

■ Illustrative Map

- Submit a street map of the area, illustrating the geographic area covered by the Zoning Text Amendment.
- A map is only required if the Project Area for a Zoning Text Amendment is within but not congruent with the boundaries of a Community District, a Borough, or if the Text Amendment is Citywide.
- The diagram must show street names for mapped, built, or record streets.
- Your Project Area and Development Site must be clearly outlined on this diagram.
