing factors are listed when known.
- Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.
- All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. “Motorist” includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

---

 (*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. “Motorist” includes the owner of a parked vehicle.

 (**) Contributing factors are listed when known.

 (***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

 All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.

</table>

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. “Motorist” includes the owner of a parked vehicle.

(**) Contributing factors are listed when known.

(***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.

All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.
### Police Department
City of New York

#### Motor Vehicle Collision Report
Brooklyn Highways, Bridges, Tunnels
November 2019

</table>

(*) The persons involved reflects all motorists, however they do not reflect other persons involved unless they were injured or killed. "Motorist" includes the owner of a parked vehicle.
(**) Contributing factors are listed when known.
(***) Collision location is captured as the nearest highway/bridge/tunnel reference/mile marker.
All figures are preliminary and subject to change. A collision on a highway, bridge or tunnel which occurs at or near a precinct border may appear in the list of highways, bridges or tunnels of any precinct that shares that location, but will appear in only one precinct list.
