CITY PLANNING COMMISSION

**GENERAL RULES OF PROCEDURE AS PERTAINING TO
PUBLIC MEETINGS**

1. A quorum shall consist of seven members.
2. Final action by the Commission shall be by the affirmative vote of not less than seven members.
3. Except by unanimous consent, matters upon which public hearing are required by law shall lie over until the next meeting following the public hearing.
4. Matters not on the calendar may be considered by unanimous consent.

NOTE - Matters scheduled for public hearing by the City Planning Commission usually appear in three calendars: in Section I, (Scheduling Dates for Future Public Hearings), in Section II, (Reports), and in Section III, (Public Hearings). Matters scheduled for public hearing by Community Boards appear in a separate calendar available in the Calendar Information Office.

NOTICE--CALENDARS: City Planning Commission calendars and disposition sheets are now available on the Department of City Planning's web site (www.nyc.gov/planning).

If you wish to be notified of the web site availability of calendars and disposition sheets, please send your name, organization and E-mail address to the address listed below.

Roll Call; Approval of Minutes.....1

I. Matters to Be Scheduled for Public Hearing.....1

II Reports.....49

III. Public Hearings.....55

IV. Schedule of Meetings: January 1, 2012 – December 31, 2012.....59

V. Schedule of Meetings: January 1, 2013 – December 31, 2013.....60

**Community Board Public Hearing Notices are available in the
Calendar Information Office, Room 2E, 22 Reade Street,
New York, N.Y. 10007**

The next regular public meeting of the City Planning Commission is scheduled for November 28, 2012 at Spector Hall, 22 Reade Street, New York, New York at 10:00 a.m.

GENERAL INFORMATION

HOW TO PARTICIPATE:

Signing up to speak: Anyone wishing to speak on any of the items listed under "Public Hearing" in this Calendar, is requested to fill out a speaker's slip supplied at the staff desk outside the hearing chambers on the day of the hearing. Speakers on each item will be called in the order these slips are submitted, with the exception that public officials will be allowed to speak first. If a large number of people wish to speak on a particular item, statements will be taken alternating every 30 minutes between those speaking in support of the proposal and those speaking in opposition.

Length of Testimony: In order to give others an opportunity to speak, all speakers are asked to limit their remarks to three minutes.

Written Comments: If you intend to submit a written statement and/or other documents please submit 20 sets of each.

Anyone wishing to present facts or to inform the Commission of their view on an item in this calendar, but who cannot or does not wish to speak at the public hearing, may fill out the form below and return it to the desk outside the hearing chambers or mail their written comments to:

**CITY PLANNING COMMISSION

Chapter 3 - Special Permits by the Board of Standards and Appeals

* * *

73-244

In C2, C3, C4*, C6-4, M1-5A, M1-5B, M1-5M and M1-6M Districts, the Special Hudson Square District and the Special Tribeca Mixed Use District**

In C2, C3, C4*, C6-4**, M1-5A, M1-5B, M1-5M and M1-6M Districts, the Special Hudson Square District and the #Special Tribeca Mixed Use District#, the Board of Standards and Appeals may permit eating or drinking establishments with entertainment and a capacity of more than 200 persons or establishments of any capacity with dancing, for a term not to exceed three years, provided that the following findings are made:

- (a) that a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. A plan shall be provided to the Board to ensure that the operation of the establishment will not result in the gathering of crowds or the formation of lines on the #street#;

- (b) that the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residence District# boundary;
- (c) that such #use# will not cause undue vehicular or pedestrian congestion in local #streets#;
- (d) that such #use# will not impair the character or the future use or development of the surrounding residential or mixed use neighborhoods;
- (e) that such #use# will not cause the sound level in any affected conforming #residential use#, #joint living-work quarters for artists# or #loft dwelling# to exceed the limits set forth in any applicable provision of the New York City Noise Control Code; and
- (f) that the application is made jointly by the owner of the #building# and the operators of such eating or drinking establishment.

The Board shall prescribe appropriate controls to minimize adverse effects on the character of the surrounding area, including, but not limited to, location of entrances and operable windows, provision of sound-lock vestibules, specification of acoustical insulation, maximum size of establishment, kinds of amplification of musical instruments or voices, shielding of flood lights, adequate screening, curb cuts or parking.

Any violation of the terms of a special permit may be grounds for its revocation.

* In C4 Districts where such #use# is within 100 feet from a #Residence District# boundary

** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue

Chapter 8
Special Hudson Square District

88-00
GENERAL PURPOSES

The Special Hudson Square District established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- (a) support the growth of a mixed residential, commercial and industrial neighborhood by permitting expansion and new development of residential, commercial and community facility uses while promoting the retention of commercial uses and light manufacturing uses;
- (b) recognize and enhance the vitality and character of the neighborhood for workers and residents;
- (c) encourage the development of buildings compatible with existing development;
- (d) regulate conversion of buildings while preserving continued manufacturing or commercial use;
- (e) encourage the development of affordable housing;
- (f) promote the opportunity for workers to live in the vicinity of their work;
- (g) retain jobs within New York City; and
- (h) promote the most desirable use of land in accordance with a well-considered plan and thus conserve the value of land and buildings, and thereby protect City tax revenues.

88-01 **Definitions**

Definitions specifically applicable to this Chapter are set forth in this Section. The definitions of other defined terms are set forth in Section 12-10 (DEFINITIONS).

Qualifying building

For the purposes of this Chapter, a “qualifying #building#” shall be any #building# that contained at least 70,000 square feet of #floor area# on (date of referral).

88-02 **General Provisions**

In harmony with the general purposes and intent of this Resolution and the general purposes of the #Special Hudson Square District#, the provisions of this Chapter shall apply within the #Special Hudson Square District#. The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In

the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

88-03

District Plan and Maps

The regulations of this Chapter are designed to implement the #Special Hudson Square District# Plan.

The District Plan includes the following map in the Appendix to this Chapter:

Map 1 Special Hudson Square District and Subdistricts

This map is hereby incorporated and made part of this Resolution for the purpose of specifying locations where the special regulations and requirements set forth in this Chapter apply.

88-04

Subdistricts

In order to carry out the purposes and provisions of this Chapter, two subdistricts are established as follows:

Subdistrict A

Subdistrict B.

The Subdistricts are specified on Map 1 (Special Hudson Square District and Subdistricts) in the Appendix to this Chapter.

88-05

Applicability of District Regulations

88-051

Applicability of Article I, Chapter 5

The conversion to #dwelling units# of non-#residential buildings# erected prior to January 1, 1977, or portions thereof, shall be permitted subject to Sections 15-11 (Bulk Regulations), 15-12 (Open Space Equivalent) and 15-30 (Minor Modifications), paragraph (b), except as superseded or modified by the provisions of this Chapter.

88-10
SUPPLEMENTAL USE REGULATIONS

All permitted #uses# in the underlying districts, as set forth in Section 42-10 (USES PERMITTED AS-OF-RIGHT), shall comply with the provisions set forth in this Section, inclusive.

88-11
Residential Use

#Residential use# shall be permitted in accordance with the provisions of this Section.

(a) Residential use as-of-right

#Residential use# shall be permitted as-of-right on any #zoning lot# that, on (date of referral), was not occupied by a qualifying #building#. As a condition to receiving a building permit, such absence of a qualifying #building# on the #zoning lot# must be demonstrated to the satisfaction of the Department of Buildings.

