Re: Errata – Zoning for Quality and Affordability Proposed Zoning Text Amendment, Appendix F
CEQR No. 15DCP104Y
ULURP No. N160049ZRY

A technical modification has been made to Section 43-624 (b) and Section 88-33 (b) of the proposed zoning text, contained in Appendix F of the FEIS. The proposed zoning text contained minor errors in these sections, which concern maximum building heights on narrow streets in M1-6D districts and the special Hudson Square district. These errors have now been corrected.

The corrected version of Appendix F of the FEIS can be found at http://www1.nyc.gov/assets/planning/download/pdf/applicants/env-review/zoning-qa/appendf_feis.pdf

We apologize for any inconvenience this may have caused.
