

PL-P12A NTA: Percent Change in the Asian Nonhispanic Population by Neighborhood Tabulation Area* New York City, 2000 to 2010

*Asians of a single race.

Neighborhood Tabulation Areas or NTAs, are aggregations of census tracts that are subsets of New York City's 55 Public Use Microdata Areas (PUMAs). Primarily due to these constraints, NTA boundaries and their associated names may not definitively represent neighborhoods.