(b) Residential use by certification

#Residential use# shall be permitted on a #zoning lot# that, on (date of referral), was occupied by one or more qualifying #buildings#, only upon certification by the Chairperson of the City Planning Commission that the #zoning lot#, as it existed on (date of referral), will contain at least the amount of non-#residential floor area# that existed within such qualifying #buildings# on the zoning lot on (date of referral), subject to the following:

(1) non-#residential floor area# that is preserved within existing non-qualifying #buildings# on the #zoning lot# through restrictive declaration may count toward meeting the requirements of this certification; and

(2) #floor area# from #community facility uses# with sleeping accommodations shall not count toward meeting the requirements of this certification.

However, non-#residential floor area# converted to #residential# vertical circulation space and lobby space need not be replaced as non-#residential floor area#.

A restrictive declaration acceptable to the Department of City Planning shall be executed and recorded, binding the owners, successors and assigns to maintain the amount of non-#residential floor area# that existed within such qualifying #buildings# on (date of

referral) on the #zoning lot#. Such restrictive declaration shall be recorded in the Office of the City Register. A copy of such declaration shall be provided to the Department of Buildings upon application for any building permit related to a change in #use# from non-#residential# to #residential#, or for any #development# containing #residences#.

88-12

Community Facility Use

The #community facility use# regulations applicable in M1 Districts shall not apply in the #Special Hudson Square District#. In lieu thereof, all #community facility uses# listed in Use Groups 3 and 4 shall be permitted, except that #community facilities# with sleeping accommodations shall only be permitted in accordance with paragraphs (a) or (b) of this Section, as applicable.

- (a) #Community facilities# with sleeping accommodations shall be permitted as-of-right on any #zoning lot# that, on (date of referral), was not occupied by a qualifying #building#. As a condition to receiving a building permit, such absence of a qualifying #building# on the #zoning lot# shall be demonstrated to the satisfaction of the Department of Buildings.
- (b) #Community facilities# with sleeping accommodations shall be permitted on a #zoning lot# that, on (date of referral), was occupied by one or more qualifying #buildings#, only upon certification by the Chairperson of the City Planning Commission that the #zoning lot# will contain at least the amount of non-#residential floor area# that existed within qualifying #buildings# on the zoning lot on (date of referral), subject to the following:
 - (1) non-#residential floor area# that is preserved within existing non-qualifying #buildings# on the #zoning lot# through restrictive declaration may count toward meeting the requirements of this certification; and
 - (2) #floor area# from #community facility uses# with sleeping accommodations shall not count toward meeting the requirements of this certification.

However, non-#residential floor area# converted to vertical circulation and lobby space associated with a #community facility# with sleeping accommodations need not be replaced as non-#residential floor area#.

A restrictive declaration acceptable to the Department of City Planning shall be executed and recorded, binding the owners, successors and assigns to maintain the amount of non-#residential floor area# that existed within such qualifying #buildings# on (date of referral) on the #zoning lot#. Such restrictive declaration shall be recorded in the Office of the City Register. A copy of such declaration shall be provided to the Department of Buildings upon application for any building permit related to a change in #use# from

non-residential to community facility uses with sleeping accommodations, or for any development containing community facility uses with sleeping accommodations.

- (c) Ground floor community facility uses shall be subject to the streetscape provisions set forth in Section 88-131 (Streetscape Provisions).

88-13

Commercial Use

The commercial use regulations applicable in M1 Districts shall apply in the Special Hudson Square District, except that:

- (a) food stores, including supermarkets, grocery stores, or delicatessen stores, shall not be limited as to the size of the establishment;
- (b) uses listed in Use Group 6A, other than food stores, Use Groups 6C, pursuant to Section 42-13, 6E, 10 and 12B, shall be limited to 10,000 square feet of floor area at the ground floor level, per establishment. Portions of such establishments located above or below ground floor level shall not be limited in size;
- (c) ground floor commercial uses shall be subject to special streetscape provisions set forth in Section 88-131 (Streetscape provisions);
- (d) commercial uses permitted in M1 Districts shall be subject to the modifications set forth in Section 123-22 (Modification of Use Groups 16, 17 and 18), inclusive;
- (e) transient hotels shall be allowed, except that:
- (1) development or enlargement of transient hotels with greater than 100 sleeping units on zoning lots where residential use is permitted as-of-right, in accordance with paragraph (a) of Section 88-11, shall only be allowed upon certification by the Chairperson of the City Planning Commission to the Commissioner of Buildings that the “residential development goal” has been met for the Special Hudson Square District as set forth in this paragraph, (e)(1), or, where such “residential development goal” has not been met, by special permit pursuant to Section 88-132 (Special permit for large transient hotels);

Residential Development Goal

The residential development goal shall be met when at least 2,255 dwelling units, permitted pursuant to the provisions of Section 88-11 (Residential Use), within the Special Hudson Square District have received temporary or final certificates of occupancy subsequent to [date of enactment].

- (2) A change of #use# within a qualifying #building# to a #transient hotel# with greater than 100 sleeping units shall only be allowed by special permit, pursuant to Section 88-132;
- (f) eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, are permitted only by special permit of the Board of Standards and Appeals, pursuant to Section 73-244.

88-131
Streetscape provisions

For #zoning lots# with #street# frontage of 50 feet or more, the location of certain #uses# shall be subject to the following #use# requirements:

- (a) For #uses# located on the ground floor or within five feet of #curb level#, limited to Use Groups 6A, 6C, 7B, 8A, 8B, 9A, 10A, 12A and 12B, shall have a depth of at least 30 feet from the #building wall# facing the #street# and shall extend along a minimum of 50 percent of the width of the #street# frontage of the #zoning lot#.
- (b) The remainder of the #street# frontage of the #zoning lot# may be occupied by any permitted #uses#, lobbies or entrances to parking spaces, except that lobbies shall be limited to a total width of 40 feet per #street# frontage. The 30 foot minimum depth requirement shall not apply where a reduction in such depth is necessary in order to accommodate a #residential lobby# or vertical circulation core.
- (c) In Subdistrict A, for portions of a #building# bounding a #public park#, the ground floor #use# requirements of paragraph (a) of this Section shall apply to 100 percent of the width of the #street# frontage of the #zoning lot#, and #residential# lobbies and #schools# shall be permitted #uses# on the ground floor for purposes of compliance with paragraph (a) of this Section.

For #zoning lots# with #street frontage# of less than 50 feet, no special ground floor #use# requirements shall apply.

Enclosed parking spaces, or parking spaces covered by a #building#, including such spaces #accessory# to #residences#, shall be permitted to occupy the ground floor provided they are located beyond 30 feet from the #building wall# facing the #street#.

Any ground floor #street wall# of a #development# or #enlargement# that contains #uses# listed in Use Groups 1 through 15, not including #dwelling units#, shall be glazed with transparent

materials which may include #show windows#, transom windows or glazed portions of doors, provided such transparent materials have a minimum width of two feet. Such transparency shall occupy at least 50 percent of the surface area of each such ground floor #street wall# between a height of two feet, and 12 feet or the height of the ground floor ceiling, whichever is higher, as measured from the adjoining sidewalk. The lowest level of any transparency that is provided to satisfy the requirements of this Section shall not be higher than four feet above the #curb level#, with the exception of transom windows. In addition, the maximum width of a portion of the ground floor level #street wall# without transparency shall not exceed ten feet. However, where an entrance to a parking facility is provided, the requirements of this Section shall not apply to that portion of the ground floor #street wall# occupied by such an entrance.

