Health Insurance coverage shall not be provided by the City during the summer recess except as described in Article VIII and to full-time School Crossing Guards in assignment level II.

ARTICLE VI - WELFARE FUND

Section 1.

a. The City shall make contributions to the District Council 37, A.F.S.C.M.E., AFL-CIO Health and Security Fund on behalf of all employees who regularly work 15 hours or more per week on a continuous basis and have been so employed continuously for 90 days prior to the commencement of the obligation of the City to make its contributions provided, however, that the summer recess, authorized leaves of absence or time on a recall list shall not be considered a break in service.
In accordance with the election by the Union pursuant to the provisions of Article XIII of the 1995-2001 Citywide Agreement between the City of New York and related public employers and District Council 37, A.F.S.C.M.E., AFL-CIO, or any successor(s) thereto, the Welfare Fund provisions of that Citywide Agreement or any successor(s) thereto shall apply to employees covered by this Agreement, as described in Section 1(b) of the Citywide Agreement.

When an election is made by the Union pursuant to the provisions of Article XIII, Section 1(b), of the 1995-2001 Citywide Agreement between the City of New York and related public employers and District Council 37, A.F.S.C.M.E., AFL-CIO, or any successor(s) thereto, the provisions of Article XIII, Section 1(b) of the Citywide Agreement or any successor(s) thereto, shall apply to employees covered by this Agreement, and when such election is made, the Union hereby waives its right to training, education and/or legal services contributions provided in this Agreement. In no case shall the single contribution provided in Article XIII, Section 1(b) of the Citywide Agreement or any successor(s) thereto, exceed the total amount that the Union would have been entitled to receive if the separate contributions had continued.

Effective July 1, 2002, 11 cents ($0.11) per hour shall continue to be contributed for the provision of Welfare Fund Benefits during the summer months (from the last day of school in June to the first day of school in September) for School Crossing Guards who received Welfare Fund Benefits during the school year. The 11 cents per hour contribution will be made for each hour for which a School Crossing Guard is in pay status. Payments for this “summer” Welfare Fund contribution will be subject to a separate agreement to be entered into by the parties and no payments shall be made until said separate agreement is executed. Benefits to be provided are limited by the contribution itself. It is understood that if the benefits paid under the relevant schedule exceed the funds on hand for this purpose the benefits will be reduced or terminated. It is understood and agreed that the provisions of this Section (d) are entirely separate and apart from Welfare Fund payments that are contained in Article VI, Sections a, b, and c. It is further understood and agreed that any future increases in Welfare Fund payments as detailed in Sections a, b, and c above shall have no impact on this Section d. and that any increase contemplated for this Section d. shall be subject to negotiations between the parties applicable solely to this separate unit agreement or its successor(s).

Effective July 1, 2002, 5 cents ($0.05) per hour shall continue to be contributed to establish Welfare Fund benefits for School Crossing Guards who 1) permanently resign their positions as School Crossing Guards, 2) are at least 60 years of age, and 3) have at least 10 calendar years of continuous service as School Crossing Guards prior to leaving their position. Continuous service shall be defined as time in pay status. However, Christmas, Easter, summer vacations and other school recesses shall not constitute a break in service.

For the purposes of this Article, School Crossing Guards who were terminated in 1975 as a result of the dissolution of the School Crossing Guard Program and who were reappointed by June 30, 1979, shall be deemed not to have had a break in service during the time the employee was terminated. However, the period of time between the employee’s termination in 1975 and subsequent reappointment shall not be counted for purposes of calculating the 10
years of service required to receive this benefit.

The 5-cent contribution shall be made for each hour for which any School Crossing Guard is in pay status.

Payments for this Welfare Fund contribution will be subject to a separate agreement to be entered into by the parties, and no payments shall be made until said separate agreement is executed. Benefits to be provided are limited by the contribution itself. It is understood that if the benefits paid under the relevant schedule exceed the funds on hand for this purpose the benefits will be reduced or terminated. It is understood and agreed that the provisions of this Section (e) are entirely separate and apart from Welfare Fund payments that are contained in Article VI, Sections a, b, c, and d. It is further understood and agreed that any future increases in Welfare Fund payments as detailed in Sections a, b, c and d above shall have no impact on this Section (e), and that any increase contemplated for this Section (e) shall be subject to negotiations between the parties applicable solely to this separate unit agreement or its successor(s).

