We will discuss the new health insurance options and answer your questions. Whether you are uninsured or looking to change your coverage, we can help you find what works best for you.

Certified Navigators will be available to help you enroll in Public Health Insurance—Medicaid or Child Health Plus—and in a qualified private health insurance plan through the New York State of Health marketplace. We will provide information to help you:

- ◆ **Understand your health insurance options**
- ◆ **Learn about special and open enrollment periods**
- ◆ **Find out how to make coverage more affordable**