88-132

Special permit for large transient hotels

(a) Developments or enlargements

In the #Special Hudson Square District#, prior to the “residential development goal” set forth in paragraph (f) of Section 88-13 (Commercial Use) having been achieved, the City Planning Commission may permit #developments# or #enlargements# of #transient hotels# with greater than 100 sleeping units on #zoning lots# where #residential use# is permitted as-of-right, in accordance with paragraph (a) of Section 88-11 (Residential Use), provided the Commission finds that:

- (1) sufficient development sites are available in the area to meet the “residential development goal”; or
- (2) a harmonious mix of #residential# and non-#residential uses# has been established in the surrounding area, and such #transient hotel# resulting from a #development# or #enlargement# is consistent with the character of such surrounding area.

(b) Changes of use

In the #Special Hudson Square District#, the City Planning Commission may permit the change of #use# of #floor area# within qualifying #buildings# to a Use Group 5 #transient hotel# with greater than 100 sleeping units provided that, at minimum, the amount of #floor area# changed to such #transient hotel# is:

- (1) preserved for Use Group 6B office #use# within a qualifying #building# located within the #Special Hudson Square District#, or
- (2) created for Use Group 6B office #use# within a #building developed# after (date of referral), or within the #enlarged# portion of a #building#, where such

#enlargement# was constructed within one year of the date an application pursuant to this Section is filed with the Department of City Planning (DCP). Such #developed# or #enlarged buildings# may be located anywhere within the #Special Hudson Square District#, and shall have either temporary or final certificates of occupancy for Use Group 6B office #use#.

In order to permit such change of #use#, the Commission shall find that the proposed #transient hotel# is so located as not to impair the essential character, or the future use or development, of the surrounding area.

A restrictive declaration acceptable to the DCP shall be executed and recorded, binding the owners, successors and assigns to preserve an amount of Use Group 6B office #use# within a qualifying #building#, or created within a #development# or #enlargement#, as applicable. Such restrictive declaration shall be recorded in the Office of the City Register. A copy of such declaration shall be provided to the Department of Buildings upon application for any building permit related to a change in #use# from Use Group 6B office #use# to any other #use#.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

88-14

Manufacturing Use

In the #Special Hudson Square District#, #manufacturing uses# permitted in M1 Districts shall be subject to the modifications set forth in Section 123-22 (Modification of Use Groups 16, 17 and 18), inclusive.

88-20

SIGN REGULATIONS

In the #Special Hudson Square District#, #signs# are subject to the regulations applicable in C6-4 Districts, as set forth in Section 32-60, inclusive.

88-30

SPECIAL BULK REGULATIONS

Except as modified in this Chapter, the following bulk regulations shall apply:

- (a) For #developments#, #enlargements#, or changes of #use# containing #residences#, the #bulk# regulations of an R10 District, as set forth in Article II, Chapter 3 (Bulk Regulations for Residential Buildings in Residence Districts) shall apply;
- (b) For #developments#, #enlargements#, or changes of #use# containing #manufacturing#, #commercial# or #community facility uses#, the #bulk# regulations set forth in Article IV, Chapter 3 (Bulk Regulations), shall apply.

For the purposes of applying the regulations of this Section, Greenwich Street shall be a #wide street#.

88-31 **Floor Area Regulations**

Except in Subdistricts A and B, the maximum #floor area# ratio for #zoning lots# that do not contain #residences# shall be 10.0; no #floor area# bonuses shall apply.

The maximum base #floor area ratio# for #zoning lots# that contain #residences# shall be 9.0 plus an amount equal to 0.25 times the non-#residential floor area ratio# provided on the #zoning lot#, provided that such base #floor area ratio# does not exceed 10.0. Such #floor area ratio# may be increased to a maximum of 12.0 only as set forth in Section 88-32 (Inclusionary Housing).

88-311 **Special floor area regulations in Subdistrict A**

For #zoning lots# in Subdistrict A that do not contain #residences#, the maximum #floor area# ratio shall be 10.0; no #floor area# bonuses shall apply.

For #zoning lots# in Subdistrict A containing #residences#, the maximum #floor area ratio# shall be 9.0 plus an amount equal to 0.25 times the non-#residential floor area ratio# provided on the #zoning lot#, provided that such base #floor area ratio# does not exceed 10.0.

Any floor space designated for #use# as a #school# shall be exempted from the definition of #floor area# for the purposes of calculating the permitted #floor area ratio# for #community facility uses# and the total maximum #floor area ratio# of the #zoning lot#, provided that such school is either:

- (a) a public school, subject to the jurisdiction of the New York City Department of Education, pursuant to an agreement accepted by the School Construction Authority; or

- (b) a charter school, subject to the New York State Education Law, pursuant to an agreement with a charter school organization.

88-312
Special floor area regulations in Subdistrict B

The maximum #floor area ratios# in Subdistrict B shall be as set forth in the following table:

	<u>Maximum #Floor Area Ratio#</u>
<u>#Residential Use#</u>	<u>5.4¹</u>
<u>#Community Facility Use#</u>	<u>6.5</u>
<u>#Commercial Use#</u>	<u>6.0</u>
<u>#Manufacturing Use#</u>	<u>6.0</u>

¹ May be increased to a maximum of 7.2 only as set forth in Section 88-32 (Inclusionary Housing)

88-32
Inclusionary Housing

The #Special Hudson Square District#, except Subdistrict A, shall be an #Inclusionary Housing designated area#, and the provisions of Section 23-90 (INCLUSIONARY HOUSING) applicable to R10 Districts shall apply, except that within Subdistrict B, the provisions of Section 23-90 applicable to R8 Districts shall apply.

88-33
Height and Setback

In the #Special Hudson Square District#, the height and setback regulations of the underlying districts shall not apply. In lieu thereof, the provisions of this Section shall apply to all #buildings#.

- (a) Rooftop regulations

- (1) Permitted obstructions

The provisions of Section 33-42 shall apply to all #buildings#, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit, provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, times their average

height, in feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage; or that the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet.

In addition, dormers may penetrate a maximum base height provided that on any #street# frontage, the aggregate width of all dormers at the maximum base height does not exceed 60 percent of the length of the #street wall# of the highest #story# entirely below the maximum base height. For each foot of height above the maximum base height, the aggregate width of all such dormers shall be decreased by one percent of the #street wall# width of the highest #story# entirely below the maximum base height.

(2) Screening requirements for mechanical equipment

For all #developments#, #enlargements# and #conversions# of non-#residential floor area# to #residences#, all mechanical equipment located on any roof of a #building or other structure# shall be fully screened on all sides. However, no such screening requirements shall apply to water tanks.

(b) Height and setback

(1) #Street wall# location

On #wide streets#, and on #narrow streets# within 50 feet of their intersection with a #wide street#, the #street wall# shall be located on the #street line# and extend along the entire #street# frontage of the #zoning lot# up to the minimum base height or the height of the #building#, whichever is less. On #narrow streets# beyond 50 feet of their intersection with a #wide street#, the #street wall# shall be located on the #street line#. For the purposes of this paragraph, (b), portions of #street walls# located up to 18 inches from a #street line# shall be considered to be located on the #street line# where a vertical element of such #street wall# is located on the #street line# and rises without setback from ground level to the top of the second #story# at intervals of at least once every 15 feet in plan and, above the level of the second #story#, where a vertical element rises without setback to the applicable minimum base height at an interval of at least once every 30 feet in plan.