No benefits shall be provided to a School Crossing Guard who leaves her/his position prior to January 1, 1984.

Section 2.

Sections 1(d) and 1(e) of this Article VI shall not apply to School Crossing Guards Level II, who shall have welfare contributions paid on their behalf pursuant to the provisions of the Citywide Collective Bargaining Agreement.

Section 3.

The Union agrees to provide welfare fund benefits to domestic partners of covered employees in the same manner as those benefits are provided to spouses of married covered employees.

Section 4.

In accordance with the Health Benefits Agreement dated January 11, 2001, each welfare fund shall provide welfare fund benefits equal to the benefits provided on behalf of an active employee to widow(er)s, domestic partners and/or children of any employee who dies in the line of duty as that term is referenced in Section 12-126(b)(2) of the New York City Administrative Code. The cost of providing this benefit shall be funded by the Stabilization Fund.

Section 5.

This Agreement incorporates the terms of the May 5, 2014 and June 28, 2018 Letter Agreements regarding health savings and welfare fund contributions between the City of New York and the Municipal Labor Council, as appended to this agreement.

Section 6.
This Agreement incorporates the terms of the January 12, 2017 Letter Agreement regarding welfare fund contributions, as appended to this agreement.

Section 7.

Effective April 26, 2021, there shall be a recurring $50 per annum contribution per employee increase to the welfare fund contribution.

ARTICLE VII - ADDITIONAL HEALTH INSURANCE BENEFIT

Effective July 1, 2002, the sum of 5 cents ($0.05) per hour shall continue to be contributed to D.C. 37 for remittance to the D.C. 37 Health and Security Fund for each hour worked by a School Crossing Guard in assignment level I. The sums shall be used to provide health insurance coverage for School Crossing Guards who are at least 60 years of age and resign on or after January 1, 1987 with at least 10 regular school years of continuous service in pay status as School Crossing Guards prior to their resignation.

For the purposes of this Article only, continuous service in pay status as a School Crossing Guard shall be counted towards the 10-year service requirement for those employees who were terminated in 1975 as a result of the disbanding of the School Crossing Guard Program and were reappointed by June 30, 1979.

The payments hereunder shall be subject to a separate agreement to be entered into by the parties and approved as to form by the Corporation Counsel. The cost of the benefits provided shall not exceed the contributions made pursuant to this Article VII. If the benefits exceed the available funds, the benefits shall be reduced or terminated.

ARTICLE VIII - SUMMER HEALTH INSURANCE

Section 1.

a. Effective July 1, 2002 the City shall continue to pay 9 cents ($0.09) for each hour a School Crossing Guard Level I is in pay status to be contributed toward a trust and agency account, maintained by the New York City Employee Benefit Program.

b. Effective July 1, 2002, the City shall contribute the sum of $386,815.27 annually to the Summer Health Insurance Trust and Agency Account. Effective September 18, 2019, the recurring contribution shall be increased by $1,884,643 to allow the payment of the full cost of summer health insurance for every School Crossing Guard who does not work during the summer. The amount of the recurring contribution shall be subject to future general wage increases applicable to DC37.

c. In addition to the above, effective September 18, 2019, the City shall make a one-time contribution of $500,000 to the Trust and Agency Account.

Section 2.

a. The funds contributed to the trust and agency account shall be used to provide or subsidize continued health insurance during the summer months for School Crossing Guards who are
eligible for health insurance benefits during the school year and who otherwise meet eligibility criteria as described in Section c below.

b. The City and the Union shall meet each spring to determine service eligibility requirements for receipt of this benefit and to determine what portion of the health insurance cost shall be borne by the fund and what portion shall be borne by the School Crossing Guard.

c. In the event that a shortfall in monies in the trust and agency account is projected by the City for any summer vacation period, the City and the Union shall bargain over the extent, if any, to which the City will pay from the trust and agency account towards each affected Guard’s coverage.

ARTICLE IX - POST & PICK

At the beginning of each school year, employees in assignment level I shall have the opportunity to pick their posts within their precinct. Such “picks” will be based on the employee’s seniority within his/her precinct at the time post and pick occurs. Should a vacancy occur during the school year, a post and pick system will be instituted on a precinct-wide basis. Such assignments shall be made on the basis of seniority. For the purposes of this Article only, seniority shall be calculated as time served in the precinct as a School Crossing Guard. Time spent within a precinct as a level II shall be included for purposes of calculating precinct seniority.

