

Equity Index Fund Profile

Information current as of 03/31/20

Investment Objective

The investment objective of the Equity Index Fund is to replicate the return of the Standard & Poor's (S&P) 500 Index. The Equity Index Fund offers participants exposure to the stocks of large corporations through a passive investment vehicle. Returns on large cap equities have historically exceeded inflation, but with substantial volatility over short and even intermediate holding periods (risk as measured by standard deviation).

Investment Guidelines

The Equity Index Fund will invest in a portfolio of equity securities of companies listed on the U. S. securities exchanges that replicates the composition and characteristics of the S&P 500 Index.