On the ground floor, recesses shall be permitted where required to provide access to the #building#, provided such recesses do not exceed three feet in depth as measured from the #street line#.

Above the level of the ground floor, recesses shall be permitted beyond 20 feet of an adjacent #building# and beyond 30 feet of the intersection of two #street lines#, as follows:

(i) Along #wide streets#

Recesses shall be provided at the level of each #story# entirely above a height of 60 feet, up to the maximum base height of the #building#. Such recesses shall have a minimum depth of five feet and a width between 10

and 40 percent of the #aggregate width of street wall# of the #building# at the level of any #story#.

(ii) Along #narrow streets#

Above the level of the second #story#, recesses in #street walls# deeper than 18 inches shall be permitted. Such recesses may not exceed 30 percent of the #aggregate width of street wall# of the #building# at the level of any #story#.

(2) Base height

On #wide streets#, and on #narrow streets# within 50 feet of their intersection with a #wide street#, the #street wall# of a #building# shall rise without setback to a minimum base height of 125 feet and a maximum base height of 150 feet.

On #narrow streets#, beyond 50 feet of their intersection with a #wide street#, the #street wall# of a #building# shall rise without setback to a minimum base height of 60 feet, or the height of the #building#, whichever is less, up to a maximum base height of 125 feet.

As an alternative, the minimum and maximum base heights applicable to a #wide street# may apply along a #narrow street# to a distance of 100 feet from its intersection with a #wide street#.

(3) Required setbacks and maximum #building# heights

(i) Along #wide streets#

The provisions of this paragraph, (b)(3)(i), shall apply to #buildings#, or portions thereof, located on #wide streets#, and on #narrow streets# within 100 feet from their intersection with a #wide street#. The portion of such #building# above a height of 150 feet shall be set back from the #street wall# of the #building# at least 10 feet along a #wide street# and at least

15 feet along a #narrow street#, except such dimensions may include the depth of any permitted recesses in the #street wall#. The maximum height of such #buildings# shall be 320 feet. In addition, the gross area of each of either the highest two or three #stories# of such #building# located entirely above a height of 230 feet, shall not exceed 80 percent of the gross area of the #story# directly below such highest two or three #stories#.

(ii) Along #narrow streets#

The provisions of this paragraph, (b)(3)(ii), shall apply to #buildings#, or portions thereof, located on #narrow streets# beyond 100 feet from their intersection with a #wide street#.

The portion of such #building# above a height of 125 feet shall be set back from the #street wall# of the #building# at least 15 feet, except such dimensions may include the depth of any permitted recesses in the #street wall#.

The maximum height of such #buildings# shall be 185 feet.

For #buildings# containing #residences#, no portion of such #building# exceeding a height of 125 feet shall be nearer to a #rear yard line# than ten feet.

(4) Maximum length of #building wall#

The maximum length of any #story# located entirely above a height of 150 feet shall not exceed 150 feet. Such length shall be measured in plan view by inscribing within a rectangle the outermost walls at the level of each #story# entirely above a level of 150 feet.

(5) Vertical #enlargements#

(i) Existing #buildings# may be vertically #enlarged# by up to one #story# or 15 feet without regard to the #street wall# location requirements of paragraphs (b)(1) and (b)(2) of this Section.

(ii) Existing #buildings# with #street walls# that rise without setback to a height of at least 80 feet may be vertically #enlarged# in excess of one #story# or 15 feet without regard to the #street wall# location requirements of paragraphs (b)(1) and (b)(2) of this Section, provided such

#enlarged# portion is located at least 10 feet from a #wide street# and at least 15 feet from a #narrow street#.

88-331

Special height and setback regulations in Subdistrict A

For #zoning lots# in Subdistrict A, the regulations in paragraph (b) of Section 88-33 applicable to #wide streets# shall apply, except where modified or superseded by the regulations of this Section.

(a) Maximum #building# height

The maximum height of #buildings# shall be 430 feet.

(b) Lot coverage

Below a height of 290 feet, #buildings# shall have a minimum #floor area# coverage of at least 30 percent of the #lot area# of the #zoning lot#. Above a height of 290 feet, #buildings# shall have a minimum #floor area# coverage of at least 20 percent of the #lot area# of the #zoning lot#.

(c) Modification of #bulk# regulations for #zoning lots# bounding a #public park#

In the case of a #zoning lot line# #abutting# the boundary of a #public park#, such #zoning lot line# shall be considered to be a #wide street line# for the purposes of applying all #bulk# regulations of this Resolution except for #street wall# regulations. For the purposes of applying #street wall# regulations in the case of a #zoning lot line# #abutting# the boundary of a #public park#, a line no more than 45 feet west of and parallel to the nearest boundary line of the #public park# shall be considered a #wide street line#.

(d) #Street wall# location

The #street wall# provisions of this Chapter shall apply, except that, for the portion of a #building# bounding a #public park#, the #street wall# shall be located at the #street line# for at least 50 percent of the frontage bounding the #public park# and shall rise to the minimum base height, but not higher than the maximum base height.

88-332

Special height and setback regulations in Subdistrict B

For #zoning lots# in Subdistrict B, the regulations in paragraph (b) of Section 88-33 shall not apply. In lieu thereof, the height and setback regulations applicable in a C6-2A District shall apply.

88-333

Courts

Those portions of #buildings# that contain #residences# shall be subject to the court provisions applicable in R10 Districts as set forth in Section 23-80 (Court Regulations, Minimum Distance between Windows and Walls or Lot Lines and Open Area Requirements), inclusive.

88-40

YARD REGULATIONS

In the #Special Hudson Square District#, the yard provisions applicable in C6 Districts shall apply.

88-50

PARKING AND LOADING REGULATIONS AND CURB CUT LOCATIONS

In the #Special Hudson Square District#, the parking regulations applicable in C6-4 Districts, as set forth in Article III, Chapter 6, and as modified, pursuant to Article I, Chapter 3 (Comprehensive Off-Street Parking Regulations in Community Districts 1,2,3,4,5,6,7 and 8 in the Borough of Manhattan and a Portion of Community Districts 1 and 2 in the Borough of Queens) shall apply.

**APPENDIX F
Inclusionary Housing Designated Areas**

The boundaries of #Inclusionary Housing designated areas# are shown on the maps listed in this Appendix F. The #Residence Districts# listed for such areas shall include #Commercial Districts# where #residential buildings# or the #residential# portion of #mixed buildings# are governed by the #bulk# regulations of such #Residence Districts#. Where #Inclusionary Housing designated areas# are mapped in #Commercial Districts#, the residential district equivalent has instead been specified for each map.