ARTICLE X – ASSIGNMENT LEVEL II

Section 1.

Employees in assignment level II shall be full-time employees subject to the following articles of the School Crossing Guard Collective Bargaining Agreement, including welfare fund contributions as provided therein: I, II, III, X, XI, XIV, XV, XVI, XVII, XVIII, XIX, XX, XXI, XXII, XXIII, XXIV, and XXV.

Section 2.

Employees in assignment level II may use annual leave on days when public schools within the employee’s assigned area are not in session or during the summer, subject to the needs of the Department and any applicable state and federal laws. Where more than one level II is assigned to a precinct, annual leave requests shall be approved on the basis of seniority on a rotational basis.

Section 3.

In the event a level II returns to a level I assignment/pay, whether voluntarily or involuntarily, he or she shall be assigned to an available vacant post. At the next scheduled post and pick the school crossing guard shall be eligible to participate based on his/her precinct seniority.

In the event a level II returns to a level I assignment/pay and the school crossing guard has no prior accrued precinct seniority where there is a vacancy, the school crossing guard shall have the right of first refusal to return to his/her prior precinct should a vacancy become available;
and, upon return to that precinct, his/her prior accrued precinct seniority shall be restored.

Section 4.

The employer shall post internally first for all available Level II positions. Seniority shall be among the factors considered by the Department in determining assignment to level II. Internal postings shall include a requirement for prior school crossing guard experience. In the event there are insufficient internal applicants who have accepted a Level II assignment, the Employer shall notify the Union, and if requested, shall meet with the Union prior to posting any available positions for the public.

ARTICLE XI - PRODUCTIVITY AND PERFORMANCE

Introduction

Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the Employer and the Union. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Performance Levels

a. The Union recognizes the Employer’s right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, to prepare work schedules and to measure the performance of each employee or group of employees. Notwithstanding the above, questions concerning the practical impact that decisions on the above matters have on employees are within the scope of collective bargaining. The Employer will give the Union prior notice of the establishment and/or revision of performance standards or norms hereunder.

b. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable law.

c. Performance Compensation

The Union acknowledges the Employer’s right to pay additional compensation for outstanding performance.

The Employer agrees to notify the Union of its intent to pay such additional compensation.

ARTICLE XII - DEATH BENEFIT

If an employee dies during the term of this Agreement because of an injury arising out of and in the course of the employee’s employment through no fault of the employee, and in the proper
performance of the employee’s duties, a payment of twenty-five thousand dollars ($25,000) will be made from funds other than those of the Retirement System in addition to any other payment which may be made as a result of such death. ARTICLE XVI - NON-COMPETITIVE LAYOFF PROCEDURE

If budgetary restrictions, consolidations or abolition of functions or other curtailment of activities result in the abolition of non-competitive positions, the suspension among the incumbents in the same class of positions shall be made in inverse order of their original appointment to the agency in the subject class of positions.

The date of original appointment shall be the first date of appointment followed by continuous service up to the time of the abolition or reduction of positions.

An employee who had been terminated from the subject class of positions and who was reappointed in the affected class of positions within one year thereafter shall for the purposes of this Article be deemed to have continuous service except that employees terminated in 1975 as a result of the dissolution of the School Crossing Guard Program and who were reappointed by June 30, 1979, shall for the purposes of this Article be deemed to have continuous service.

A period of an authorized leave of absence without pay or any period during which an employee is suspended from the employee’s position pursuant to this Article shall not constitute an interruption of continuous service for the purposes of this Article.

Layoff shall be made from among employees in the same class of positions in the agency except that the Employer may determine the layoff unit (department, bureau, division or other subdivision). In such case layoff shall be made from among incumbents in the same class of positions in each such unit.

Where layoffs are scheduled, the following procedure shall be used:

(1) Notice shall be provided to the union not less than 30 days before the effective
date(s) of such projected layoffs.

(2) Within such 30-day period designated representatives of the Employer will meet and confer with the designated representatives of the Union with the objective of considering feasible alternatives to all or part of such scheduled layoffs.

Employees in affected titles in the layoff unit shall be laid off in the following order:

(1) All employees in probationary status in the same title. Among them, layoff shall be in inverse order to date of original appointment.

