		<p><u>Presentation</u></p> <p><i>Creating Vibrant and Healthy Cities for ALL: from 8 to 80 Years</i>; presented by Gil Penalosa, Executive Director of the Canadian based NGO 8-80. The presentation describes the benefits of transforming cities into places where people can walk, bike, access transit and visit vibrant parks and public places, no matter their age, ability, or social status. It provides concrete examples of the benefits of putting people first when planning our cities from the point of view of public health, environment, recreation, mobility, and economic development. The most innovative case studies from cities around the world are presented along with the five key elements to achieving positive change. DISCUSSED</p>