Chapter 3 - Special Permits by the Board of Standards and Appeals

* * *

73-244

In C2, C3, C4*, C6-4, M1-5A, M1-5B, M1-5M and M1-6M Districts, the Special Hudson Square District and the Special Tribeca Mixed Use District**

In C2, C3, C4*, C6-4**, M1-5A, M1-5B, M1-5M and M1-6M Districts, the Special Hudson Square District and the Special Tribeca Mixed Use District, the Board of Standards and Appeals may permit eating or drinking establishments with entertainment and a capacity of more than 200 persons or establishments of any capacity with dancing, for a term not to exceed three years, provided that the following findings are made:

- (a) that a minimum of four square feet of waiting area within the #zoning lot# shall be provided for each person permitted under the occupant capacity as determined by the New York City Building Code. The required waiting area shall be in an enclosed lobby and shall not include space occupied by stairs, corridors or restrooms. A plan shall be provided to the Board to ensure that the operation of the establishment will not result in the gathering of crowds or the formation of lines on the #street#;
- (b) that the entrance to such #use# shall be a minimum of 100 feet from the nearest #Residence District# boundary;
- (c) that such #use# will not cause undue vehicular or pedestrian congestion in local #streets#;
- (d) that such #use# will not impair the character or the future use or development of the surrounding residential or mixed use neighborhoods;
- (e) that such #use# will not cause the sound level in any affected conforming #residential use#, #joint living-work quarters for artists# or #loft dwelling# to exceed the limits set forth in any applicable provision of the New York City Noise Control Code; and
- (f) that the application is made jointly by the owner of the #building# and the operators of such eating or drinking establishment.

The Board shall prescribe appropriate controls to minimize adverse effects on the character of the surrounding area, including, but not limited to, location of entrances and operable windows, provision of sound-lock vestibules, specification of acoustical insulation, maximum size of establishment, kinds of amplification of musical instruments or voices, shielding of flood lights, adequate screening, curb cuts or parking.

Any violation of the terms of a special permit may be grounds for its revocation.

- * In C4 Districts where such #use# is within 100 feet from a #Residence District# boundary
- ** In C6-4 Districts mapped within that portion of Community District 5, Manhattan, bounded by West 22nd Street, a line 100 feet west of Fifth Avenue, a line midway between West 16th Street and West 17th Street, and a line 100 feet east of Sixth Avenue

Chapter 8
Special Hudson Square District

88-00

GENERAL PURPOSES

The Special Hudson Square District established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- (a) support the growth of a mixed residential, commercial and industrial neighborhood by permitting expansion and new development of residential, commercial and community facility uses while promoting the retention of commercial uses and light manufacturing uses;
- (b) recognize and enhance the vitality and character of the neighborhood for workers and residents;
- (c) encourage the development of buildings compatible with existing development;
- (d) regulate conversion of buildings while preserving continued manufacturing or commercial use;
- (e) encourage the development of affordable housing;
- (f) promote the opportunity for workers to live in the vicinity of their work;
- (g) retain jobs within New York City; and
- (h) promote the most desirable use of land in accordance with a well-considered plan and thus conserve the value of land and buildings, and thereby protect City tax revenues.

88-01
Definitions

Definitions specifically applicable to this Chapter are set forth in this Section. The definitions of other defined terms are set forth in Section 12-10 (DEFINITIONS).

Qualifying building

For the purposes of this Chapter, a “qualifying #building#” shall be any #building# that contained at least 70,000 square feet of #floor area# on (date of referral).

88-02
General Provisions

In harmony with the general purposes and intent of this Resolution and the general purposes of the #Special Hudson Square District#, the provisions of this Chapter shall apply within the #Special Hudson Square District#. The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

88-03
District Plan and Maps

The regulations of this Chapter are designed to implement the #Special Hudson Square District# Plan.

The District Plan includes the following map in the Appendix to this Chapter:

Map 1 Special Hudson Square District and Subdistrict

This map is hereby incorporated and made part of this Resolution for the purpose of specifying locations where the special regulations and requirements set forth in this Chapter apply.

88-04
Subdistricts

In order to carry out the purposes and provisions of this Chapter, the following subdistrict is established:

Subdistrict A

The Subdistrict is specified on Map 1 (Special Hudson Square District and Subdistrict) in the Appendix to this Chapter.

88-05

Applicability of District Regulations

88-051

Applicability of Article I, Chapter 5

The conversion to #dwelling units# of non-#residential buildings# erected prior to January 1, 1977, or portions thereof, shall be permitted subject to Sections 15-11 (Bulk Regulations), 15-12 (Open Space Equivalent) and 15-30 (Minor Modifications), paragraph (b), except as superseded or modified by the provisions of this Chapter.

88-10

SUPPLEMENTAL USE REGULATIONS

All permitted #uses# in the underlying districts, as set forth in Section 42-10 (USES PERMITTED AS-OF-RIGHT), shall comply with the provisions set forth in this Section, inclusive.

88-11

Residential Use

#Residential use# shall be permitted in accordance with the provisions of this Section.

(a) Residential use as-of-right

#Residential use# shall be permitted as-of-right on any #zoning lot# that, on (date of referral), was not occupied by a qualifying #building#. As a condition to receiving a building permit, such absence of a qualifying #building# on the #zoning lot# must be demonstrated to the satisfaction of the Department of Buildings.

(b) Residential use by certification

#Residential use# shall be permitted on a #zoning lot# that, on (date of referral), was occupied by one or more qualifying #buildings#, only upon certification by the Chairperson of the City Planning Commission that the #zoning lot#, as it existed on (date of referral), will contain at least the amount of non-#residential floor area# that existed

within such qualifying #buildings# on the zoning lot on (date of referral), subject to the following:

- (1) non-#residential floor area# that is preserved within existing non-qualifying #buildings# on the #zoning lot# through restrictive declaration may count toward meeting the requirements of this certification; and
- (2) #floor area# from #community facility uses# with sleeping accommodations shall not count toward meeting the requirements of this certification.

However, non-#residential floor area# converted to #residential# vertical circulation space and lobby space need not be replaced as non-#residential floor area#.

A restrictive declaration acceptable to the Department of City Planning shall be executed and recorded, binding the owners, successors and assigns to maintain the amount of non-#residential floor area# that existed within such qualifying #buildings# on (date of referral) on the #zoning lot#. Such restrictive declaration shall be recorded in the Office of the City Register. A copy of such declaration shall be provided to the Department of Buildings upon application for any building permit related to a change in #use# from non-#residential# to #residential#, or for any #development# containing #residences#.

88-12

Community Facility Use

The #community facility use# regulations applicable in M1 Districts shall not apply in the #Special Hudson Square District#. In lieu thereof, all #community facility uses# listed in Use Groups 3 and 4 shall be permitted, except that #community facilities# with sleeping accommodations shall only be permitted in accordance with paragraphs (a) or (b) of this Section, as applicable.

- (a) #Community facilities# with sleeping accommodations shall be permitted as-of-right on any #zoning lot# that, on (date of referral), was not occupied by a qualifying #building#. As a condition to receiving a building permit, such absence of a qualifying #building# on the #zoning lot# shall be demonstrated to the satisfaction of the Department of Buildings.
- (b) #Community facilities# with sleeping accommodations shall be permitted on a #zoning lot# that, on (date of referral), was occupied by one or more qualifying #buildings#, only upon certification by the Chairperson of the City Planning Commission that the #zoning lot# will contain at least the amount of non-#residential floor area# that existed within qualifying #buildings# on the zoning lot on (date of referral), subject to the following:

- (1) non-residential floor area that is preserved within existing non-qualifying buildings on the zoning lot through restrictive declaration may count toward meeting the requirements of this certification; and
- (2) floor area from community facility uses with sleeping accommodations shall not count toward meeting the requirements of this certification.

However, non-residential floor area converted to vertical circulation and lobby space associated with a community facility with sleeping accommodations need not be replaced as non-residential floor area.

A restrictive declaration acceptable to the Department of City Planning shall be executed and recorded, binding the owners, successors and assigns to maintain the amount of non-residential floor area that existed within such qualifying buildings on (date of referral) on the zoning lot. Such restrictive declaration shall be recorded in the Office of the City Register. A copy of such declaration shall be provided to the Department of Buildings upon application for any building permit related to a change in use from non-residential to community facility uses with sleeping accommodations, or for any development containing community facility uses with sleeping accommodations.

