TRANSIENT HOTELS

74-801
In R10H Districts

In R10H Districts, the City Planning Commission may permit transient hotels. Where a building in existence on December 15, 1961, is located on a zoning lot, a substantial portion of which is located in an R10H District and the remainder in a Commercial District, the Commission may also permit the conversion of specified floor area within such building from residential use to transient hotel use without regard to the floor area, supplementary use or density regulations otherwise applicable in the Commercial District. The Commission may also allow any subsequent conversion of such specified floor area to and from residential or transient hotel use to occur without further Commission approval, subject to the conditions of the special permit.

As a condition precedent to the granting of such use or bulk modifications, the Commission shall find that such modifications will not impair the essential character of the Residence District.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

74-802
In M1-6D Districts

In M1-6D Districts, in areas that have not met the residential development goal set forth in paragraph (a) of Section 42-483 (Commercial uses), the City Planning Commission may permit developments or enlargements of transient hotels with greater than 100 sleeping units on zoning lots where residential use is permitted as-of-right, in accordance with Section 42-481 (Residential use), provided the Commission finds that:

(a) a sufficient development site is available in the area to meet the residential development goal; or

(b) a harmonious mix of residential and non-residential uses has been established in the area, and such transient hotel resulting from a development or enlargement is consistent with such character of the surrounding area.
The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

**74-803**

**Transient hotels within M1 Districts**

In M1 Districts, pursuant to Section 42-111 (Special provisions for hotels in M1 Districts), #transient hotels#, as listed in Section 32-14 (Use Group 5), and #motels#, #tourist cabins# or #boatels#, as listed in Section 32-16 (Use Group 7A), shall be permitted only by special permit of the City Planning Commission. In order to grant such special permit, the Commission shall find that:

(a) the site plan incorporates elements that are necessary to address any potential conflicts between the proposed #use# and adjacent #uses#, such as the location of the proposed access to the #building#, the #building’s# orientation and landscaping;

(b) such #use# will not cause undue vehicular or pedestrian congestion on local #streets; and

(c) such #use# will not impair the essential character or future use or development of the surrounding area.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

42-11
Use Groups 4A, 4B, 4C, 5, 6C, 6E, 7A, 9A and 12B

M1

Use Group 4A shall be limited to all health facilities requiring approval under Article 28 of the Public Health Law of the State of New York that, prior to July 10, 1974, have received approval of Part I of the required application from the Commissioner of Health, ambulatory diagnostic or
treatment health care facilities, as listed in Section 22-14 (Use Group 4), and houses of worship. Such uses are not subject to the special permit provisions of Sections 42-32 and 74-921.

Transient hotels, as listed in Section 32-14 (Use Group 5), and motels, tourist cabins or boatels, as listed in Section 32-16 (Use Group 7A), shall be subject to the special provisions of Section 42-111 (Special provisions for hotels in M1 Districts). For the purposes of this Section, inclusive, transient hotels shall include motels, tourist cabins and boatels.

42-111
Special provisions for hotels in M1 Districts

In M1 Districts, transient hotels shall only be permitted by special permit of the City Planning Commission pursuant to Section 74-803 (Transient hotels within M1 Districts).

(c) Such special permit for transient hotels shall be applicable to:

(4) development of a transient hotel;

(5) a change of use or conversion to a transient hotel, or an enlargement of a building that, as of [date of adoption], did not contain such use; or

(6) enlargement or extension of a transient hotel that existed prior to [date of adoption] that increases the floor area of such use by 20 percent or more.

(d) Exclusions

A special permit shall not be required for a transient hotel operated for a public purpose by the City or State of New York, or operated by a non-governmental entity pursuant to an active contract or other written agreement with an agency of the City or State specifying a public purpose.

In addition, a special permit pursuant to the provisions of Section 74-803 shall not be required for developments, enlargements, extensions or changes of use of transient hotels in:
the areas designated on the map in APPENDIX K (Excluded Areas in M1 Districts) of this Resolution;

(5) a #Special Mixed Use District# or where any M1 District is paired with a #Residence District#; or

(6) an M1 District that is subject to another special permit in this Resolution for such #use#, including, but not limited to, a special permit for a #transient hotel# applicable within a Special Purpose District.

Any #transient hotel# existing prior to [date of adoption] within an M1 District shall be considered a conforming #use# and may be continued, structurally altered, #extended# or #enlarged# subject to the limitations set forth in paragraph (a) of this Section and subject to the applicable #bulk# regulations. However, if for a continuous period of two years such #transient hotel# is discontinued, or the active operation of substantially all the #uses# in the #building or other structure# is discontinued, the space allocated to such #transient hotel# shall thereafter be used only for a conforming #use#, or may be #used# for a #transient hotel# only if the Commission grants a special permit in accordance with the provisions of Section 74-803. In addition, in the event a casualty damages or destroys a #transient hotel# within an M1 District that was in such #use# as of [date of adoption], such #building# may be reconstructed and used as a #transient hotel# without obtaining a special permit. A #non-complying building# may be reconstructed pursuant to Section 54-40 (DAMAGE OR DESTRUCTION IN NON-COMPLYING BUILDINGS).

However, if on or before April 23, 2018, a building permit or a partial permit for a #development# was lawfully issued by the Department of Buildings, such construction, may be started or continued. In the event that construction has not been completed and a certificate of occupancy including a temporary certificate of occupancy, has not been issued by [date - three years after the effective date], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332 (Extension of period to complete construction).

APPENDIX K – Excluded Areas in M1 Districts

The boundaries of the excluded areas in M1 Districts are shown on the map in this APPENDIX.
(On July 11, 2018, Cal. No. 18, the Commission scheduled July 25, 2018 for a public hearing which has been duly advertised.)

Close the hearing.

NOTICE

On Wednesday, July 25, 2018, at 10:00 a.m., at the CPC Public Hearing Room, located at 120 Broadway, Lower Concourse in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above public hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP proposes a zoning text amendment to establish a City Planning Commission special permit (the CPC special permit) for new hotel development in M1 districts citywide. The zoning text amendment would require a CPC special permit for transient accommodations including new hotels, motels, tourist cabins and boatels in all M1 districts except special mixed-use (MX) districts or paired light manufacturing/residential (M1/R) districts, or to M1 districts that include airport property and areas adjacent to airports that are predominantly non-residential. By introducing a CPC special permit, DCP proposes a case-by-case, site-specific review process to ensure that hotel development occurs only on appropriate sites, based on reasonable considerations regarding opportunities for the future siting of a permitted use on the site and the achievement of a balanced mix of uses and jobs in the area. The public hearing will also consider a modification to the zoning text amendment (ULURP No. N 180349(A) ZRY).

Written comments on the DEIS are requested and would be received and considered by the Lead Agency through Monday, August 6, 2018.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 18DCP042Y.
