No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in **STEP I** below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

STEP II An appeal from an unsatisfactory determination at **STEP I** where applicable, shall be presented in writing to the agency head or the agency head's designated representative who shall not be the same person designated in **STEP I**. The appeal must be made within five (5) work days of the receipt of the **STEP I** determination. The agency head or designated representative, if any, shall meet with the employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III An appeal from an unsatisfactory determination at **STEP II** shall be presented by the employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the **STEP II** determination. The grievant or the Union should submit copies of the **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the **STEP III** determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall

be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article the employee(s) and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee(s) and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at **STEP III** of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at **STEP II** of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 5.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

Section 6.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under **STEP IV**.

Section 7.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 8.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 9.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the

statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 10. Expedited Arbitration Procedure.

- a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.
- b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:

i. SELECTION AND SCHEDULING OF CASES:

- (2) The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) to raise any objections thereto.
- (3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
- (4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

- (1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.
- (2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.
- (3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by

the Arbitrator.

- (5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
- (6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

Such assignments shall be made in title/detail in inverse seniority order within the employee's

borough of assignment.

The Agency shall have the right to assign lifeguard personnel who are serving in a seasonal citywide capacity to any appropriate unencumbered citywide vacancy in another borough, consistent with the employee's professional certification (i.e., Beach, Pool or Mini-Pool). Such assignments shall be made in title/detail in inverse seniority order within the employee's borough of assignment.

- b. Where reductions are anticipated prior to the start of the season affecting lifeguard personnel in the Department of Parks and Recreation such that the number of available positions will result in an insufficient number of positions being available to permit all previously employed individuals to be rehired, in title/detail, the following procedures shall apply:
 - i. Notice shall be provided by the Office of Labor Relations to the union not less than thirty (30) days prior to the beginning of the season. Such notification shall include a summary by facility of the number of affected positions by title and detail and shall also include a copy of the seniority list established at the close of the previous season pursuant to Article XIX of the *2008-2010 Seasonal Agreement*.
 - ii. Within such 30-day period designated representatives of the Employer will meet and confer with the designated representatives of the appropriate union with the objective of considering feasible alternatives to all or part of such scheduled reductions. The Agency shall establish a list of lifeguard personnel who are in excess by title/detail in their facility. The Agency shall have the right to assign Lifeguard personnel to any unencumbered vacancy, consistent with the employee's professional certification (i.e. Beach, Pool or Mini-Pool). Such assignments shall be made in title/detail in inverse seniority order within the employee's borough of assignment. Lifeguard personnel who are not rehired or who are reassigned shall be placed on a recall list for his/her original facility.

Section 3. Layoff Procedures (other than the "end of season layoffs"):

- a. Layoffs of seasonal lifeguard personnel shall be by borough with each borough divided by type of facility (i.e., Beach, Pool and Mini-Pool). Each such borough subdivision shall be considered a layoff unit.
- b. Notwithstanding Section 3(a), there shall be separate citywide layoff units for the following lifeguard personnel:
 - i. seasonal lifeguard personnel serving in a citywide capacity;
 - ii. year-round lifeguard personnel serving in a citywide capacity; and
 - iii. year-round lifeguard personnel who are facility based.
- c. Layoffs shall be made within the layoff units on the basis of inverse seniority in each title/detail consistent with the employee's professional certification in each type of facility (i.e., Beach, Pool or Mini-Pool). Should a reduction in the number of Instructors occur, such reductions shall be made in inverse order of seniority, with the date of original assignment to the duty of Instructor to be used to determine such seniority.

d. Order of Layoff:

- i. The layoff of seasonal lifeguard personnel in the same title/detail shall be made in inverse order of their date of appointment in each facility. Seniority among lifeguard personnel who were first appointed to a seasonal title/detail on the same date, shall be determined by original date of qualification, and if such original qualification date is the same by the application date in the first season. However, in the case of Lifeguard Instructor, the earliest date of original assignment to the duty of Instructor shall be used to determine a person's seniority for assignment as Instructor.
- ii. The layoff of year-round lifeguard personnel in the same title/detail who were appointed on a year-round basis in such year-round status, shall be made in inverse order of their original date of appointment to the year-round title/detail in which they are serving. Seniority among lifeguard personnel who were first appointed to a year-round title/detail on the same date, shall be determined by date of qualification in the season that they were first appointed to a year-round position, and if such qualification date is the same by the application date in the season prior to the season that they first obtained year-round status. However, in the case of Lifeguard Instructor, the earliest date of original assignment to the duty of Instructor shall be used to determine a person's seniority for assignment as Instructor.

