

Fall is here – flu season is coming!

Protect yourself, your family, and your community by getting your flu shot. It's a quick and easy way to help keep NYC flu-free!

Worksite clinics are available at worksites throughout the city. New clinics are added daily, so [check the schedule and book your appointment](#) today!

Clinics held at DCAS will offer **blood pressure screenings** in addition to flu shots.

Check your choice:

Yes, I'll get a vaccine to reduce my risk of getting and spreading the flu.

No, I will not get a vaccine, even if it means not protecting myself and others from getting the flu.

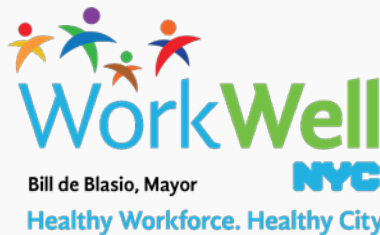

There are four convenient ways to get your flu shot. Which is

best for you?

(Select below)

	Free	Onsite	Effective	Click below:
 Your worksite				<p><u>Book at your worksite</u></p> <p><u>Locate a pharmacy here</u></p> <p>Call ahead to make sure the pharmacy participates with your plan, and bring your medical insurance card!</p> <p><u>Call your in-network doctor or find one here</u></p> <p>The co-pay will be \$0 if your visit is only for the flu shot</p>
Participating pharmacy				
Your doctor's office				
AdvantageCare Physicians Medical Offices (ACPNY)				<p><u>Book with AdvantageCare Physicians</u></p>

Don't let the flu catch you! Schedule your flu shot today!
