Section 1. Section 3-01 of Subchapter A of Chapter 3 of Title 62 of the Rules of the City of New York is amended as follows:

§ 3-01 Fee for CEQR Applications.

Except as specifically provided in this section, every application made pursuant to Executive Order 91 and Chapter 5 of these rules on or after November 7, 2002 shall include a non-refundable fee which shall be submitted to the lead agency for the action or to an agency that could be the lead agency pursuant to § 5-03 of the rules of the Commission, and shall be in the form of a check or money order made out to the "City of New York". The fee for an application shall be as prescribed in the following Schedule of Charges, § 3-02 of these rules. The fee for modification for an action, which modification is not subject to § 197-c of the New York City Charter shall be twenty percent of the amount prescribed in the Schedule of Charges for an initial application. The fee for any modification for an action, which is subject to § 197-c of the New York City Charter shall be the amount set forth in the Schedule of Charges (§3-02) as if the modification were an initial application for the action. Where the fee for an application is set pursuant to § 3-02(a), and the square footage of the proposed modification is different from the square footage of the original action, the fee for an application for the modification shall be based upon the square footage of the modified action or as set forth in § 3-02(b), as determined by the lead agency.

Agencies of the federal, state or city governments shall not be required to pay fees, nor shall a neighborhood, community or similar association consisting of local residents or homeowners organized on a non-profit basis be required to pay fees, if the proposed action for purposes of CEQR review consists of a zoning map amendment for an area of at least two blocks in size, in which one or more of its members or constituents reside [nor shall any fees be charged if the owner of the building or property affected is a corporation or association organized and operated exclusively for religious, charitable, or educational purposes, or for one or more such purposes, no part of the earnings of which inures to the benefit of any private shareholder or individual, and provided that the property affected is to be used exclusively by such corporation or association for one or more of such purposes. In addition, for applications made on or after July 1, 1987, no fees shall be charged for the project, or such portion thereof, if the Director of the Mayor's Office of Housing Coordination, or any individual succeeding such director's jurisdiction, certifies that the property affected, or such portion thereof, is to be used for the construction of housing affordable to low, moderate or middle income households. A fee abatement for a portion of such project shall be calculated upon the percentage of the square footage allocated to the affordable housing and shall proportionately reduce the standard fee attributable to the square footage of the entire project, including such affordable housing portion. In no event shall the portion allocated to the affordable housing part of the project be used to decrease the total project square footage so as to place the project into a lower fee category]. Fees shall be paid when the application is filed, and these fees may

not be combined in one check or money order with fees required pursuant to other land use applications submitted to the Department of City Planning or the City Planning Commission. No application shall be processed by the lead agency until the fee has been paid and twenty-five copies of the application have been filed with the lead agency.

Each zoning verification request shall be made in writing, and shall include the address, borough, tax block and lot(s) of the property. Each separate property shall be a separate request; however, a property comprised of multiple contiguous tax lots shall be treated as a single request.

STATEMENT OF BASIS AND PURPOSE

The City Planning Commission is proposing to amend its rules pursuant to its authority under Sections 192 and 1043 of the New York City Charter.

Amendments to Chapter 3 of Title 62 of the Rules of the City of New York would increase fees for City Environmental Quality (CEQR) review by 15% to reflect cost of living increases and increased labor costs, except that for Type II applications the current fee of \$75 will be increased by 33%. The amendments would also increase fees for the processing and review of most land use applications by 40% in order to reflect agency

costs of processing and review. The CEQR fee increase is less than the land use application fee increase current CEQR fees capture more of the current costs. The CEQR fee increase will also increase fees for such review by the Board of Standards and Appeals.

Fees for non-profit organizations would no longer be waived. Exceptions would be made for neighborhood, community or similar associations consisting of local residents or homeowners organized on a non-profit basis filing area-wide rezoning applications.

The fee for an application which requests a modification of a previously approved application, where the new application is not subject to § 197-c of the New York City Charter, would be increased to one-half of the current fee for an initial application from one-quarter. Payment of a fee would be required for the Department's issuance of written zoning verifications, a service for which no fee has previously been charged. A fee for certification for public school space pursuant to Section 107-123 of Article X, Chapter 7 (Special South Richmond Development District) of the Zoning Resolution, which was previously erroneously deleted from the Section 3-07, has been reinserted.

In addition to the changes described above, Section 3-07 would be reorganized for clarity and ease of use. Complex language would be simplified, and outdated provisions would be eliminated.

(On April 11, 2007, Cal. No. 8, the Commission scheduled April 25, 2007 for a public hearing which has been duly advertised.)

Close the hearing.
