**Question:** I received the standard premium amount of $109.00 per month for 2019 for the Medicare Part B reimbursement. However, I paid more than the standard amount. Can I be reimbursed for the difference?

**Answer:** Yes. If your 2019 monthly Medicare Part B premium was between $110.00 and $135.50, you may be eligible for an additional reimbursement amount referred to as a differential payment. In order to receive the differential payment, the retiree and/or dependent must submit a copy of proof of this additional payment (for example, the Form SSA-1099, bank statements, CMS-500 Notice of Medicare Payment Due) to our office for review. If approved, you will receive the differential payment during the first quarter of 2021. If, however, you are enrolled in Medicare Part B as of 2016, you should have received reimbursement of $135.50 per month automatically and no action will be required on your part.
