Medicaid and You
If you are 65 years or older or living with a disability or visual impairment you may qualify for low or no cost health insurance.

Learn about your options and how to get help to enroll.
Frequently Asked Questions

How can I qualify for Medicaid?

In order to qualify for Medicaid, you must meet residency, immigration status, household income and resource requirements. Citizens, qualified immigrants, persons lawfully residing in New York and those Permanently Residing Under Color of Law (PRUCOL) can qualify for Medicaid if all other program eligibility requirements are met.

When can I enroll in Medicaid?

You can enroll in Medicaid all year round.

I have heard of “Medicaid Surplus”? What is it?

If your income is above the eligibility level for your household size, you may still qualify for Medicaid through the Medicaid Excess Income Program or Medicaid Surplus Program. You may qualify for Medicaid through this program if you meet all other program requirements and you:

Pay the amount of your income that is above your household eligibility level to HRA/DSS
OR
Provide your paid or unpaid medical bills to HRA/DSS to cover the difference between your income and your household eligibility level for Medicaid.

Do I have to renew my Medicaid coverage every year?

Yes, you must renew every year. Medicaid will mail you a renewal package two months before your coverage end date. Our enrollers can assist you with this process.

Do I have to apply for Medicare to get Medicaid?

Yes, if you are 65 or older, in order to enroll in Medicaid, you need to first apply for Medicare and then show proof of approval or denial. Facilitated Enrollers can assist you with this process. Even if you are not approved for Medicare you can still get Medicaid.

I already have Medicare. How can I get Medicaid?

You can call 311 to get assistance to find out if you qualify for and to enroll in Medicaid.

How do I get help enrolling in Medicaid or the Medicare Savings Program?

The FE-ABD Program can help you enroll at no cost at sites in the Bronx, Brooklyn, Manhattan, Queens, and Staten Island. You can find an enrollment site near you by scanning the QR code on the back of this brochure or calling 311.

If I am unable to leave my home, can I still get help enrolling in Medicaid and the Medicare Savings Program?

Yes, you can. Call 347-396-4705 to request a home visit.

When can I enroll in Medicare?

Your first opportunity to enroll in Medicare is during your Initial Enrollment Period (IEP) that begins three months before your 65th birthday and ends three months after.

Medicaid Enrollment during the COVID-19 Emergency

Applying for Medicaid is easy during the public health crisis. We are here to help you.

To get started, call us at 347-396-4705 to make a telephone appointment. You will receive a call from an enroller within 48-72 hours. The enroller will ask you a few questions to see if you may be eligible for Medicaid and will help you to enroll over the phone.

**Medicaid Renewal**

Medicaid cases are being extended during the COVID-19 emergency period. You will not lose your coverage if you do not submit your renewal form. If you get a notice telling you that your Medicaid case is closed, please call 1-888-692-6116.

Renewals will be extended for 12 months.