(2) All employees who have satisfactorily completed their probationary periods in the same title. Among them, layoff shall be in inverse order to date of original appointment.

In the event of layoff the Employer shall place the names of such employees on a preferred list together with others who have been suspended from the same class of positions. The Employer shall certify such list for filling vacancies in the same class of positions in the layoff unit from which the suspensions were made.

Persons on the list shall be called for reinstatement in the order of their original date of appointment and upon the occurrence of a vacancy in an appropriate position in the layoff unit shall be certified on the basis of the original date of appointment.

The eligibility for reinstatement of a person on such a preferred list shall not continue for a period longer than four (4) years from the date of separation.

No person suspended or demoted prior to completing his/her probationary term shall be certified for reinstatement until the exhaustion of all other eligibles on the preferred list and shall he required to complete his/her probationary term upon reinstatement.

Failure or refusal to accept reinstatement from preferred lists to vacancies in the same class of positions shall be deemed relinquishment of eligibility and the employee's name shall be removed from the list.

A person reinstated from a preferred list to his/her former class of positions shall receive at least the same salary he/she was receiving at the time of suspension.

Notwithstanding any other provisions of this Article, the Employer may disqualify for reinstatement and remove from a preferred list the name of any eligible who is physically or mentally disabled for the performance of the duties of the position for which such list is established, or who has been guilty of such misconduct as would result in dismissal.
ARTICLE XVII - GRIEVANCE PROCEDURE

Section 1. - Definition:

The term "Grievance" shall mean:

a. A dispute concerning the application or interpretation of the terms of this Agreement;

b. A claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the Employer applicable to the agency which employs the grievant affecting terms and conditions of employment; provided, provided, disputes involving the Personnel Rules and Regulations of the City of New York or the Rules and Regulations of the Health and Hospitals Corporation with respect to those matters set forth in the first paragraph of Section 7390.1 of the Unconsolidated Laws shall not be subject to the grievance procedure or arbitration;

c. A claimed assignment of Employees to duties substantially different from those stated in their job specifications;

d. A claimed improper holding of an open-competitive rather than a promotional examination;

A claimed wrongful disciplinary action taken against a permanent Employee covered by Section 75(1) of the Civil Service Law or a permanent Employee covered by the Rules and Regulations of the Health and Hospitals Corporation upon whom the agency head has served written charges of incompetence or misconduct while the Employee is serving in the Employee's permanent title or which affects the Employee's permanent status.

f. Failure to serve written charges as required by Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation upon a permanent Employee covered by Section 75(1) of the Civil Service Law or a permanent Employee covered by the Rules and Regulations of the Health and Hospitals Corporation where any of the penalties (including a fine) set forth in Section 75(3) of the Civil Service Law have been imposed.

g. A claimed wrongful disciplinary action taken against a Non-Competitive employee with more than three (3) months of service in title in the same agency except for employees during the period of a mutually agreed upon extension of probation.

Section 2.
The Grievance Procedure, except for grievances as defined in Sections 1(d), 1(e), and 1(g) of this Article, shall be as follows:

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the Employees may present the
grievance at STEP I.

All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section I(c), no monetary award shall in any event cover any period prior to the date of the filing of the STEP I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in STEP I below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

STEP I

The Employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The Employee may also request an appointment to discuss the grievance and such request shall be granted. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and shall issue a determination in writing by the end of the third work day following the date of submission.

STEP II

An appeal from an unsatisfactory determination at STEP I or STEP I(a), where applicable, shall be presented in writing to the agency head or the agency head’s designated representative who shall not be the same person designated in STEP I. An appeal must be made within five (5) work days of the receipt of the STEP I or STEP I(a) determination. The agency head or designated representative, if any, shall meet with the Employee and/or the Union for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

STEP III

An appeal from an unsatisfactory determination at STEP II shall be presented by the Employee and/or the Union to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the STEP II determination. The grievant or the Union should submit copies of the STEP I and STEP II grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner’s designate shall review all appeals from STEP II determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV

An appeal from an unsatisfactory determination at STEP III may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the STEP III determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a “grievance”. The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Title 61 of the Rules of the City Of New York. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator’s decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator’s award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.
Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an open-competitive rather than a promotional examination, the Employee or Employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of such Employee(s) and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

A grievance concerning a large number of Employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issues shall be consolidated with the "group" grievance.