e. Bumping Procedures:

- i. For the purposes of the following bumping procedures, the term "next lowest title/detail" shall include the initial displacement (bumping) and any necessary further successive bumping to lower title/detail(s).
- ii. Chief Lifeguards shall be entitled to displace lifeguard personnel serving in the next lowest title/detail within the same facility. Employees serving in the next lower title/detail shall be displaced ("bumped") in inverse seniority order. In the event there are no opportunities to "bump" down in the same facility, the affected employees may be assigned to an unencumbered vacancy in the same borough. For purposes of further "bumping", any employee who is "bumped" down to the next lowest title/detail shall be deemed senior to all employees in all lower titles/details who were not subject to "bumping", regardless of the length of service or location of such employees until they are reached on the recall list for their original position and have accepted or rejected reappointment.
- iii. Lifeguard personnel who are serving in a citywide year-round capacity shall be entitled to displace lifeguard personnel serving in the next lowest title/detail in the assignment and facility of their choice. Employees serving in the next lower title/detail shall be displaced ("bumped") in inverse seniority order. For purposes of further "bumping", any employee who is "bumped" down to the next lowest title/detail shall be deemed senior to all employees in all lower titles/details who were not subject to "bumping", regardless of the length of service or location of such employees, until they are reached on the recall list for their original position and have accepted or rejected reappointment.
- iv. Seasonal citywide lifeguard personnel serving in borough assignments shall be entitled to displace lifeguard personnel serving in the next lowest title/detail within the same borough. Employees serving in the next lower title/detail shall be displaced ("bumped") in inverse seniority order. For purposes of further "bumping", any employee who is "bumped" down to

the next lowest title/detail shall be deemed senior to all employees in all lower titles/details who were not subject to "bumping", regardless of the length of service or location of such employees, until they are reached on the recall list for their original position and have accepted or rejected reappointment.

- v. Chief Lifeguards who have completed twenty years/seasons of service in a supervisory capacity (excluding time on a medical leave) who are subject to layoff shall be entitled to displace lifeguard personnel serving in the next lowest title/detail in the assignment and facility of their choice. Employees serving in the next lower title/detail shall be displaced ("bumped") in inverse seniority order. For purposes of further "bumping", any employee who is "bumped" down to the next lowest title/detail shall be deemed senior to all employees in all lower titles/details who were not subject to "bumping", regardless of the length of service or location of such employees, until they are reached on the recall list for their original position and have accepted or rejected reappointment.
- vi. Year-round lifeguard personnel (including those serving in a citywide capacity) who are "bumped" down to a lower title/detail shall be entitled, consistent with the employee's professional certification in each type of facility (i.e., Beach, Pool or Mini-Pool), to displace seasonal lifeguard personnel in the title/detail from which they were displaced, in seniority order, or the next lowest title/detail for the length of such seasonal vacancy. Such employees shall retain their standing on the year-round recall list for the higher title/detail from which they were "bumped". If such employees are not recalled to the higher title/detail from which they were "bumped" on or before the date on which the seasonal vacancy expires, they shall be returned to the year-round position to which they were "bumped".

Section 4. Recall Procedures:

- a. In the event of layoffs (other than the "end of season layoffs") the Employer shall place the names of seasonal and year-round lifeguard personnel who were laid off or who were "bumped" into a lower title/detail on a separate recall lists for each affected title or detail. Such recall lists shall be specific to the layoff units (as defined in Section 3(a) above) where such layoffs or "bumping" occurred. The Agency shall use such lists for filling vacancies in the seasonal or year-round positions in the layoff unit from which the layoffs were made. Upon the occurrence of a vacancy in a layoff unit where a title/detail recall list remains in affect, individuals on such recall list shall be called for reinstatement in order of their original date of appointment to the title/detail.
- b. The eligibility for reinstatement from a recall list for seasonal lifeguard personnel shall continue for a period not to exceed four years from the date of the layoff from the year-round title/detail.
- c. Year-round lifeguard personnel shall be called for seasonal work, based on seniority consistent with seasonals, as well as remain on the recall list for year-round positions. The eligibility for reinstatement from a recall list for year-round lifeguard personnel shall continue for a period not to exceed four years from the date of the layoff from the year-round title/detail.
- d. A person reinstated from a recall list to his/her former title/detail shall receive at least the same salary he/she was receiving at the time of layoff.
- e. For the purposes of the provisions of Article XIX of the *2008-2010 Seasonal Agreement*, time spent on a recall list does not constitute a break in service but does not count towards accruing additional

seniority.

