The Applicant, Astoria Owners, LLC, is seeking a zoning map amendment, a zoning text amendment, a City Map amendment, a waterfront special permit, waterfront authorizations, and a waterfront certification by the New York City Planning Commission (CPC) Chairperson (collectively, “the Proposed Actions”) affecting an approximately 3.8-acre site in the Astoria neighborhood of Queens Community District 1.

The Proposed Actions would facilitate a proposal by the Applicant to develop a new approximately 1,044,452 gross square foot (gsf) mixed-use development (“Proposed Project”) on approximately 164,392 sf of lot area (“Projected Development Site 1”). The Proposed Project would be comprised of approximately 1,400 dwelling units (DUs) (approximately 1,031,117 gsf of residential area), of which up to 350 DUs would be affordable; approximately 3,590 gsf of local retail space; approximately 9,745 gsf of community facility space; 525 accessory parking spaces; and 41,363 sf of publicly accessible open space.

The proposed zoning map amendment would rezone Projected Development Site 1 (Block 911, Lot 1) and one additional site not under the control of the Applicant (Block 911, Lot 49). Together, these lots comprise approximately 199,245 sf (the “Project Area”). Block 911, Lot 49 (“Projected Development Site 2”) would be redeveloped with a 219,296 gsf building containing 265 DUs (of which 66 would be affordable), approximately 15,000 gsf of commercial retail uses, and 115 accessory parking spaces.

Development of the Proposed Project requires approvals from the City Planning Commission (CPC) for the following discretionary actions:

- Zoning Map Amendment to rezone the Project Area from an M1-1 to an R7-3/C2-4 district (Zoning Map 9a);
- Zoning Text Amendment to modify Appendix F of the Zoning Resolution (ZR) to include the Project Area as a Mandatory Inclusionary Housing (MIH) area ;
- A City Map amendment to eliminate 3rd Street between 26th Avenue and the waterfront;
- Waterfront Special Permit to waive height and setback regulations (ZR 62-837(a));
- Waterfront Authorization to modify requirements within the waterfront public access area (ZR 62-822(b));
- Waterfront Authorization for phased developments (ZR 62-822(c)).

Development of the Proposed Project requires approvals from the CPC for the following ministerial action:

- A certification by the Chairperson of the City Planning Commission (CPC) pursuant to ZR 62-811 pertaining to the provision of waterfront public access areas and visual corridors (not subject to ULURP).

Implementation of the proposed actions would require review and approval of the discretionary action pursuant to the City's Uniform Land Use Review Procedure (ULURP). DCP is acting as lead agency on behalf of the CPC and is conducting a coordinated environmental review under the City Environmental Quality Review (CEQR) process.

The analysis year for the Proposed Actions is 2031.