Section 5.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 6.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 7.

The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours’ notice of all grievance hearings.

Section 8.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 9.

Grievance relating to a claimed wrongful disciplinary action taken against a non-competitive employee covered by this Agreement shall be subject to and governed by the following special
procedure:

The provisions contained in this section shall not apply to any of the following categories of employees:

(a) Probationary employees

(b) Non-competitive employees with less than three (3) months of service in title.

Step I(n) - Following the service of written charges upon an employee a conference shall be held with respect to such charges by a person who is designated by the agency head to review such charges. The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a decision in writing by the end of the fifth day following the date of the conference.

Step II(n) - If the employee is dissatisfied with the decision in Step I(n) above, he or she may appeal such decision. The appeal must be within five (5) work days of the receipt of such decision. Such appeal shall be treated as a grievance appeal beginning with Step II of the Grievance Procedure set forth herein.

Section 10.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 11. Expedited Arbitration Procedure.

a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.

b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.

c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.

(4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

(1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross-examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

(2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.

(3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.

(4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.

Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of Employees for the longevity increments provided for in Article III, Section 6 of the 2017 - 2021 School Crossing Guard Unit Contract:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum Employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve-month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an Employee is less than the regular and customary work year for the Employee's title, it shall be counted as a continuous year of service if the Employee has customarily worked that length work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an Employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an Employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above:

   (a) Time on a leave approved by the proper authority which is consistent with the Rules and Regulations of the New York City Personnel Director or the appropriate personnel authority of a covered organization.
   (b) Time prior to a reinstatement.
   (c) Time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision.
   (d) Time not in pay status of 31 days or less.

Harry Nespoli
Chair, Municipal Labor Committee
125 Barclay Street
New York, NY 10007

Dear Mr. Nespoli:

This is to confirm the parties' mutual understanding concerning the following issues:

1. Unless otherwise agreed to by the parties, the Welfare Fund contribution will remain constant for the length of the successor unit agreements, including the $85 funded from the Stabilization Fund pursuant to the 2005 Health Benefits Agreement between the City of New York and the Municipal Labor Committee.

2. Effective July 1, 2014, the Stabilization Fund shall convey $1 Billion to the City of New York to be used to support wage increases and other economic items for the current round of collective bargaining (for the period up to and including fiscal year 2018). Up to an additional total amount of $150 million will be available over the four year period from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties. Thereafter, $60 million per year will be available from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties.

3. If the parties decide to engage in a centralized purchase of Prescription Drugs, and savings and efficiencies are identified therefrom, there shall not be any reduction in welfare fund contributions.

4. There shall be a joint committee formed that will engage in a process to select an independent healthcare actuary, and any other mutually agreed upon additional outside expertise, to develop an accounting system to measure and calculate savings.
5. The MLC agrees to generate cumulative healthcare savings of $3.4 billion over the course of Fiscal Years 2015 through 2018, said savings to be exclusive of the monies referenced in Paragraph 2 above and generated in the individual fiscal years as follows: (i) $400 million in Fiscal Year 2015; (ii) $700 million in Fiscal Year 2016; (iii) $1 billion in Fiscal Year 2017; (iv) $1.3 billion in Fiscal Year 2018; and (v) for every fiscal year thereafter, the savings on a citywide basis in health care costs shall continue on a recurring basis. At the conclusion of Fiscal Year 2018, the parties shall calculate the savings realized during the prior four-year period. In the event that the MLC has generated more than $3.4 billion in cumulative healthcare savings during the four-year period, as determined by the jointly selected healthcare actuary, up to the first $365 million of such additional savings shall be credited proportionately to each union as a one-time lump sum pensionable bonus payment for its members. Should the union desire to use these funds for other purposes, the parties shall negotiate in good faith to attempt to agree on an appropriate alternative use. Any additional savings generated for the four-year period beyond the first $365 million will be shared equally with the City and the MLC for the same purposes and subject to the same procedure as the first $365 million. Additional savings beyond $1.3 billion in FY 2018 that carry over into FY 2019 shall be subject to negotiations between the parties.

6. The following initiatives are among those that the MLC and the City could consider in their joint efforts to meet the aforementioned annual and four-year cumulative savings figures: minimum premium, self-insurance, dependent eligibility verification audits, the capping of the HIP HMO rate, the capping of the Senior Care rate, the equalization formula, marketing plans, Medicare Advantage, and the more effective delivery of health care.