- (c) Ground floor community facility uses shall be subject to the streetscape provisions set forth in Section 88-131 (Streetscape Provisions).

88-13

Commercial Use

The commercial use regulations applicable in M1 Districts shall apply in the Special Hudson Square District, except that:

- (a) food stores, including supermarkets, grocery stores, or delicatessen stores, shall not be limited as to the size of the establishment;
- (b) uses listed in Use Group 6A, other than food stores, Use Groups 6C, pursuant to Section 42-13, 6E, 10 and 12B, shall be limited to 10,000 square feet of floor area at the ground floor level, per establishment. Portions of such establishments located above or below ground floor level shall not be limited in size;
- (c) ground floor commercial uses shall be subject to special streetscape provisions set forth in Section 88-131 (Streetscape provisions);
- (d) commercial uses permitted in M1 Districts shall be subject to the modifications set forth in Section 123-22 (Modification of Use Groups 16, 17 and 18), inclusive;

(e) transient hotels shall be allowed, except that:

- (3) development or enlargement of transient hotels with greater than 100 sleeping units on zoning lots where residential use is permitted as-of-right, in accordance with paragraph (a) of Section 88-11, shall only be allowed upon certification by the Chairperson of the City Planning Commission to the Commissioner of Buildings that the “residential development goal” has been met for the Special Hudson Square District as set forth in this paragraph, (e)(1), or, where such “residential development goal” has not been met, by special permit pursuant to Section 88-132 (Special permit for large transient hotels):

Residential Development Goal

The residential development goal shall be met when at least 2,255 dwelling units, permitted pursuant to the provisions of Section 88-11 (Residential Use), within the Special Hudson Square District have received temporary or final certificates of occupancy subsequent to [date of enactment].

- (4) A change of use within a qualifying building to a transient hotel with greater than 100 sleeping units shall only be allowed by special permit, pursuant to Section 88-132;
- (f) eating or drinking establishments with entertainment and a capacity of more than 200 persons, or establishments of any capacity with dancing, are permitted only by special permit of the Board of Standards and Appeals, pursuant to Section 73-244.

88-131
Streetscape provisions

For zoning lots with street frontage of 50 feet or more, the location of certain uses shall be subject to the following use requirements:

- (d) For uses located on the ground floor or within five feet of curb level, limited to Use Groups 6A, 6C, 7B, 8A, 8B, 9A, 10A, 12A and 12B, shall have a depth of at least 30 feet from the building wall facing the street and shall extend along a minimum of 50 percent of the width of the street frontage of the zoning lot.
- (e) The remainder of the street frontage of the zoning lot may be occupied by any permitted uses, lobbies or entrances to parking spaces, except that lobbies shall be limited to a total width of 40 feet per street frontage. The 30 foot minimum depth requirement shall not apply where a reduction in such depth is necessary in order to accommodate a residential lobby or vertical circulation core.

- (f) In Subdistrict A, for portions of a #building# bounding a #public park#, the ground floor #use# requirements of paragraph (a) of this Section shall apply to 100 percent of the width of the #street# frontage of the #zoning lot#, and #residential# lobbies and #schools# shall be permitted #uses# on the ground floor for purposes of compliance with paragraph (a) of this Section.

For #zoning lots# with #street frontage# of less than 50 feet, no special ground floor #use# requirements shall apply.

Enclosed parking spaces, or parking spaces covered by a #building#, including such spaces #accessory# to #residences#, shall be permitted to occupy the ground floor provided they are located beyond 30 feet from the #building wall# facing the #street#.

Any ground floor #street wall# of a #development# or #enlargement# that contains #uses# listed in Use Groups 1 through 15, not including #dwelling units#, shall be glazed with transparent materials which may include #show windows#, transom windows or glazed portions of doors, provided such transparent materials have a minimum width of two feet. Such transparency shall occupy at least 50 percent of the surface area of each such ground floor #street wall# between a height of two feet, and 12 feet or the height of the ground floor ceiling, whichever is higher, as measured from the adjoining sidewalk. The lowest level of any transparency that is provided to satisfy the requirements of this Section shall not be higher than four feet above the #curb level#, with the exception of transom windows. In addition, the maximum width of a portion of the ground floor level #street wall# without transparency shall not exceed ten feet. However, where an entrance to a parking facility is provided, the requirements of this Section shall not apply to that portion of the ground floor #street wall# occupied by such an entrance.

88-132

Special permit for large transient hotels

- (c) Developments or enlargements

In the #Special Hudson Square District#, prior to the “residential development goal” set forth in paragraph (f) of Section 88-13 (Commercial Use) having been achieved, the City Planning Commission may permit #developments# or #enlargements# of #transient hotels# with greater than 100 sleeping units on #zoning lots# where #residential use# is permitted as-of-right, in accordance with paragraph (a) of Section 88-11 (Residential Use), provided the Commission finds that:

- (1) sufficient development sites are available in the area to meet the “residential development goal”; or
- (2) a harmonious mix of #residential# and non-#residential uses# has been established in the surrounding area, and such #transient hotel# resulting from a

#development# or #enlargement# is consistent with the character of such surrounding area.

(d) Changes of use

In the #Special Hudson Square District#, the City Planning Commission may permit the change of #use# of #floor area# within qualifying #buildings# to a Use Group 5 #transient hotel# with greater than 100 sleeping units provided that, at minimum, the amount of #floor area# changed to such #transient hotel# is:

- (2) preserved for Use Group 6B office #use# within a qualifying #building# located within the #Special Hudson Square District#, or
- (2) created for Use Group 6B office #use# within a #building developed# after (date of referral), or within the #enlarged# portion of a #building#, where such #enlargement# was constructed within one year of the date an application pursuant to this Section is filed with the Department of City Planning (DCP). Such #developed# or #enlarged buildings# may be located anywhere within the #Special Hudson Square District#, and shall have either temporary or final certificates of occupancy for Use Group 6B office #use#.

In order to permit such change of #use#, the Commission shall find that the proposed #transient hotel# is so located as not to impair the essential character, or the future use or development, of the surrounding area.

A restrictive declaration acceptable to the DCP shall be executed and recorded, binding the owners, successors and assigns to preserve an amount of Use Group 6B office #use# within a qualifying #building#, or created within a #development# or #enlargement#, as applicable. Such restrictive declaration shall be recorded in the Office of the City Register. A copy of such declaration shall be provided to the Department of Buildings upon application for any building permit related to a change in #use# from Use Group 6B office #use# to any other #use#.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

88-14

Manufacturing Use

In the #Special Hudson Square District#, #manufacturing uses# permitted in M1 Districts shall be subject to the modifications set forth in Section 123-22 (Modification of Use Groups 16, 17 and 18), inclusive.

88-20
SIGN REGULATIONS

In the #Special Hudson Square District#, #signs# are subject to the regulations applicable in C6-4 Districts, as set forth in Section 32-60, inclusive.

88-30
SPECIAL BULK REGULATIONS

Except as modified in this Chapter, the following bulk regulations shall apply:

- (c) For #developments#, #enlargements#, or changes of #use# containing #residences#, the #bulk# regulations of an R10 District, as set forth in Article II, Chapter 3 (Bulk Regulations for Residential Buildings in Residence Districts) shall apply;
- (d) For #developments#, #enlargements#, or changes of #use# containing #manufacturing#, #commercial# or #community facility uses#, the #bulk# regulations set forth in Article IV, Chapter 3 (Bulk Regulations), shall apply.

