

2010 Census Table G-1: 2010 Community District Geography Notes

1. Borough Totals for Community Districts

The sum of Community Districts will not add to either borough or citywide totals. Manhattan's northernmost census tract 309 is physically on the Bronx mainland and is part of Bronx Community District 8. Riker's Island, Bronx census tract 1, is linked to Queens via a bridge and is tabulated as part of Queens Community District 1.

2. Joint Interest Areas (JIAs)

Joint Interest Areas, such as Parks and Airports, are not included in the Community District tabulations. Some of these areas have reported populations and/or housing units, which are shown below.

<u>Borough</u>	<u>Joint Interest Area</u>	<u>Joint Interest Area Name</u>	<u>2010 Population</u>	<u>2010 Housing Units</u>