7. **Dispute Resolution**

   a. In the event of any dispute under this agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Arbitrator Martin F. Scheinman for resolution.
   
   b. Such dispute shall be resolved within 90 days.
   
   c. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.
   
   d. The arbitrator shall have the authority to meet with the parties at such times as the arbitrator determines is appropriate to enforce the terms of this agreement.
   
   e. If the parties are unable to agree on the independent health care actuary described above, the arbitrator shall select the impartial health care actuary to be retained by the parties.
   
   f. The parties shall share the costs for the arbitrator and the actuary the arbitrator selects.

Harry Nespoli, Chair
Municipal Labor Committee
125 Barclay Street
New York, New York

Dear Mr. Nespoli:

1. This is to confirm the parties' mutual understanding concerning the health care agreement for Fiscal Years 2019 – 2021:

   a. The MLC agrees to generate cumulative healthcare savings of $1.1 billion over the course of New York City Fiscal Years 2019 through 2021. Said savings shall be generated as follows:
      i. $200 million in Fiscal Year 2019;
      ii. $300 million in Fiscal Year 2020;
      iii. $600 million in Fiscal Year 2021, and
      iv. For every fiscal year thereafter, the $600 million per year savings on a citywide basis in healthcare costs shall continue on a recurring basis.

   b. Savings will be measured against the projected FY 2019-FY 2022 City Financial Plan (adopted on June 15, 2018) which incorporates projected City health care cost increases of 7% in Fiscal Year ("FY") 2019, 6.5% in FY 2020 and 6% in FY 2021. Non-recurring savings may be transferrable within the years FY 2019 through FY 2021 pursuant only to 1(a)(i), 1(a)(ii), 1(a)(iii) above. For example:
      i. $205 million in FY 2019 and $295 million in FY 2020 will qualify for those years' savings targets under 1(a)(i) and 1(a)(ii).
      ii. $210 million in FY 2019, $310 million in FY 2020, and $580 million in FY 2021 will qualify for those years' savings targets under 1(a)(i), 1(a)(ii), 1(a)(iii).
      iii. In any event, the $600 million pursuant to 1(a)(iv) must be recurring and agreed to by the parties within FY 2021, and may not be borrowed from other years.
If the above accords with your understanding and agreement, kindly execute the signature line provided.

Sincerely,

c. Savings attributable to CBP programs will continue to be transferred to the City by offsetting the savings amounts documented by Empire Blue Cross and GHI against the equalization payments from the City to the Stabilization Fund for FY 19, FY 20 and FY 21, unless otherwise agreed to by the City and the MLC. In order for this offset to expire, any savings achieved in this manner must be replaced in order to meet the recurring obligation under 1(a)(iv) above.

d. The parties agree that any savings within the period of FY 2013 - 2018 over $3.4 billion arising from the 2014 City/MLC Health Agreement will be counted towards the FY 2019 goal. This is currently estimated at approximately $131 million but will not be finalized until the full year of FY 2018 data is transmitted and analyzed by the City’s and the MLC’s actuaries.

e. The parties agree that recurring savings over $1.3 billion for FY 2018 arising under the 2014 City/MLC Health Agreement will be counted toward the goal for Fiscal Years 2019, 2020, 2021 and for purposes of the recurring obligation under 1(a)(iv) above. This is currently estimated at approximately $40 million but will not be finalized until the full year of FY 2018 data is transmitted and analyzed by the City’s and the MLC’s actuaries. Once the amount is finalized, that amount shall be applied to Fiscal Years 2019, 2020, 2021 and to the obligation under 1(a)(iv).

2. After the conclusion of Fiscal Year 2021, the parties shall calculate the savings realized during the 3 year period. In the event that the MLC has generated more than $500 million in recurring healthcare savings, as agreed upon by the City’s and the MLC’s actuaries, such additional savings shall be utilized as follows:

   a. The first $568 million will be used by the City to make a $100 per member per year increase to welfare funds (actives and retirees) effective July 1, 2021. If a savings amount over $500 million but less than $568 million is achieved, the $100 per member per year (actives and retirees) increase will be prorated.

   b. Any savings thereafter shall be split equally between the City and the MLC and applied in a manner agreed to by the parties.

