This errata is to notify you of a change that has been made in the Soho/Noho Neighborhood Plan Post-FEIS Technical Memorandum. To correct an error related to the Restrictions on Colleges and Universities in the description of the potential modification to the Zoning Text Amendment, Section B, Description of the Potential Modifications has been revised. The conclusions of the Post-FEIS Technical Memorandum remain unchanged.

A revised version of the Post-FEIS Technical Memorandum is available at DCP's website at: <https://www1.nyc.gov/site/planning/applicants/env-review/soho-noho.page>
