

Stable Income Fund Profile

Information current as of 12/31/20

Investment Objective

The investment objective of the Stable Income Fund is to provide an opportunity to invest in high quality fixed income securities with an emphasis on safety of principal and consistency of returns. The Stable Income Fund invests in a diversified pool of investment contracts issued by high quality financial institutions. The value of the contracts depends on the credit of the issuing financial institution and the value of the assets held under each contract. The value of these contracts is not assured.

Investment Guidelines

The Stable Income Fund will maintain an allocation to liquid bond investments, guaranteed investment contracts, other investment grade fixed income portfolios and wrap contracts issued by banks and insurance companies.