3. Beginning January 1, 2019, and continuing unless and until the parties agree otherwise, the parties shall authorize the quarterly provision of the following data to the City’s and MLC’s actuaries on an ongoing quarterly basis: (1) detailed claim-level health data from Emblem Health and Empire Blue Cross including detailed claim-level data for City employees covered under the GHI-CBP programs (including Senior Care and Behavioral Health information); and (2) utilization data under the HIP-HMO plan. Such data shall be provided within 60 days of the end of each quarterly period. The HIP-HMO utilization data will also be provided to the City’s and MLC’s actuaries within 60 days of the execution of this letter agreement for City Fiscal Year 2018 as baseline information to assess ongoing savings. The HIP-HMO data shall include: (i) utilization by procedure for site of service benefit changes; (ii) utilization by disease state, by procedure (for purposes of assessing Centers of Excellence); and (iii) member engagement data for the Wellness program, including stratifying members by three tranches (level I, II and III). The data shall include baseline data as well as data regarding the assumptions utilized in determining expected savings for comparison. The data described in this paragraph shall be provided pursuant to a data sharing agreement entered into by the City and MLC, skin to prior data agreements, which shall provide for the protection of member privacy and related concerns, shall cover all periods addressed by this Agreement (i.e., through June 30, 2021 and thereafter), and shall be executed within thirty days of the execution of this letter agreement.
4. The parties agree that the Welfare Funds will receive two $100 per member one-time lump-sum payments (actives and retirees) funded by the Joint Stabilization Fund payable effective July 1, 2018 and July 1, 2019.

5. The parties recognize that despite extraordinary savings to health costs accomplished in the last round of negotiations through their efforts and the innovation of the MLC, and the further savings which shall be implemented as a result of this agreement, that the longer term sustainability of health care for workers and their families, requires further study, savings and efficiencies in the method of health care delivery. To that end, the parties will within 90 days establish a Tripartite Health Insurance Policy Committee of MLC and City members, chaired by one member each appointed by the MLC and the City, and Martin F. Scheinman, Esq. The Committee shall study the issues using appropriate data and recommend for implementation as soon as practicable during the term of this Agreement but no later than June 30, 2020, modifications to the way in which health care is currently provided or funded. Among the topics the Committee shall discuss:

a. Self-insurance and/or minimum premium arrangements for the HIP HMO plan.

b. Medicare Advantage - adoption of a Medicare Advantage benchmark plan for retirees.

c. Consolidated Drug Purchasing- welfare funds, PICA and health plan prescription costs pooling their buying power and resources to purchase prescription drugs.

d. Comparability - investigation of other unionized settings regarding their methodology for delivering health benefits including the prospect of coordination/cooperation to increase purchasing power and to decrease administrative expenses.

e. Audits and Coordination of Benefits- audit insurers for claims and financial accuracy, coordination of benefits, pre-65 disabled Medicare utilization, End Stage Renal Disease, PICA, and Payroll Audit of Part Time Employees.

f. Other areas- Centers of Excellence for specific conditions; Hospital and provider tiering; Pre-certification Fees; Amendment of Medicare Part B reimbursement; Reduction of cost for Pre-Medicare retirees who have access to other coverage; Changes to the Senior Care rate; Changes to the equalization formula.

g. Potential RFPs for all medical and hospital benefits.

h. Status of the Stabilization Fund.

The Committee will make recommendations to be considered by the MLC and the City.

6. The joint committee shall be known as the Tripartite Health Insurance Policy Committee (THIPC) and shall be independent of the existing "Technical Committee." The "Technical Committees" will continue its work and will work in conjunction with the THIPC as designated above to address areas of health benefit changes. The Technical Committee will continue to be supported by separate actuaries for the City and the MLC. The City and the MLC will each be responsible for the costs of its actuary.

7. In the event of any dispute under sections 1-4 of this Agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Martin Scheinman for resolution consistent with the dispute resolution terms of the 2014 City/MLC Health Agreement:

a. Such dispute shall be resolved within 90 days.
b. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.

c. The arbitrator shall have the authority to meet with the parties as such times as is appropriate to enforce the terms of this agreement.

d. The parties shall share the costs for the arbitrator (including Committee meetings).

If the above conforms to your understanding, please countersign below.

Sincerely,