For the purposes of applying the regulations of this Section, Greenwich Street shall be a #wide street#.

88-31
Floor Area Regulations

Except in Subdistrict A, the maximum #floor area# ratio for #zoning lots# that do not contain #residences# shall be 10.0; no #floor area# bonuses shall apply.

The maximum base #floor area ratio# for #zoning lots# that contain #residences# shall be 9.0 plus an amount equal to 0.25 times the non-#residential floor area ratio# provided on the #zoning lot#, provided that such base #floor area ratio# does not exceed 10.0. Such #floor area ratio# may be increased to a maximum of 12.0 only as set forth in Section 88-32 (Inclusionary Housing).

88-311
Special floor area regulations in Subdistrict A

For #zoning lots# in Subdistrict A that do not contain #residences#, the maximum #floor area# ratio shall be 10.0; no #floor area# bonuses shall apply.

For #zoning lots# in Subdistrict A containing #residences#, the maximum #floor area ratio# shall be 9.0 plus an amount equal to 0.25 times the non-#residential floor area ratio# provided on the #zoning lot#, provided that such base #floor area ratio# does not exceed 10.0.

Any floor space designated for #use# as a #school# shall be exempted from the definition of #floor area# for the purposes of calculating the permitted #floor area ratio# for #community facility uses# and the total maximum #floor area ratio# of the #zoning lot#, provided that such school is either:

- (a) a public school, subject to the jurisdiction of the New York City Department of Education, pursuant to an agreement accepted by the School Construction Authority; or
- (b) a charter school, subject to the New York State Education Law, pursuant to an agreement with a charter school organization.

88-32

Inclusionary Housing

The #Special Hudson Square District#, except Subdistrict A, shall be an #Inclusionary Housing designated area#, and the provisions of Section 23-90 (INCLUSIONARY HOUSING) applicable to R10 Districts shall apply.

88-33

Height and Setback

In the #Special Hudson Square District#, the height and setback regulations of the underlying districts shall not apply. In lieu thereof, the provisions of this Section shall apply to all #buildings#.

- (a) Rooftop regulations
 - (1) Permitted obstructions

The provisions of Section 33-42 shall apply to all #buildings#, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit, provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, times their average height, in feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage; or that the #lot coverage#

of all such obstructions does not exceed 20 percent of the #lot coverage# of the #building#, and the height of all such obstructions does not exceed 40 feet.

In addition, dormers may penetrate a maximum base height provided that on any #street# frontage, the aggregate width of all dormers at the maximum base height does not exceed 60 percent of the length of the #street wall# of the highest #story# entirely below the maximum base height. For each foot of height above the maximum base height, the aggregate width of all such dormers shall be decreased by one percent of the #street wall# width of the highest #story# entirely below the maximum base height.

(2) Screening requirements for mechanical equipment

For all #developments#, #enlargements# and #conversions# of non-#residential floor area# to #residences#, all mechanical equipment located on any roof of a #building or other structure# shall be fully screened on all sides. However, no such screening requirements shall apply to water tanks.

(b) Height and setback

(1) #Street wall# location

On #wide streets#, and on #narrow streets# within 50 feet of their intersection with a #wide street#, the #street wall# shall be located on the #street line# and extend along the entire #street# frontage of the #zoning lot# up to the minimum base height or the height of the #building#, whichever is less. On #narrow streets# beyond 50 feet of their intersection with a #wide street#, the #street wall# shall be located on the #street line#. For the purposes of this paragraph, (b), portions of #street walls# located up to 18 inches from a #street line# shall be considered to be located on the #street line# where a vertical element of such #street wall# is located on the #street line# and rises without setback from ground level to the top of the second #story# at intervals of at least once every 15 feet in plan and, above the level of the second #story#, where a vertical element rises without setback to the applicable minimum base height at an interval of at least once every 30 feet in plan.

On the ground floor, recesses shall be permitted where required to provide access to the #building#, provided such recesses do not exceed three feet in depth as measured from the #street line#.

Above the level of the ground floor, recesses shall be permitted beyond 20 feet of an adjacent #building# and beyond 30 feet of the intersection of two #street lines#, as follows:

(i) Along #wide streets#

Recesses shall be provided at the level of each #story# entirely above a height of 60 feet, up to the maximum base height of the #building#. Such recesses shall have a minimum depth of five feet and a width between 10 and 40 percent of the #aggregate width of street wall# of the #building# at the level of any #story#.

(ii) Along #narrow streets#

Above the level of the second #story#, recesses in #street walls# deeper than 18 inches shall be permitted. Such recesses may not exceed 30 percent of the #aggregate width of street wall# of the #building# at the level of any #story#.

(2) Base height

On #wide streets#, and on #narrow streets# within 50 feet of their intersection with a #wide street#, the #street wall# of a #building# shall rise without setback to a minimum base height of 125 feet and a maximum base height of 150 feet.

On #narrow streets#, beyond 50 feet of their intersection with a #wide street#, the #street wall# of a #building# shall rise without setback to a minimum base height of 60 feet, or the height of the #building#, whichever is less, up to a maximum base height of 125 feet.

As an alternative, the minimum and maximum base heights applicable to a #wide street# may apply along a #narrow street# to a distance of 100 feet from its intersection with a #wide street#.

(3) Required setbacks and maximum #building# heights(i) Along #wide streets#

The provisions of this paragraph, (b)(3)(i), shall apply to #buildings#, or portions thereof, located on #wide streets#, and on #narrow streets# within 100 feet from their intersection with a #wide street#. The portion of such #building# above a height of 150 feet shall be set back from the #street wall# of the #building# at least 10 feet along a #wide street# and at least 15 feet along a #narrow street#, except such dimensions may include the depth of any permitted recesses in the #street wall#. The maximum height of such #buildings# shall be 320 feet. In addition, the gross area of each of either the highest two or three #stories# of such #building# located entirely above a height of 230 feet, shall not exceed 80 percent of the

gross area of the #story# directly below such highest two or three #stories#.

(ii) Along #narrow streets#

The provisions of this paragraph, (b)(3)(ii), shall apply to #buildings#, or portions thereof, located on #narrow streets# beyond 100 feet from their intersection with a #wide street#.

The portion of such #building# above a height of 125 feet shall be set back from the #street wall# of the #building# at least 15 feet, except such dimensions may include the depth of any permitted recesses in the #street wall#.

The maximum height of such #buildings# shall be 185 feet.

For #buildings# containing #residences#, no portion of such #building# exceeding a height of 125 feet shall be nearer to a #rear yard line# than ten feet.

(4) Maximum length of #building wall#

The maximum length of any #story# located entirely above a height of 150 feet shall not exceed 150 feet. Such length shall be measured in plan view by inscribing within a rectangle the outermost walls at the level of each #story# entirely above a level of 150 feet.

(5) Vertical #enlargements#

(i) Existing #buildings# may be vertically #enlarged# by up to one #story# or 15 feet without regard to the #street wall# location requirements of paragraphs (b)(1) and (b)(2) of this Section.

