**Technical Notes:**

1. Population data for the report are from the 2010 Census PL94-171 LATFOR Prisoner Adjusted file as specified by the New York State Legislative Task Force on Demographic Research and Reapportionment.
2. Percentages may not add exactly to 100 due to rounding. In no instance, however, will percentages differ from 100 by more than one one-hundredth of a percent.
3. In a small number of instances, Councilmanic components of Community Districts have no residential population. Despite the absence of population, these Councilmanic components were included under each Community District listing in order to make the listing geographically complete.
4. Joint interest areas (e.g. parks, airports) which, by definition, are not assigned to any particular Community District are excluded from the listing.