- f.** Failure or refusal to accept reinstatement from recall lists shall result in removal from the recall list and a loss of all accumulated seniority. Persons removed from a recall list will not be entitled to any future preference in employment and shall be considered a new employee upon application for a position as a Lifeguard.
- g.** Notwithstanding any other provision of these job security provisions, the Employer may disqualify for reinstatement and remove from a recall list the name of any eligible who is physically or mentally disabled for the performance of the duties of the position for which such list is established, or who has been guilty of such misconduct as would result in dismissal.
- h.** It is the mutual objective of the union and the Agency to avoid unforeseen hardships. Therefore, there shall be consultation between the parties prior to any implementation of the above procedures.

APPENDIX A

Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees for the longevity increments provided for in Article III, Section 5 of the *2008-2010 Seasonal Agreement*:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length work year and the applicable agency verifies that information.
 2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.
 3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above:
 - a. Time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization.
 - b. Time prior to a reinstatement.
 - c. Time not in pay status of 31 days or less.
 - d. Lifeguard personnel who fail to complete the season shall not lose credit for the full season nor be held to have a break in service if (1) the Lifeguard is prevented by sickness or injury from completing the season and provides doctors lines prior to the end of the season or (2) the Lifeguard must report to school prior to the end of the season and has provided DPR prior to starting work with the information on the school letterhead.
- Notwithstanding the above, such time as specified in subsections a and b above shall not be used to calculate the 15 years of service.
4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the \$3.07 longevity increment, the \$3.07 shall become part of the employee's base rate for all purposes except as provided in paragraph 5 below.
 5. The \$3.07 longevity increment shall not become pensionable until fifteen months after the employee begins to receive such \$3.07 increment. Fifteen months after the employee begins to receive the \$3.07 longevity increment, such \$3.07 longevity increment shall become pensionable and as part of the employee's base rate, the \$3.07 longevity increment shall be subject to the general increases provided in Article III, Section 4(a) of this Agreement.

APPENDIX B

MEMORANDUM

August 31, 1978

TO: Andrew Lettieri, Director, Blue Collar Division DC - 37
FROM: Eloise Hirsh, Deputy Commissioner
RE: Lifeguards

It is the intention of the Department of Parks and Recreation to address in a systematic fashion the Lifeguard related problems which have been a source of difficulty for the last several years. We expect to address two main issues:

1. The question of continuity for Lifeguards needs during the non-season months.
2. The question of supervision and accountability of the Lifeguard corps during the season.

To this end we will implement a year-round Lifeguard Coordinator reporting directly to the Deputy Commissioner of Operations, who will be responsible for all year-round activities, including the school, ordering of supplies and equipment, and other Lifeguard related problems. For the summer of '79 season we will implement the program for the beaches and pools Lifeguards corps.

The program for the beaches and pools would consist of the following structure:

The basic first line structure will remain the same (i.e., lifeguards report to lieutenants who in turn report to chiefs).

For purposes of the program, a Borough Coordinator, appointed from the chief ranks, will be selected for each borough. With a beach facility (this Borough Coordinator will be chosen from the existing quota- no additional staff will be required). Chiefs at the beaches and pools will report to this Borough Coordinator and in turn the Borough Coordinator will report to the central Lifeguard Coordinator. For matters pertaining to Lifeguard issues within the borough, the Borough Lifeguard Coordinator will relate to the park manager. The central Lifeguard Coordinator will report to the Deputy Commissioner for Operations.

The Borough Coordinator will relate to the Principal Park Supervisor in charge of the beach or pool facility in a dotted line reporting relationship. The details of this structure will be worked out jointly by representatives of the Lifeguards, beach supervisor and maintenance operations.