(ii) Existing #buildings# with #street walls# that rise without setback to a height of at least 80 feet may be vertically #enlarged# in excess of one #story# or 15 feet without regard to the #street wall# location requirements of paragraphs (b)(1) and (b)(2) of this Section, provided such #enlarged# portion is located at least 10 feet from a #wide street# and at least 15 feet from a #narrow street#.

88-331
Special height and setback regulations in Subdistrict A

For #zoning lots# in Subdistrict A, the regulations in paragraph (b) of Section 88-33 applicable to #wide streets# shall apply, except where modified or superseded by the regulations of this Section.

(a) Maximum #building# height

The maximum height of #buildings# shall be 430 feet.

(b) Lot coverage

Below a height of 290 feet, #buildings# shall have a minimum #floor area# coverage of at least 30 percent of the #lot area# of the #zoning lot#. Above a height of 290 feet, #buildings# shall have a minimum #floor area# coverage of at least 20 percent of the #lot area# of the #zoning lot#.

(c) Modification of #bulk# regulations for #zoning lots# bounding a #public park#

In the case of a #zoning lot line# #abutting# the boundary of a #public park#, such #zoning lot line# shall be considered to be a #wide street line# for the purposes of applying all #bulk# regulations of this Resolution except for #street wall# regulations. For the purposes of applying #street wall# regulations in the case of a #zoning lot line# #abutting# the boundary of a #public park#, a line no more than 45 feet west of and parallel to the nearest boundary line of the #public park# shall be considered a #wide street line#.

(d) #Street wall# location

The #street wall# provisions of this Chapter shall apply, except that, for the portion of a #building# bounding a #public park#, the #street wall# shall be located at the #street line# for at least 50 percent of the frontage bounding the #public park# and shall rise to the minimum base height, but not higher than the maximum base height.

88-332
Courts

Those portions of #buildings# that contain #residences# shall be subject to the court provisions applicable in R10 Districts as set forth in Section 23-80 (Court Regulations, Minimum Distance between Windows and Walls or Lot Lines and Open Area Requirements), inclusive.

88-40
YARD REGULATIONS

In the #Special Hudson Square District#, the yard provisions applicable in C6 Districts shall apply.

88-50
PARKING AND LOADING REGULATIONS AND CURB CUT LOCATIONS

In the #Special Hudson Square District#, the parking regulations applicable in C6-4 Districts, as set forth in Article III, Chapter 6, and as modified, pursuant to Article I, Chapter 3 (Comprehensive Off-Street Parking Regulations in Community Districts 1,2,3,4,5,6,7 and 8 in the Borough of Manhattan and a Portion of Community Districts 1 and 2 in the Borough of Queens) shall apply

Resolution for adoption scheduling November 28, 2012 for a public hearing.

NOTICE

On Wednesday, November 28, 2012, at 10:00AM in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) (CEQR # 12DCP045M) concerning zoning map and zoning text amendments affecting an 18-block area within the Hudson Square neighborhood of Manhattan Community District 2. The affected area is bounded generally by West Houston and Vandam Streets to the north, Avenue of the Americas and approximately 100 feet east of Varick Street to the east, Canal and Spring Streets to the south, and Hudson and Greenwich Streets to the west. The Proposed Action would facilitate a proposal by the applicant, the Rector, Church-Wardens and Vestrymen of Trinity Church in the City of New York, to create a Special Purpose zoning district (the “Special Hudson Square District”), within the affected area, allow new residential development to occur in the Special Hudson Square District, incentivize affordable housing, institute provisions to limit conversions of non-residential buildings to residential use and retain certain commercial uses. The public hearing will also consider a modification to the Proposed Action, (ULURP No. 120381ZRM(A)). Written comments on the DEIS are requested and would be received and considered by the Lead Agency until Monday, December 10, 2012.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 12DCP045M.

CONTINUED HEARING:

IN THE MATTER OF an application submitted by Durst Development LLC pursuant to Sections 197-c and 201 of the New York City Charter for the amendment of the Zoning Map, Section No. 8c, changing from an M1-5 District to a C6-2 District property bounded by West 58th Street, a line 125 feet westerly of Eleventh Avenue, a line midway between West 58th Street and West 57th Street, and a line 125 feet easterly of Twelfth Avenue, as shown on a diagram (for

illustrative purposes only) dated July 11, 2012 and subject to the conditions of CEQR Declaration E-286.

(On October 17, 2012, Cal. No. 2, the Commission scheduled October 31, 2012 for a public hearing which has been duly advertised. Due to Hurricane Sandy, the October 31, 2012 hearing was continued.)

Close the hearing.

No. 14

CD 4

C 120397 ZSM

CONTINUED HEARING:

IN THE MATTER OF an application submitted by Durst Development LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of special permits pursuant to the following sections of the Zoning Resolution:

1. Section 74-743(a)(1) - to allow the distribution of total allowable floor area under the applicable district regulations without regard for zoning district lines; and
2. Section 74-743(a)(2) - to allow the location of buildings without regard for the front wall height and initial setback requirements of Section 33-432, the tower requirements of Section 33-451, and the distance between building requirements of Section 23-711;

in connection with a proposed mixed-use development, on property bounded by West 58th Street, Eleventh Avenue, West 57th Street, and Twelfth Avenue (Block 1105, Lots 1, 5, 14, 19, 29, 36, and 43), within a Large-Scale General Development, in C4-7 and C6-2* Districts, within the Special Clinton District (Other Areas (Northern Subarea C1)).

*Note: The site is proposed to be rezoned by changing an M1-5 District to a C6-2 District under a concurrent related application C 120396 ZMM.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

(On October 17, 2012, Cal. No. 3, the Commission scheduled October 31, 2012 for a public hearing which has been duly advertised. Due to Hurricane Sandy, the October 31, 2012 hearing was continued.)

Close the hearing.

No. 15

CD 4

C 120398 ZSM

CONTINUED HEARING:

IN THE MATTER OF an application submitted by Durst Development LLC pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 13-561 of the Zoning Resolution to allow an enclosed attended accessory parking garage with a maximum capacity of 285 spaces on portions of the ground floor and mezzanine level of a proposed mixed-use building on the westerly portion of property bounded by West 58th Street, Eleventh Avenue, West 57th Street, and Twelfth Avenue (Block 1105, Lots 1, 5, 14, 19, 29, 36, and 43), within a Large-Scale General Development, in C4-7 and C6-2* Districts, within the Special Clinton District (Other Areas (Northern Subarea C1)).

*Note: The site is proposed to be rezoned by changing an M1-5 District to a C6-2 District under a concurrent related application C 120396 ZMM.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

(On October 17, 2012, Cal. No. 4, the Commission scheduled October 31, 2012 for a public hearing which has been duly advertised. Due to Hurricane Sandy, the October 31, 2012 hearing was continued.)

Close the hearing.

NOTICE

On Wednesday, November 14, 2012, at 10:00AM in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Supplemental Environmental Impact Statement (DSEIS) (CEQR #

12DCP020M) concerning special permits and a zoning map amendment for an area encompassing a portion of the block bounded by West 57th and West 58th Streets, Eleventh and Twelfth Avenues (Block 1105, the project block) in Manhattan, Community District 4. The proposal also includes modifications to existing special permits and an existing Restrictive Declaration. The proposed actions would facilitate a proposal by the applicant, Durst Development L.L.C., to develop approximately 1.1 million gross square feet of residential, commercial, community facility, and parking uses on the project block. Written comments on the DSEIS are requested and would be received and considered by the Lead Agency until Monday, November 26, 2012.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 12DCP020M.
